**Past Player's Day**

**Saturday 20<sup>th</sup> August, 2011.**

**Greta V's Whorouly**

**Come and see the mighty Greta play in their old  
Purple and Gold jumpers again!**

This is the final home and away game for the year, so please make the effort to get out there..... it should be a ripper.

We would especially like to see past netballers & footballers players from the 1960's and 70's.

Everybody is most welcome, so come out and watch the game and catch up with old mates.

If you didn't get to the first one make sure you get to this one.

So mark it down on your calendar it's a day not to miss !
