2011 President's Report

Welcome everyone to the Rosedale Football Netball Club's 2012 Presentation Night, especially Life Members, Sponsors and Premiership players. Tonight we gather to recognise and celebrate the feats achieved by individuals during season 2012, whilst these individuals deserve all the kudos heaped on them tonight, it also a time where we must acknowledge the wonderful job that our great group of volunteers have performed over the past twelve months.

Undoubtedly the highlight for this season has been the achievements of our A & B Grade netball teams who've managed to go through the season undefeated and deservedly hold the title of Premiers & Champions. This rare feat would not been achievable without the support of everyone at RFNC and the outstanding coaching efforts of Julie, whose people management skills, netball skills and knowledge of the game have gone unsurpassed. Many congratulations to Julie and the Premiership players, the Rosedale FNC family is extremely proud of your salubrious results this season. Thanks also to Leah, Bridget and Danielle for looking after the C, D & 17U girls respectively.

Congratulations must also go to newly appointed senior coach Brad Caldwell who'd inherited a depleted list from the team that was runners up in 2010. Whilst we as a Club are not satisfied with finishing 5th, we are more than satisfied with the job Brad has done this season, his maturity and leadership was a feature and he has shown he has what it takes to become a successful Senior coach in the near future. The Seniors received the Code of Conduct award this season in what was clearly a reflection of the standard of discipline set by Brad from the outset, well done. Thanks also to Steve Grover for again taking on one of the hardest jobs at any football club, coaching the Reserves, I'm certain some people don't understand the complexities and frustrations of being a Reserves coach.

To the hardest working committee in the NGFNL thanks for your enormous efforts and congratulations on receiving the 2011 NGFNL Administration Award, this was truly deserved and can be attributed to the hard work that you've all put in over the past 12 months. As with all Committees we have those that are able to commit more time than others, however it is a team effort that gets the job done and Rosedale manages to get it done better than anyone else. Every minute that is contributed by our volunteers is a minute that is greatly appreciated. We are an extremely fortunate Club to have a fantastic group of devoted Rosedale people that put in countless hours to ensure we provide our Netball and Football departments with all the support they need to enable them to field competitive teams to represent the town of Rosedale.

Early in the pre-season we were fortunate enough to form a relationship with the Police Boys Junior Football Club, where we'll strongly encourage Rosedale children looking for a game of footy to go and play with PBJFC. Whilst it may take time, we believe we'll see long term benefits with Rosedale children going through PBJFC and returning to Rosedale to complete their U18 junior footy and begin their senior careers.

Last thank you is to my beautiful wife Deb for her tolerance and support, we both love Rosedale FNC and the many great friends associated with it, what a fantastic club!

Looking forward to 2012, please enjoy the "off" season and be sure to come back bigger and stronger in 2012, we all have some work to do get our football teams up to where we want them to be and our netball teams must strive to maintain the high standard they set themselves this year. The challenge lies with everyone, not just the Coaches or Committee, Rosedale's future success is up to you and it belongs to you, take ownership and set yourself a standard for others to follow.

GO BLUES IN 2012

2011 Coach's Report

After being appointed as Senior Coach my job started in October 2010. Having big boots to fill I was honoured to take over from Birssy and was very excited with the talented list we had. In my first few weeks I appointed Justin Emery as my assistant, Justin is a 100+ game player and very experienced for his age. A lot of hard work went into recruiting and maintaining players to ensure we had a successful year.

Pre-season training commenced in the latter part of November, training two nights a week leading up until Christmas. Training resumed after Christmas break on the 10th of January 2011, training 3 nights a weeks. Good commitment from the boys to be there that time of the year to give us every opportunity to go one better than 2010. Training camp was again in Phillip Island which was very challenging for the boys but a lot of fun at the same time and everyone enjoyed themselves. The Sunday was an eventful day as quite a few ended up with food poisoning (hangover) however they all done the hard work.

After losing nine players from the 2010 Grand Final team the window opened to re-build the side with a lot of talented Rosedale juniors. The Club also picked up Ross McDermott and Trevor Brady both from the Traralgon Football Club.

After a slow start to the season we had 4 wins 6 loses at mid year. Although I felt this was not a true indication of the talented side we had as we were a bit inconsistent but with a young side that can generally happen. We were now up against it to make finals but I had faith we could make it but we were going to have to win most of the remaining games which we sat down as a group and we had faith we could accomplish that.

The second half of the year went our way with the side gelling together nicely at the right time of the year winning 6 of our 8 remaining games. This ensured we scraped into the top 5 sealing a spot in finals action. However our season ending one week later losing the Elimination Final vs Churchill by a mere 3 points, in a game that could of quite easily went our way.

Overall it was a very enjoyable, successful and promising year which had many ups and downs. Also saw that in my opinion the ultimate success is not far away for this group as it has a great mix of young and older mature footballers.

A big thank you to Mayney, Digger, Steve Bourne, Paul Diamond, Ian Lowe, Jimmy Crabtree and the Rosedale Committee members and supporters for all the encouragement and support, each and everyone has shown.

If the boys stick together and put in the hard yards I'd guarantee the next Rosedale Premiership will not be far away.

BRAD CALDWELL.

“Hoppy’s” 300th ~ This season we were fortunate enough to have another of our loyal footballers reach the 300 game milestone. Danny Hopman become just the fifth player in Rosedale’s 128 year history to achieve this & has etched himself into the long & proud history of our great club. Hoppy has obviously been a stalwart of Rosedale for many years and has seen the tough times when wins were extremely rare in the very early nineties through to the current day where we are now a much respected opposition amongst our peers. It’s people like Hoppy that have helped us to get to the level we’re at & it’s people like Hoppy, who are prepared to put Rosedale’s interest in front their own, that we can’t have enough of. Well done Hop, we’re certain you’ll be a part of the Rosedale Football Netball Club landscape for a long time to come.

