WHATS HAPPENING

SUNS v Geelong pre game activities

Last week saw the long anticipated first game at Metricon Stadium. The AFLGCJ would like to thank all club participants who were involved before the game walking out on to the field to be part of the pre game activity. A photo of the kids walking off the field is to the right.

Girls Footy

Round 1 was a huge success. After the long preparation in getting this competition up and running round 1 saw 4 teams participate in a fantastic night for all involved at Carrara's Nielson road field. The competition runs on a fortnightly basis. The fixture is on the AFLGCJ website which you will find the link at the bottom of this page. Next round will be on Wednesday 1st June.

Tamborine and Beaudesert localized program

As everyone would be aware Tamborine were part of the AFLGCJ a few years back but had dropped off in recent years. AFLGCJ and AFLQ are in the process of starting the club back up. Each Friday at 3.20pm til 4.20pm there is a RAMP (Regional Area Match Program) where modified games are played.

Beaudesert JAFC have recently joined the AFLGCJ association. The Brumbies will be working in closely with the Tamborine RAMP program each week. For more info contact Dean Vigus aflgcjnorth@bigpond.com.

Sportsmanship taken to the next level

In recent weeks the AFLGCJ have heard from various clubs regarding stories of great sportsmanship.

A couple of weeks ago in the Under 12 div 2 competition TWC and Coomera played. One of the Coomera players tackled a TWC player who landed awkwardly. The first aid trainers were attending another injury and the Coomera player took it upon himself to get the umpires attention and to make sure his opponent was ok.

Broadbeach JAFC have also shown great sportsmanship as PBC U16 Div 2 did not have enough players to take the field. Keagan Shaw, Joe Pinkus and Connor Swift volunteered there services without question to put on a lions jumper and line up against there team.

This is the sportsmanship that gets noticed and should be recognised. Thanks to all involved and making AFL an even better game to be involved
