Presidents Report

Finally we have played the second round of the 2011 season. I am pleased to say that the season has begun incident free which is a credit to everyone involved. I am also pleased with this as we have so many new parents and players at the club, especially with 6 under 9 teams this year. To all coaches and team managers who champion getting things up and running, the club thanks you for your involvement.

This week I want to remind all members of the club how important sponsorship and our sponsors are. We are very fortunate to have the ongoing support of our major sponsors Marshall White where Andrew Hayne and John Manton continue their involvement with the Knights. I also want to thank the East Malvern Community Bendigo Bank for their ongoing support, who have been outstanding community partners for a very long time. Sponsorship is the life blood of all community based clubs. It enables us to keep membership fees down and provide improved facilities and equipment. It is these funds that also allows us to provide things like coaches training and first aid courses.

An opportunity exists within the club to sponsor one of the Mighty Knights teams. Team sponsorship costs \$1000 and provides you with an opportunity to promote your business within the club. It is this team sponsorship that allows us to provide all outlined above and more to your sons and daughters. The table on the following pages outlines which teams are without a team sponsor for the 2011 season and I hope that I can encourage you to sponsor your son or daughters team in 2011.

I again want remind parents and players that the first 4 rounds of the competition are grading rounds. The committee works hard to ensure our teams are positioned in the correct division. We will work hard with the MSJFL to ensure that after 4 rounds our teams are playing in a division that meets their ability so that easy victories and uncompetitive losses hopefully do not occur.

As you may have noticed we did not have a canteen operating for Round 1 & 2. We are very keen to have the canteen operating in 2011. If anyone has an interest in undertaking this for season 2011 or knows of anyone who would be interested in doing this please contact me directly. The club is more than willing to negotiate a suitable financial outcome for someone willing to do this for season 2011. Until this is resolved coffee vans will be at our home grounds.

After a refreshing Easter break, our Under 9 Brown Knights eagerly ran out onto the Hampton ground led by Captains Closey and Aido. From the first bounce the boys came out firing with 2 unanswered goals. Wyer kicked the first goal in just the first 30 seconds with assistance from Franky. Great teamwork guys. Reidy blasted through the pack towards an open goal to pop the second one through for a 6 pointer. It seemed the boys were on a role. Other inspirational play came from Algi with a great run along the wing, a bounce and then handball. Stainy very consistent in defence and Closey took a strong defensive mark in the centre to put a stop to Hampton's forward run. Kels won the contested ball from the bottom of the pack and handballed out to a teammate, and Reego showed a bit of dazzle with a nice blind turn.

The second quarter was characterised by a titanic battle of the back lines with neither side scoring during the quarter. There was plenty of passing to team-mates, proving the Browns really are listening to Coach Kane. One brilliant example of this saw Franky handball to Wyer and onto Crowley then Reego to Knighter to Nankers to Stainy, resulting in moving the ball quickly to our forward line. Sensational! Bowdo and Noons were doing the tough job of getting the ball out from defence. Scalz and Algi holding there positions brilliantly. Darbs also got plenty of the ball including some great defensive marks, and Poz was contributing and giving his all!

3 rd Quarter	Although we were a couple of goals up at the major break, it goes to show you should never relax. Hampton had a stronger quarter and put on 2 goals. Not sure where their extra strength came from, maybe they ate more oranges. The mighty Browns still showed some gusto to ensure we stayed ahead by 1 point at the end of the 3 rd quarter. Lozza's strong mark in the forward-flank and Obie's deep kick into attack helped continue the push forward. Aido dished-off a quick handball under pressure, and Russo always staying close to his opponent, all contribute to applying that extra bit of pressure.
Goals	Nil
Best for the quarter	

4 th Quarter	After a stirring address by Coach Kane, the mighty Brown boys kicked into another gear. Robbo went into the ruck and did a great job getting the ball to roving Harls who cleared it from the centre. Half way through the final quarter, Ello ran off his opponent and lead into space where he took a clean uncontested mark on the half forward flank. He played on quickly and banged it long into the forward line where a strong mark under pressure was taken by Closey who followed up with an accurate long kick for a goal. Soon after, the ball was then quickly won out of the middle by Harls and driven deep into the forward line where Closey took another strong mark and kicked another goal. Two goals in a minute! All looking good with 2 goals clear, but Hampton were tough opponents and replied back with there own goal. The Brown's dug deeper and played tough defensive footy to end up with a well deserved 8 point win. Back in the pavilion, everyone sang the great club song with mighty gusto. They were that loud I am sure they heard us back at Lucas oval.

The Mighty U/9 Blacks v. East Brighton Vampires

Sunday 1 May 2011 @ Hurlingham Park, East Brighton

On a lovely Sunday morning at the lush Hurlingham Park the Mighty U/9 Blacks took to the field against the Vampires.

Under instructions from Coach Mackay to kick long the Knights had the ball for the majority of quarter but failed to capitalise due to a loose back line. Fab Battista took on 3 Vampires in a contest on the kick in, won the ball and followed the Coach's instructions and bombed the ball to an empty goal square soon to be swamped by Vampires. The Vampires got a couple of easy goals from some loose defence from the Knights to lead at quarter time by 5 points.

