### Coaches Clinic (Performance Pathway)

We are very fortunate to have the chance to hear from the National Womens Coaching staff about their philosophies and how they are progressing the womens game. Their ideas are great not just for women but for every coach working with structured basketball teams and players. This is a rear chance not to be missed!

To add value, we will give you a free ticket to the Breakers v Cairns Taipans game the following night.

# December 8<sup>th</sup> 7pm – 9pm
