"The White Leon Davis"

Last week saw two big games of footy from both sides. In the reserves we saw a thrilling draw. Donny had the chance to win the game with a running shot from the pocket, but the smell of hot dogs from the sidelines stole his focus. Tom Robinson played his first game for the club and did well. Axe was inspirational with some brilliant inside out torpedoes whilst Cleo was promising until someone used his nose as a punching bag. Tiny Dancer had a blinder, and celebrated the only way he knows how...by getting blind after the game.

Unfortunately in the seniors we couldn't quite come away with the chocolates, going down by a solitary point. DMak had the chance to kick the sealer, but couldn't get boot to ball, opting to take a chunk of grass instead (stick

down there on the back flank mate) Meanwhile, Dougy Colewell was trying out for the Olympic diving team down back, even if the umpires couldn't see it. AMak showed he hasn't lost his touch (or any weight) and Dicky was bombing drop punt goals from 80 metres, with Jimmy getting plenty of it in the guts.

GOAL of the DAY:

It was a tough decision between Donny threading one on the run from the pocket, and Dicky with two from outside the arc, but the goal of the day had to be, on his return, AMak, with an inside out banana from the pocket.

TOOL of the WEEK:

The inaugural Tool of the week is going to none other than Dicky Dowsett, for his premature celebration...when he kicked a point. Congrats Dicky!!

PENALTIES:

Ricky Bobby & Simon "Horse" Mair both owe rolls of the dice for their part in giving away 25m penalties.