The second quarter was the Knights - with Max Potter, Fab Battista, Will Veseley, Campbell Rose, Lachie Templeton all kicking a goal. Bill in his first game played the ruck very well winning the majority of the tap outs to give the Knights many good opportunities for centre clearances. A highlight passage of the quarter was the tap by Bill to Max Potter who quickly handballed to Jack McCorkell who kicked long to Lachie Templeton who dutifully put the ball on his left foot for a great team goal. At half time the Knights were 8 points up.

The third quarter saw the Vampires and Knighter go goal for goal. In this quarter Tom Bartlett moved into the ruck and teamed well with the roving Tom Landrigan to effect some great centre clearances. Xander Dietze kicked 3 great goals in the quarter including from a steal on a kick in and a banana from the deep pocket boundary line. At the final break the Knights were up by 4 points.

The Vampires started the final quarter with numbers around the ball in their forward line. The Knights struggled with the offensive pressure despite the courageous and workman like play of Charlie Mackay. Charlie ran hard out of the backline to be rewarded with a goal, unfortunately the Knights only goal for the quarter.

At the end the Knights went down by 2 points - 11-4-70 to 10-8-68.

The East Malvern Under 9 Reds marked their first home game of the season with a brilliant 72 point win over St Peter's Green. The Reds had contributors all over the park in a dominating four quarter display. Particularly pleasing was the teamwork, players sticking to the game-plan and the quick and decisive ball movement.

1 st Quarter	The Reds started well with several clearances out of the middle. Tower combined well with Fred who continued to run and provide opportunities up forward. Marcel and Jamo kicked goals during the quarter after getting on the end of good work by Pietschy and Big Unit further up the ground. St Peter's struck back with a goal late in the quarter to stay in touch.
Goals	Marcel 1, Jamo 1

2 nd Quarter	The Reds knuckled down to hard work early and were rewarded with a great goal to Pietschy. When Rhysie Boy kicked a pearler on the run minutes later, the flood gates opened in an exceptional display of offensive football. Others to slot a goal were Nicko, Big Unit and Slav while St Peter's also got one against the run of play. Many players got involved in the teamwork. Screamer, Wilksy, Stig and Harvs provided great run and carry down the ground. A 30 point margin had been opened up.
Goals	Pietschy 1, Rhysie Boy 1, Nicko 1, Big Unit 1, Slav 1

3 rd Quarter	A pleasing effort consistent with the first half was produced in the third quarter. Bails impressed the Reds fans on the wing with a couple of efforts while Huddo, Jim and Chris continued to drive the ball forward. Fantastic ball movement was a highlight. Several passages of play began deep in defence and ended in the Reds' forward line without St Peter's getting a touch. Harvs, Marcel, Pendles and Henry got amongst the possessions and it was our talls Pietschy and Big Unit who booted goals to stretch the lead further.
Goals	Big Unit 1, Pietschy 1

4 th Quarter	The players were challenged at the break to improve on the goalless last quarter of round 1 versus Mt Waverley. A swift response from the team came with a goal to Jim. St Peter's failed to score in the last quarter as the Reds employed a suffocating forward press resulting in 12 scoring shots to nil. With the back 6 staying put, our other 12 players pushed up into our forward 50. Ozzie kicked an opportunist's goal and Jim followed with his second. Shards thrilled the crowd on our wing with two fantastic marks during the term.
Goals	Jim 2, Ozzie 1

**First quarter Whites 2 Goal 6
Behinds 18 Blues 0 Goal 0
Behinds 0**

Sunday was a great day for footy with a huge amount of anticipation for the local derby between the 'East Malvern Whites' and the 'East Malvern Blues'. The aim for the day was hopefully a win, but especially for the whites to "hunt in packs" and for every player to have at least one tackle for the game. There were good signs early with Hoppo showing plenty of dash from the backline in those standout orange fluoro boots. Repeated attacks forward by Loco Commins, Raffa and Rowdy Lourey resulted in a couple of awesome running goals from Bazza Smith and Brycey. Lewie laid the Twistie tackle of the day to save a certain blues goal just before quarter time, to keep the opposition scoreless for the opening stanza.

**Second quarter Whites 3 Goal 8 Behinds 26
Blues 0 Goal 0 Behinds 0**

The 2nd term started with some individual brilliance from Skegg Parker, following up his own ruck tap out to re-gather and hit Stopper Negri on the chest with a pinpoint 30 metre pass. Skipper for the day Crowley, lead by example with several disciplined shepherds keeping the gallant blues players at bay. The backline led by Hynsey and Lenny Cohen were like a brick wall, allowing nothing to penetrate. Fierce continual pressure by the likes of Berry Craig and Thommo Lyons produced regular turnovers by the blues, which eventually enabled Spider Jaensch to

It was a very happy playing group and coaching panel at the end of a brilliantly executed match. The General took his players aside and was quick to praise the boys' efforts. "The way you under 9 boys move the ball is outstanding" he gushed. Highlights included 13 goals for the game: Jim 2, Pietschy 2, Big Unit 2, Marcel 1, Jamo 1, Rhysie Boy 1, Slav 1, Nicko 1, Ozzie 1.

