Interleague planned for Saturday June 11<sup>th</sup> against Kyneton Junior League for U11's and U13's. It will be played at Kyneton football ground with times to follow. The Kyneton U15 team did not want play a match with us this year.

An interleague match on Sunday July 31<sup>st</sup> in Bendigo for U15's is also planned as is an U13's match in Swan Hill on Sunday July 3<sup>rd</sup>.

**Compulsory helmets** – Reminder - The CDJFL has made helmets compulsory in Under 13's and Under 10.5's competitions. The CDJFL has granted clubs until Round 8 (June 18<sup>th</sup>) to comply and will then enforce this rule. Clubs reported that helmets had been purchased and they are preparing grant applications with the VCFL. Secretary reminded Clubs that the CDJFL has \$2,400 from a Government grant to assist with these purchases. **Action:** All Clubs to invoice the CDJFL for \$300

**Umpiring Information Night**

On Wednesday May 4<sup>th</sup> 25 people of mixed ages attended the CDJFL umpiring information night facilitated by Rod Threlfell. A very informative evening with Rod presenting information on new rules, the philosophy behind and intent of the rules of the game, umpiring positioning and duty of care/responsibilities.

**Coaching accreditation**

Campbell's Creek and Winter's Flat coaches attended the recent accreditation course in Ballarat. No unaccredited person can coach a team in the CDJFL without risking loss of any match points and a \$100 fine.

**Action:** Secretary to email Tony McNamara for updated list of accredited coaches.

**General Business**

**President** reminded (again) all Clubs that fluoro vests must be worn by team officials and all water boys and runners are not to be on the ground too long. Umpires are to send them off if this occurs.

**Action:** Refer VCFL Handbook Page 60 for rules and penalties.

**Secretary** raised the possibility of (i) moving the CDJFL Grand Final from Sunday August 28<sup>th</sup> back to Saturday August 27<sup>th</sup>, (ii) making the Grand Final earlier on Sunday August 28<sup>th</sup> because the Castlemaine Superules football team have the ground booked and a function afterwards on Sunday August 28<sup>th</sup>. Clubs to think about it for the next meeting.

**Newstead** asked on what basis do we split Under 10.5's or not? Recent matches have seen too many kids playing one match when quite easily two matches could/should have been organised to allow for a better experience. C/Creek delegates to speak on this issue at their next club meeting.

**Note:** Should use AFL Junior Policy as a guide which *"endorses reduced numbers in teams as this allows individual players to have more frequent and longer contact with the ball, and enables the coach to see more clearly problems in basic skill development among the players. It also allows appropriate matching of opponents and teams. With fewer players, play is more open, even when played on a smaller oval. Because of the openness of the game, and the fact only 2 to 4 youngsters of similar size and ability usually contest the ball at once, marking and skills can be better developed."*

**Harcourt** – wanted clarification about numbers on the ground.

**Note:** CDJFL By-Laws on website

**Wesley Hill** reported that the West End U15's experiment is working.

**Campbell's Creek** opened a discussion about a recent thunderstorm incident. Delegates agreed that we all have a duty of care to protect people from harm and that logic must prevail when deciding whether to stop a game or not. **Note:** Some guidance given in VCFL Handbook on page 148. Also, raised the issue of serious injuries becoming a concern.

Next meeting on **Monday June 27<sup>th</sup> 2011** at Castlemaine Clubrooms from 7:00pm.

**Meeting closed 8:36 pm**
