President's Report

As President of the Mount Pleasant Football / Netball Club, it gives me great pleasure after another year of football and netball, to present this annual report.

Congratulations to our netball premiers winners: A, A Res and C Grade and to Anthea as President and her committee.

Congratulations to our Best & Fairest and award winners in both football & netball for 2011 season.

I would like to thank the many people that help during the year, the committee especially the executive, Nikki, Rob and Dubs. Ian and his farming committee, Angie & the catering committee, Anthea and the netball executive, Melissa with her great work on the newsletter, Kristy, Brad and Shea with sponsorship and everyone that helped with functions throughout the year.

To the coaches, Dennis and Mark, thanks for the hard work that both of you have put in throughout the season. There have been many challenges but all have appreciated your coaching.

To Dubs and Jason, thanks to the work and effort you did preseason with recruiting and trying to get an U 17's team together for the season.

Thank you to all our sponsors who have continued their ongoing support to the club.

As we move forward into the 2012 season, I look forward to everyone being involved with the club and enjoying the journey into the future.

As this is the last newsletter for the year, I wish you all have a Merry Christmas and safe and Happy New Year.

Go Mounts,

Phil Ryan
President

NETBALL CLUB PRESIDENT'S REPORT

What a year 2011 turned out to be for the Mount Pleasant Netball Club.

The Sunday before Grand final many Mounts netballers were invited to attend the league vote count and presentation night and the outcome set the tone for what was to come- Mounts wins all around!! Congratulations to Bridget Tuohey on A grade Best and Fairest, Kirsten Pollock on A reserve Best and Fairest, Kate McCann on C grade Best and Fairest and Jess Hartland on A reserve runner up Best and fairest. An amazing effort girls! The day also recognized the hard work and contribution of two highly appreciated Mounts netball identities in Judy Ryan and Debbie Tuohey. Both were awarded HNDA life memberships which were well and truly deserved and the whole club extends our congratulations to you both. The netball club as a whole was also rewarded with the McTaggart Family Perpetual Goal Throwing Award for most goals thrown in the season- a terrific achievement for all players in the club.

The following Saturday, many supporters flocked to Huntly on Grand final day to support the three Mounts teams who had earned their spot to play off for premierships. Navy blue lined the courts for the duration of the day, none standing out more than our footballers who donned the Iyrc uniforms to cheer on the girls. It was great to see so many new and old faces courtside (even those we are only accustomed to seeing at the \$2 shop!) get right behind our netballers.

Our C grade girls gave us a heart stopping start to the day when they fought from behind to level the scores at the final siren in their clash against LBU. The girls dug deep in overtime to come out winners by 2 goals. Captain Kate McCann was awarded best on for her strong game in defense, while Alex Natoli also played well in goals. A great way to top of a great season girls, we are all very proud of you and look forward to playing with many of you as senior netballers next season.

A reserve took to the court against Elmore with all the pressure on them after finishing the season undefeated. Mounts jumped out of the blocks and never looked back, beating Elmore by 22 goals and proving they have been a step above the competition all year and well and truly deserved the 2011 title of premiers and champions. This completes a hat trick of premierships for the A reserve girls, and was very exciting especially for the 4 girls who have played in all three flags. Mum to be Kirsten Pollock managed Best on Court despite carrying around TWO little bundles of joy!

Excitement was in the air as the crowd grew for the game we wanted to win most- A grade. The girls played a terrific game against a very tough competition in league powerhouse White Hills. Mounts defenders shone, were provided great support from the mid court and had their great work finished off by lovely goaling.

It was a tough and even battle all

game with mounts only able to push the score out in the last quarter to win by 10 goals. Joyous scenes followed as supporters flooded the court to celebrate our first premiership in 21 years. It was lovely to see members of the 1990 premiership team there supporting the girls as they broke the premiership drought. Dearne Bowes was awarded best on court for a stellar game in defense.

In true Mounts style we sang along to some golden oldies as we celebrated around a bonfire until the wee hours of the morning and then early into the week. Luckily grand final day coincided with Abbey Dorringtons 18th birthday so she was able to celebrate an A grade flag with her first ever alcoholic drink. A mystery destination netball trip a couple of weeks later was a great way to celebrate all the wonderful team and individual achievement of 2011.

So much success doesn't come without a lot of hard work, time and commitment from many individuals. While there are too many to name I would like to especially thank my hard working committee, Lauren Roney, Sarah Mannes and Jo McCann. Thank you to all others who have filled jobs for the year, the coaches, umpires, parents, players, sponsors and supporters.

A big thank you to the following ladies who have taken on league executive positions this year
HDNA President: Debbie Tuohey
HDNA Recorder: Chrissy Browne
We know you will do a fantastic job and wish you all the best!

The junior netballers will be holding their end of season break up on the 4th of December at the Bendigo water park from midday. All senior netballers are invited to attend and enjoy a pre Christmas catch up and free BBQ . please contact Mandy Grinton for details

UNDER 17s FOR SEASON 2012

G-Day all, my name is Peter Natoli and I have been appointed coach of the U/17 football team for season 2012. I am very excited for next season and the potential for a successful year. My goal is to be competitive, have fun and develop the boys along the way. At this stage I have 10 players but need another 10 or so kids. All under 17's can currently take part in pre-season with the seniors. And mid to late January we will commence training together as a team to prepare for the upcoming season.

If you know of any potential players who wish to play, please contact me on 0488 415 503

Regards

Peter Natoli