Around the ground, and throughout the year....

Canteen ~ Thankyou to Eliza for her part in being the Canteen Co-ordinator this season in charge of ordering, picking up and setting up of supplies to successfully run the canteen. With her efforts and those of the dedicated team behind her, the ladies have contributed a massive \$13,000 to the Football Netball Club. This is a key fundraiser for our Club and cannot be achieved without their support. Thankyou to all those who volunteered behind the scenes, Deb (in charge of rolls and scrolls) and Kerryn (for her famous soup) along with all those who were able to help out on Saturday's.

Meals ~ Thank you to Kerryn and her merry band of helpers who provided the sumptuous Thursday meals. Many a problem, issue or story has been sorted on a Thursday evening over some very fine food this year. The meals have been an outstanding success & have been a huge contributor to the family environment we have at Rosedale. This was greatly appreciated by everyone & we are truly fortunate for the quality & variety of meals we get at Rosedale. We are spoilt.

Reunion ~ 2011 saw us commemorate the 50 & 10 year reunion of 1961 & 2001 Premiership teams. The presence of these past legends of Rosedale inspired our senior team to possibly their best performance of the year when they defeated Churchill easily, as they had done 10 years earlier.

The day & evening was an outstanding success with the respect shown by current day footballers and netballers reflecting the esteem in which these guys are held within the Rosedale family.

Many thanks to those who helped make this day successful as we had nothing but positive remarks on how we do our business and the quality of people we have in our great Club.

2011 Coach's Report

Season 2011 was a reasonable season for the Reserves. If we are to move forward, individual motivation, self belief and strong discipline are required from each player in the coming season.

To be successful as a team and club we must all contribute to achieve our ultimate goal. Failure to achieve our goal should be the ultimate spur. To achieve this will require each of you to "Go the extra mile"

Thank you to all players whom consistently trained and played each and every week, your efforts are appreciated.

Congratulations to both A and B grade Netball teams on winning the Grand Finals.

Congratulations also to Brad on your first year as Senior Coach, in reaching the finals. Great effort for season 2011.

Thank you to each individual whom assisted in many different ways to contribute to the club during season 2011. These individuals contribute selflessly, on a weekly basis to ensure the ongoing viability of the club.

Special mention to Paul McDonough – Team Manager, Tim Allen – Runner, Vanda – Trainer, Jimmy Crabtree, Lizard, Lowey and Digger for their assistance.

Thank you to all of the thirds players whom stepped up as and when required when we were short and played in both the thirds and reserves. Your contribution was invaluable.

I would like to take this opportunity to once again thank the Committee for entrusting me with the position of Reserves Coach of this fine club.

Look forward to seeing you all in 2012 for a new and successful season.

Kind Regards,

2011 Coach's Report

What a challenging year 2011 has been for our U18s, with us registering just the one victory late in the year at Boisdale. Whilst this may sound like a doom and gloom picture for the future I firmly believe we have made progress and inroads to securing the long term future of our U18 team (refer to President Report). Thanks to the support of opposition clubs we managed to field a team every week and more importantly were able to keep our core group of players together at Rosedale.

This core group of 8-10 players have shown great commitment to our Club, especially when we were down to 9-10 players showing up on a couple of Saturday's mid-season, these guys could have quite easily thrown in the towel. However they showed that they have respect for the RFNC and were prepared to see it out to the end of the season. Unfortunately we had to put up with some fair weather footballers during the year, whilst I thank these boys for turning up when they chose to, they

will have to change their ways if they wish to be a part of Rosedale's future, or they are not welcome.

Thanks to some helpers and parents who assisted us in getting through 2011;

Toby Thornton – part time runner & predominantly team manager, Dave Aucote – part time runner, Mark Davidson – penalty steward, Craig Mayman – part time runner, Steve Bourne – all jobs great & small (dogs body), Jim Crabtree & Ian Lowe – water boys & Bruce Anderson – timekeeper, thanks & apologies to anyone I've missed who has helped in some way, shape or form this year.

Going forward we are delighted to announce Mark "Shark" Emery as our U18 coach for the 2012 season, Shark has played over 350 games for Rosedale and will be an enormous benefit to the development of the boy's football and preparation for football beyond juniors. Due to the majority of this year's list being bottom age we are sure to see a vastly more improved and competitive U18 team for Rosedale in 2012. Good luck to the young men progressing through to open age football, I sincerely hope you continue to enjoy your football at Rosedale.

R.F.N.C. ~ From the Netball Courts

OH MY GOD, WHAT A YEAR!

We have had a fantastic follow up year to last year with the ultimate success's on the court in A & B Grade, improvement in our C & D Grades and a strong effort in U17's with a re-building phase in process. We also had some fantastic individual player achievements too.

With the players coming through the ranks from juniors it set the Club up to have a great range of players to pick our teams from. I think everyone that has been involved with the Club over a number of years knew at the start of this season we were looking at having an very exciting year.

There were a lot of players who worked hard on their fitness over the off season, so by the time it came to the start of our pre-season training we were well on the way to having our fitness at a high level. Part of our pre-season we incorporated a triathlon at Loch Sport. We had a great day with some personal challenges and some great team fun. A big thank you to Kiera (Miss G) for the putting it all together and being a great mentor on the day for everyone that participated. Also to the players who made the effort to attend. Well done and I think that it should be pencilled in as part of the pre-season each year.

Well done to Bron and the assistance of Bridget with the U17 for the first section of the season with so many players it was a job that took a lot of patience and attention. Introducing the extra night training was great for the U17 new players and I'm sure that they all appreciated that time that you both spent with them. Due to work commitments Bron unfortunately had to stand down and Bridget begun to focus more on the D grade team, which meant that we had to find a new person for the job. Thank you to Dan for taking on this role and she stepped into it with no hassles at all.

Dan has also done a great job with the team and has really helped the club with the re-building stage we are currently going through with our juniors.

