Coreen had a superb season with both the Seniors and Reserves finishing the season as Premiers. With Anthony Carroll coming to coach the side, the side went through the season only dropping the one game and finished the home & away on top of the ladder and were able to finish the season of in style with 44 point victory in the Grand Final. The reserves under Coach John Carroll only dropped the two games during the home & away season to finish in second spot, and after being beaten in the second semi were able to reverse the result in the grand final to take the big prize by 7 points. In the second year of having thirds, under Coach Terry Phibbs the boys finished with three wins for the season and ninth spot on the ladder. Congratulations to our Best & Fairest winners in Irwin Macartney (Seniors), Lex Thornton (Reserves) and Travis Lutz (Thirds). The club also had success at the league vote count with Anthony Carroll winning the Archie Dennis Medal as the Seniors Best & Fairest, while Lex Thornton (Reserves) came runners up. Mark Smith also won the League Goal kicking finishing the season with a superb total of 123. Also Terry Phibbs was awarded Life Memberships. A big thanks to the hard working ladies auxiliary, our sponsors and trophy donors for their continual support.

SWANS SOAR TO

Coreen 16.18.114 defeated Cor/R'glen 9.16.70

Flag victory is the icing on the cake after top year for Carroll

Anthony's Carroll's fairytale season came to a fitting climax when Coreen won the Coreen League premiership against Corowa/Rutherglen at Buraja on Saturday.

Carroll, played a leading role in his team's 34 pint victory.

The premiership came in his first season as coach and followed his victory in the league's best and fairest award – the Archie Dennis Medal.

Carroll, better known as 'Psycho', was also given two awards as the best player on the ground in the premiership decider.

But immediately after the match when he received his award, Carroll played down the individual honour.

"Grand finals are not won by one person," he said.

"It was a team effort, we will keep this trophy that way.

"Both the reserves and seniors have worked hard all year and deserve this success.

"By gee this is a great club."

Earlier, Coreen's reserves had won in a high standard match to give the club a premiership double.

Carroll certainly had a significant role in his team's premiership.

But some people rated some of his teammates marginally ahead of him for their contributions to the victory.

Two players who rated highly were centre half back Craig Kingston and promising centre half forward David Anderson.

Kingston conceded height and weight to Corowa/Rutherglen opponent Rob McMaster, but outpointed him for four quarters.

It was no mean feat considering that McMaster was the player that turned the preliminary final for Corowa/Rutherglen with just one brilliant quarter.

Anderson marked strongly and collected a feast of kicks to ensure that Coreen won the flag.

It was Carroll and his brother, Dominic, who paved the way for the win with brilliant first quarters.

Both players were in everything and repeatedly used the ball to full effect.

That enabled Coreen to take a 5.5 to 2.3 lead at quarter time and from that point on, the Swans always held a handy break.

Corowa/Rutherglen opted to give Paul Curren the assignment of tagging Anthony Carroll after the first quarter.

It was a tough assignment and he handled it well, although Carroll continued to have ample influence on the match.

Coreen's lead at half time was 21 points and it went into the final quarter with a 29 point buffer.

The margin could have been more midway, but Coreen hit the goal post on four occasions.

Early in the third quarter, the Corowa/Rutherglen defence, led by Rick McMaster, Glen Smith and Brent Renshaw, held firm and the Roos did well around the packs.

They had a winner on the wing in Phil Coulston.

But Coreen got two late goals from Mark Smith and Irwin McCartney to set up the decisive break.

One of best pieces of play came early in the last quarter and resulted in a Coreen goal, which put the issue further beyond doubt.

David Darby gathered the ball on the half back flank and moved it briskly to Smith, who eluded two opponents and kicked long to Mark Cook at full forward.

Cook, marked 2m from the goal line and converted from a difficult angle.

Anthony Carroll goaled immediately after and then Cook got his second for the quarter after a superb pass from Carroll.

Corowa/Rutherglen fought the issue out, but lacked the necessary team work and talent.

1991

Coreen, under the coaching of former Corowa/Rutherglen (O&M) star Anthony Carroll were the in form team of the season, losing only one match to finish on top of the ladder and be firm premiership favourites. Corowa/Rutherglen finished second making their ninth successive finals appearance, Coleambally and Rennie made a lot of improvement to finish third and fourth.

Coleambally made a good start in the first semi final in dry, but cold conditions to hold a 13 point lead at the first break. In the second quarter Rennie and Coleambally went goal for goal, but the Blues stretched their lead to 18 points with four goals five to the Hoppers four goals. Rennie lost star centre half back Anthony Ferguson ten minutes before half time when he soared high over a pack for a mark and plunged head first to the ground, the game was held up for 40 minutes until an ambulance arrived and Ferguson was taken from the field. The loss of Ferguson seemed to unsettle Rennie slightly as the Blues applied more pressure through centremen Lyle McDermott, Barry Mannes and Pat O'Malley across their half back line, and Coleambally took a 25 point lead at three quarter time. Rennie had good players in ruckman Marcus O'Dwyer and the half back line of Jeff Bruce, Fin Gorman and Davey Rhodes, who were keeping the Hoppers in with a chance in the last term until late in the game when Coleambally slammed on four quick goals to run out convincing 44 point winners.

After an even first term of the second semi final, Coreen turned on the power in the second quarter piling on seven goals six to Corowa/Rutherglen's three goals one. Leading the onslaught was coach Anthony Carroll, as he directed traffic from the centre and he had good support from ruckman Dean Rhodes and ruck rover Dave Darby as the Swans went in at half time with a 32 point lead. The Roos showed improvement in the third term to cut Coreen's lead back to 24 points through the good play of Darren Hatton in the ruck, ruck rover Phil Coulston and back flankers Russell Bourke and Brett Renshaw. Coreen, with Dave Anderson taking control at centre half forward, dominated the last term with five goals two for a 43 point win and a place in the Grand Final.

Corowa/Rutherglen and Coleambally played an even and entertaining first term of the Preliminary Final with the Roos holding a ten point lead at quarter time. The Blues came out firing in the second term with half back Kevin Mannes, wingman Justin Buchanan, centremen Lyle McDermott and coach Ken Collier leading the way as Coleambally moved to a 17 point lead at the main break. It was Corowa/Rutherglen's turn to fight back in the third term and with three goals to nil, crept to within one point of Coleambally at the final change. The Blues made a fatal mistake in moving Kevin Mannes away from Roo centre half forward Rob McMaster. McMaster, quiet for most of the match, exploded in the final term and along with coach Dennis Walsh, full forward Sean Morley and on ball player Shannon Robinson, the Roos crushed their opposition with an eight goal last quarter.

Coreen opened strongly in the Grand Final with brothers Anthony and Dom Carroll in everything for the Swans, as they went in at the first change with a 20 point lead. The second term was even, with Corowa/Rutherglen starting to get their teamwork going and matching it with Coreen around the packs. A couple of late goals for Coreen in the third term gave them a decisive break at three quarter time as the Swans led by 28 points. Coreen, with Craig Kingston (centre half back), David Anderson (centre half forward) and rover Irwin Macartney all playing well, went on to kick six goals in the final term to take the Premiership by 44 points. Corowa/Rutherglen were best served by backman Rick McMaster, Paul Hughes, Glen Smith and wingman Phil Coulston.
