## **2010 President's Report**

*Welcome to the 2010 RFNC Presentation night. Tonight is our chance to recognize and reward the players who excelled during the season, thank those people whose invaluable contribution to the running of the club ensured we had a successful year. And a big thank you to our sponsors whose support is integral to the operation of our great club.*

**On The Field ~ Netball** A great effort Netballers, four teams played finals and were very competitive with the 17 & under going all the way and winning back to back flags – well done young Ladies. To Julie Gerrand thank for your commitment and hard work this year. The Netball has certainly improved this year as evidenced by the majority of teams making finals.

*Congratulations to A Grade on reaching the preliminary final, B Grade reaching the elimination final, C Grade reaching the preliminary final and 17 & under winning the grand final as well it's worth mentioning that the 17 and under are undefeated in 2 years of competition a fantastic effort girls. A special mention to D Grade who, even though they didn't make the finals had some good wins during the year.*

*I think the senior netballers have benefited from the 17 and Under participation which has given an injection of youth and enthusiasm as well as extra depth to draw players from. This augers well for the future of Netball at Rosedale.*

**On Field ~ Football** We had a settled start to 2010 with the reappointment of Damien Birss Senior Coach, appointment of Steve Grover as Reserves Coach and reappointment of Chris King Under 18's Coach which was subtle development of last years coaching personnel. Steve Grover took over as reserves coach from Daniel Hopman.

*I take this opportunity to thank Hoppy for his coaching contribution in 2009. Hoppy had the same old difficulty with numbers last season but battled on and never stopped ringing players to encourage them to train and play, it must have been heartening to see what the reserves were capable of through this season.*

*The season start was a change from recent years as we had a full pre-season from mid January right through to the season start. It certainly proved to be a telling factor given that the seniors played off in the grand final and the reserves finished on top of the ladder after the home and away season. The under eighteens were unfortunate in that they started really well and looked to be a finalist yet a cruel run of injuries to top players reduced their bench to nil from halfway through the season onwards.*

**Performance ~ Seniors** The seniors had a mixed start to the season dropping games against lower opposition due to inconsistency. As the season progressed the seniors had some good wins against quality opposition to get back on track. Towards the end of the season it become evident that the battle for fifth spot would be between Heyfield and Rosedale, the boys came through with a good win over Heyfield at Heyfield to sew up fifth spot.

*Any side that finishes fifth is regarded as the chopping block for the other finalists however our players had other ideas. A strong win by 74 points in the elimination final over last year's grand finalists Churchill started proceedings, the following week in the first semi-final a win by*

102 points over 3<sup>rd</sup> placed Glengarry ensured a showdown with Gormandale in the preliminary final for a crack at the grand final. A fighting come from behind win by 57 points ensured that our players had the chance for ultimate glory the following week against Sale City.

As fairy tales go it was not to be and Sale City won by 29 points. Even though Birssy and the players were tremendously disappointed they can look back on 2010 as the year that Rosedale Football Netball Club rocked the NGFNL by coming from 5<sup>th</sup> and playing off in the Grand Final. I'm sure there would have been some angst amongst the teams that had to play our boys during that finals series.

Now that the players know what is needed to play deep into finals and ultimately win the big one, I'm sure this is not too far away.

Congratulations to Birssy for a great year, the work put into this season by him should not be underestimated as well as recruiting, arranging training camps and time spent going over the team plan as well as getting the best out of his players he was always available to us as a committee and players alike. Thanks Birssy and the senior eighteen for a successful and entertaining season. (Next year we may need to have a carton of smokes carried by the trainers for when things get tight in a game)

**Reserves** ~ The reserves under Steve Grover had a fine season finishing on top of the ladder with only one loss. This was tempered however by the losses in finals which meant a flag was not to be this year. I consider that the season was successful in that players were at training a lot more and most participated in pre-season training, this directly helped the senior team who could draw from fit and match hardened players, a far cry from previous seasons.

Well done for a good effort by the reserves players of 2010 you showed that you can win games regularly. The finals series showed inexperience, however learning from this year should take you on to better things in 2011. So keep your fitness and start 2011 as you started 2010.

Thanks Steve for a great year, it may not have finished the way we wanted it to but good progress was made with the reserves so you should be proud of your efforts.

**Under Eighteens** ~ Chris King did a lot of work and contacting pre-season to generate a strong team, despite all his efforts the fickle nature of footballers meant that a lot who promised to come and play preferred the easy option of going off to play at other clubs with their mates.

Kingy kept up the training and encouragement and we saw results with some good wins early in the season. They headed the ladder early and looked about to repeat the tradition of our under 18's featuring in finals on a regular basis when severe injuries struck down a number of our top players. With a small bench in the first place this was to prove the Achilles heel for the team as they could never have a bench to rest and recuperate, in this modern game of Aussie Rules these rests are crucial to winning and the players were unable to perform at their best.

Losing his top players regularly to senior selection is a problem for every Under 18 Coach and Kingy handled it well encouraging his players to strive for senior selection at all times. It was a good test for the players who despite the difficulties always tried and had a go.

Thanks Kingy for your efforts in 2010 against pretty tough odds you always gave it your best.

**Summary** ~ I encourage all footballers and netballers to stay together and invite others to come and play at what is the best footy netball club in Australia. Your commitment this year has placed the club in a strong position for next year, with some more recruiting and retention of this group we will be in a position to improve on our 2010 results in 2011. Thank you to all footballers and netballers for your efforts in 2010.

**Off Field ~ Committee** ~ A big thank-you to our hard working and dedicated committee members Debbie Shaw, Eliza Heywood (Fraser), Peter O'Neill, Gayle Lowe, Kath Spizzica, Mark "Digger" Power, Debbie Power, Brad Shaw, Fiona Nicholson, Bec Tilley, Peppi Guareschi, Rick Galea, Steve Bourne and Paul McDonough without your time and efforts the club would not be able to operate.

Digger thanks for being treasurer this year the hard work you do in keeping track of income and expenses to ensure we remain viable.

Thanks Lizard for performing the secretarial duties, the club ran well in 2010 this was in no small part due to your efforts.

Ground preparation is big job and ably done by Lowie, Bourney, Digger and Freshie. Thanks for your hard work during the year fellas.

Fiona, thankyou for liaising between the netballers and the committee this year. The netballers performance speaks for itself, it is impossible to have success without good administrators. Thanks also to Fiona along with Julie who co-ordinated the Netball Reunion for the Mothers Day Pink Ribbon Round on 8th May. It was terrific to see so many familiar faces return to the Club and enjoy afternoon tea after the netball games against Heyfield. We now have a comprehensive collection of memorabilia and photos from days gone by, thanks again to Fiona, Julie and all the ladies who contributed to the success of the Reunion weekend.

Thanks heaps Rick for the mammoth amount of time and effort you gave in engaging and re-engaging sponsors, liaising with Trafalgar Mens and Boys Wear to present a very smart and professional look for the RFNC and help behind the bar on Thursday nights so I could have tea. Also thanks Jodie for your support of Rick's work at the club as well as your own.