Round 3 sees the confident Reds taking on Brighton East away at Hurlingham Park on Mother's Day at 1.45.

swoop onto a loose ball and snag the third major for the game.

Third quarter Whites 6 Goal 10 Behinds 46 Blues 0 Goal 0 Behinds 0

DC Condon started the 3rd quarter with a gutsy overhead mark running backwards towards a pack. This inspired the boys and it didn't take long before Snowie Rennell got his hands on the pill, snapping a brilliant goal while under enormous pressure. The highlight team play of the day was the "Blond" coast to coast goal starting with an intercepting mark from Bones Kenyon in defence, who took a bounce then gave a long linking handball to Lenny Cohen, who took a bounce then hit Baz with a 30 metre drilling pass, who then sold some candy to a blues defender, and while off balance spun in a banana goal from about 40 metres out !!! At oranges time, Coach Condon was rapped with the boys determination and hardness for the ball at every contest. Apparently every player had also applied their "at least one tackle" for the game and lolly snake's were accordingly handed out as a reward and that much needed energy boost.

Whites 6.10. 46 Blues 0.0. 00

Fourth quarter Whites 8 Goal 17 Behinds 65 Blues 0 Goal 0 Behinds 0

Quarter number 4 was a dominating display by the Whites. With constant and relentless forward line pressure by our boys, the ball was kept in our half of the ground for nearly the whole 15 minutes. Razor Wyer was the standout for the term booting 2 classy and clever 6 pointers. Wayward kicking at goal was the only negative for the final term, with a solid peppering of the big sticks, unfortunately resulting in only minor scores.

1st Quarter The game was fast and very tough. For most of the first quarter the game was played in our defensive half. The backline (led by Styles and Sammy Turner) was under constant attack and did well to withstand the early onslaught. Ferg, Eddie Godfrey and Charlie Ingham were full of run off half back, while Chris Harvey, Bas and the "Hitman" were laying strong bumps and instilling fear into the Sth Melb forwards. Larke was at the bottom of every pack and providing supply to the forward line. After withstanding the early pressure, the Reds settled and late in the quarter Height took a strong mark and goaled keeping difference to 10 points at the first change.

Goals Height

Best for the quarter Harvey, Ralph, Larke, Turner, Styles, Godfrey, Ingham, Hocking, Smith

2nd Quarter Harry Ralph set the team alight with drive off the half back line. Godfey was now in the middle and enjoying the freedom. Harvey was giving the coach what he asked for with long driving kicks from defence. Fishy took some hard bumps and dished a few out also to make his presence felt. A highlight was the Fish-Ingham- Fish - Turner passage leading to a goal. Trent was lively across half forward, peppering the goal front. Closey, Sam McCabe and Charlie Bidgood were imposing themselves on the game, with strong defensive skills. Butcher was rucking tirelessly and providing us with first use of the ball

Goals Turner

Best for the quarter Turner, Fish, Larke, Close, Butcher, Harvey, Jones

3rd Quarter Sammy Turner was dominating in the centre, Styles continued to provide drive from half back. Ingham (back from injury) and goal-sneak Godfrey combined well. Morley was solid across half back, supported in the last line of defence by hardworking Height and Jones. Butcher continued his good form in the ruck, with nice taps and slick handballs. Larke - Close - Ingham - Close - goal! Callum laid a number of strong tackles across half back and Bas continued to impose himself in the centre, taking some big bumps.

Goals Close, Godfrey

Best for the quarter Close, Butcher, Styles, Turner

4th Quarter The boys were full of run and hit the lead with 10 minutes to play after Styles slotted 2 great goals. The forward line was very active (Close, Harvey, Ralph) and the backline remained solid (Turner, Ralph, Height, Close, Larke). Flynn and Callum were dominating their opponents and providing lots of forward drive. With less than five minutes remaining the opposition slotted 2 goals against the flow of play to take the lead late in the game.

Overall one of the toughest and best games the team has been involved in, despite the loss. The boys worked hard for each other, kept running and didn't take any backward steps. Head coach's instructions were followed all day.

2nd Quarter At the huddle Coach Ralph suggested the frenzy for goals had resulted in a Chadstone like crowd up forward. This lead to the uncomfortable position of Jamo being left on his own to deal with 4 St Peters men on the rebound. Team work and shepherding was the focus of Q2. Just as well this was mentioned as St Peters came out hard and quickly goaled. They had dialled up the pressure so Gauci responded with a great shepherd on the parents wing. Hess, Fitzy, Sousti responded against the free running St Peters boys and that dangerous number 3. Waino took some solid grabs in the wet conditions and repelled their attacks. Davo grabs the ball and kicks to Lowe who kicks our only goal for the quarter.

1st Quarter Coach Ralph urged the boys for a quick start and they didn't disappoint. Cpts Ahearn and Ando led from the front moving the ball to the fwd pocket where Ralph goaled. The ball was wet and heavy but Ralph repeated the task for a second. Not to be outdone Donne kicks from deep wing to Batts who registers our third from 35m. The back line repelled any St Peters forward movement with aggression. Soust was very active in this activity as were his fellow defenders. After dominating the ruck Cuddles initiates a forward movement resulting in a crude tackle on Gilbo who wins the free then scores our fourth. The boys went into the huddle with confidence they were on top.