Congratulations to Bridget for getting the D grade team to a much higher position on the ladder than they have made for a large number of years. Again with very high player numbers Bridget's persistence and patience she managed to keep players rotating through and get the wins on the board too. I think the last game of the season really gave the team an idea of what they were cable of and should have taken away great encouragement from game for this coming season.

Leah has had her first year as a coach, with (as all the C grade players would know) a high expectation of what she wanted to achieve with the team. Having a large number of players rotating through the team I think it was hard to have a settled side. Well done to Leah for having some our U17 players in the team, giving them an idea of senior netball. Leah is really focused on the whole clubs successes and is always happy to do her part to make this happen.

B Grade – Premiers and Champions: *Wow what a year for each of you. Every player worked tirelessly throughout the season to improve not only individually but as a team. We put together our team set plays early in the season and we continued to improve on them each week at training and we had them perfected at just the right time of the year. Congratulations to you all, you all worked together with the same goal and achieved something special that you will have as a group for ever. Life time memories. BACKing it up next year is the next challenge.*

A Grade – Premiers and Champions also: Again WOW what a year for you all. Thanks to you all for your commitment. Each of you should be proud of what you have achieved this year, all the hard work at training and on Saturday now seems like a distant memory to what we all achieved on the big day. It was fantastic to have a team that not only played well together and all got along well but all had only one final goal for the team and season, making sure we took home “THE SILVER”. You were all able to create your own and team memories but more importantly making club history. Well done and congratulations to a great team. Nothing less than BACK TO BACK for next season.

The inclusion of specific warm-up players this season was a big difference to the way both A & B Grades both started each game. Warming up for a full 15 minutes before the game and being properly prepared I think gave us the edge over other teams. Thank you to A grade warm-ups Megan Harrison and B grade warm-ups Dan. Your preparation with the teams was great and much appreciated by both teams.

Well done to Bridget for co-ordinating the umpires this season. You have a good relationship with not only our umpires but umpires in our league and also other leagues which is a credit to the professional way you go about umpiring. And also congratulations to you on getting you B grade badge during the season and good luck for your future ambitions on getting an A grade badge.

A massive thank you goes to Fee for the effort she put in not only on Saturday but every other day of the week too. Making sure that our coaches had everything that was required to get as many teams through to that final day in September was a priority that Fee had for our Club and was relentless on the goal. Great work Fee.

To our massive blue and white support not only at each of our finals but also during the year. Each week we had a lot of support for each grade. It's great to see so many players stay around after their game and also other players coming before their game to watch.

Our committee in one of a kind. The support that continues to come from the committee throughout the season and over the off season is amazing. You guys have a high standard of how the club is to operate with Digger leading from the front. His professionalism and the way he goes about his position reflects on all of us and I am proud to have him not only as our President but as a brother too.

What our teams achieved was part of a plan that started for me in November 2009 when I was appointed as the coach. The support I have had over the last two years from players and coaches has been fantastic and having people around you that have only the same end results in sight makes life easier. Having Leah as part of our coaching team this year has brought great support and experience, also Bridget again with her work load and co-ordination has been great for the club. Thank you to you both for the year.

Having such a great year for our A & B Grades should only make players in our other teams want to have this same success, so let's all make some goals that include greater success for our GREAT CLUB.

Finally to my family. The support from Andy has been amazing. He puts up with a lot of netball from me over the week and even more on the weekend, he has been very patient.

To my Mum and Dad, Digger and Deb thank you for watching out for the kids each Saturday, Mum was always there and prepared on Saturdays for whoever I arrived with in the car 1,2, or 3. Thanks Mum!

C Grade ~ Was this the year that got away? In my first-year coaching with great depth in the club I was given an impressive list of players at the beginning of the year. Confidence was high but as we know “having good players doesn’t establish a great team”. The season started well as we recorded a win round 1. However I don’t believe we showed what we could achieve until Round 15 defeating the then unbeaten top of the ladder Glengarry. From the first whistle we showed no mercy playing faultless netball, the type of “team” netball that would get us anywhere. Nevertheless we struggled to recapture and maintain this form consistently for 60 minutes of netball as we often lapsed in the final term.

Each week I challenged the players and everyone was given the opportunity as 18 players took the court for C grade in the season. Special mention to the 17/U girls Megan and Steph who became part of the team as their skill, commitment and passion shows Rosedale’s future is safe with such players.

Unfortunately during the season while injuries are a part of our game it was C grades nemesis as we suffered two serious injuries to key individuals Captain Kylie Neilson (calf) round 4 and Tahila (knee) round 17. To both players credit they stood by the team through thick and thin. I commend Kylie for her commitment to the Club and the game. While she didn’t break back into the line up she was committed to C grade til the final whistle. I wish both players all the best in the off-season and look forward to them returning bigger and better.

With Kylie’s injury Erin was appointed Captain and Tahila vice captain. I commend Erin for her passion and commitment and while Tahila might have lost her mojo in shooting she showed she is a natural netballer recreating her game down back in GD as she spearheaded the defence.

Congratulations to Erin (Best and Fairest) and Bec (runner up) on fantastic individual seasons. Thank you to all players for their commitment to training and presence at awards. I hope everyone returns next year as I know they can achieve something special.

With the opportunity it has been a great learning curve to my game. I hope every player can take something away from this season:

- Positive Communication and Body Language
- Believe and Achieve
- Believe in and Support of each other!
- Fun
- Control the Controllable
- Together Everyone Achieves More

In the Elimination Final we met Stratford at Stratford in hot and testing conditions. Unfortunately we were left beaten by the better team on the day by the slimmest of margins. While I know all players wanted to and believed they could achieve more, I feel we are all left wondering was this the year that got away?

I really enjoyed the challenge and the opportunity to coach this year. Thank you to the Club and especially Julie for the opportunity, support and guidance. To Bridget and Fee for their assistance in making my job easier and to my family for their support and patience!

