**SO YOU WANT TO BE A  
SUNFIRE STAR?**

## What is Sunfire Superstars?

Sunfire Superstars is the first Level in the Female Football Academy. The whole Female Football Academy is an innovative program that will provide young Queensland girls with a unique opportunity to participate in a first-class sporting and education experience facilitated by current and past Sunfire (Qld) players in association with AFL Qld. You will be initially selected for your region at a trial day to play in a fun 9 -a-side Carnival on the 7th September 2012. From this carnival 30 lucky players will be selected for the Sunfire Superstars Academy.

**U18 Youth Girls State Team**

## Can I nominate to be a Sunfire Superstar?

The program is only open to girls in Year 6 & 7 in 2012.

We would like girls to nominate who excel at other sports and/or school AFL and who are interested in furthering their AFL. For example, you may be a champion runner, star basketball player, or just a great all-round athlete. Current Sunfire players Jo Butland and Kate Lutkins were former Matildas and Australian Futsal players.

Some famous Sunfire players who started off in other sports:

**JO BUTLAND**  
Soccer  
(Matildas)

**HEIDI THOMPSON**  
Cricket (Qld)  
Gaelic Football (Q)

**KATE LUTKINS**  
Futsal (Aus)  
Soccer (Qld)  
Baseball (Qld)

**TIARNA ERNST**  
Athletics (Qld)