Goals Ralph 2, Batten and Gilbo

3rd Quarter Coach Ralph commanded the boys to play tight and look for the team option by not putting your mate in the hot seat .He also wanted them to win the first 10 contests .Davo didn't disappoint and burrowed into the packs to get the hard ball moving .Crowe then kicks to Lowe who kicks forward to the boundary .A ball in and Waino scoops up for a snap to goal .Contests won again with Lowe to Ando for a quick goal.The push continued with Halse to Ahearn then to Batts to Scott for a point.It didn't matter because we were 7 contest down .Davo again from a pack to Waino who ran from the centre for a poster.Q3 ended with Davo and a mate and 1 St Peters down.The game started with a St Peters goal.

4th Quarter Coach Ralph liked what he saw but wanted the boys to relax around the ball with the knowledge that your mates will shepherd .Cuddles taps to Donne who kicks to Batts .Hess earns a free then kicks to Jamo then to Gilbo who kicks to Batts .The ball is moving but St Peters is getting goals .Waino kicks to Dora who goals .Crowe kicks to a pack and Gilbo digs the ball out and the tide turns .Ralph takes on No 3 and wins the ball to move it forward .Jamo lays a tackle and Ahearn scoops up to kick to Dora who kicks to Ando .Ando wins a 1 on 1 and passes to Gauci who earns a free kick.The intensity continues with Ralph laying a great tackle to earn a free kick.The game ends in a good victory .

1st Quarter A very even first quarter with both sides playing free flowing football. Alex Procopiou seemed to have the ball on a string in the centre and Al Richards showed plenty of run. Tommy Miller was making good use of his trusty left boot with some nice long kicks into attack. James McCormack provided Tommy Miller with an opportunity to score our first goal. A great Cam McCallum shepherd gave Ethan Duane the space to snap another goal. Meanwhile Nick Wainwright was repelling numerous attacks at centre half back and Fraser Morrisby was slowly working into the game. Alex Procopiou quickly followed with another goal which saw the knights with a 9 point lead at quarter time.

1st Quarter
 The alarm was set early as the Mighty Knights prepared to take on last year's Runners up The Vampires! The boys were excited as they ran through the Captain/50th Gamer Tim Slack's milestone banner. The scene was set with the ground abuzz even at the early hour of 8.45am. The smell of bacon and eggs cooking was clearly a tactic to distract this scribes attention to the task at hand. The first quarter started and the midfield brigade of Stevens and French proceeded to pound the ball deep into our forward line but the speedy mosquito fleet of the Vampires ran and ran and had a goal on the scoreboard before we could blink. Hazza Mulcahy was a rock down back and in conjunction with Tom Sudano repelled everything in sight. Lachie was back and running as hard as ever and Mitch looked like he had never been away with dash and poise on the wing. Connors found space and took a mark twenty metres out and turned onto his trusty left and slotted it through. The game was tight and played at a frantic pace.

Goals Connors 1
 Best for the quarter French - Stevens Mitch and Lachie, Tabain (what a smother), Mulcahy, Slack, Sudano and Connors

2nd Quarter
 Our new recruit set the ground alight with 2 of the very best goals - welcome aboard Gilbert or should I say Daisy Thomas!! I think the Vampires knew they had a game on their hands. Gus started the ball rolling in the centre up against the Vampires secret weapon # 1 and was doing a superb job. Cormack was his silky best getting the ball long and into the hands of Slack and Ralph who worked really well together and pushed high up the ground to free up space in the forward line. The man who benefitted most was Battistella who kept seeing the football like a watermelon and kept kicking it through the big sticks. To the Vampire's credit they played a terrific style of game, playing on at all costs. But we had Palmer and little Zac (our two secret weapons who don't know how to say die). One bit of play that had the crowd on their feet was when Tom Palmer went hard at the ball, ran straight ahead and took the ball cleanly and kicked long into the forward line - well done Tom.

Goals Battistella (2)
 Best for the quarter Batistella (of course), Cormack, Filgate (bone crunching tackle) Gus, Frenchy

3rd Quarter
 After enjoying the luxury of the change rooms and a spur on by Super Coach Ward, Captain Slacky led the boys out with a sense of trepidation knowing that the Vampires would have been given a rev-up by their coach. The BBQ continued to test this scribe who was doing his best to hold on to the end of the match for one of those magnificent Egg and Bacon rolls.

I think Ed Johnston had his best game for the Knights. He marked everything and was great target up forward - A real Live Wire. In one special moment Johnno moved the ball with speed to Trent, who kicked it further afield to the very clever Louis Kelly for what was to prove a match-winning goal. Fraser was terrific down back and made a huge smother that surely saved a big goal. Charlie Filgate was busy up forward and the Knights continued to rely on the sure hands of Trent Shannon.

Goals Louis Kelly

Best for the quarter Kelly, Johnston, Palmer, Ralph, Tabain, Filgate, Tuttle and Langton

4th Quarter
 The scene was set for a huge last quarter. Coach Ward threw Max into the middle of the ground and it paid dividends. He had fresh legs and he needed them. The Vampires threw everything at the Knights and with run from the very special # 14 from the Vampires, it was pleasing to see our backline come through the quarter without letting the Vampires kick a goal.