**Canteen and Thursday Night** ~ Special thanks to Gayle Lowe for organizing a successful canteen for the season also thanks to helpers Anne Bolger, Helen Guareschi, Suzie Winterton, Kerry O'Neill (Kerry brought in beautiful pumpkin soup, very welcome on a cold day), Tanya Thornton and Debbie Shaw some Mum's, netballers and footballers for their invaluable help running the canteen during the year. Good quality food and friendly service are rare commodities these days so well done.

Also to Deb Power, Fiona Nicholson, Eliza Heywood and the ladies who diligently prepared food for the canteen and Veronica, Alanna and anyone else who contributed those delicious slices and cakes etc for half time at each home game thank you.

Thanks also to Jan and Trish for running the gate, I know some of those days were long and cold.

A big thank-you to Peppi Guareschi whose bar-work is second to none (no-one else does it). Always with a smile together with a quip to keep the Ladies on their toes.

Special thanks to Kerry for co-ordinating the Thursday night teas, thanks also to Helen, Deb S, Deb P, Margaret (makes great yo-yo's), Cheryle, Eliza, Vanda, Gayle, and all other Ladies who ably assisted Kerry in preparing and serving wonderful meals for our Thursday night teas. As well thanks to the families who provided food on casserole nights thank you.

**Match Day Assistance** ~ Thanks to Mick Emery, Bruce Anderson and Gazza for doing the timekeeping duties over the season.

Very much appreciated is the time put in by the trainers in looking after the football and netball players. Thanks to Vanda, Kate and Freshie for doing the training when available also to Hahny, Lizard and Lowie who filled in when needed. Also thanks to Dennis and Gary for their help in doing the interchange duties, I know Dennis really enjoyed the arvo teas Ladies.

Thanks to the Galea boys Josh and Lach as well as others who attended the scoreboard.

Thanks to the team managers Steve Bourne Seniors, Paul McDonough Reserves and Kevin Taylor under 18's for enabling the coaches to concentrate on having the players at their best game day. Thanks to the selectors and for match-day assistance for Birssy Steve and Kingy by Cameron Mayne and Paul Diamond.

A big thanks to Jimmy Crabtree, Digger, Lowie, Pommy, Toby and those players who ran water during the year. Also thanks to Dimma, Pommy, Toby and anyone else who did the running duties for the coaches.

Thanks to Kevin Taylor for taking all the team photos and snaps at various times during the year, also thanks for getting the till programmed.

**Challenges** ~ We have a challenge to ensure that the Rosedale Junior Football Club can come out of recess and at the same be viable as far as numbers of players and committee members are concerned. Anyone whose children are between the ages of 8 and 16 are encouraged to participate in Aussie rules at Rosedale. I'm sure any help from parents in running the club would be greatly appreciated. Please see myself or Digger so we can direct you to the right person if you are interested.

**Achievements** ~ Congratulations to our Club Football and Netball Best and Fairest winners for their efforts this year, your performance for your Club has been fantastic so enjoy your night tonight. Congratulations also to our other award winners who are listed in tonight's yearbook.

Special mention to Amy Harrison A Grade Rookie of the Year, Jason Bourne NGFNL Reserves League Best and Fairest winner, Leah Leeson B Grade Netball League Best and Fairest and Sara Mayman 17 & Under League Best and Fairest as well, what a great effort. We are all proud of your achievements.

Thanks Alanna and Kath for the preparation of this yearbook, it's greatly appreciated the time you've put in to have it ready in time. Thanks again.

Last but not least our major sponsors Garry and Vicki Leeson, Valley Ford, Eastern Constructions, Ponderosa Timber, Rosedale Tavern, other sponsors, supporters, parents and anyone who I have not mentioned, a great big thank you from me for your fantastic support all year.

A special thankyou to my lovely Wife Deb, you have been a great help at the Club and support for me. Love you heaps.

As Veronica would say "Go Blues".

STEPHEN SHAW.  
2010 President

## **2010 Coach's Report**

*So close to the ultimate success. That was the end result after a year of hard work and dedication to the R.F.N.C.*

*The 2010 season started off when we couldn't make the Finals in 2009. We had a meeting and targeted areas with-in the Club that we needed to improve on to make the club more successful and a better place to be, as we all spend so much time committing to the cause at the club.*

*I must congratulate and thank everyone that kept their word and worked so hard to make this year enjoyable for everyone involved.*

*The Pre-Christmas B.B.Q at Steve and Cheryle Bourne's place was just superb. To see so many people interested in the recruitment and fortunes of the Club for the coming season was fantastic.*

*David Tripp was appointed our Assistant Coach along with Brad Caldwell. Steve Grover was appointed Reserves coach and along with senior recruits, Andrew Flanagan, John Cantwell, as well as the return of Chris Lowe, Ryan Wissmer and Dominic Keating, everything was in place to start the pre-season in mid January.*

*We held a camp at Phillip Island that put the finishing touches on a tough and very well attended pre-season. Practice matches against Morwell East and Lakes Entrance gave us a real understanding that we had a well balanced and very competitive team, but after 3 or 4 rounds of the season, things went pear-shaped. Losses to T.T.U and Cowwarr showed us that there was alot of work to do and many changes to make if we were to be competitive.*

*Losing Corey Patmore, Mathew Cogan and Ben Plozza as the season went by, was more than covered by the return of Gerard Barnes from Traralgon, Luke Carpenter from injury, Ryan Carpenter from Melbourne and the emergence of Thirds players Rohan Diamond, Nick Taylor, Cameron Freshwater and Jake O'Connor.*

*Finally we had made the finals and entered in a fair amount of form. Finals seemed to bring out the best in the players and the results showed how far we had come from the start of the season. To make the Grand Final was a great experience for the players and everyone involved with the club.*

*I have so many people to thank for the support I have received this year, which I will recognise on Presentation Night.*

*In finishing, I hope that everyone that is involved with the Club can improve on their efforts from this year to make sure that the next step can be achieved. Hard work and commitment are vital in footy clubs today, clubs don't fluke Premierships. The more you achieve the harder it gets, but I have no doubt the playing group along side a dedicated Committee will achieve the ultimate success!*

## **2010 Coach's Report**

*My first year as Reserve's Coach with R.F.N.C. has been very enjoyable, challenging and rewarding.*

*Well done to all of my players. Extraordinary effort by each of you, enabling us to finish on top of the ladder at the end of the home and away season. I believe this is a first for the reserves.*

*Unfortunately, we did not excel in the finals. However, if we are to go all the way in 2011, we require a concerted effort from each individual to increase levels of stamina and endurance. To attain this level, full attendance and effort at training must improve. I believe we have the ability and the talent to reach our ultimate goal.*

*Special thanks to Paul McDonough, great Team Manager, Rick Leeson, outstanding runner, Jimmy Crabtree, Lowey, Vanda, Lizard, Digger, Kate and thank you to all other individuals whom assisted throughout the season. Without the fantastic efforts by these volunteers we would be lost. Thanks guys.*

*Awesome effort and big thank you to all the Thirds players who played their own match and then ran water for both the Firsts and Seconds.*

