Firstly I would like to thank everyone involved with making this a very exciting and enjoyable season.

A huge thank you to the wonderful support team I had this year.

- Daren Pryor – for your assistance on training night and game days.
- Nick Peterson – Medic/Trainer, great job with keeping the boys on the field and your help on training nights.
- Michelle Greenwood & Trish Hegarty – My two wonderful team managers a huge thank you for making my job easier.
- Justin Pomonio – Team Runner, a great effort in helping to get the boys revved up before the game and relaying messages to the team.
- Sharon Jones – Water, a wonderful job in keeping the fluids up to the boys throughout the season
- Jodie Pryor – for washing the team jumpers this season, a wonderful job.

I would also like to thank all the parents, families and friends for the help and support shown this season, I hope you continue to support the team and club in the future.

The Team – A fantastic season was had by the boys. This year we set about workings on our skills and building team

work. The other things I asked the players for this year was commitment, to be dedicated and focused. As the season progressed the boys were starting to team together well and play some very good football. By the halfway mark we felt that we had a good chance to finish in the top 6. The boys to their credit lifted their work rate and showed just how competitive they had become by winning 6 of the last 7 games and finishing the season with 9 wins. I hope all the boys stick together for next season, listen to their coaches, have fun and I'm sure they will have another great year. Thank you to each and everyone of the players, you were a pleasure to coach.
