PRESIDENTS MESSAGE

Welcome to Parkside's 67th annual Football Presentation Night.

After the disappointment of last year we set out to make sure this year would not be the same. We appointed Lorry and Mark as coaches knowing their track records speak for themselves. Making the preliminary finals in both senior and reserves was a great effort, but not knowing Lorry and Mark's intentions for next year, I feel the job is still unfinished. They were given outstanding support by team manager Terry Carman.

Club 18 did not have great success on field on field but gave players a game. I would like to thank Dean Ferraro as coach and Ian Carter and Graham Cutler as team managers for their efforts in very trying times.

Time to thank our very hard working (but small) committee – Clarke, Trumper, KA. The work and support received from you has made this job enjoyable and satisfying. In saying that we look forward to increasing the number of committee men and women, so anyone who is interested please come forward; we need your support.

Once again our trainers have been marvelous. BJ, Katie, Leah, your on and off field efforts have second to none, thank you all.

Also thanks to Jodie for an outstanding job in the canteen on match days and Thursday nights. Match days would have been impossible except for the tireless work of Terry, Paul, Steven, Tim, Kevin, Gary, Jack, Ray, Ken, Stuart and more.

Finally, congratulations to all players on their efforts throughout the year and good luck in year 2001.

Have a great night!
