

JOB DESCRIPTION

POSITIONS

Basketball Auckland NBL Assistant Coach

Basketball Auckland NBL 2nd Assistant Coach

Basketball Auckland NBL Team Manager

REPORTING TO Head Coach

HOURS As set by the Head Coach

PURPOSE

Basketball continues to be one of Auckland regions' growth sports with involvement at all levels.

The NBL programme purpose

1. To perform strongly with an objective to win on the court during the NBL season,
2. Encourage, develop and create opportunities for players within the Auckland Area,
3. Ensure that a pathway is provided for players to aspire to play at the highest National competition within New Zealand,
4. This opportunity is also about engaging high performing athletes with the community and schools programmes for the growth of Basketball in Auckland.

Basketball Auckland Inc is looking for an enthusiastic, motivated team member who is passionate about basketball and has the skills required to take the game to another level.

OBJECTIVES

1. Working and supporting the Head Coach, each of these roles will be responsible for enhancing the delivery of basketball.
2. Working with the Head Coach the successful applicant will ensure that the Basketball Auckland Association is working towards meeting the expectations of players, stakeholders and participants.
3. This will be a demanding but highly exciting position for a motivated individual who is looking for a role in development and looking to take that next step.

PERSON SPECIFICATION

You will have a basketball background and a broad range of knowledge gained from having either coached or played. Strong relationship skills are a must!

To succeed, you will be a committed team member providing support and assistance to the players and head coach.

These are non paid and non travelling roles.
