

# **TENAMBIT SOCCER CLUB INC**

PO Box 474. East Maitland 2323

## **HEALTH & SAFETY ISSUES**

### **NOTICE TO ALL PARENTS & PLAYERS**

We had an incident where some of our young players using a small set of goals to swing off and while doing so injured another player as he walked past. This player ended up with a broken foot as a result.

In the future anyone found playing or swinging on goal posts may have their name taken. If they are caught again they (including parents / guardians) will be asked to attend a Committee Meeting to explain their actions and defend why they should not be asked to leave Tenambit Soccer Club.

This may sound harsh but this kind of horseplay has killed a small child in Bowral and now injured and innocent bystander in our club.

Please note that the protection of our young players is not just the responsibility of the Club Committee Members and Team Coaches, it is also the responsibility of all adults that see this type of thing going on.

### **FEDERATION REGULATION S – SMOKING POLICY**

In accordance with Northern NSW Soccer Federation Regulation S – Smoking Policy the following should be noted.

“That smoking by all players (including substitutes) and officials (including coaches’ managers, trainers, and ground stewards) is not permitted for the duration of the match which he/she is participating.” Added to this is “that spectators who are allowed on the field during junior games are also included in this smoking ban.”

Please be aware that smoking is not permitted under the awning at the canteen or within the building itself including canteen, club room, toilets, referees room and change rooms.
