

A FUN way to start the 2011 season!

FRIDAY 25th OF FEBRUARY

Rochford Twilight Community Movies

We are having a movie night at Rochford Winery as a fundraiser to kick off the season. We get half of the gate takings so the more the merrier and better for the club.

The movie is "*Long Shots*," the true story of Jasmine Plummer who, at the age of eleven, became the first female to play in Pop Warner football tournament in its 56-year history.

"Friday Nights In The Yarra Valley Have Never Looked So Good!"

"Friday night's in the Yarra Valley 'come alive' under the stars!"

Relax on the famous Rochford 'Green' under the stars, with a bottle of wine and a snack, and enjoy this inspiring movie.

Entry Fee: Adults \$10, Children under 12 FREE! Tickets on the night

Venue: Corner of Maroondah Hwy and Hill Rd, Coldstream

Gates Open: 7:00pm.

Movie Starts: When Dark.

Cellar Door open, full bar facilities, BBQ and snack foods available on the night or bring your own food.

No BYO alcohol

As part of a night of fun before the movies starts we will hold some fun kicking competitions ranging from longest kick to most accurate. We might even have to get the mums up to give them bragging rights as the best kick for the year.

If every player can bring 3 people at least it will give us a great kick start for the year. So send it around to any girl that plays footy and get them along to a night of fun, food, film and of course footy.
