PRESIDENT'S MESSAGE

2012 has been a very mixed year with many frustrations and much to reflect upon. The recommended Region led structure that Wellington, Hutt Valley, Kapi Mana, Kapiti and Wairarapa Centres moved into this year caused much angst as we all 'let go' of our respective competitions and development programmes and entered service agreements with the Region to 'get on and deliver it' for us. We had a few issues as new Region staff came to grips with the competition draw and our competition rules. As with all new ventures the first year is a learning one and then it becomes progressively easier but unfortunately for Wellington that will not be the case. Netball has moved from a 12 Region model to a five Zone structure which incorporates the five ANZ Championship teams. We are part of Zone 3: Netball Central - Taranaki, Manawatu, Hawkes Bay, Wellington and the Pulse. Centres will remain autonomous and the Regions will be disestablished. Netball New Zealand says this restructure will be good for grass roots netball and that funding will return to the Centres. My comment to NNZ's statement is that Centres will always work hard for grass roots netball because that is what we are and that is where we come from. I also sincerely hope that funding does return to the Centres because right now it looks very bleak.

What this means for Netball Wellington Centre is that we will have to set up our office again and employ staff to run our competitions and programmes. The development and high performance programme for the five Wellington Centres will be delivered temporarily from Netball Central. The Board have a very busy time ahead; we have begun the process to employ staff and are prioritising our time and efforts so that we will be fully operational in the lead up to our Premier winter competition and have as many of our other programmes and competitions operating, as is possible.

On to brighter things our new ASB indoor stadium has been an absolute wonder for Wellington netball. The vision 12 years ago of an indoor facility that Netball Wellington Centre has fought long and hard for came true for our members this year. The fact that the ASB exists is a legacy to all those Netball Wellington members that believed and committed long hours to ensuring that Wellington netball would have a first class indoor facility. Alongside our normal netball programmes and competitions 2013 will see Wellington hosting two National tournaments at the ASB. For the majority of our Saturday competition it has been great just knowing that the weather will not be the deciding factor of whether we play. The new venue has also allowed the holiday programmes to be bigger and include more variety. Twilight continues to be both indoors and outdoors with the four pre-Christmas twilight competitions fully subscribed.

Our representative season was hard fought with good but varied results leading to their final tournaments. Congratulations to our U15 Wellington Black team who won the U15 regional tournament held in New Plymouth. Marcelle Parkes, Mila Reuelu-Buchanan and Rose-Ann Rikihana were named in the tournament team with Mila Reuelu-Buchanan named player of the tournament. The winning U15 team was coached by Sandra Edge and managed by Kelly Herbert. The U17 NNZ tournament was held in Christchurch this year and our Wellington U17 team came in 7th - congratulations to Monalisa Groom and Whitney Souness who were named in the tournament team. Special thank you to all our representative coaches and managers and also to the many people that make things happen in the background, in particular our parents.

Our club teams and one college team again dominated the Regional Super League (RSL) which was won by Wellington East who is also Netball Wellington Centre's Premier 1 winner for 2012. Wellington teams placed 1st, 2nd, 3rd, 5th and 6th in the RSL Division 1 and placed 3rd and 5th in Division 2. The Regional Secondary School League (RSSL) was a new initiative this year and our secondary school teams are also very competitive. In Division 1 Wellington college teams placed 1st, 3rd and 7th, in Division 2, Wellington teams placed 7th and 8th and in Division 3 Wellington teams placed 3rd, 6th and 8th. Wellington East Girls College and St Mary's College finished 2nd and 3rd at the Lower North Island Secondary Schools tournament and qualified for the New Zealand Secondary School Championships.

I would like to take this opportunity to thank the many people that have made 2012 possible.

I would like to thank our sponsors and our funding agencies for their contributions this year: Kilbirnie Pak'nSave, Gasworks, cityfitness, Canon, Wholly Bagels & Pizza, KCP Physiotherapy, Shoe Clinic, and Wellington City Council. Our funding agencies: The Lion Foundation, Four Winds Foundation Limited, Southern Community Trust, Pub Charity and New Zealand Community Trust.