*To my predecessor, Hoppy, thank you for ensuring ease of transition for me and for your continued support during the season.*

*Congratulations to the under 17's Netball team on your success in the Grand Final, well done. Congratulations to Birrsy and the Senior team on making the Grand Final. Great effort, and congratulations to all other teams who made the Finals.*

*I believe 2010 was a great year for the Club I look forward to this being superseded in 2011.*

*Reflecting, retrospectively to other organisations I have been involved with Rosedale Football Netball Club as a whole fosters a positive environment both on and off the field and as such R.F.N.C. has a very bright future.*

*Thank you to both the Committee and Birrsy for their support and giving me the opportunity to coach a great bunch of guys whom I believe will fulfil their goals in the near future.*

*Wishing you all a great summer and looking forward to seeing you all at preseason 2011. GO BLUES!*

## **2010 Coach's Report**

*Another season done and dusted, which unfortunately saw the Thirds miss out on Finals football for the first time in several years.*

*The season could not have started any better for us which saw us win the first six games in convincing style. Things turned a bit south after injuries and players playing good enough football to be given the opportunity to play Senior football, seeing us struggle through the middle of the season, it was good to see all the guys stick together when things weren't going our way.*

*Unfortunately, we finished one game out of the Finals, some big positives came out of the season with Rohan Diamond playing excellent football for most of the year in the Seniors, and Nick Taylor joining him in the Finals series for the Senior team. Well done to Cameron Freshwater and Jake O'Connor who also played Seniors throughout the year. Well done to all you boys it's great to see our younger players contributing to the Senior team as well as you all did.*

*Congratulations to Cameron Freshwater on being named as Full Forward in the Third 18 Team of the Year, and coming second in the League Goal Kicking with 59 goals, a great effort.*

*A big thanks to Craig Mayman for being my Assistant again this year. Thankyou to Toby Thornton and Tim Allan for helping out with running each week, also thanks to Kate and Vanda for the strapping each week, and thanks to Bruce Anderson for doing the time keeping every game this year. Lastly, thank you to everyone else that also helped out with the water each week.*

*I would like to thank the Nambrok Junior Football Club for allowing Adam Diamond, Sam Mitchell, Jamie McIntosh, and Jack Leslie from their Under 16 team to play for us nearly every week, without these guys this year would not have been possible.*

*Finally, to all the players hope to see you all back next year in whatever grade of football you play, there will be exciting times coming up for this Club and everyone should stay involved.*

*Go Blues*

## **R.F.N.C. ~ From the Netball Courts**

*Well that's another season over and done with, hopefully with the season we have encouraged a new way of thinking on the netball courts: “**work hard and YOU will get results**”.*

*I set a personal goal at the start of the season for all of our teams to finish in a better ladder position than 2009 season. This was achieved, but I think that once we got a taste of playing against the higher ranked teams and winning or coming close, the more we wanted. You can't ask for more than that from a Club, so congratulations to ALL players for the way we have performed this season.*

*We had a later start to pre-season which I wanted to do to keep everyone interested come September and not burn out and lose interest through July and August. With high number at training still for the last session with the 17 Under's showed that this was successful and we were still keen to train and encourage other members in the Club that were alive in the Finals. Also the introduction of entering teams in the Sale competition before the season started, I think was great for match fitness and well done all those who committed to playing each Monday night and please encourage others to do the same next year. Thursday night training has been great for bringing the Football and Netball to the same place more often. Having so many faces inside the clubrooms each Thursday is great to see and can be looked on as a successful thing for our Club. Thank you to the ladies who prepared tea each Thursday night, they do a wonderful job and the meals have been second to none.*

*17 Under had a another great season, ending the season as Premiers and also being undefeated, unfortunately not crowned with “Premiers and Champions” after having three games taken off them at the start of the season. Having this penalty in place I think made the team have to work harder to keep in touch with the higher placed teams and keep their winning streak going, which they achieved successfully.*

*Well done to Sarah Mayman on winning League B & F and big CONGRATULATIONS to all the 17 U's on a great season. I hope you all enjoyed the season as much I did and can take something you have learnt this season and be able to use it in your netball game as long as you play.*

*Thank you to Jess Mayne for taking on the role as Captain this year, it took her a few games to get used to the idea and really take hold of what was expected as the captain, but once Jess was comfortable with this position I think she really did a great job.*

*The Club looks forward to seeing you all next season, whether it is in 17 U or as a Senior grade player to continue with the great way you have all presented as representatives of the Rosedale Football/Netball Club.*

*Well done to **D Grade** for having a more successful season that last year, winning five games. It was great to see that way the team changed their thinking as the season went on. Rather than accepting being beaten on a Saturday the team were not so accepting of defeat and have higher expectations of the way they performed on the court. After speaking to all team members towards the end of the season we agreed that higher numbers of team members at training would be the start to the team playing better and winning more in 2011 to help the D grade team win more games and realistically think about playing in late August and September 2011.*

**B Grade** finished the season in 5 position, this was a good result but I think as the season went on we all thought we could have done better. As a team we trained well but sometimes battled to perform as a team on Saturday. We had a mixed bag of players in different positions trying to get the right combinations in defence, through centre court and in goals. It took majority of the year to find these combinations and got them together towards the end of the season. Well done to Leah Leeson on convincingly winning League B & F and also thank you to Leah also for taking on team captain. She leads by example and I don't think that any of her team members would have wanted anyone else as their captain. B Grade has had its success over the years but has finished mid range for the last few. Hopefully this year is the start of climbing the league ladder and playing more games in the final series in the future.

The Club Netball representatives **A Grade** did a fantastic job in doing just that. The way they have all performed at training and on Saturday on and off the court have been great. Five of our seven players commenced the year by playing for NGFNL in a pre-season competition at Leongatha on Friday nights, which I think is a massive effort in Jan/Feb. They all attended 90% of training sessions and all committed to playing in Sale on Monday nights before the season started. The same five players also represented the League midyear. Once the team had settled they begun to play a high standard of netball and as players they started to expect to play this standard each week. Playing in a preliminary final this year was a great achievement and is a great improve on last season. Again the more you play in the finals the more you want hence the reason we all felt so let down by own last game. Thank you to Lorelle Lowe as Netball Club Captain, she has done a great job and has high level of expectations, which is what you want the Club Captain to have. **If there is only one thing that you can each take away from this season I hope, it is a greater hunger to achieve nothing less than a better result in 2011.**

A big thank you to Fee for all the hard work she does during the week when people are not even thinking of netball and on Saturdays making sure all runs smooth. It is a thankless job Fee and we all thank you for your efforts.

To to all the Football/Netball Committee, thank you for having some faith in what I thought I could offer the Club and backing what I wanted to bring to the Netball side of the Club. Hopefully we are creating a mentality within the Club that we will only expect higher achievements individually and as a club each year.

I have enjoyed 2010 and there has been some lasting achievements that I will always remember and thank you to all players for you commitment during the year and acceptance of my appointment as Coach. If each player can take something away from this year and use it in the future I think I have done my job.