Cormack started at Centre Half Back and directed play to the outer wing. The boys held on for a sensational win and Jimmy Stewart lifted, as he had about twenty members of his immediate family on hand to see him play in front, win a free - play on, and faster than a Boomer Harvey handball, he unselfishly handpassed to his teammate who narrowly missed a goal.

All in all, the Knights played a magnificent **TEAM** game and deserved their win! Well done to Tim Slack again on a magnificent Captain's game! And lastly if we are to continue to improve as a team then we must all improve and it has been great to see this across the board in all players.

First quarter Whites 1 Goal 6 Behinds 12

It was overcast conditions, but mild and windless at Stanley Grose. Hoodie led the boys onto the field. The first few minutes was an arm wrestle with the ball moving up and down the ground. Ando, on the half backline, sparked the boys up with a desperate smother with the ball spilling to Slav who used his pace to run down the wing with a kick towards the forward line to a leading Roo. Roo made a great smother and the ball was retained in the Knights' forward line. The arm wrestle continued with further acts of defensive desperation shown by Rhino, Ando and Slav until a sharp Slav clearing kick pinpointed Juz for a great grab 25M out on a 45% angle. Juz went back and slotted it thru for the first goal. After the centre bounce Hoodie won a clearance with a nice pass to Batters who was aided in the contest by a desperate effort by Juz at ground level. The focus on passing was illustrated with Ando taking a grab, passing quickly to Slav and another quick pass to Batters who snapped sharply...for a behind (that deserved a goal!). After the kick out Slav swept on the ball and at pace on the boundary line, fired off a cheque side kick on his right boot that would have brought the house down, but alas a point. After the next kick in, further pressure from the Knights came as Juz crashed thru a pack with a quick pass to Roo who also racked up

a behind. And the mid field wall again worked as the next kick in was followed by Slav winning a clearance, Ando breaking free setting up Rusty who kicked to Roo who took a nice over head grab....but again a point. It was 1 goal 5 at this stage, but the Knights were dominating possession. Mordy then ran the ball down the ground only to have Billy Thorn make a great intercept with a kick to Slav who passed to Kya whose second effort off the pack won him the ball but his snap shot fell short. The siren then sounded and that was the 1st qtr.

After losing the centre clearance, our back line stood up and a highlight was Ando passing to Slav who then used his blistering pace to find space and spear a pass to Rusty, who's snap got a unlucky bounce and scored a poster. Following the kick in after some stoppages Slav got a nice clearance, again using his foot speed, to pass to Kya who took a strong mark and slotted it thru for the 2nd goal. After the centre bounce, Mordy had some possession with a string of nice passes moving the ball into the Knights defensive lines. At ground level Ando showed some desperation with a great tap out of a pack. A quick snap by Mordy was foiled by George, the rock of Gibraltar, standing guard on the last line of defence, stopping a certain goal. The Knights then showed some impressive ball movement with nice passes from Roo, Juz and Slav at different times. A stand out feature was the fast running from Burty, Hoodie, Apples and Rhino. Some great defensive desperation was shown by Red who put his body on the line stopping a certain goal. Near the end of the quarter the great pressure by the Knights was rewarded with a clearing kick by the Redman resulting in a great grab from Slav and a well earned goal resulted. The Half time address focussed on manning up and picking up lose opposition players.

Third quarter Whites 5 Goals 10 Behinds 40
Mordialloc 0 Goals 2 Behinds 2

The 3rd quarter got off to an exciting start with a centre clearance bomb into the Knight's half forward line finding "Jackson" Ryland taking a big specky over head that got a roar from the crowd. Another great passage of play had Slav crumbing a pack nicely, hand-balling to Kya whose kick to a pack had Billy tapping the ball deftly to Apples whose kick to George was perfect. George went back but his kick couldn't find the big sticks. It wasn't long before Ando featured again with some classy roving tapping the ball intelligently to a group of running Knights, followed by a handball to Rusty who booted the ball from 35m out with the ball narrowly avoiding several Mordy hands...after the all clear from the field umpire, the goal umpire signalled the good news and the Knights had another goal. The Knights defence was again tested but Macka strongly cleared the ball to Apples who found Rusty for a nice passage of play. After some stoppages Jackson Ryland won a strong clearance and fired out a great pass to Ollie on the half forward line who helped keep the ball deep in the Knights attacking zone. With Mordy taking possession and kicking the ball deep into the Knights defence, Juz stood strong with a desperate effort in a pack to bottle the ball up and prevent a score. The ball then worked its way along the boundary line away from danger. A great passage was Ando swooping on a loose ball, firing a nice handball to a running Hoodie who passed to Slav who showed some genuine pace and nailed a fantastic running goal. Late in the quarter Hoodie led by example with a real captains effort resulting in a gutsy intercept deep in defence and desperate dive on a loose ball by Kya with a tap to George to bottle the ball up and prevent a score.