I would like to acknowledge and congratulate all our players, coaches, umpires, and bench officials who were recognised for their great skills and efforts at higher and elite levels. Wellington has a long tradition of providing quality skilled players and officials and this year has not been any different.

To my colleagues on the board, thank you for your support, your passion and unwavering commitment to netball. I would also like to thank Danielle Davin for the many hours of work she gave to Netball Wellington during her three years on the Board. Danielle resigned from the Board earlier this year.

I would like to thank Kim Whiteman and her staff at the Region for their hard work and the many long hours spent ensuring that Netball Wellington Centre's competitions and netball programmes were implemented well.

Finally to all Netball Wellington Centre members I thank you for another successful netball season and I wish you all a very Merry Christmas and a prosperous New Year.

WELLINGTON SPORTS AWARDS

Margharet Matenga

Success comes in many forms with 2012 marking a very special moment for Margharet Matenga the latest inductee in the Wellington Sports Hall of Fame at the Wellington Sports Awards. Margharet joined PIC in 1974 and the Silver Ferns in 1979 of which she was part of the World Games winning team in 1985 and the World Cup winning team in 1987. She was named a member of the 1999 New Zealand Dream Team and is a MBE Recipient for services to netball. She now resides in the Cook Islands where she continues to passionately contribute to the sport of netball at both a governance and grassroots level.

NETBALL OPERATIONS

2013 has been a year of change and challenges for Netball Wellington Centre. The competition and staff moved into their fabulous new home at the ASB Sports Centre and partnered with new sponsors Pak'nSave Kilbirnie and Gasworks in Miramar to bring you the Saturday competition. The Centre entered into a new service delivery saying goodbye to two key staff members, an in school programme for Year 1 - 3 and Year 9 & 10 started, and planning got underway for the new Netball New Zealand Zone structure. The year was bumpy but with many key learnings, constructive feedback and planning 2013 is shaping up to be exciting and well organised.

July saw the Wellington Black Under 15 Team return home victorious following a comprehensive win over Wanganui in the final at the Regional U15 Tournament coached again by the great Sandra Edge. Cityfitness assisted greatly with recognition for coaches, players and fundraising opportunities.

Margharet Matenga was inducted into the Wellington Sports Hall of Fame with the hall being officially opened at the ASB Sports Centre later in the year.

Top Wellington club sides again proved too strong in the Regional League with Wellington East 1 unbeaten on their journey to the final where they convincingly beat PIC Green.

Wellington East Girls' College took the honours in the newly established Regional Secondary School League off the back of their first year in the Regional Super League.

St Mary's College and Wellington East Girls' College both finished in the top three at the Lower North Island Secondary School tournament and are set to take on the best of the best at the New Zealand Secondary School Championships in October.

The ASB Sports Centre has been a hit with members who are not missing the wild winter weather. It has become home to staff, the Premier 1 to Collegiate 4 grades of the winter competition, year-round Twilight leagues, school holiday programmes, the Junior and Senior Netball Academy, Kids' Comp and club trainings. It also played host to the 2013 University Games, College Sport tournament, and some of the Regional Super League games.

Hataitai continues to be the home of the history, Collegiate 5 – 8 grades of the winter competition, trainings, coach and umpire courses, the inter-satellite competition and hosted the Marjorie Jenden Queen's Birthday Tournament. A project is currently underway in conjunction with the Wellington City Council, Sport Wellington and other key users to ascertain the long term viability of the Hataitai venue and a 10-year maintenance plan for the pavilion.

The relationship with our Satellites continues to grow with solid numbers at the coach and umpire courses on offer, Pulse visits, and the organisation of the inter-satellite competition.

Players, Coaches, Umpires and Managers continue to make their mark locally and nationally and acknowledge the part they all play in the success of netball at all levels.

Staff again completed a season in times of uncertainty and should be recognised for their determination to improve offerings and plan for 2013 without job security. The hard work of all the permanent and contract staff at Netball Wellington Region is pivotal in delivery of all the Centre programmes and competitions.

