The under 10's have had a very successful year and we are proud of the way they represented themselves, their families the football club and the community.

How do you measure success in under 10's football?

The team played with great spirit every week and always showed great sportsmanship and respect to the coach's trainer's team manger, parents, opposition teams, umpires and each other throughout the season.

The kids enjoyed the experience of being part of a team and maintained there enthusiasm throughout. This was a great achievement considering there were 35 kids and most weeks they only played 2 or 3 quarters of football each.

Training was very good and the kids understood the importance of attendance and being fully involved while at training. (Ok, we must confess, we cannot be certain that this was not influenced by the occasional Pizza voucher on offer following our kicking competition!)

At the start of the season some kids had not played a competitive game of

football and the remaining had only played one season. This highlights how far the team has come this year playing a team sport and improving their own skill levels. These combined areas of improvement resulted in the group playing some very good quarters of football that challenged good opposition and we also managed a couple of good wins.

Thanks for all your efforts this year kids, we have enjoyed the season considerably. We look forward to maybe coaching you in under 11's next year (if we are selected) or seeing you around the club and seeing how you progress in your second year of under 10's.

Last but not least we would like to thank our Team Manager Jo for her efforts this year, our trainer John for his technical expertise, Kerrie for running (albeit sometimes in circles), Sharon for her water delivery prowess, all the committee members for their support and the parents for volunteering their time and ensuring the kids made it to the game every week.

Cheers

Colin Young, Ashley Tenson
