In 2006 and 2007 there was no competition due to tennis equipment's that were stolen during the April 18<sup>th</sup> and 19<sup>th</sup> riot in Honiara, because of this political crisis, the mini tennis program had gone through many difficulties in trying to maintain the mini tennis program functioning.

After two years of difficulties, however, the mini tennis has managed to overcome its hardships successfully and at the moment Mini tennis is on the move again with children flooding the tennis court every day from Mondays to Saturdays (6) days a week.

The Solomon Islands Mini Tennis Association had recently organized an Inter-school championship 2011 which attracted 13 primary schools around Honiara to take part in the competition, and it was held from 26<sup>th</sup> to 29<sup>th</sup> September 2011. This event took place during the school's one week break. The competition was categorized under 3 age groups. i.e. under 10 boys & girls, under 12 boys & girls and under 14 boys & girls.

The performance of these young children's was very impressive and moral up lifting for the tennis development in Solomon Islands. There are some high potential in some of the kids in this age group and if they continue on, they will be the future top players of their community and the nation.