We thank all those volunteers including the Board and Life members who assisted throughout the season. Your contribution is greatly appreciated. A volunteer database is being established along with a list of opportunities and projects for 2013 and we would love to hear from anyone keen to be involved.

2013 is set to be exciting as we welcome new staff, continue to roll out new programmes and competitions including a Fast5 competition and host the National Under 23 and Under 19 tournaments in July. Make sure you keep an on eye on the website for the latest information and get involved in the off season programmes and competitions.

All the best for 2013.

Kim Whiteman

General Manager - Netball Wellington Region

FACILITY DEVELOPMENT

Hataitai Park

The ASB Sports Centre has been the home for the majority of game play in 2012, while Hataitai has continued to be the home of lower collegiate grades and the inter satellite competition, coach development, meetings, trainings, representative teams, storage, Spring and Summer Twilight and the history of Wellington Netball.

With reduced use of the facility and the significant operational costs to maintain the venue, the Centre has been working with the Wellington City Council, Sport Wellington, Junior Netball Satellites and other community groups to ascertain the viability of Wellington's 'home of netball' and draft a 10-year plan. This project will be completed early in the new year.

ASB Sports Centre

The much anticipated twelve-court ASB Sports Centre on Cobham Drive, housed its first winter competition in 2012 and though there were a few things to iron out initially the Netball Community on the whole was happy and no one missed playing in the elements.

The ASB Sports Centre has seen the netballing opportunities offered to the community increase with plans in place for further new initiatives in 2013.

SPONSORSHIP/FUNDING

The funding from Gaming Trust grants is invaluable to supporting the competitions, programmes and resources of the Centre.

During 2012, gaming trust funding was granted by New Zealand Community Trust (NZCT), Wellington Community Trust, Four Winds Foundation, Pub Charity and The Lion Foundation.

New Zealand Community Trust (NZCT) continues to be the biggest contributor of funding outside of the membership, contributing towards the cost of staffing the Centre. The other funding contributed towards the costs of Representative team travel and accommodation, venue costs and development resources.

Kiwisport funding also enabled a highly successful pilot in school programme to take place and we look forward to rolling that out further in 2013.

A number of organisations provided sponsorship in 2012, contributing to the operational success of the organisation. We would like to thank them all for their support and look forward to continuing our relationship.

2012 saw two debutant sponsors join our fantastic sponsorship team both with great visual branding at the ASB Sports Centre.

Pak'nSave, Kilbirnie joined the team as the new naming right sponsor assisting with costs associated with the new venue, catering and keep your eyes open for the new look Umpire shirts. Thanks to Dean, Chris and the team.

Gasworks Miramar introduced a great player of the day initiative across the region for primary, intermediate and Year 9 & 10 students. Some of the fabulous volunteers in netball also received meal vouchers.

Canon New Zealand continued their sponsorship in 2012 enabling the Centre and Region administration to be more professional and efficient.

Cityfitness continued their relationship this year providing sponsorship towards our representative programme. The gym memberships provided by cityfitness enabled us to recognise and reward the time contributed by volunteer representative coaches and managers as well as assisting with our fundraising initiatives.

Wholly Bagels & Pizza, have again provided support to the Centre in 2012, especially with contributions towards prizes for our Twilight Competitions and supporting the Kids' Netball Comp with Team Player awards. Thanks to the owner of Wholly Bagels & Pizza - Tory Street Arsel Aslam and his team.

CLUB COMPETITION

Premier 1 / Regional Super League

The first round of the Premier 1 grade saw Wellington East 1 emerge the dominant team and this continued throughout the season with them taking out the Premier 1 competition undefeated. The Kapi Mana, Kapiti and Wairarapa Centres opted out of the Regional Super League (RSL) in 2012, enabling seven teams from the Centre Premier 1 competition to qualify, Wellington East 1, PIC Green, PIC Black, SMOG 1, SMOG 2, Wellington East Girls' College and Wellington East 2.

Wellington Centre continued their dominance of the RSL by taking the top three spots in the Division 1 competition with Wellington East 1 having a flawless season finished with a comprehensive win over PIC in the final.