D Grade ~ Well it's hard to believe that another season has come to an end! After two years coaching C grade, this season we had a few changes amongst our coaching team and I was given the role of coaching D grade for season 2011. The previous two seasons had proved challenging for D grade as there is some really strong competition in D grade, but I really saw this as an opportunity to improve this season.

Pre-season commenced with everyone so eager and motivated to get going and we saw great numbers to training, making team selections challenging prior to the season commencing. With the benefit of hindsight, these strong numbers provided such a strong base for all teams this season. After team selections, I had some familiar faces join me again from C grade and some new faces which complimented the D grade girls nicely from last year's team.

Round one saw the club meeting Sale City away and as always with round one, much anticipation came with it. Did we have the team's right? What combinations would work? These were just a few questions going through my mind the night before, especially with such a new line up. What a great start to the season it was, not only did we win, but all grades won that day which was a great effort. Special mention goes to our newest team member that day Jess Zaghet. Jess was best on court that day which was a great effort after not long joining our club. Unfortunately, this was the only game Jess got to play this season as a result of an accident the following Friday. Our thoughts have been with Jess and her family all season and from last reports, Jess is improving each day. We hope to see her one day soon!

Early on in the season saw some team shuffling and working closely with Leah and Julie, we used all the possible games we could to get the best line ups we could. Throughout the season, across all grades there were many injuries that resulted in a lot of changes and qualifying of players in different grades. D grade at one point saw 14 players listed and never once did anyone complain. The communication lines were always open and this was one of our strengths enabling everyone to have court time at some point. I commend all the girls for that and with every one of the 14 players receiving some votes at league vote count I couldn't have been more impressed!

Pre-season was tough and trainings in the first half of the season were tougher, but the results were on the board – we were winning! In previous years finals had not been on the cards and this season we only just missed out finishing in 6th place. A great effort! Over the season we averaged 38 goals – almost 10 goals a quarter – which in a lot of games is a winning score and this is indicative of the strength of the D grade competition in 2011. It's a really exciting position for D grade coming into next season and the girls can do it – we had beaten and really pushed teams in the top five throughout the year so the girls have a great foundation for the 2012 season.

Finally congratulations to our best and fairest winner Lan, who is also the captain for 2011. Not only a great season personally, but Lan was a great leader for the team both on and off the court and also she was a great support to myself and I thank her for that. To our runner up Jo, also a great season personally. A really consistent season despite injury and seeing you improve each week was great!

Thanks to all the girls for a great season and “it's not just D grade”, I would coach any grade the same and just as hard!

A big thanks to Julie, Leah and Fee – I couldn't do it without you!

Bring on 2012!!

BRIDGET KASE
D Grade Coach

17 & Under ~ The 17U girls had a good year, unfortunately they did not make the Finals only just missing out finishing sixth after the Home & Aways. We had a great start to the year with good numbers to pre season training twice a week. The girls were very determined which was great to see. There were a lot of new faces to the team this year with only three girls remaining from the 2010 Premiership side, it was a rebuilding year.

Once the games were underway it was an unsettled start to the year as the girls were getting used to playing as a team. As the weeks went on the girls gained confidence in each other and improved so much, they started putting wins together over sides above them which was great to see them get results for their efforts.

It was also terrific for some of our young girls to be given the chance to shine bright and step up to play in the higher grades during the season, fantastic effort girls. It is reassuring to know that we have these girls coming through to play Seniors in future seasons.

Congratulations to Nellie on your Best & Fairest, you worked hard every week and finished off a fantastic season by being a part of the B Grade Premiership Team, well done! Congratulations also to B & F Runner Up Steph Dessent, your determination to give 100% every game has paid off.

All in all the girls pulled together a great season, they were a great bunch of girls to coach. All the best girls, I hope to see you all back next year!

Rosedale Junior Football Club

2011 Auskick Report

This year saw Auskick move to Thursday nights which was a break from the usual Sunday morning. A little chilly but the kids loved playing "under lights". We had a small group this year with only twelve kids including 3 girls again which was great. It is always fantastic to see anyone that wants to play come along.

We didn't make it to the MCG with the kids being a little young and some having played there before, but they still loved playing in front of a crowd at Rosedale! Thank you to the Rosedale Football Netball Club and Churchill Football Club for moving their day around to accommodate the Auskick "curtain raiser" this year. Due to the small number we had the kids play against parents which was a great way to get all involved and increase the entertainment for the crowd.

This is the last year Mike and I will be co-ordinating Auskick but feel we are leaving it in good hands with Lisa and Matt Wright prepared to take it on. I urge the Rosedale Football community to get behind Matt and Lisa and really promote Auskick. The kids love playing during a Rosedale match more than the MCG and I think it shows the other football communities how family orientated and inclusive Rosedale is.

Round 1: Sale City

Welcome to everyone to the 2011 season, today we travel to Stephenson Park to meet the reigning Premiers, in what should be some high standard football and netball. Today's challenge is to reward our efforts and commitment to a vigorous pre-season and start our campaign for bigger and better things on and off the field in 2011! Good Luck to all our new and returning players today, as Michael Jordan said "Some people want it to happen, some wish it would happen, others make it happen". Let's make it happen today! Leading the way is Brad Caldwell as Senior Coach; Steve Grover will again lead the Reserves, while Digger felt he had some spare time so he has taken on the Thirds role. On the Netball front the girls will again be under the guidance of Julie A and B grade, Leah takes over C, while Bridge will be at of helm of D and assist Bron with the U17s. Congratulation to the appointment of all our Coaches, Committee and Captains in the off-season, we have a truly dedicated leadership group ready to support and guide the club this season. Off field Thursday Night Meals are back. Thank you to all those who participated in the Working Bee, Clubs only survive if everyone is prepared to put in! Thanks to everyone helping out in off-field roles this season. If you are interested in helping the Club, we are always looking for more volunteers. Memberships are now available. After the game let's have a drink with City, and then back to the clubroom for homemade pizzas, Kids meals and awards (6pm sharp). Don't forget the Club website for coming events. Here's to a great season for all Blues players and supporters. Sponsors of the week: Employment Innovations, McDonough & Co Legal