Fourth quarter Whites 9 Goals 13 Behinds 67
Mordialloc 0 Goals 2 Behinds 2

The last quarter started with an arm wrestle with several ball ups and clean possession hard to get. Jackson Ryland won a tough contest at ground level to kick to Roo on the wing who

kicked to George who got a pass away to Batters. From that point on, the Knights kept the momentum going with hard ball gets from Hoodie, Ando, Rhino and Billy and nice handballs from Red, Roo and Apples. The great pressure from the Knights was again rewarded with Hoodie crumbing a ball with a pass to Kya who handballed to Juz who kicked long to Apples who got the ball to George. The result was a point, but the kick in was gobbled up by Batters who then scored a nice goal. The goals kept coming with Roo taking the ball off the pack and a kick to George in the pocket who tapped the ball forward to Roo who followed thru with plenty of run and goaled. The next goal was set up with Batters running hard, making a nice side step around the opposition and passing towards Roo, who scooped the ball up and goaled again. The next highlight was a courageous mark from Milsy which sparked possibly the point of the day...from deep in defence, Rusty passed the ball to Ando who kicked to Batters who passed beautifully to Roo with a kick that got a minor but a coast to coast linkage that had the crowd cheering.....deserved a goal ! The kick in was marked strongly by Roo and he kicked another point. This kick in was then marked by Ando with a great grab. He got it quickly to Batters who passed to Apple who took a strong grab and then goaled. The 4th quarter had some great passing and solid manning up.

Goals: Roo, Slav (2 each), Juz, Kya, Rusty, Batters & Apple (1 each).

Better Players: Roo, Slav, Juz, Ando, Big V, Rusty, Jesse, Kya, Apple, Hoody, Redman & Macka.

We look forward to training on Friday where we will focus practising our 3 golden rules:

1. Move the ball quickly
 2. Don't kick to the opposition
 3. Go hard at the ball.
- Go the Mighty Whites!

Sunday was a great day for footy with a huge amount of anticipation for the local derby between the 'East Malvern Whites' and the 'East Malvern Blues'. The aim for the day was hopefully a win, but especially for the whites to "hunt in packs" and for every player to have at least one tackle for the game. There were good signs early with Hoppo showing plenty of dash from the backline in those standout orange fluoro boots. Repeated attacks forward by Loco Commins, Raffa and Rowdy Lourey resulted in a couple of awesome running goals from Bazza Smith and Brycey. Lewie laid the Twistie tackle of the day to save a certain blues goal just before quarter time, to keep the opposition scoreless for the opening stanza.

**Second quarter Whites 3 Goal 8 Behinds
26 Blues 0 Goal 0 Behinds 0**

The 2nd term started with some individual brilliance from Skegg Parker, following up his own ruck tap out to re-gather and hit Stopper Negri on the chest with a pinpoint 30 metre pass. Skipper for the day Crowey, lead by example with several disciplined shepherds keeping the gallant blues players at bay. The backline led by Hynsey and Lenny Cohen were like a brick wall, allowing nothing to penetrate. Fierce continual pressure by the likes of Berry Craig and Thommo Lyons produced regular turnovers by the blues, which eventually enabled Spider Jaensch to swoop onto a loose ball and snag the third major for the game.

**Third quarter Whites 6 Goal 10
Behinds 46 Blues 0 Goal 0 Behinds 0**
DC Condon started the 3rd quarter with a gutsy overhead mark running backwards towards a pack. This inspired the boys and it didn't take long before Snowie Rennell got his hands on the pill, snapping a brilliant goal while under enormous pressure. The highlight team play of the day was the "Blond" coast to coast goal starting with an intercepting mark from Bones Kenyon in defence, who took a bounce then gave a long linking handball to Lenny Cohen, who took a bounce then hit Baz with a 30 metre drilling pass, who then sold some candy to a blues defender, and while off balance spun in a banana goal from about 40 metres out !!! At oranges time, Coach Condon was rapped with the boys determination and hardness for the ball at every contest. Apparently every player had also applied their "at least one tackle" for the game and lolly snake's were accordingly handed out as a reward and that much needed energy boost.

Whites 6.10.46 Blues 0.0.00

**Fourth quarter Whites 8 Goal 17
Behinds 65 Blues 0 Goal 0 Behinds 0**

Quarter number 4 was a dominating display by the Whites. With constant and relentless forward line pressure by our boys, the ball was kept in our half of the ground for nearly the whole 15 minutes. Razor Wyer was the standout for the term booting 2 classy and clever 6 pointers. Wayward kicking at goal was the only negative for the final term, with a solid peppering of the big sticks, unfortunately resulting in only minor scores.

3rd quarter

Ben & Will are relentless in defence. Isaac passes to Will & then to Dan & the ball's back in our forward line. Tom & Isaac combine in the forward line, Isaac kicks it through the big sticks for another major, goal! Knights appear to have the game well in hand as Isaac taps to Will who after a good dash kicks yet another goal!

Ben, Jack & Tom fight it out of the centre but the ball comes straight back & Paddy takes a great mark in defence. Isaac takes two big marks in defence. Tom, Will, Ryan & Paddy combine in a great passage of play. Tom, Isaac & the whole backline repel still another attack by the opposition. Isaac, Tom & Will appear to be everywhere & are major headaches for their opponents.