Division 1 Competition

St Mary's College and Newlands College dominated the Division 1 competition. The two college teams faced off in the final with St Mary's 1 defeating Newlands in a tightly contested game. The result was St Mary's College 63 – Newlands College 61.

St Mary's College 1 – finished first place in 2012 Division 1 competition.

College Netball

Regional Secondary School League (RSSL)

This was the first year of this new look competition where 24 teams in three divisions took part from across Wellington, Hutt Valley, Kapi Mana, Kapiti and Wairarapa. The competition took place on Mondays and began after the first round of the school's centre competition and seedings were based on the 2011 Lower North Island Secondary School tournament results. The finals day took place at the ASB Sports Centre on Monday 27th August and

Wellington East Girls' College won the Division One final defeating St Oran's College 45-32.
The Netball Wellington Centre teams finished in the following positions:

Division 1

Wellington East Girls' College 1st
St Mary's College 3rd
Wellington Girls' College 7th

Division 2

Samuel Marsden Collegiate 7th
Onslow College 8th

Division 3

St Catherine's College 3rd

SOCIAL COMPETITION

Since moving indoors in September 2011, it was decided to try and offer a social Twilight Competition all year round which has been well supported by teams with growing numbers of registrations each term. The traditional outdoor option has continued to be offered on Mondays along with indoor options on Wednesday and Thursday for Spring and Summer Twilight. During the mid-year winter months, leagues were held completely indoors on Wednesdays and Thursdays with a healthy uptake.

Twilight Leagues offered in 2011/2012	Grade	Venue	# of teams
Spring 2011 (October – December) - Monday	Womens	Hataitai	52
Spring 2011 (October – December) - Wednesday	Mixed	ASB	16

Term 3 2012 (July - September) - Thursday	Mixed	ASB	16
Total number of teams in 2010/2011 – 168 (4 leagues)			
Total number of teams in 2011/2012 – 224 (10 leagues)			

In July 2012 the Centre held its first Workplace Netball Tournament in an attempt to provide workplaces with a team building sports opportunity. The tournament attracted 10 team entries from a mixture of central organisations and businesses including government departments, schools, council functions, banks and cafes. The event was held on a Friday night and teams appeared to enjoy themselves with the overall winner being Irene & the River Boys from KPMG. The award for 'Best Uniform' went to Island Bay School who stood out on court in their fluoro attire and the 'Team Spirit' award went to Chain Gang from The Department of Corrections. Thank you to all teams for participating and making it a great night.

UMPIRES

The 2012 year has been a very successful season for the Wellington Umpires with a large number of umpires achieving umpiring qualifications and a number rewarded appointments to National Tournaments.

We attribute this success to not only the commitment of the umpires themselves but also to the work of a large base of volunteers who commit every Saturday to not only umpiring for themselves but also coaching or mentoring others. In addition to this there is also the work that the centre and regional panels do each weekend that goes far beyond expectations. We believe that the achievements are from the team work that the umpires group has developed and driven over the 2012 season.

The Umpire Executive Group was co-led by Holly Far and Jess Lea over the 2012 season. Their attention to detail and their need to have strong communication happening provided a good foundation for the whole Group to work together cohesively and put in place some processes that were not there in 2011. This group of people once again volunteered not only on a Saturday but also to monthly meetings and, planning and running umpire skills sessions. They created an atmosphere that has been well received by all of the umpires.

This year we had great success in the theory arena with a 99% success rate. Kerry Greaves agreed to come back and continue to build on her 100% success rate in the regional theory tutoring arena. All of the umpires felt valued and learnt so much from these sessions with Kerry. Ann Hay tutored Jennifer Wray towards her NZ theory with a mighty pass received. One umpire sat their NZ theory but did not attend classes and unfortunately was not successful with a pass. This shows the importance of the classes and the valued added by both Ann and Kerry.