Round 2: Gormandale

Today we welcome Gormandale to the Duke St Reserve for another tough contest for our footballers and netballers. Good Luck to everyone today lets "float like a butterfly and sting like a bee." Last week things didn't quite get off on the right foot for our footy sides. Despite an 11 goal loss to our seniors, signs are positive with players still to return and our "next generation" of players showing we're only going to get better each week. It is very exciting times for the club with the Coach in form up forward with 6 goals and 6 players 18 and under showing great form with Craig Bourne (17), Rohan (17) and Adam Diamond (15) all named in the best.

The Reserves fought hard all day and had numerous chances to take the lead in the final qtr unfortunately a lack of capitalising saw the guys go down by a couple of goals. JK was best on. The Thirds put on a brave show in what was a tough day. Our undermanned side was no match for the class of City. Thank you to Sale City and those players who filled in to help us field a side. On the courts the Netballers had a clean swept with 5 solid and outstanding performances. After

a solid preseason the netty girls had fantastic depth, composer and fight in all grades. Best: - 17/U: Megan, Nellie, Players Player: Megan, D gr: Jess Z, Pauline, PP: Alanna, C Gr: Erin, Kylie, PP: Erin, B Gr: Tash, Carmen, PP: Kristy, A Gr: Bron, Carly, PP: Bron. Memberships are now available. Social Calendar: Don't forget Tonight is our 80's Night/Nuts & Bolts, dress in your best 80's gear. Next Function Rd4: Casino, Games & Cocktail Night. Sponsor of the Week: - Eastern Construction

Round 3: Churchill

On a sad note our thoughts and prayers are with Jess Zaghet (D Grade) and her family, Jess is currently in the Alfred Hospital in a serious condition after being involved in a serious car accident last Friday. Conditions we're HOT last week on and off the field/court as we stung like a bee and got the vital points in the Seniors, Reserves, A and B grade. In a tough and challenging encounter the Seniors and Reserves showed true test of character and fight, in what hopefully is a sign of things (WINS) to come. Club stalwart Lowey and young gun Craig Bourne again featured in the best. The Thirds had another tough week on the field nevertheless there are positives with the side continuing to improve, young, & numbers low. Stick together Boys, get to training and the win will come. On the courts we got the points in A and B, Gormandale challenged til the final whistle nevertheless the difference between previous seasons and this year we withstood the challenge, not allowing them to run over us and got the 4 points. U/17, D and C Gormandale were too good, while no-one like to lose let's make sure we learn from the losses. Best Players: - 17 U: Alex & Charlotte, D: Emily & Kate, C: Vicky & Tara, B: Brooke & Dan and A: Lorelle & Bron. Today we make the journey to Churchill, good luck to everyone let remember the price of success is hard work dedication and determination that whether happens, we have applied the best of ourselves to the task at hand. Thank you to all those who helped make our first home game successful, the day didn't start off great and there are still lots to be done around the grounds, nevertheless the TRUE blue sprit pulled together and we are slowly getting there. Happy Easter to everyone, stay safe and enjoy the break. Then game faces on for Round 4! Go Blues! Sponsors of the week: - Kelly's Hair and Now

Round 4: Glengarry

Today we welcome Glengarry; hopefully everyone had a fantastic Easter and are ready to rumble in Round 4! Round 3 wasn't a great day for our football coming away winless, nevertheless the netball girls got the points in A, B and U17, while C grade share in the points with a 52-a piece draw. All teams recorded big margin wins gaining valuable percentage, the wins see A and B grade sit nicely on top of the ladder. Nevertheless everyone knows we are still improving and have a long way to go. Best players: 17U: Sarah, Ellanor, Players Player: Megan, D: Deb, Jo, Players Player: Deb, C: Bec, Megan, Players Player: Erin, B: Jess H, Tash, Players Player: Brooke, A: Amy "Rookie", Carly, Players Player: Amy. The Seniors started well entering the 1st change up by 11pts, unfortunately our momentum finished there as we played second fiddle to Churchill as they dictated the play, the scoreboard and the match. The score line could have been worse nevertheless our backline stood strong during the attack with Freshy, Scooter & Craig Bourne all featuring in the best. The Reserves showed glimpses of last year's form, nevertheless some costly errors allowed Churchill to get the upper hand and close the door on any chances of victory for the Guys. The Thirds started well; unfortunately we're blown off the field in a dynamic performance after qtr time by Churchill. Tom McMillan continues his excellent season with another BOG. Please note all membership is now overdue; please make payment or alternative arrangements with Paul MacDonough ASAP. Orders now being taken for club merchandise see Lan, Ricky L or Leah. Good Luck to everyone today, Just play. Have fun. Enjoy the game. After the match we welcome Glengarry for a drink and the awards, and then we have our Casino, Games & Cocktail night with the Theme being roaring 20's starting at 7.30pm. RFNC would like to Thank and Welcome our new sponsors:- Paint Right Traralgon Gippsland Boat Supplies Carpenter Sand Supplies Let's make sure we look after our sponsors like they look after us! GO BLUES!