Lastly thank you to my family for your support and encouragement from the beginning. It made the job alot easier with their support and encouragement. Thank you.

**JULIE GERRAND**

Netball Coach

A, B, D and 17 Under

Top: **Sarah Mayman** ~ 17U League B & F  
Below: **Leah Leeson** ~ B Gr. League B & F

After an improved season last year, the C Grade girls were really keen to get into pre-season and start the season strongly. Round one saw a slight hiccup against Glengarry seeing a first round loss. The draw then saw some disruptions with byes and holidays but it didn't show as the girls won the next three games in a row. For the next six rounds we would win one week and then lose the next week, but we were still well positioned on the ladder and were looking like making finals.

Once we began playing teams for the second time, the improvement was evident with the girls winning six out of the last seven games to make the top five and play finals for the first time in a few years. We had nothing to lose going into the elimination final and that showed against Heyfield with a dominant performance all over the court for a ten goal win.

The first semi brought an opponent, Woodside, who we had only met once during the season and they beat us by 20 goals that game. Again we had nothing to lose and they really threw everything (and themselves literally) at us but a huge credit to the girls for sticking to our game for a three goal win.

The preliminary final saw some difficult conditions and a stronger opponent on the day, Glengarry, who then went on to win the Grand Final the following week. Last year the girls finished well out of the top five with only eight wins; however this year saw them finish third winning 11 games in the home and away season and two games in the finals which is not only a huge improvement, but a credit to their hard work. Furthermore, every player in the team received some votes in the league best and fairest which is a great achievement!

Throughout the year we had many changes with players coming in and out and to those players who had injuries or illness, we are really looking forward to having you back for the 2011 season and thank you for all your support on the sidelines as being a spectator isn't the easiest job when it's your team out there.

I know throughout the year and particularly on game day I asked a lot of the girls which saw girls were playing a lot of the season in positions they do not normally play in and not once did anyone complain or whinge about the job ahead. For that reason and many others, it has been such an enjoyable season watching their improvement throughout the season. The cohesion as a group, coupled with laughter, tears and humour has made it a pleasure to coach you all this year.

A special mention and congratulations to our Best & Fairest winner Lan and B & F Runner-up Brooke – what a great season both of you have had with such consistent and improved performances throughout the year. Finally thanks to Deb for being our Captain this year and Brooke Heywood our Vice Captain - your leadership shown throughout the year was great for the team during the season!

BRIDGET KASE  
C Grade Coach

## Rosedale Junior Football Club

### **2010 Auskick Report**

Auskick started well with thirteen children eager to play football and lots of parents prepared to help out with activities. With such a small group we were able to work on different skills including getting down and dirty in the mud. This was the first year since we took over Auskick that we had to play in the rain. Thankfully on these rare days, we could use the changerooms where the kids had a ball playing tunnel ball and kick to kick.

When the kids found out they could play three games during halftime at Rosedale's home matches they were beside themselves, many of them not wanting to come to normal skills day because they weren't as cool as the "real" game. They all enjoyed playing in front of the Rosedale crowd and I think the Mum's and Dad's got a kick out of it too.

Then it was off to the MCG. All the kids got to run out onto the field with Matt Gilmore, Alanna Diamond, Erin Felsbourg, Ben Treasure and myself drawing the short straw and heading onto the ground with them. It was a Richmond Adelaide game which didn't draw a huge crowd but it was awesome none the less. The kids played beautifully and lots of photos were taken.

Thank you to Heritage Finance, the RFNC Committee and all those who supported Rosedale Auskick in 2010. We look forward to seeing you all again next year.

JO & MIKE WILSON

---

**2010 ~ Welcome** one & all to the start of a new season. RFNC has been no different to the others 10 clubs in NGFNL during the off season with a lot of hard work happening to ensure we're super competitive in 2010 in both netball & football. This hard work has seen us have an influx of quality playing personnel with some old & new faces donning the navy blue & along with this are a few new additions at committee level as well. New 2010 coaching appointments to support our team from last year are David Tripp (senior assistant), Steve Grover (reserves) Julie Gerrand (head netball coach) assisted by Bridget Kase & Bron Tebb, thanks to these guys for stepping up, hopefully your commitment & efforts will be rewarded at the end of the season. Today we welcome Glengarry to the Duke St reserve for what are sure to be some fierce contests on the netball court & football field. Let's be sure we give our coaches & teammates 100% & get the season off to a real flyer. We extend an invite to magpie players & supporters to join us in the social rooms for a cool drink & presentation of awards after today's hostilities. Tonight we kick off the social calendar with a progressive dinner at local venues, let's get behind our social function coordinators who have done a fantastic job in mapping out our calendar for this season & make it a night to remember. This year we have a variety of membership packages available that present great value, catch up with any committee member for more details. Unfortunately during the off season the Rosedale Junior FC has gone into recess for 2010, hopefully this is only some short term, as we can ill afford to go without a junior base of footballers going forward into the future.

**ROUND 2 ~** Hope everyone had a great Easter, not too many choccy eggs were consumed & we're fired up for another crack at four points today. Disappointed but not disheartened would best sum up the feelings of RFNC supporters & players after the 1st round loss to Glengarry at Rosedale. What a great game of unhomogenised, untampered, genuine Aussie rules country football at its best, with no quarter given or taken & the result in limbo up until the dying moments of the game. Well done to Glengarry who were the better team on the day, we're sure our coaching staff & players will take plenty out of the match (especially the crampers) & put it to good use over the coming weeks. Congratulations to our A, B & U17 netballers who joined the reserves & U18 footballers on the winner's list in round 1 to get their respective seasons off to a great start. Better netballers on the court were A-Amy Harrison, B-Leah Leeson, C-Stacy Bond, D-Kylie Zammit & U17-Nellie Mayne. Today we travel to Boisdale to take on the bombers on their home patch & undoubtedly our senior footballers will be out to redeem themselves to seek a little revenge from the last encounter between the two sides before we have another week off. After today's hostilities let's join our opponents for a cool drink then get back to the Rosedale Tavern & prepare for tonight's mystery bus tour, those wishing to get a late seat (if available) should catch up with Rick or Kath asap. After next week's bye we have our ANZAC day clash with TTU, starting times will be finalized this week. Great to see numerous RFNC life members at our 1st home game, especially pleasing was the presence of Brian Farley & Lionel Harris, both have recently moved back to area & are sure to be regular attendees & supporters for us in 2010. Congratulations to the RKCC boys who were part of the 3rd & 4th grade premiership teams, hopefully your success can rub off on our football & netball teams in 2010.

**ROUND 3 ~** Last Saturday saw us make a very successful journey to Boisdale with all football & netball teams enjoying healthy wins, unfortunately we don't have the opportunity to gain some momentum with us having another week off courtesy of the bye. Netballers who shone on the court last week were A-Carly Meehan, B-Tara Saunders, C-Stacy Bond, D-Chloe Hollands & U17-Kristy Mayne. Start times for next week's ANZAC day clashes with TTU at home are from 1.00 pm onwards with the ode being read prior to the senior game at approximately 5.15pm. ANZAC badges will be available at the club during the week, be sure to purchase one & wear it with pride next Sunday. Those wishing to tidy up their memberships should catch up with Digger or Fee asap. Hope everyone enjoys another week off & we prepare ourselves for a red hot crack at the TTU bombers next week. Congrats to Brooke & Stevo on the safe arrival of baby Mackenzie.

