Australian Football National Risk Protection Programme

### Important Information

## Who should use this claim form?

You should complete this form if:

- ☑ **Insured -** You are a player, umpire, official or volunteer (Insured Person) of a League/Club (the Insured) covered within the AFL National Risk Protection Programme; and
- ☑ **Injured** You sustained an accidental injury during the Policy Period whilst actually participating in a sanctioned football-related event/activity; and
- ☑ **Non-Medicare** You are likely to incur or have incurred medical costs that are not listed on the Medicare Benefits Scheme

Before completing this form, ensure you are familiar with the Product Disclosure Statement (PDS) available on JLT Sport's web site www.jltsport.com.au/afl.

What is covered?

The AFL National Risk Protection Programme's Personal Accident cover provides some reimbursement for Non-Medicare Medical costs and/or Loss of Income cover for 12 months from the date of injury.

Loss of Income Cover is not automatically provided. If you are considering a Loss of Income claim, please check that your club has purchased Loss of Income cover before completing Section C.

Commonwealth Legislation prevents reimbursement of Medicare costs including the Medicare Gap. Non-Medicare Medical Benefits are covered up to the limits outlined below.

Please refer to JLT Sport's web site for the Product Disclosure Statement (PDS).

#### Bronze, Silver, Gold or Platinum?

The following table outlines the reimbursement capacity for the various cover levels within the AFL National Risk Protection Programme.

	Bronze (Basic Cover)	Silver	Gold	Platinum
	50% Reimbursed	75% Reimbursed	90% Reimbursed	90% Reimbursed
Non-Medicare Medical Costs	\$2,000 max. per claim	\$2,500 max. per claim	\$3,500 max. per claim	\$7,500 max. per claim
	\$100 excess per claim	\$75 excess per claim	\$50 excess per claim	\$50 excess per claim

All clubs receive, at least, the minimum Non-Medicare Medical Benefits cover (Bronze) at the commencement of each period of cover. Clubs/Leagues may choose to upgrade to a higher level of cover for an additional premium. Upgraded cover is valid only from the date of purchase.

If you do not know what level your club has purchased for this period of cover, please contact your club and/or league for details.

#### What is NOT covered?

The following examples demonstrate some areas not covered by the Personal Accident cover:

- Medicare items (see below);
- ☑ the Medicare Gap (see below);
- Injuries sustained whilst playing against medical advice.

Please refer to JLT Sport's web site for the Product Disclosure Statement (PDS) for further details.

#### What does "Non-Medicare" mean?

Medicare is a Commonwealth Government programme that provides free or subsidised treatment from medical professionals such as doctors and specialists. The Medicare Benefits Scheme (MBS) lists the items that are eligible for a Medicare rebate.

Sometimes, your doctor or specialist may charge more than the Medicare rebate, which may leave you with out-of-pocket expenses. This is commonly called the "Medicare Gap".

Section 126 of The Health Insurance Act 1973 (Cth) does not permit the Insurer or the JLT Trustee to reimburse any part of a Medicare Item (this includes the Medicare Gap).

This means that if your treatment is listed on the Medicare Benefits Scheme, it is not claimable through the AFL National Risk Protection Programme. For further information about Medicare please visit www.health.gov.au or www.medicare.gov.au

Please note: some Private Health Funds may offer Medicare Gap Insurance Cover. JLT Sport is not a Private Health Fund, nor do we offer Private Health Insurance.
