

Welcome to the first (yes, a little late) Berwick Springs TITANS Newsletter for the season.

What a great start to 2012, membership has grown, teams are in full swing of the game (see inside for the full match report) & of course, the opening of our much awaited new club rooms – congratulations and thank you to those people who worked so hard to make these rooms happen.

We had a great turn out to the first 'Sausage Sizzle' night for the season – thanks to all those attended and to those who helped the clean up.

Each week, your newsletter will keep you up to date with all the going's on of the club, match reports, upcoming events, important SEJ information, Committee information & contacts, merchandise details and (hopefully) much more.

If you know of anything that others would benefit from, please be sure to let us know.

For all current game venues and times please refer to the SEJ website, www.southeastjuniors.com.au.

IMPORTANT REMINDER

Please remember that **the clubrooms & surrounding areas are NO SMOKING areas.** This also applies to the oval when games are being played. No official is allowed to smoke on the oval or in the coaches boxes. **Animals are also prohibited on the oval.** This is a SEJ rule.

The Club Song . . . (to the tune of Sydney Swans Club theme song)

For those new to the club, or those just needing a reminder, here's our Club Song – lets hope we hear it loud and proud - often !

**Cheer, cheer the titans of might
Titans will win by day and by night
Watch our team climb very high
We'll shake the thunder from the sky
Whether the odds be great or be small
Titans will win and win overall
While our loyal fans are screaming
Titans to victory**

BSJFC Committee

Our club, like all local sporting clubs, is only possible thanks to the time and effort contributed by volunteer parents – without their contribution, our club cannot exist.

It's a great opportunity to get to know other parents and help your child's club.

With that in mind, we invite you to join the Committee – contributing in any way you can. We're currently light on membership and would greatly appreciate & welcome new members.

We understand everyone is busy, but many hands make light work. Please feel free to speak to any of the committee members (noted on page 4) to talk about how you could help.