*ROUND 4 ~ Hope everyone enjoyed the week off & made the most of what was the last free weekend for the next 9 or 10 weeks. Today we welcome the TTU bombers to the Duke st reserve for our annual ANZAC day clash with the U18 footballers & U17 netballers kicking off the day at 1pm. A special welcome is extended to all that have served our great country, we sincerely hope you enjoy some exciting football & netball matches today at Rosedale. On ANZAC day last year the bombers showed true ANZAC spirit & managed a come from behind effort to defeat our boys by 20 points. Today we have the opportunity to show that same spirit & gain some revenge in front of a big home crowd & hopefully register consecutive victories. An invite is extended to TTU players & supporters to join us for a couple of refreshing drinks & the presentation awards in the social rooms after today's hostilities. Let's be sure to hang around after the senior match later on tonight to listen to a few tunes, tell a few yarns & sip on a daiquarie or two. Those wishing to tidy up their memberships should catch up with Digger or Fee asap. The member's \$50 draw will be back & running at our next home when we'll have three draws to make up for the first two home games, those who are not fully paid up will not be in the draw. Big thanks to Rick & Leah for arranging to get some work done on the ladies toilets, much appreciated. All at RFNC wish to pass on their sincerest condolences to the Welsh Family & Churchill FNC on the recent passing of Gary "Woosha" Welsh. Woosha was highly respected by those who played against him & was the epitome of the quiet achiever.*

*ROUND 6 ~ Congratulations go to our A, C & U17 netballers who joined the reserves & U18 footballers as winners last week at Cowwarr. Our SENIOR footballers went from bad to worse against the Saints, in what was possibly our poorest performance in recent years. Hopefully we've reached the bottom of the well & we can't go any lower. Each & every player that dons a Rosedale Guernsey has 110% support from everyone at the Rosedale Football Netball club &*

*is expected to wear that Guernsey with pride & be responsible for their actions & performance on & off the field. Now is the time for actions to speak louder than words & for us to turn our season around with*

*performances that reflect the real talent that exists within our playing group. Netballers to stand out last week were A–Bron Tebb & Carly Meehan, B–Rachael Timbs & Leah Leeson, C–Stacy Bond & Deb Power, D–Eliza Heywood & Jo Hahn & U17–Nellie Mayne & Kristy Mayne. Apologies to Justin Emery for missing the outstanding milestone of 100 senior games recently. Suss played his first senior game for RFNC as a 15 year old boy & has matured into one of the NGFNL's premier footballers in recent years, with him claiming the title of league B&F in season 2006. I'm sure Suss will provide plenty of leadership today*

*& be one the key factors in us trying to get our season back on track in the coming weeks. Today we have the Breast Cancer/Mother's Day pink round occurring, with us also holding a netball reunion for past & present netballers. This will be followed by the pink night where a two course meal will be available. Many thanks to Fee who has been largely responsible for this to take place. We thank those that have attended, especially the long distance travelers, we trust you'll have a most enjoyable day & evening catching up with old friends & reliving past glories. Annette Power, a Breast Cancer survivor & mother of netball coach Julie Gerrand, will have the honor of tossing the coin for the A grade game. Happy mother's day to all the mums, hope you have a great day tomorrow & receive all the TLC you deserve. Today we welcome Heyfield to the Duke St reserve & extend an invite to the Roo players & supporters to join us for a refreshing drink & the presentation of awards in the social rooms after today's hostilities.*

*ROUND 7 ~ Everyone at RFNC wishes our senior assistant coach, David Tripp, best wishes & a speedy recovery after he received a knock to head during the 1st quarter last week that resulted in a nasty facial injury & subsequent surgery in Melbourne. All football teams were joined by the U17 & D grade netballers as our victors for the day last week at home against the Roos. The seniors managed to show some glimpses of what they're capable of with a gritty performance to get over the reigning premiers & give Birssy a long awaited win over his former club. Congratulations to 1st year U18 players, Rohan Diamond & Jake O'Connor on making their senior debuts last week, both acquitted themselves very well*

& have long senior careers ahead of them if their debut match is anything to go by, well done boys. A huge thank you to Fee for her efforts in getting the netball reunion up & running, making it a great success with many former netballers attending & reminiscing about old times. Netballers to stand out against Heyfield were A-Danielle Diamond & Bron Tebb, B- Bec Tilley & Leah Leeson, C- Lan Diamond & Kate Patten, D- Jo Hahn & Mandy Emery & U17- Kristy Mayne & Sarah Mayman. Happy birthday to Susie Winterton who reaches the big five 0, many happy returns & have a great weekend. Today we travel south out to Gormandale to take on the tigers on their dunghill, hoping we can continue our form from last week & string a couple of wins together. After today's matches let's be sure to join the opposition for a refreshing drink then get back to the Rosedale Tavern for the presentation of awards.

**ROUND 8 ~** A fairly lean day was had at Gormandale last weekend with us having only three winning teams for the day. Our U18 footballers played disciplined football to come from behind & record a gutsy win to maintain their unbeaten record. Other winners for the day were our C grade netballers, who scraped in by the narrowest of margins, & the U17 girls who recorded another win on their way back up the ladder. The better netballers from last week's battles against the Tigerettes were A-Kiera Guareschi & Clare Anderson, B- Bridget Kase & Tara Saunders C- Kate Patten & Stacey Bond, D-Gabi Bond & Mandy Emery & U17- Jess Mayne & Amy Harrison. Today we host Churchill hoping to notch up another home win. Our boys were far from disgraced last week & with the possible inclusion of an ex player today we can tackle today's contest with confidence, knowing we have the talent to match it with teams above us on the ladder. An invite is extended to Cougar players & supporters to join us for refreshing ale & the presentation of awards after today pleasantries have been run & won. Tonight we have the mock deb in the social rooms with some of Rosedale's finest Sheilas getting frocked up to "come out", let's all get together for another fun night & support our social club committee who are doing a great job. Numbers are limited so be sure to see Dima, Rick or Kath for a seat.

**ROUND 9 ~** After a few years of disappointment & heartbreak we finally managed to hold onto a winning margin & defeat Churchill in the seniors at home last Saturday. The scoobs & U17s managed to also record solid victories against the Cougars whilst the A grade netballers trailed all day to come from behind & snatch a draw. The U18s suffered their 1st defeat of the season & will have to be at their best today against a formidable opponent in Stratty.

