# Jayco Opals to play three game series against China

25.05.11

**Basketball Australia in cooperation with Basketball Queensland, is excited to announce that the Australian Jayco Opals will be facing off in a three-game series with the Chinese women's national basketball team, when they travel to Queensland in late July.**

The international games will serve as a key hit-out for the Jayco Opals with the FIBA Oceania Olympic Qualifying series with New Zealand in early September fast approaching.

The tour is also an exciting occasion for the sport of basketball in Queensland, with the tour being played exclusive in the Sunshine State, moving from game one in Logan to Townsville for game two, before concluding in Cairns for the third and final contest.

"With the limited time the Chinese national team has here in Australia, it was fitting to schedule all games in Queensland," said Basketball Australia CEO Larry Sengstock.

"Queensland is a passionate basketball state. You only need to look at how the Queensland-based teams performed in our National leagues this past season to get a feel for how strong the sport is up north — they were the only state to have teams in both our NBL and WNBL finals series."

"With that in mind, we know that they will seize the opportunity to come out and see our Jayco Opals take on one of the top basketball nations in China."

The Jayco Australian Opals will face-off against China on 24 July in Logan, on the 28 July in Townsville and then in Cairns on the 30 July to wrap the series.

Basketball Queensland CEO Graham Burns was excited by the announcement, stating that it was critically important that world-class games reach the northern part of the country, an area passionate about the sport that continues to produce considerable domestic success.

"It's good for us all round because it gives us some world-class games which we've needed for some time," said Burns.

"You've got to have a pathway and you've got to have something to aspire to, so it's very important to have that sort of exposure in Queensland. We are very blessed to have three NBL and two WNBL teams, so it's good to take the next step and have the Australian team playing up here as well," he said.

While in Logan and Townsville, the Chinese team will also line up against the Logan Thunder (25 July) and Townsville Fire (27 July) WNBL teams, giving them five exciting contests before they return home at the end of July.

## 2010 Female Official of the Year - Carina Crockford

Carina is a Level 2 Referee, Level 1 Referee Coach, Level 3 Scoretable Official and a Level 3 Statistician. She is an active referee within associations, participates in Scorebench at NBL, WNBL, QBL and SEABL games as well as a statistician at all of these levels.

In addition, Carina is the current secretary of the Scoretable Committee and is active in educating both scoretable and statisticians within Queensland.

In addition to her roles at Olympic and Commonwealth games, Carina has always been a willing volunteer at State and National events and has assisted many associations with delivery of their QBL and SEABL games. She also assists with deaf and wheelchair basketball.

It is extremely rare to find anyone who is as qualified in all disciplines of officiating and is an accomplished educator.

Carina is a very worthy recipient of this Award.

Trophy presented by: Tim Horrell – Board Member Basketball Qld.

## 2010 Mick McSween Manager of the Year - Jacque McConnell

Appointed as State Team Manager for 2010 with the Under-18 South Women's team Jacque has been an asset to the overall team dynamics with her professional attitude and commitment to the young athletes. Jacque has managed Representative teams for Brisbane Basketball for a number of years and this experience has given her the necessary knowledge to bring to the position of a State Team Manager.

Jacque is always available to attend team trainings and ensures that all the preparation is done well in advance ready for the busy schedule of trainings. When asked to do something by the coaching staff, Jacque will get the job done with a smile and pleasant attitude.

Communication is one of Jacque's strengths keeping parents, players and her coaching staff informed. In particular, she ensures that every piece of information necessary for the well-being of the team is available. Jacque is well liked and respected as she provides clear and concise information regularly regarding team training times, behaviour requirements of the athletes and other related team issues, either by email or written notices.

Her excellent organisational skills ensure that the management of the team runs like clockwork. Jacque has a great outlook on life and this is reflected in the team's overall behaviour. Nothing is too much trouble for Jacque and her ability to listen and support everyone is a skill not too many people possess.

Jacque is a very worthy recipient of the 2010 Mick McSween Manager of the Year Award.

Trophy presented by: Ken Madsen – Board Member Basketball Qld.

### **Focus On Tech Fouls Situations**

Technical fouls in an interval of play.

Warm up – the penalty is two shots but no possession as we still need to have a jump ball to start the game.

Quarter time, Half time and three quarter time – the penalty is 2 shots and possession. The alternating arrow remains the same (regardless of who gets possession from the foul shots) until the next jump ball opportunity.
