### Videoing and Photography Policy

Metro South Junior Football League is conscious of concerns raised regarding the taking of video footage and or still photographs at games.

Nevertheless we are also conscious that there are genuine and innocent reasons why this may happen, including the recording of family memories and scouting by the SANFL/AFL Clubs.

In setting a policy with regard to the use of cameras during its games and functions, Metro South has endeavoured to reach a fair and simple compromise between these competing needs.

The following policy shall apply to the use of cameras at all Metro South games and functions.

A person is permitted to video and photograph games involving minors provided that they are either:

- a) related to a player involved in the game, or
- b) doing so for scouting purposes

If parents have concerns about people videoing or taking photographs of junior games, they should raise them with a Match Day Official.

If the person using a camera is then unable to convince the Match Day official that they fall into either of the above categories, they will be asked to discontinue taking photos and videoing.

Any person aggrieved by that decision should raise the matter at the earliest opportunity with their Club.

No videoing or taking of photographs will be permitted under any circumstances in the toilets or changing areas where Metro South games or functions are being conducted.

Under no circumstances will video footage or photographs taken at Metro South games or functions be posted online or in any public forum without the written permission of the parents of all minors appearing in the video or photograph.