The Wellington Centre umpires also assisted in the Kiwi Whistler programme in our Satellites. This meant eight weeks of theory classes and then the practical sessions on top of this. This was a great commitment and all but one person did this on a volunteer basis. They wanted to give back to the Satellite that gave them their start into umpiring which tells you something about the umpires that we have in this centre - passionate and committed. The Kiwi Whistler programme was also run in Wellington Girls' College and this is something we would recommend building on in 2013 – offering it to the senior schools.

Theory and practical classes were run for clubs and also Motu Kairangi (MK) at the beginning of the season. This was compulsory for all Premier 1-2 players and also for all umpires at MK. These sessions are sometimes taxing as players are required to attend but Jess Lea (for club level) and Holly Far (for MK) managed to lift the attendees so that they are contributing and learning along the way.

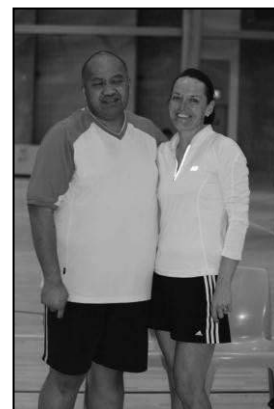

It was impressive this year to see so many Umpires making themselves available for appointment to Year 7 & 8, U15 and the Lower North Island Secondary Schools Tournament. We were able to give all umpires that put their name forward at least one tournament and this was appreciated by the umpires. These tournaments are a great opportunity for umpires to shine and it was pleasing to see that some of our umpires were recognised with awards.

2012 Netball Wellington Centre Awards

This year there were many worthy candidates for the Centre's Contribution to Umpiring trophy for the 2012 season and it was hard to separate the work that both Anthony Karauria and Yvonne Small have done so it was jointly awarded.

Anthony dedicates a lot of his time to the development and support of umpires from Elementary through to NZ. He will be at the courts first thing in the morning right through to the last game to ensure all umpires are supported. He is the 'rock' that many an umpire would lean on and help them feel heard and understood. He had a great way of putting things into perspective. On top of the support he gives he also umpires most nights during the week at twilight and covers 2-3 games on a Saturday.

Yvonne spent many a late night completing the umpire draw to ensure that not only did umpires get the game level they required but also that they were able to fulfil their coaching commitments (of other umpires and also teams). This is an extremely stressful role but Yvonne managed it with professionalism and a manner that goes beyond the call of a volunteer. Yvonne was also a panel member, and Umpire Executive Group member and umpired 2 games each Saturday – between running back and forth to MK to ensure all umpires were okay at this Satellite. Her attendance to many a tournament also did not go unnoticed.

Yvonne was also a worthy recipient for Volunteer of the year on a regional level. In addition to the above she has been the Chair of Motu Kairangi Netball where she has spent numerous hours ensuring the competition at Evans Bay Intermediate is run efficiently, that due processes are in place, complaints are dealt with, reps are administered and they attend tournaments, funding is received, umpire liaison (ensuring all umpires are doing their job and dealing with matters if they aren't) and that all schools in the Eastern Suburbs have a fun friendly and safe environment to play their netball on a Saturday. It is people such as Yvonne that ensures netball continues to grow in the Wellington Region.

2012 Netball Wellington Centre Umpire Achievements

NETBALL DEVELOPMENT

During 2012 the netball development programme at Netball Wellington Centre was overseen by the Netball Wellington Region Development Team. In this new structure we were fortunate to retain the knowledge and experience of Maria Hegarty, who transitioned from her role at Netball Wellington Centre into the Development Administrator position for the Region. The Regional office also retained the services of both Sandra Edge as Coach Development Officer and Sue Geale as Umpire Development Officer. They continued to work tirelessly to create meaningful opportunities for the region's coaches and umpires throughout 2012.

In the new structure we were also fortunate to have dedicated Player Development Officers, their roles focused on specific age groups. Rebecca Wills worked with the Intermediate/Junior secondary school age-group on regional projects and facilitated the Netball Wellington Centre player development programmes. Jo Paora worked with the primary school age-group on regional projects and facilitated the Netball Hutt Valley player development programmes. This approach increased our capability to implement in-school KiwiSport programmes, continue to visit schools on request and implement new player development opportunities. Evaluations of all our player development programmes have been conducted and the schools and parents have been impressed with the dedication and professionalism of Jo, Rebecca and development programme staff delivery.

