Umpiring Information Night

President gave a reminder about the umpiring information night at the Castlemaine clubrooms on Wednesday May 4th from 7:00pm with Rod Threlfell (VCFL). It is compulsory that all clubs send at least 3 people which can include; current or prospective umpires, coaches, captains, parents and officials. There will be no charge and everybody attending receives a special umpire's pack. Carisbrook members attended a similar night in Maryborough.

General Business

Carisbrook Want to wear red and black jumpers against sides that don't clash.

Newstead Having trouble getting umpires.

Harcourt/Campbell's Creek Harcourt v Campbell's Creek game will clash with May 22nd interleague in Moama. **Action: Clubs to sort out and report back to Secretary.**

Campbell's Creek Coaching accreditation still a problem. Risking loss of points and \$100 fine. VCFL may be organising 1 final workshop for 2011 season.

When West End play C/Creek, gate \$\$ will be divided as normal.

Wesley Hill reports of goal umpires coaching. They should be neutral and quiet.

President reminded all Clubs that fluoro vests must be worn by officials.

He heard reports of water boys and runners being on the ground too long. Umpires are to send them off if this occurs.

Action: Refer VCFL Handbook Page 60 for rules and penalties.
