## Pan Pacific Masters Games

The 8th Pan Pacific Masters Games will be held from 3 to 11 November in 2012 on the beautiful Gold Coast. There will be more than 40 sports on the program, with more than 11,000 people from all over the world expected to participate.

The Pan Pacific Masters Games is a celebration of masters sport with both fierce and friendly competition and a jam-packed entertainment program at the Games Village at the end of each day. The slogan sums it up "Play it, Live it, Love it!"

Participants at the Pan Pacs, as the Games are affectionately known, compete in their age group with no qualifying standards to enter. The only criterion for entry is a minimum age for each sport – and for most sports that is 30 years of age.

All sports will be located in close proximity to the Games Village which will feature the registration centre, live nightly entertainment, merchandise, fully catered hospitality and an exclusive venue for competitors to meet up and enjoy the spirit for which the event is known.

What sets the Pan Pacs apart from many other major events is the vast array of accommodation available for all budgets offering more than just a place to stay.