Round 5: Stratford

It was a tough day at the office on Saturday with only A and B grade continuing their undefeated run with solid wins. Unfortunately Glengarry was a class above the rest, giving our teams a tough reminder of the standard required to be a top four contender this season. All teams have the opportunity this wk to redeem their season as we make the journey to Stratford. "Winning isn't everything, but wanting to win is" let's make sure we give it 110%. After the game let make sure we support Stratford and stick around for a drink before moving on for the awards. In the Seniors' last week we were left flat footed with any loose balls, costly turnovers or poor decision making quickly punished by a dominating Glengarry outfit. In a one-sided affair our next generation were impressive with Dale Fleming, Craig Bourne, Roh and Adam Diamond all named in the best. In the Reserves a lapse in the 2nd qtr put the pressure on the scoreboard and for the second half. The difference was too great in the end. Oatesy was best on, while Nutzy returned with 4 goals. The Thirds continue to put on a brave front and show true spirit despite a difficult and one-sided match. Best players were Aucote & McMillan. Netball Best: 17: Nellie, Megan, D: Jo, Kate, C: Bec, Kylie Z, B: Brooke, Jess, A: Kiera, Sarah "Mayhem". Next Social Function 14/5 Music Trivia Night, see Kath to book your table. This Thursday nights meal we have our Famous Biggest Cooked Breakfast. Let's make sure we support the ladies who provide mouth watering meals every week. Membership is now overdue please see Paul McDonough. Some club clothing is now available see Alanna, Ricky L or Leah no money no merchandise. Sponsor of the Week: A & P Electronics Let's make sure we look after our sponsors like they look after us! GO BLUES!

Round 6: Heyfield

Winners are grinners and we definitely left Stratford last week with a grin, winning the seniors, 4 netball grades and a draw in the U17s. The seniors had a very pleasing and solid victory; the final margin probably didn't reflect the team's dominance as numerous opportunities in front of goal went astray. Nevertheless it was great to be back in the winner's circle with numerous players finding form. New recruit Ross McDermott was impressive with 3 goals, while Jon Cantwell made a good return to form with a best on ground performance. Congratulations to Brady Canny who made his senior debut. The Reserves were flat in their encounter, unable to match Stratford after quarter time. Tilley kept his name under the selector's nose with a best ground on performance in the scoobs. Hopefully the Boys can lift this week as Clinton Sykes plays his 100th club game. Congratulations to Clint this is a fantastic achievement. After a slow start the Thirds put together their best game for the season, unfortunately it wasn't enough. Best players: Macca, Jordy, & Brent. On the courts all grades implemented the type of netball we've been training for, four quarters of solid, structured, determined netball and the result was wins in A,B,C & D. There were encouraging signs for the U17 girls in their drawn match with a great team performance. Best players: - 17U: Steph, Taylah, D: Alanna, Megan "Bourney", C: Megan Harrison, Amy, B: Bridget, Carmen A: Linley & the Captain Lorelle. Today we welcome Heyfield & extend an invite to their players & supporters to join us for a cool drink & presentation of awards after today's hostilities. "You may have to fight a battle more than once to win it (20 rounds 20 battles)". Good luck to

We welcome everyone back from a timely bye last week. Round 6 saw the highs and lows of a football/netball club with our Seniors putting in their most disappointing display for the season. A performance as quoted by coaches and players as a performance that will not be repeated. It was a tough day for our football with Heyfield taking the honours in all 3 levels. Nevertheless there is plenty of football left in the season starting today in a must win clash a/gainst Boisdale! On the courts the girls continued their winning ways, with another dominating performance. Unfortunately the 17U couldn't capitalise a fantastic start. Currently all 5 netball sides are in the top 5 (this is a AWESOME EFFORT) with A & B grade still undefeated. Off court there has been a coaching change with Dan Diamond taking over the 17U girls, all the best to Dan. Round 9: Woodside

Good Luck to Everyone today as we make the journey to Woodside. While it may only be round 9 it is a critical game for our Seniors, a loss today would put anonymous pressure on any chances of a top 5 finish. A much improved performance last week against Boisdale saw the Seniors return to the winners circle. While there is still room for improvement, there were lots of positives with a 4 qtr performance of hard fought football. Big Joh, Kingy, Sus and Lowey stood up to the challenge and led the way, while Roh had another dominating best on ground performance. The Reserves had an off day, hopefully the return of a few players this week and Brad Mowat playing his 100th club will lift the team. Congratulations to Brad, also to Clinton Sykes who finally notched up his 100th club game last week after work commitments in R6. Fantastic achievement and club loyalty! The Thirds fielded their strongest side for the season, however missed opportunities and inaccurate kicking was the difference on the scoreboard. Best were Mowart, Jackson, McMillan. On the courts it was another polished performance winning 4 out of 5. Team combinations and plays are coming together, with all teams showing great depth and determination. Let's make sure we keep the momentum and drive going as the challenges arise. Best Players were: **17 U** Nellie, Ellanor, P.P. Nellie, **D:** Eliza, Megan Bourney, P.P. Round 10: Cowwarr

This week the action heats up for the BLUE and WHITE as we welcome Cowwarr FNC for a day of top-class football and netball! Last week it was a successful journey to Woodside winning 6 out of 8 matches. A dominating display in the second half saw our Seniors run out convincing winners. The team finished strong keeping Woodside goalless in the 2nd half, our leadership group of Sus, Brad and Kingy were instrumental in ensuring the win. The Reserves escaped with a hard fought victory; while it wasn't always pretty football... a win is a win. Will Killeen and Tilley played Key roles while Brendan Greenwood continued his good form. It has been a tough season for our Thirds for numerous reasons; nevertheless the Boys continue to give 110% and improve each week showing true club spirit, Well Done Boys! Best Players on the weekend were Shaq, Hayden and Sammy. On the courts it was great to have the U17 back in the winners circle with a nail biting one goal win. Dgr was unlucky a break in momentum and unforced errors left them 6 goals different at the final whistle. While A, B & C recorded convincing victories. Best: - 17: Nellie, Steph, D: Stacey, Alanna, C: Tara, Tahlia, B: Carmen, Kristy, A: Carly, Bron. We welcome all players, supporters and sponsors into the rooms after the game for awards. Round 11: TTU

