## **SCORING!!**

### PARENTS

It's great to see parents down supporting there child  
on a Monday and Tuesday night.

It would be great to see more parents helping out  
with scoring.

### Did you know!

Some teams struggle to even get a scorer, and with-  
out a scorer teams may lose points!

It's really not that hard.

If you are wanting to learn how to score please ask  
one of our committee members, they will be more  
than happy to teach you. Or if you are down at a  
game maybe watch how it is done so as to be able  
to help the next time.

This would be much appreciated!
