

PACIFIC ISLANDS ATHLETICS STATISTICS # 6/97

Domestic Competition Around the Region - October, 1997

NATIONAL RECORDS - Corrections and Additions

In the results of the World Championships in Athens, the NR for Samoa was credited to Avele Tanielu (14.59). The official NR for Samoa had been 14.5 (h) by Willie Fong in 1983. Willie had a superior 14.47 (e) set in the New Zealand National Championships in 1986.

Subject to approval by the Samoan Athletics Association, the record is likely to be -

110mH Willie Fong 14.47 (-0.4) 2 Christchurch 09.03.86

This is the performance that has been recognised by the Europe-based statisticians - Tony Isaacs, Winfried Kramer and Heinrich Hubbeling - and the Secretary/Treasurer of the newly formed Oceania Stats Group (OATS) - Fletcher McEwen.

Incidentally the country that was formerly known as Western Samoa is now officially known as Samoa.

Another new NR has come to light for Tonga. In the Oceania Championships in Townsville last year the 100m time of 12.26 by Siulolo Liku was credited with NR status. However, earlier in the year she had run a legal 12.20 which should be considered as the Tongan NR.

Again, subject to the approval by the Tongan athletics authorities the record should be -

100m Siulolo Liku 12.20 (+1.5) 1h Canberra 02.03.96

The Samoan Women's Triple Jump Record was recently discovered to be 9.32, set by Lanuola Keil at last year's National Championships. In the Championships this year she bettered that mark, and did so again in the Mini Games.

TJ Lanuola Keil 9.55 1 Apia 23.07.97
TJ Lanuola Keil 10.07 (+1.4) 5 Pago Pago 16.08.97

The fact that she jumped a 10.78 (+4.2) indicates that she has the ability to improve on this record in the near future.

From Heinrich Hubbeling comes details of two NR's for Norfolk Island, both set in New Zealand -

200m Zinta Flitten 26.29 (+0.6) 4 Hastings 22.03
JT Zinta Flitten 38.64 2 Christchurch 08.03

In the Oceania U18 Championships in Suva, competing by invitation, Zinta further improved her JT NR.

JT Zinta Flitten 39.74 Suva 11.07

Also from Heinrich comes details of a performance by Lisa Misipeka that was included in the 1997 Lists, but not identified as an AMS NR.

DT Lisa Misipeka 51.76 2 Columbia 22.03

The listed NR for the SP for AMS is Lisa Misipeka's 16.02 from June this year in Bloomington. She had an unconfirmed 16.67 from 1995. It is believed that her 16.67 was done in a legitimate competition, but she was "redshirting" at the time and the mark did not have NCAA status. It is believed that the mark should now be given NR status and I will list it as the American Samoan NR in future. (Comment is invited from the stats community).

SP Lisa Misipeka 16.67 Columbia 15.04.95

There is still some confusion surrounding the eligibility of Kelera Nacewa and Viliame Naivalu. Athletics New Zealand is investigating their citizenship status and we hope to set the record straight in the near future. (It is believed that both are New Zealand citizens and therefore not eligible for Fiji NR status or the be included in the South Pacific Lists).

The following Palau NR was made in the Interstate Summer Games -
WHJ Carissa Subris 1.41 Koror .08

The FSM Games in Kosrae in July produced the following 8 NR's -

100m Detrickson Anson 11.0 Kosrae 21.07
400mH Aliksa Tolenoa 60.9 Kosrae 21.07
SP Rams Ramngen 12.40 Kosrae 23.07
W4 x 400m Pohnpei 4:34.9 Kosrae 23.07
WLJ (Manuel, Albert, Saimon, Chipen) Angie Nedlec 4.46 Kosrae 17.07

WTJ Angie Nedlec 9.42 Kosrae 21.07
WSP Schalmar Moolang 9.05 Kosrae 23.07
WDT Shruie Tolenoa 23.51 Kosrae 21.07

EUROPEAN JUNIOR CHAMPIONSHIPS

Missing from the Mini Games in Pago Pago were many of the top throwers. It is assumed that some of them were in Europe attending the French Championship series. One result reaching us (courtesy of *Athletics International* and *World Junior Athletics News*) was Bina Ramesh's third place in the Javelin throw in the European Junior championships in Ljubljana, Slovenia. On 27th July Bina threw 55.78m.

FRENCH POLYNESIAN NATIONAL CHAMPIONSHIPS - 1997

These were held at the Stade Pater, Pirae over a series of days in May and June. (Results courtesy of Patrick Terierooiterai and Fletcher McEwen).

RESULTS FROM HEINRICH HUBBELING

German statistician, Heinrich Hubbeling, has provided details of Lisa Misipeka's outstanding 1997 season. It is hoped that either Lisa, or her coach, Larry Judge, will be able to fill in the gaps and provide all of her performances for the year.

FJI RETURNS TO THE COMMONWEALTH

With the return of Fiji to the Commonwealth we all look forward to seeing Fiji make an impact in the Commonwealth Games in Kuala Lumpur next year.

Based on 1997 form Jone Delai and Soloveni Nakaunicina have the potential to reach the semi finals of the 100m and 400m respectively, and Jovesa Naivalu the final of the 110mH.

The Men's 4 x 100m team could also make the final - especially if they duck under the 40 second barrier. The slowest qualifier for the final in Victoria ('94) was 41.97 (Gambia). With dropped batons and disqualifications it took only 41.97 to qualify for the final in '94.