Perfect conditions last week saw high quality matches across all grades. The seniors were left playing catch up footy after a costly 5 goal head start to Cowwarr in the first term, something we can't afford to do against the top sides. On the positive the team showed glimpses that they match it with the top sides and can finish well. Hopefully we take our momentum of our strong finish into today's important encounter with TTU. The Reserves put together their best game for the season; Clinton Sykes was instrumental in the victory booting 6 goals in a dominating best on ground performance. After a fairly even first half the Thirds missed their chance to record their first win for the season, being out played in the second half. Hang in there guys a win is not far away! Congratulations to Nick Silver who has been appointed Captain for the remainder of the season. On the Courts our commitment to each other, training, team structures and improvement was evident and rewarded with 5 solid victories. The vibe is great around the netball; the bench mark has been set for the second half of the season. Best: 17U: Megan, Charlotte, D: Kate, Gaby, C: Tahlia, Erin, B: Brooke, Tash, A: Amy "Rookie", Kiera. Good Luck to everyone today as we make the journey to TTU.

Today's match is crucial for our seniors as we cling to any chance of a finals place. On the courts it will be a tough encounter against TTU. Round 12: Sale City

Today we welcome Sale City to the Duke St Reserve. Congratulation and good luck to Danny "Hoppy" Hopman who plays his 300th club game today in the Reserves. Hoppy has been a stalwart of the reserves and a true clubman on and off the field. The club appreciates his efforts over the years including Reserves Coach, Captain and Player. Well done Hoppy! Good Luck to everyone today! Last week it was a tough day at Tyers only managing three wins in some very testing cold and wet conditions. Our Seniors side left our coaching panel speechless after the match, after a dominating first half establishing what you would think would be a

comfortable led in tough conditions. The wheels fall off in the second half in a very disappointing display as TTU stormed home for a convincing victory. The Reserves continued their good form with a come from behind victory in the last quarter. Another great team performance, hopefully the guys can raise to the occasion and reward Hoppy with a win today. The Thirds tackled a very competitive TTU outfit, despite battling hard all day TTU were too strong. On the courts A and B grade continued their dominance with two solid victories against a challenging opponent. Great consistency and determination was differently a highlight. C & D had their chances nevertheless

conditions, missed opportunities and lapses of concentration were costly. U17 meet a strong opponent, no doubt the girls will learn from TTU pressure and style of play. Off field: All hands on deck today any assistance is greatly appreciated by the committee. Don't forget Thursday night meals please make sure you make the effort to get there. Coming Events: The Committee and Social Committee have been super busy organising upcoming events Reunion 9/7, Mid Year Ball 16/7, Royal Blue 30/7. Make sure you organise your tickets or tables ASAP. On the road to September let's make sure we finish the season strongly. Go Blues
Sponsors of the Week: Merilyns Nuts, Digger & Debbie Power, McDonough & Co Legal

Round 13: Gormandale

Today we make the journey to Gormandale, good luck to everyone! With a bit of luck our guys will be hoping to put together a much improved/committed 4 qtr performance. While on the court it should be a great match up hopefully the girls can continue their good form. After today's match let's make sure we support Gormy by staying for a drink, then it is back to the Tavern for Awards. Last week in perfect conditions our Netball led the way with 4 wins and a draw. All grades knew Sale City would be competitive, nevertheless each team continues to raise the stand of play as competition intensifies in the lead up to finals action. Best: 17U: Steph, Alex, P.P. Steph, D: Kate, Megan Bourney, P.P. Krystal, C: Tara, Kylie Z, P.P. Tara, B: Kristy, Tashy, P.P. Kristy, A: Lorelle, Jess, P.P. Lorelle. On the footy side of things we were dealt a valuable lesson, with Sale City dominating the play in all three grades. Hopefully our guys can take a leaf from the weekend and put 110% effort towards Training and Match Day. Thanks to Birssy for his assistance on the bench in Cam's absence. The Thirds met a very strong City outfit, not a lot could be done to contain their dominance or the scoreboard. Hang in their guys, it's been a tough road nevertheless your improvement and commitment is first class! Thank you to City for their support and assistance with the Thirds. Off field: Thanks to all the Helpers on the weekend! Just remember anyone available home games or training we are always looking for extra assistance. Round 14: Churchill "The Reunion"

Today we welcome the Churchill Football Netball Club to the Duke Street Reserves. Today's match is a special occasion as we welcome past players, coaches, supporters and committee members of the 1961 and 2001 Premiership sides. To 'Stand as One' as a proud club thru hard work, blood, sweat and tears on and off the field there is only one day in September any club wants to be a part of. Let's re-live the glory (in obtaining the Holy Grail) while we watch the future stars of the club battle it out! Today will also feature the Auskick kids.

Well done to Jo & Mike Wilson for coordinating the program this season. Good Luck to everyone today. After the match we welcome everyone into the clubroom for awards, there will be roast rolls & roast/veggies available. Then let's travel down memory lane... a DJ will kick off after 7pm as we celebrate the Past with the Present as we move into the future! Tomorrow we will be having a pleasant family-friendly BBQ at the clubrooms; everyone welcome (starts 12pm). Last week our never give up attitude got us over the line against Gormandale in a thriller in the

1's. Ado & Roh were instrumental throughout the day & when the match was in the balance. After an accurate first quarter the wheels fall off for the Reserves. Luckily inaccurate kicking and a strong performance from The Bull (Ricky), JK, and Brendan contained Gormandale's winning margin. The Thirds tried hard all day with Mowat, Silver and McGovern among the best. On the Courts A grade put together a polished performance with Carly and Bron best. While in B it wasn't always convincing our B grade pulled thru in the premiership qtr. Best Kristy & Leah. C grade once again showed they can be a top 3 side, however a last quarter fade out saw them share the points. Best Tahila & Em. Gormandale were too strong in D (best Kylie, Deb) and U/17 (Nellie, Alex). All hands on deck today, if you are available to help out please see one of the committee. Don't forget Mid Year Ball tickets and Royal Blue Tickets are now available. Go Blues! Sponsors of the Round: Rosedale Butchers.