This year has been about creating improved relationships with our stakeholders and providing them with more quality opportunities. Looking ahead to 2013 we have set a strong platform to build the capacity and develop our players, coaches, umpires and officials. We would like to thank all those involved with making this year's development programme a success.

JUNIOR NETBALL DEVELOPMENT

IN-SCHOOL KIWISPORT PROGRAMMES

Welly Ball (Year 1-3)

The Welly Ball programme involves introducing Fun Ferns into primary schools across the region and is linked to the NZ Health and Physical Education curriculum. Fun Ferns is a Netball New Zealand programme that focuses on the development of fundamental skills in a netball setting for Year 1-3 students. At the same time we have introduced a new 9-a-side game called Welly Ball that has been designed specifically for our Fun Ferns age group. Schools are provided with a resource and equipment pack to ensure the programme can continue to be delivered.

The Netball Wellington Centre schools that have taken part in the programme to date are: Brooklyn School, Churton Park School, Miramar Central School and Miramar North School.

Nek Net (Year 9 & 10)

The goal of the Nek Net programme is to increase player participation and level of skill through a modified netball game. Nek Net caters to both boys and girls to participate in an easy, fun, fast-paced environment. The Nek Net programme has been designed to incorporate the New Zealand Health & Physical Education Curriculum. Schools are provided with the resources and equipment to continue with the game at the conclusion of the programme.

The Netball Wellington Centre schools that have taken part in the programme to date are: Wellington East Girls' College, St Mary's College and St Catherine's College.

Jo Paora and Rebecca Wills facilitated the KiwiSport programmes and we have had excellent feedback from all the schools involved. Both programmes are funded by KiwiSport through Sport Wellington. Our thanks for their support throughout 2012.

JUNIOR NETBALL AFTERSCHOOL PROGRAMMES

Pre-season Programme

The pre-season programme was based at Hataitai Netball courts over 6 weeks in March and April. The aim of the programme was to prepare players interested in trialling for the Year 7, 8 & Under 15 representative teams. It also gave the opportunity for players to get back into training mode heading into their school trials. Olivia Webb (2011 Under 15 Black Rep Assistant Coach) facilitated the programme and put together a resource to assist the players in assessing their fitness and looking at conditioning. The numbers were indicative of the interest in programmes of this nature, with 61 Year 7 & 8's and 49 Under 15s taking part.

Junior Netball Academy

In Term One of 2012 the Junior Netball Academy took place in Karori and at the ASB Sports Centre in Kilbirnie. As the interest in the Karori programme was on the decrease the decision was made to move the new look Term Two Junior Netball Academy to Netball Wellington Centre's new home base at the ASB Sports Centre. We saw an increase in attendance in Term Two and maintained this number in the Term Three programme. The new venue, format and content have been successful and we hope to offer an even better programme next year.

Netball Wellington Centre has had a great group of dedicated young coaches this year who have brought great energy and enthusiasm to this year's academy. Thank you to the parents of our Junior Academy attendees whose on-going support of this junior initiative is most appreciated and of course the participants who create fun while learning.

Senior Netball Academy

The Senior Netball Academy was a new initiative instigated in 2012. The large number of players trialling for the Under 15 Representative team prompted us to create a programme for players who made the call-back trial but were not selected in the final teams. There has been a large drop-off in players returning to trial for the Under 17 team and the Senior Netball Academy was set up to support players who show potential in developing their skills in a representative environment.

The Senior Netball Academy programme was facilitated by former Pulse player Cushla Lichtwark and former New Zealand Under-21 player Emma Weenink. The players also had the opportunity to receive a coaching session with 2012 Pulse players Amber Bellringer and Daya Wiffen. The feedback from parents and players was very positive and this programme will be considered in next year's development plan.

