Joe Upton Shield

## JUNIOR SPORTS PERSON OF THE YEAR

### VOTING FORM

For the following to work, each team MUST FILL IN THIS SHEET EVERY WEEK, TO GIVE ALL YOUR PLAYERS A CHANCE OF GAINING VOTES.

Each week after your game, the coach or manager will vote for the best and fairest player, by voting 3, 2, & 1 for three players from your team. Substitute players from other teams can receive votes (borrowed players), these players must have their age group and team name written next to their name.

Don't forget that players, who put in a mighty effort for their standard of play, might not be as good as some of your better players, but they should still get a vote.

**It is all about each player who improves there game not the best on the field.**

After you have filled in the sheet, (**with the players full name**) please hand in the form to the games room, as soon after the game as possible.

All votes will be counted from all teams, U/6's to U/9's, the player with the most votes for the season will become junior sports person of the year for the season.

All teams to start from round one.

Return all sheets to the games room or the Club Fixtures Officer.

One sheet per team per week.