Netballers to shine last week were A-Clare Anderson & Danielle Diamond, B- Bridget Kase & Tash Overeem, C- Kylie Neilson & Lan Diamond, D-Eliza Heywood & Jo Hahn & U17- Sarah Mayman & Kristy Mayne. A great night was held by all at the Mock Deb last Saturday night, with the senior win being just the tonic required to set the evening alight. With due respect to all debutants, I don't think there will be any Miss Australia contestant to come out of our lot, with a couple of "girls" displaying magnificent mohair jackets. Well done to those

who helped with the night, we continue make our functions a success & enjoy each other's company for a few laughs, a bit of fun & lot of bull namure. Today we head east up highway no.1 to take on the Swans on their home track, it's imperative we start stringing back to back wins together if we are to make any impression at all in 2010. Today is a golden opportunity for us to get our season back on track & start putting some pressure on those above us on the ladder. After today's matches let's be sure to join the opposition for a cool frothy or two then get back to Chooka & Sheena's Rosedale Tavern for a salubrious feed & the presentation of awards. This week Eddo "The Pontiff" Barnes celebrates his 100th club game, Eddo & his family are great supporters of our club & everyone at RFNC wishes him the best on his milestone game, well done.

**ROUND 10 ~** Last week saw us come away from Stratty with six out of eight wins & the seniors managing to sneak into the top five, whilst the U17 netballers continued their rise back up the ladder. In just his second senior game, U18 footballer Nick Taylor showed he has a promising senior career ahead of him with a four goal haul in the seniors against the swans, well done Nick. Congratulations to Birssy, Mel, Tyson & Gemma on the safe arrival of Mac Archer last Saturday evening & thanks to Mayney for filling in whilst Birssy was on the job. It was noted that last week's bench was bereft of theatrics, with no drink containers being abused & a distinct lack of cigarette smoke in the atmosphere. Girls who stood out on the court last week were A-Amy Harrison & Lorelle Lowe, B- Bridget Kase & Leah Leeson, C- Megan Bourne & Sarah Mayman, D-Eliza Heywood & Kylie Zammit & U17- Nellie Mayne & Jess Mayne.

*Congratulations to Amy Harrison, Jess Mayne, Kristy Mayne & Sarah Mayman who all represented NGFNL U17s at Bairnsdale last Sunday. Best of luck & well done to one of our senior assistant coaches, Brad Caldwell, who plays his 100th senior game for RFNC today. Today we welcome the Wildcats to the Duke St reserve & extend an invite to their players & supporters to join us for a refreshing tonic & the presentation of awards after today's pleasantries. Today's match presents us with another opportunity to continue our recent run of good form & continue to put pressure on those above us on the ladder, everyone get behind our netballers & footballers as Winter sets in & we find out who the fair dinkum ones are. This week's member's draw jackpots to \$150, this will be drawn at approximately 6.00pm tonight.*

*ROUND 11 ~ Last week we achieved a 50% win rate with the U17 (sneaking back into the top five) & B grade netballers being joined by the senior & reserve footballers on the winner's podium. Daniel "Boony" McDonald appeared to be very seriously hurt during the U18 game with the ambulance called & the match being abandoned in the Wildcat's favor, fortunately we received some good news late Saturday clearing Boony of any bone damage. Hopefully Boony can get back on the track in the near future & help resurrect the U18's season that has gone a little sideways in the last month. Girls who stood out on the court last week were A-Amy Harrison & Rachael Shaw, B- Tahlia Dyall & Tash Overeem, C- Emily Dessent & Stacey Bond, D-Sarah Mayman & Kylie Zammit & U17- Sarah Mayman & Jess Mayne. Congratulations to Sticky Wissmer on playing his 100th senior game for RFNC last Saturday, it was assumed he would miss another week with a hammy injury & the milestone recognition was not included in last week's notes, well done Sticks. Today we take on the premiership favourites on their home deck & we must continue on from our hat trick of wins to stay in touch with those above us on the ladder. The netballers have some very important games today that must be won to keep their finals aspirations alive. Let's be sure to join the opposition*

*for a frothy after today's battles then get back to Chooka & Sheena's Rosedale Tavern for a tantalizing meal & the presentation of awards. Special thanks to Julian Gurney & Heritage finance who have come on board to sponsor our Auskick game day matches. Nutsy Hazelman was the lucky winner of the member's draw from last week, pocketing a very handy 150 clams. Great to see Mel in the social rooms last week with baby Mac, although a few of the "senior" mums were very envious of how well Mel was doing with a one week old bub. Another notable attendee last week was four time premiership player & 300 gamer John Bentley, great to see some of our former champs attending the footy.*

*ROUND 12 ~ Everyone at RFNC would like to wish Cameron Mayne a speedy recovery from an unfortunate workplace accident early last week. Cam was hopeful of being home by last Wednesday & is sure to be back on deck soon giving the boys a hand in their quest to participate at the pointy end of the season. A 50% win rate was again the case last week at Sale with the reserve footballers & U17, D & A grade netballers registering wins against the Bulldogs. Our senior footballers showed what they are capable of but again failed to capitalise on a positive start by letting the opposition take control of a game that was there for the taking. Netballers who shone last week were A-Danielle Diamond & Lorelle Lowe, B- Tara Saunders & Leah Leeson, C- Deb Power & Jodie Galea, D- Kylie Zammit & Eliza Heywood & U17- Sarah Mayman & Kristy Mayne. Congratulations to Joe Caldwell on playing his 150th senior game today for RFNC, Joe is being joined by Mick Tilley who is playing his 100th club game, well done & good luck today boys. Today we travel across the river to take on the all conquering Magpies on their dung hill as we try to avenge a narrow defeat from the 1st round of the season. If we can follow the coach's instructions & put four quarters of disciplined football together we can put ourselves in a great position to bring home the chocolates & control our own destiny without relying on others to shape our season for us. After today's encounters let's have a cool drink with the opposition then get frocked up for the Masquerade Ball to be held at the Traralgon Golf Club.*

*ROUND 13 ~ Great to see Mayney up & about at the footy last week, unfortunately his presence couldn't inspire the boys to a four quarter effort against the Magpies as they again played inconsistent football. Winners for the Blues last week were the A, B & U17 netballers who were joined by the 2nds footballers. Those to stand out on the netball court were A-Amy Harrison & Carly Meehan, B- Fiona Baldacchino & Amy Dyall, C-Brooke Heywood & Kylie Neilson, D- Kylie Zammit & Jo Hahn & U17- Sarah Mayman & Steph Dessent. A good night was had by all who attended the Masquerade Ball last week, thanks to the social committee for organizing another enjoyable function, looks like a few attendees might have new nicknames though, horn head & zorro are a couple that spring to mind. Today we welcome Boisdale Briagolong to the Duke St reserve & extend an invite to Bomber players & supporters to join us in the social rooms after today's contests for a refreshing drink & the presentation of awards. Again we welcome the Rosedale Auskick kids & parents for another game to be held at half time of the senior match, many thanks to Heritage Finance for their support of these future stars. With other results falling our way recently it is now imperative that our senior footballers start to control their own destiny & not rely on the fortune of others, it is up to those who pull the jumper on, no ifs, buts or maybes! GO BLUES*