4th quarter

Harry, Paddy Hayne & Lachie are all making great contributions from the backline. Tom continues his great form & is racking up the possessions. Suddenly, out of nowhere, the opposition boot four unanswered goals. In a great move by the coach Isaac & Will are brought back on to add some height to the backline & have an immediate effect. Isaac, Will, Paddy S, Tom & Ethan repel yet another attack & the ball starts to move towards our forward line. Angus, Sam & Harry battle on, Hugo, Tom, Jack & Isaac keep battling hard. Will kicks long to Isaac who kicks the last point right on the siren. Knights win with a good percentage builder. Go Knights!!!

MATCH REPORT

Youth Girls

**East Malvern Knights 28:23:191
 defeated Park Orchard 2:0:12**

Our first match for the season, in the new Yarra Junior Football League YG competition, was always going to be interesting. We had not had a practice match as a team, nor have we had all team members present at any one training session!!! Nor did we have any information on the Park Orchards team (apart from it being David Neitz territory).

Alicia's advice to the team:

"I hope everyone is excited!! - youth girls footy is so much fun, win, lose or draw!! Don't worry If you are feeling a little nervous, it is perfectly normal. Round 1 is not a grand final...its round 1. So lets go out there, play some footy and just have some fun doing it!..."

It was great to see the Knights uniform back on the park in season 2011. Although we only had 14 players available, we were supported by Mia who will miss the season as a result of her ankle injury. At the present time we don't have a bench so if you can encourage 4 or 5 of your friends to join the team, it would be great.

New players Tilly, Francesca (Frankie), Victoria, Chauntelle and Mimi slotted into the side with ease as we had our first goal on the board inside 60 seconds as a result of great

ruck work by Frankie and quick movement to Bianca.

From there, the pace did not drop off. Our centre line continually sent the ball into our forward line which was on fire, scoring 10 goals for the quarter. Amber, Victoria, Tilly, Bianca, Elyce, Holly, Frankie and Little Kate were working hard, finding space and making good use of all scoring opportunities.

At quarter time, the coach swapped forwards to backs with the same result, only this quarter Chauntelle, Josie, Katie, Mimi, Mikaela and Sarah were slotting them through.

Some highlights: Frankie in the ruck (supported by Sarah and Victoria) and her around the ground marking, Mikaela with good tackling and a goal from a check side torpedo, Frankie and Tilly forming a great avenue from the centre, Tilly for filling the hole during kick ins - marking the ball over 6 times and being rewarded with several goals, Mimi for assuming Rebecca W's apologetic role after an in the back decision but also receiving more free kicks than she "gave away", Victoria for her work in the ruck, forward and marking around the ground, Katie for bustling around the ball, shepherding and providing opportunities for herself and her teammates, Chauntelle for being so determined in her first game and being rewarded with 2 goals, Holly for continually finding space along with Little Kate, providing the option for the switch, Amber for left hand handball and three clever goals, Josie for her reliability and holding the ball in when there were no East Malvern options, Elyce for her work all day from the centre and around the ground - smiling all the time, Sarah for her work in the ruck and shepherding, and Bianca who was able to post the first goal of the season and able to provide strength and cunning at both ends of the ground.. and Graham for marking the ground with 5 minutes to spare....

The area we need to work on is transition - if the backline pushes up the ground - it must be prepared to run back hard and defend when the turn over occurs.

Thanks also to the parents (and brothers / sisters) who assisted on the day. I hope you enjoyed the game as much as your daughters!!!

Hard game next week at Bulleen Park against Kew Rovers. GO KNIGHTS

1st Quarter
Coach Ralph inspired the boys with a great pre-match address. Captains Crowe & Ralph lead the boys out in front of a nervous crowd. This was Division 1 after all! Allen started jumping well in the ruck tapping to Crowley who made no mistake going forward. Hess, Ralph, Dora, Davo England & Soust combined well for Tag who slotted our first! Batsy roved well & Gilbo, Alfie, Toastie, Palamara, Gauci & McLeod were holding them up in defence. A great grab from Scott & Arnold was also finding the ball. Allen, Ralph, Batts, Gilbert, England & Tag held strong marks before Tag snagged his 2nd. Cuddles into the ruck, tapped well & used his body to keep them out. Quarter over & our nose was in front!

Hess was giving plenty & Barwie, Wainwright, Lowe & Tag were combing well. Toastie & Davo were getting it in there & Dora took a great mark before converting truly! Allen was going well and Soust took a great grab. The footy was very hard & Dingley took advantage of an unpaid free to bag their first! Then England roved well, out to Davo, over to Tag for a quick snap & our 3rd for the term was on the board! Wainwright received the tap & England, Scott & Alfie pushed forward, but pressure was great and our backs had to work hard all quarter.

Goals	Gauci, Dorevitch, Tag
Best for the quarter	Soust, Ralph and Hess

4th Quarter
 Dingley goaled early but Batsy, Gilbo, McLeod, Halsey and Cuddles had seen enough of the 'pine' so wanted to make the last their own - They all delivered. Gilbo went forward and bagged 3! Batts and McLeod tackled hard and got plenty of the footy, Cuddles was great and Halsey never gave up. Dingley had a lot of the play though when Gauci grabbed it, over to Barwie who delivered to Crowe and on to Soust. Scott took a great grab and snapped for a minor. Alfie took a beauty that set up Gilbo for his 2nd and Wainwright, Allen and Toastie were working well. Alfie wanted one of his own so he chipped in too. Gilbo's last was our tenth and we were able to go home smiling. Great Work all!