Round 15: Glengarry

Today we make the journey to Glengarry hoping to continue last week's excellent form! The heart beat true for the Blue and White last week against Churchill on and off the field, as we celebrated our past premiership glory with a successful day. Unfortunately our Thirds were unsuccessful in their efforts and D grade missed out by the smallest of margins putting their finals aspirations in jeopardy. However the highlight of the day was the seniors

who put together a dominating first half performance, to set up a huge win in front of a large crowd. Big Jon led the way in a best on ground performance. The win keeps us in contention for a finals berth. The Reserves put together a strong four quarter performance to set up a well desired victory. On the courts the hard work at training continues to show as A, B and C grade had strong wins. In a low scoring affair the U17 got the points, as they continue to grow and develop as a team! Thank you to everyone who helped out last week, the club differently rallied together to ensure our guests were welcome. It was fantastic to see so many greats of the club return, for a fantastic day/night! Don't forget Thursday night meals: this Thursday night is Pasta Night. Let's make sure we support the Ladies who are doing a fantastic job! Social Functions: Mid Year Ball tonight, Bus leaves Flanagan's 6.45pm (\$10 return). Silent Auction will be held as well. Round 16: Stratford

Today we welcome Stratford to the Duke Street Reserve. Congratulations to Big Jon who plays his 100th club game today. This is a fantastic achievement; hopefully the boys can lift to the occasion. Last week it was a tough road trip to Glengarry, winning only 3 matches (A,B,C). The seniors again showed in the 1st half that they can match it with the top sides; nevertheless as we continue to improve a consistent 4-qtr still eludes us. Hopefully we can finish the season off strongly and maybe be rewarded with a finals berth. Best was Lowey. Unfortunately it wasn't a great day in general for the football with the Reserves and Thirds suffering big losses as they met a very strong opponent in Glengarry. On the courts A put together a strong four performance spear headed by Carly and Rookie (Amy), while in B grade we got the points. Nevertheless the girls will be looking to lift the tempo and finish the season off strongly. Best were Bridget & Brooke. C grade put together their most impressive "team" performance, resulting in a huge victory against the top-side. The girls played the standard & intensity we all know they are capable of playing. Best were Vicky & Amy. D grade and U17 both showed glimpses however Glengarry was too strong. Best: D: Stace & Kel, U17: Sarah & Neille. Off field: All hands on deck today any assistance is greatly appreciated by the committee. Last week's Mid Year Ball was a great night despite numbers being lower than normal. Well done to Vicky, Kath and the social commitment for all their hard work and efforts. Let's make sure we get behind all reminding functions win, lose or draw... it's all for a great cause! Royal Blue Tickets are now available. Saturday after the HEYFIELD game, we have our ROYAL BLUE at the clubrooms, \$50.00 per ticket, for your chance to win \$4000. It's a fantastic night! Round 17: Heyfield

Today we make the journey to Heyfield, in an early mini final for our seniors. The result today is likely to seal our fate for the rest of the season. We enter today's match after last week's dominating performance against Stratford. After an even first quarter, the boys went into over-drive to establish a confidence boasting victory on the road to finals. Ado was BOG, while Rohan and Dale were valuable contributors throughout the day. In the Reserves a lack of players and commitment hasn't helped as they suffering another big loss. Hopefully the boys can rally together to finish the season off strongly. Best were Reid, Cahill, and Ed Barnes. The Thirds continue to do it tough, nevertheless they continue to improve and their commitment shows great character. Best were Mowat, Mitchell, Tourtoulas. On the courts it was a successful day, winning 4 grades with only C grade being beaten by a very determined Stratford outfit. D grade were back in the winnings circle with a great team performance. 17 U: Best: - Sarah Wilson, Megan, Players Player (P.P) Megan, D: - Best Kate, Megan "Bourney", P.P. Kath, C: - P.P. Congratulations to the Boys well deserved, shows if you keep persevering the wins will come! It was a close encounter in the seniors with Boisdale challenging all day, nevertheless when the match was in the balance the guys stood strong and showed great form under pressure keeping our finals aspirations alive. The depleted Reserves side was outplayed, but didn't give up all day. Many thanks to the Thirds guys who have stepped up throughout the season to make up the numbers. On the courts it was a great day with all senior teams recording convincing victories. Unfortunately Boisdale we're too good in the U17, we wish the Boisdale U17 all the best in the finals as they claimed 5th place. Off field: Congratulations to the Oates family on the safe arrival of Max. Go Blues!

Finals Week 1:

Last week it was perfect weather condition to conclude the home and season, capped off by the seniors cementing their place in the top 5 with a convincing performance. bench, unfortunately the boys didn't get up but there were differently positive signs for 2012. Thank you to Steve and Digger for their commitment and guidance to the Reserves and Thirds in what has been a tough season for both sides. The Ground looked and was perfect, while there were many hands on deck for club duties. Thank you to the Lions Club for their assistance and support on the day and throughout the season. On Sunday in summer-like conditions our seniors and C grade made the journey to Stratford for the Elimination Final. Unfortunately it wasn't a great day on the field with both teams losing in tight contest. The seniors led for a majority of the game, unfortunately while the backline stood strong it was unable to contain Churchill in the final term. Joey was a rock solid down back in a best on ground performance. He had great support from Freshy, Sus Lowey, Bourney and Scooter. The boys had their chances sadly were unable to capitalise in the final term and recapture last year's finals success.

C grade put in a great team performance, unfortunately missed opportunities and basic errors left the girls 2 goals short at the final whistle. Em Dessent was solid in defence, playing her best game for the season. Best: Em, Vicky, and Amy. Congratulations to both coaches and all players for making finals.