*ROUND 14 ~ Eight out of eight was a great return for our hard work against the bombers at home last week, especially pleasing was a return to the winners for the U18 boys who can now look to gain some momentum & have a crack at getting into the finals. BOC's for the netballers were A-Carly Meehan & Bron Tebb, B- Bridget Kase & Amy Dyall, C-Sarah Mayman & Lan Diamond, D- Eliza Heywood & Jo Hahn & U17- Megan Harrison & Steph Dessent. Last Saturday we had another opportunity to have a look at some stars of the future with the Auskick game being held at ½ time of the seniors, many thanks to Jo Wilson & her helpers for coordinating this, there will be another game at our next home match. Next week we have our annual Royal Blue draw with almost \$5000 up for grabs, this is our major fundraiser for the year & tickets are selling fast. For those wishing to purchase a ticket you can catch up with Lizard. Today we have the bye, hope everyone enjoys their week off & we come back next week refreshed & fired up to give our best for the remaining six rounds & beyond.*

*ROUND 15 ~ Hope everyone enjoyed their week off & we can now focus on the next six weeks leading up to the finals. We have both football & netball teams on the fringe of the top five in their respective grades & we need everyone to step up over the next six weeks to ensure we are still participating at the pointy end of the season. A few birthday wishes go out to Suss Emery & Josh Reid who celebrated their 21st birthdays last weekend & Chris Lowe who was celebrating his 30th. Lowey will also be celebrating his 150th senior game today, well done & good luck. Today we head out to Tyers to take on the bombers on their home deck, be sure to have a cool drink with the opposition after today's clashes then get out to the RFNC social rooms for our annual Royal Blue draw with almost \$5000 up for grabs, this is our major fundraiser for the year & tickets are selling fast. For those wishing to purchase a late ticket you can catch up with Lizard.*

*ROUND 16 ~ Unfortunately this week's notes have a somber beginning with our sincerest condolences going out to Veronica, Eddo, Gerard, Tim & extended family upon the tragic passing of Mark last Sunday. They have the heartfelt wishes & 100% support of all players, members & supporters at RFNC. Last week at Tyers we managed to come away with 7 out of 8 wins, unfortunately the B grade girls couldn't get over the line against a lower listed opponent & are now fighting for a top 5 spot. Netballers to stand out last week were A – Carly Meehan & Lorelle Lowe,*

*B – Leah Leeson & Bridget Kase, C – Emily Dessent & Lan Diamond, D – Chloe Hollonds & Kylie Zammit & U17 – Kristy Mayne & Jess Mayne. After last week's onfield success' we had our annual Royal Blue draw with local yokel Mick "Magpie" Bolger taking out the \$4000 1st prize, once again all tickets were sold & a great night was held by all. A huge thank you to those that helped with the set up, the running of the night & the clean up on Sunday, many hands make light work, great effort folks. Today we welcome Cowwarr to the Duke St reserve for what promises to be some hard fought encounters on both the netball & football arenas. We extend an invite to the Saints players & supporters to join us in the*

social rooms for a couple of frothies & the presentation of awards after today's pleasantries. Tomorrow we have a pleasant Sunday planned at the Rosedale Tavern whilst the Tigers take on the Kangaroos on the big screen, let's be sure to get down to the Tav & support one of our major sponsors. There'll be a BBQ happening with plenty of give aways & prizes on offer.

**ROUND 17 ~** For the 2nd week in a row we managed another 7 out of 8 wins at home last week against the Saints, unfortunately the D grade girls couldn't get the chocolates as they surrendered a ½ time lead to go down. Those who starred on the court last week were A – Lorelle Lowe & Amy Harrison, B – Fiona Baldachino & Erin Felsbourg, C – Deb Power & Brooke Heywood, D – Kylie Zammit & Jo Hahn & U17 – Jess Mayne & Sarah Mayman. Today we head north to tackle the Kangaroos on their home patch as the seniors try to consolidate thier position inside the top 5, let's be sure to give all our footballers & netballers 110% support today as we near the business end of the season. After today's hostilities let's join our opponents for a refreshing ale then get back Chooka & Sheena's Rosedale Tavern for a sumptuous meal & the presentation of awards. Tomorrow sees the return of the car rally, it's been a long time since RFNC has staged a car rally & it is a great day to bring the family along to join in the fun & festivities. The rally starts at the Duke St reserve at 11am & you need to bring a deck chair.

**ROUND 18 ~** With a zephyr favoring the northern end of the Heyfield oval, the seniors managed to draw away in the final term last Saturday & register a good win against the reigning premiers. Our fate is now definitely in our own hands as the boys again showed what they are capable of, hopefully we can maintain our form from here to the end of the season, whenever that may be. Another highlight for the day was the A grade netball clash, with our girls drawing with the previously undefeated Roo girls, well done blue girls. Undoubtedly the disappointment for the day was the U18 result, with our boys putting their finals chances in grave danger against a lower listed opponent, well done to the young Roos players they taught our boys a lesson in commitment & team play. Netballers to shine last week were A – Bron Tebb & Kiera Guareschi, B – Erin Felsbourg & Tash Overeem, C – Emily Dessent & Stacey Bond, D – Jo Hahn & Kylie Zammit & U17 – Sarah Mayman & Megan Harrison. Today we welcome the all conquering Gormandale

to the Duke St reserve, with both clubs having teams in the top five of most grades of netball & football it promises to be a sensational day of local grass roots sport. We extend an invite to Tiger players & supporters to join us for a refreshing ale & the presentation of awards in the social rooms after today's pleasantries. Congratulations to Nick Diamond on playing his 100th club game last week, well done Dima. Thanks to Rick & Nick for running the car rally last Sunday, what a glorious day it was with a few teams navigating their way around the course in fine style & one team looking for a big momma at the golf club, wtf.

**ROUND 19 ~** For the 2nd week in a row our senior footballers managed to finish the game with a good last quarter to come away with a solid win against the much higher ranked Tigers at the Duke St reserve. The prelude to the main game was also a great result with the scoobs withstanding a late charge from the top of the table Tiger twos to snatch top position on the ladder from them. Unfortunately the chief sustained what could possibly be a season ending lower leg injury, hopefully the prognosis is not as bad as initially reported & Riedy can get back on track before the season's done, good luck mate. On the netball courts the girls didn't fare so well with the U17 girls maintaining their unbeaten run to be our only winners & the B graders sneaking away with a draw. At this point in time it looks like we may have 4 netball teams competing in the finals, great effort girls. Again our U18 lads were disappointing with another loss to a lower ranked opponent, all is not lost, but the boys will have to improve significantly in the last 2 weeks if they're to make the finals. Netballers who stood out last week were A – Amy Harrison & Kiera Guareschi, B – Tash Overeem & Tara Saunders, C – Kylie Neilson & Stacey Bond, D – Kylie Zammit & Kelly Matthews & U17 – Megan Harrison & Kristy Mayne. Today we travel west to take on another higher ranked opponent, with finals just around the corner our footballers need to maintain their momentum & our netballers need to get back on track. Let's

all get behind our teams today & be sure to come away with some hard earned wins. All the best to Barney, who celebrates his 21st birthday tonight, hopefully his voice will break & he'll become a grown up real soon. Happy birthday Adam. Well done to Jay Diamond, Zac Felsbourg & Callum Mathews who all played an Auskick game on the hallowed turf of the MCG last Sunday. Don't forget we have the Hat Party after our last home & away game next week at Rosedale.