MATCH REPORT

East Malvern U9 Whites Vs South Melbourne

First Quarter

The game started at a frantic pace with a clearance from the middle by Sam Hume to a running Harry Kirkwood who handballed to Max Holmes for the first minor score on the board. The kick-in met our defensive wall and Thomas Fish swooped on the loose ball, had a bounce and slammed through the opening goal.

Ned Lyons was controlling the ruck but the opposition threw everything at our backline. Despite some good passages of play from our boys the South Melbourne defence stood firm. A great smother by Edward Pick was followed by long kicks out of defence by Sam Hume and Mitch Hart. Harry Carter took a strong mark at centre half back and kicked to Lachlan Peel in the middle of the ground who handballed to Sam Hume on the burst. Max Holmes took a great mark and short passed to Peel. A handball from Thomas Fish found the running Ned Lyons who kicked long into our forward line. The game started to open up with Harry Kirkwood kicking to Zach Cumberlidge then his short pass was marked by Cooper Chaffey. He speared a pass to Sam Hume who had a running bounce and sent the ball forward to Hugo Steedman who marked strongly. Unfortunately all this good teamwork went unrewarded on the scoreboard.

The South Melbourne forward line was also on the attack. Strong defensive work from Liam Duncan, Jake La'Brooy, Ben Salmon, Mitch

Hart, Harry Carter and Edward Pick kept the opposition goal less at quarter time.

East Malvern 1.1.7 South Melbourne 0.1.1

South Melbourne scored a quick goal to start the 2nd quarter. Jake La'Brooy took control in the ruck. Mitch Hart held the ball in to stop a certain opposition clearance and Edward Pick scooped up the ball and handballed forward to our advantage. Jake La'Brooy was everywhere with a strong mark and kick into the forward line followed by a pick up and handball, a free kick and another booming kick forward. Lachlan Peel was hard at the ball and forced a ball up. Despite the forward line's best efforts we could not break through for a score.

South Melbourne were now on the attack but the back line stood strong. Max Holmes, at full-back, kicked to Sam Hume at center-half-back, a quick handball to Jake La'Brooy, handball to Harry Kirkwood and the ball was back on our half forward line. Harry Carter fought hard to get the ball clear but South Melbourne came again. Max Holmes cleared the ball from the backline through a Liam Duncan handball and we were away again. Support came from James Andriske who fought for the ball and managed a handball out to space.

Mitch Hart gained a free kick by playing in front and shot a pass to Jake La'Brooy. La'Brooy and Sam Hume racked up the possessions to keep the ball in our forward line. Harry Carter provided support and drove the ball long to full forward but we could not find the goals. Harry Kirkwood received a free and had a shot at goal which also missed the mark. Finally Zach Cumberlidge found space and kicked to the leading Hugo Steedman who marked strongly, went back and calmly slotted through a goal right on half time.

East Malvern 2.2.14 S o u t h
Melbourne 1.2.8

The quarter started with a clearance from Sam Hume through Tom Hume and a handball to Max Holmes. Zach Cumberlidge received a free kick and short passed to Thomas Fish who took a chest mark, played on and handballed to Tom Hume. Tom Hume kicked to the goal square where Hugo Steedman was rewarded with a free kick for playing in front and slotted through his second goal.

From the centre ruck contest, James Andriske handballed through traffic to Zach Cumberlidge who fought hard for the ball and managed to force a handball forward to Thomas Fish for another goal.

Ben Salmon just missed taking a screamer but was able to back up quickly to force a ball up in the centre. Edward Pick had a long run and kick to Salmon who marked. Quick movement of the ball led to Max Holmes having a shot at goal for a behind. A couple of rushed behinds were followed by Holmes intercepting the kick in and posting the team's third goal for the quarter.

Zach Cumberlidge picked up a free kick in the centre and kicked long to Max Holmes who took mark of the day. Unfortunately, the shot at goal was wide of the mark. Sam Hume marked from the kick in and another rushed behind resulted. With the ball in dispute on the half forward line, Hugo Steedman swooped on the ball and provided a slick handball to Tom Hume who goaled on the run to end the quarter.

East Malvern 6.7.43 S o u t h
Melbourne 1.2.8

By the start of the last quarter the big ground had taken its toll on our runners but some of our smaller boys took control. Harry Manton won the first tap and picked up a

couple of early touches. Thomas Powell stood tall in the back pocket with a couple of handy kicks forward and was well supported by Jack Poulos on the wing who gained a couple early of possessions. Cooper Chaffey worked hard on the ball and was unlucky when his kick forward rolled out of bounds on the wing.

The desperation of the younger boys was shown by Ted Rosengren who fought against three opposition players to force a ball up on the wing. Max Holmes was working hard in the centre and was rewarded with a couple of kicks, a great smother and a terrific mark from the full back kick in. Ben Salmon snuck down the ground from his forward pocket to pick up a kick and Ned Lyons showed great courage with a smother in defence to stop a certain South Melbourne goal.

South Melbourne scored a late consolation goal but the game was well and truly over by then.

A great display of team footy and another win for the Mighty Knights!
