# FOREWORD

It is with great pleasure that I write the foreword for the Banks Bulldogs FC year book for the 2011/2012 season.

It is very pleasing to see the continued growth of our Club, both on and off the field.

The performance of the committee, coaches and playing group last year, the first year of the TEAFA/NTFL MERGER was highly commendable, with a flag in division two, and runner up in division one.

I received many positive comments and a number of surprised long-term Darwin football people who commented on just how impressive both our teams were, and how well the Banks Club was run. Credit must go to the leaders of the Club on and off the field.

The other terrific growth area of the Club is the involvement of families. Wives, partners, kids of all ages attending games and functions, helping out, it's just fantastic.

We have come a long way from my early days of the Club in the 1980's, when we had one team, limited family involvement, and lived from season to season financially. We usually needed a raffle and a function to kick the season off to pay for NTFA Affiliation and other basic expenses.

But while some things have changed, the basic culture of the Club has not. One Club, we accept all, we look after each other, we help out no matter who we are, we enjoy our footy, we enjoy the company of the Banks Bulldogs family - and we enjoy winning.

These values stand us apart from lots of clubs, not just in Darwin, but around the country and we all have a responsibility to hold these dear, and build on them.

I remain passionate about these values, and as an elder of the Club, encourage you to reflect on these things as Banks begins the next phase of its journey. We did very well in the new NTFL competition in year one, we now need to get better on and off the field.

Enjoy the season. I look forward to your company and the challenges for the Banks family in 2011/2012

# WELCOME

I'd like to welcome all of the new members and their partners to the Banks Bulldogs Football Club and of course to those members returning for another season and we look forward to all of you playing a large part in this fantastic Club.

To our sponsors, supporters and volunteers that have signed on again, thank you for your generous and ongoing support. Without your contributions this Club would simply not exist. The Parap Village Tavern is our home base and a major sponsor and we need to ensure we treat the staff and the property with respect.

I'd like to specifically mention the General Committee who have been working hard since mid-May to ensure that every support is provided to the playing group and our game day structures. The Committee is a small group of dedicated members who do fantastic work, but we need all of you to be a part of this great Club, really get involved and make things happen. For me, that is the key to our success this season - sticking together, and making things happen.

The up coming 2011/2012 season is Banks 34th since being founded in 1978. This football club has played in 39 out of 54 possible grand finals. We have won 16 premierships and been runner up a further 23 times. The Club is built on proven success and this coming season will be no exception.

To continue our winning ways, this season's Senior Coach is Club stalwart, Lincoln Jenkin. He will be ably assisted by Tim Wolf who, in his second year as Assistant Coach will help drive the on-field success of the Banks Football Club. We also welcome past players Mark Renner and Matthew Parmenter who have accepted roles with our Division 2 team.

Congratulations to the Club Captains and the Leadership Group on your appointments, good luck to everyone for the season ahead and let's make sure we all put in the hard work which is always a pre-requisite for success.

Go Dogs!

**Club President**

# SENIOR COACH'S ADDRESS

Welcome all to our second year of participation in the newly merged NTFL Competition. I am looking forward to being a part of a dedicated and single minded focus to go one step further this year.

This Club is one of the most successful in the NT which we are all very proud of and look forward to continuing.

To all the new players to the Bulldog's this season, a very special welcome to you and your partners. I am sure you will find this to be one of the best Clubs you have ever been involved with.

To our sponsors both old and new I welcome you on board and assure you of the Club's thanks and support of your businesses at all times. I look forward to catching up with you at the Club functions and events throughout the season.

I would like to thank Luke Harris and his fellow Committee Members for the total support and dedication they have shown to the Coaches already in every request to ensure we are the best planned we have ever been going into a new season. From a player's perspective I hope you understand and acknowledge your Committee's tireless work that started virtually as soon as the dust died down on last season.

We have a fantastic support team in place and I welcome back Tim in the role of Assistant Coach. I am very excited to see his development in year two as he brings a wealth of knowledge to the Club through his work with NT Thunder. His understanding of the Club and the competition is second to none.

Your Leadership Team are in place and have been working since July on behalf of the playing group in the planning of the coming season. I thank and welcome Rayza, Ritchie, Barra, Trees and Catesy to the Leadership Group and look forward to working with them for our combined success.

Our match day support team are in place and run purely by volunteers. I thank each of you for stepping up to ensure this critical part of the season is covered by good people.

I have been involved either as a Player or Coach at this Champion Club for the past 20 years which has seen us never miss a Final Series and play off in a

# SENIOR COACH'S ADDRESS

Grand Final in one of the Divisions or both in most of those years. We are used to success but can not just expect it. This year will be a step up year requiring everyone involved in the Club at whatever level to participate, assist when required, do the work on the track and then ultimately perform to the highest standards on match day both on and off the field.

I look forward to the season ahead and the many challenges we will have to face together and the excitement we will produce along the way. This will not only involve the players but your mates, supporters, sponsors, family and partners.

Go the Bulldogs

# HISTORY

The Banks Bulldogs Football Club was established in 1978 as a founding member of the Carlton United Sunday competition, the forerunner of the Northern Territory Football Association being formed in 1982, in recent years becoming known as TEAFA. Last season the TEAFA merged with the NTFL forming a three tiered competition.

Since 1978, Banks A Grade have won 9 premierships and been runner up 14 times. That's an incredible 23 Grand Final appearances in 33 seasons.

The Reserves competition was established in 1992, and our famous Killer B's have won 7 premierships and been runner up 8 times in 19 seasons.

The Club's first ever game was played as a social match between the Commonwealth Bank and Westpac. After the match it was thought we could perhaps form a 'proper' side. Banks Bulldogs took on the NTFL C Grade sides as well as Pints and Combined Services.

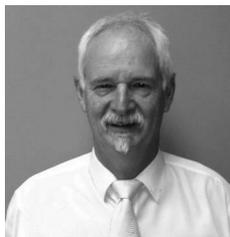

Over the next few years the make up of the competition saw new sides come including Katherine, Jabiru and Tracy Village with University joining later.

During these changing times Banks have always had a competitive playing group and a strong committee, something that continues today.

The football club in the early years was run on a very small budget and sponsorship was minimal. Our sole sponsor for many years was CUB and our motto 'Powered by Fosters' which was taken seriously by the playing group.

Players filled almost all committee positions and social functions were well patronised and enthusiastically attended. The early 1980's saw several changes that have left lasting legacies on the Club.

Life long friendships and lasting fond memories are things Banks Football Club offered and continue to do so.

## LEADERSHIP GROUP

Message from the Club Captain

Welcome everyone to what will be an exciting season at the mighty BBFC. As most would be aware last season was left with mixed emotions. While it hurts to reflect on it is time to break free of last season and move forward.

Whilst the committee have been working hard since May to ensure we as players have everything required to achieve success, Linc and Wolfy have also spent many hours working together in devising the game plan we will need to move forward this season.

But it all comes down to 'attitude'. We as a playing group need to have the attitude that second best will not do.

There is a lot of hard work to be done, so let's get in to it and go one better in season 2011/12.

See you on the track  
Ray Scarlett