*Elimination Final ~ Great effort by all concerned last week as we managed to record 4 wins out of 5 matches for the 1st week of the finals. Unfortunately the B grade girls bowed out of this year's finals with a narrow loss. Especially pleasing were the Senior football & A grade netball results, both teams have loads of potential & have recorded wins against higher placed teams during the home & away season, hopefully they can maintain their current form & go deep into the finals series. Netballers who stood out last week were A – Bron Tebb, Amy Harrison & Lorelle Lowe, B – Tash Overeem, Fiona Baldachino & Leah Leeson, C – Sharlene Hart, Brooke Heywood & Brooke Stothard, & U17 – Sarah Mayman, Jess Mayne & Nellie Mayne. A huge thanks to all those that assisted with the ground preparation & league rostered duties for last week's Qualifying final at Rosedale, special mention to Lowey & Bourney for tireless efforts all week, great job people. This week we have the Reserves & U17s competing at Woodside on Saturday for the right to go straight through the big one & the senior footballers along with the A & C grade netballers will play at Stratford on Sunday to keep the dream alive. Good luck to all, we urge all Blues supporters to get behind all teams, be loud & proud & help them bring home some success. Awards will be presented on Sunday evening at the Rosedale Tavern.*

*Sat. 2<sup>nd</sup> Semi. and Sunday 1<sup>st</sup> Semi Final ~ Great effort by all concerned last week as we managed to record 4 wins out of 5 matches for the 2nd week of the finals. On the Saturday at Woodside the U17 girls maintained their undefeated record & started the weekend off in style by defeating the Tyers girls & advancing through to the Grand Final, where they'll have the opportunity to defend their 2009 title. Unfortunately the reserves couldn't match the girls result & now get to use the 2nd chance they earned from finishing on top of the ladder. Sunday was a perfect example of what finals football & netball are all about with the senior footballers, A & C netballers all defeating opponents they had not beaten during the home & away season. Finals are definitely another "season" & these three teams showed they have what is required to make a huge impression on any opponent they meet during September. These wins are a great result for the respective coaches & support staff involved. Netballers who shone in the heated battles last week were A – Carly Meehan, Amy Harrison & Rachael Shaw, C – Brooke Heywood, Brooke Stothard & Megan Bourne, & U17 – Jess Mayne, Sarah Mayman & Megan Harrison. In the Preliminary finals today we have the Senior & Reserve footballers joining the A & C netballers competing for the right to go through to the all important last Saturday of the season to keep the dream alive. Good luck to all, we urge all Blues supporters to get behind all teams, be loud & proud & help them bring home some success. Your support is invaluable & may just be the tonic required to get our teams over the line in a tight contest. Congratulations to Adam Diamond who was awarded runner up B&F in the Sale-Maffra*

*Junior Football League U16s, great effort Ado.*

*Preliminary Final ~ A great effort by our senior footballers on Saturday when they stormed into the NGFNL grand final by trouncing their highly fancied opponents Gormandale, 20 goals 18 to 14 goals 3. A fantastic team effort and players who stood out were, Justin Emery, Gerard Barnes, Jon Cantwell, Luke Carpenter & Chris King. Great effort from Birssy and his coaching staff after finishing the home & away season in 5th position. Unfortunately the reserves footballers & the A & C grade netballers bowed out of the grand final race last Saturday at Heyfield, whilst all were disappointing results for the club, it must be noted what a significant improvement has been made this year & all involved can hold their heads high. Better players on the court last week A – Bron Tebb, Kiera Guareschi & Carly Meehan & C – Stacy Bond, Brooke Stothard & Kylie Neilson. The grand final will be played in Traralgon at the rec reserve with the girls (v TTU) hitting the court at 9.00AM & our footballers (v Sale City) commencing at 2.30PM.*

*A special thank you to all of our volunteers, sponsors and supporters, hopefully all of your hard work and effort over the last 12 months will be rewarded today. RFNC netballers & footballers enjoyed some fantastic individual honors at the NGFNL vote count recently with Sarah Mayman winning the U17 B&F, Leah Leeson the B grade B&F, Jason Bourne the reserves B&F, Amy Harrison the NGFNL rookie of the year & Justin Emery, Jon Cantwell & Brad Caldwell all making the Senior Team of the Year, and Cam Freshwater for being nominated in the Thirds Team of the Year, great stuff people. Don't forget everyone is welcome to come to the clubrooms Thursday night to show your support & appreciation to our competing teams. There will be many past players in attendance and meals will be available as per usual.*

*Grand Final ~ Great effort from Birssy and his coaching staff to get the senior team into today's Grand Final after finishing the home & away season in 5th position. The boys have shown what they're capable of during the finals series & now have the chance to make the dream reality. Also congratulations to Julie & her assistants on getting the 17&U girls to their 2nd consecutive grand final & a crack at another premiership flag. What a great result it is for a small town to have almost 90% of today's senior team made up of players that have come through our juniors, this is a credit to all of our volunteers & committee members that help create a stable environment where everyone enjoys each others company. Our footballers are going into the final game of the season in tremendous form and we are confident that our contingent of home grown talent will get the job done. A special thank you to all of our volunteers, sponsors and supporters, hopefully all of your hard work and effort over the last 12 months will be rewarded today. A reminder that we have our vote count for netball & football tomorrow from midday onwards at the social rooms. Look forward to seeing you there.*

#### After Grand Final – Rosedale Newsletter

*Now that the dust has settled on another NGFNL season the only silverware we came away with was the 17 and under girls netball who maintained their unbeaten record to win 39 goals to 35. Unfortunately our senior footballer could not replicate that achievement going down to Sale City by 29 points. It was a great effort by the boys to get to the Grand Final after only consolidating their position in the final 5 in the concluding rounds of the season proper and then having to play elimination finals all the way. Sale City had done their homework very well. They had several*

*players in shutdown roles & closed down our prime movers. Sunday was vote count day & winners of the football B & F's were Seniors, Justin Emery with runner up Jon Cantwell, reserves, winner, Josh Reid, runner up Jason Kay & under 18's winner, Tom McMillan with runner up Brady Canny. The netball winners were, in A grade Lorelle Lowe with runner up Amy Harrison, B grade winner was Leah Leeson with runner up Tash Overeem, C grade winner Alanna Diamond with runner up Brooke Heywood, D grade winner Jo Hahn with runner up Kylie Zammit & 17's & under winner was Sarah Mayman with runner up Kristy Mayne. Congratulations to all winners & a special thank you to participants in all teams. A special thank you also to all of our sponsors & supporters. Without your support it would be nigh on impossible to have had such an impact in all grades of football & netball. Also a quick reminder that presentation night is Saturday 2nd of October at the social rooms.*

***Farewell to season 2010 and may we go one better in 2011. GO BLUES!***
