## Aussie Hoops Online Regos: Getting Started

Online registration and payment is now available for Aussie Hoops. As an Aussie Hoops Association, it is encouraged that you offer this to your participants. But don't worry, this is a good thing because it will save you time, you just need to know a thing or two about how it works which is outlined in this guide.

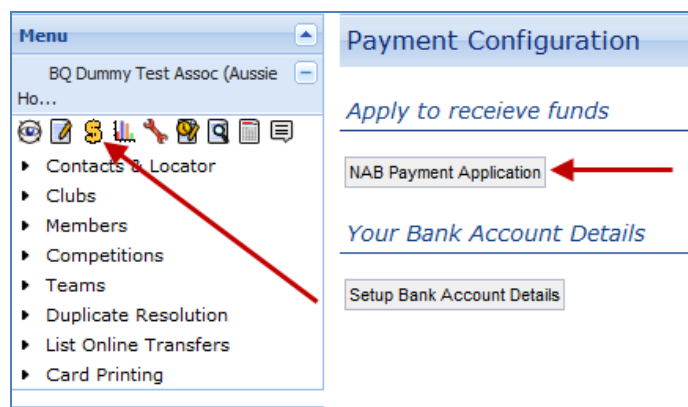

The process is very easy. Your participants can register and pay online either through the Aussie Hoops website [www.aussiehoops.com.au](http://www.aussiehoops.com.au) or your Association/Club website.

### How Does it Work?

Getting setup is relatively pain free, and won't take you long. Read on...

#### 1 - Setup your NAB account

1. Log into <http://reg.sportingpulse.com/v5> (contact SportingPulse or your governing body for logins)
2. Click on the yellow dollar sign then click **NAB Payment Application**

3. Open NAB business cheque account by following the steps below

#### Make an application

- Drop into your local branch. You'll find your nearest branch at [nab.com.au](http://nab.com.au) / branch or via our mobile iphone application.
- Call 13 30 86 from 7am-9pm AEST weekdays, or 8am-6pm AEST on weekends.

#### Authorised signatories verification

All of the authorised signatories you list will need to pop in to a NAB branch for verification. This can be done at any time during branch opening hours.

For verification, remember to bring 100 points of current identification. Below is a list of documents which you can use to make up the 100 points of identity. Documents must be current and confirm your full name, date of birth and residential address – with at least one document verifying your identity by photograph.

Examples of accepted Documents:

Drivers Licence - Australian Government Issue	(70 Points)
Passport or other International Travel Document	(70 Points)
Birth Certificate	(70 Points)