Off-Season Programme

Two very passionate U15 Rep Team Management members – Sandra Edge and Kelly Herbert – initiated two highly beneficial off-season development programmes held for four-weeks between October to December 2011. The first programme targeted those U15 representative players who were moving upward from the U15 representative teams into the U17 age group to prepare them for the higher level of skill required. The second programme aimed at assisting players who remained eligible for U15 age group level in 2012 to maintain their skills in preparation for the 2012 trials. Players were reminded of the importance of key off-season training concepts such as aerobic fitness, core stability and strength and muscular endurance. A big thank you to Sandra and Kelly for their fantastic efforts that received high praise from players and parents alike. Their efforts shone through in the high level of skill shown displayed by those U15 representative players who returned to trial in 2012.

HOLIDAY PROGRAMMES

Netball Wellington Centre continued to offer holiday programmes in the October, April and July school holidays. The 2011 October holiday programme experienced the expected drop-off in numbers given the netball season had come to an end and it falls in the off-season however those that attended enjoyed the opportunity for some fun and games. The April holiday programme was run Monday to Friday in the second week of the school holidays with an incredible boost in numbers in comparison to previous years as a result of a revamped programme complemented by a dedicated promotional effort. A new full-day option was offered where participants took part in a netball-specific morning session

followed by a dance related activity in the afternoon. The feedback received from both participants and parents was highly supportive of this new initiative. As a result the same option of activities was again offered for the July holiday programme which attracted the highest number of registrations for the July holiday period to date.

A big thank you goes to all the coaches involved throughout the year who contributed their knowledge and time to the success of these programmes. Thank you also to the parents and caregivers who continue to support these programmes and the children for attending them.

JUNIOR COMPETITIONS

Kids' Netball Comp

The Netball Wellington Centre took the opportunity to showcase the new ASB Sports Centre and offer young players the opportunity to continue to play on into Term 4 with the introduction of a new Kids' Netball Comp initiative. Games were held during Term 4 in 2011 and again in Term 1 in 2012. The inaugural competition in Term 4 attracted a total of 16 teams playing in the eight-week competition in two grades - Year 4-6 and Year 7 & 8. Term 1 welcomed a total of 14 teams competing in two grades - Year 5 & 6 and Year 7 & 8. Term Four looks set to be a big one with a great level of interest as the popularity of the competition grows and we hope to expand to include a Year 3 & 4 grade. The competition also provides a great opportunity for junior umpires to develop their skills. In Term 4 there were a total of 10 junior umpires and 12 in Term 1 with a large number of enquiries received to date for the end-of-year league. Thank you to our competition coordinator Anna Korsoukova and also to Marissa Howard and Laura Campbell who mentor our Junior Umpires.

JUNIOR NETBALL SATELLITES

Netball Wellington Centre and the affiliated Satellites continued to build strong relationships throughout 2012. The Wellington West, Northern Suburbs and Motu Kairangi Junior Netball Satellites continued to receive additional support and opportunities. Programmes included access to Netball NZ and Netball Wellington Region coaching courses, Kiwi Whistler Umpire support, representative level support and player development opportunities.

The Intermediate Inter-Satellite Competition finals were played on Saturday 25th August at the Hataitai Courts with an impressive amount of exciting talent on display. Raroa Eagles took first place in the competition after a close win against Holy Cross Wildcats - final score 28-26. NIS Kauri secured 3rd place against EBIS Totara with a final score 29-7. Marsden K1 and Raroa Falcons had a close game with Marsden pulling through to take 5th place - 17-14. SWIS Magic played very well to maintain a tight score-line but Kelburn Suffragettes pulled away to secure 7th place with a 13-11 win. Well done to all players, coaches, managers, umpires & supporters who made the season a highly enjoyable one.

REPRESENTATIVE NETBALL

On the back of success from both U17 & U15 teams in 2011, Netball Wellington Centre was excited for the 2012 season. Representative trials were communicated directly to all previous trialists, through each school Sport Coordinator and on the Netball Wellington Centre website. Sport Coordinators were contacted to request nominations and supplied with updates on players that had registered giving them the chance to follow-up with any that had failed to register. A total of 82 trialists registered for Under 15 and 27 trialists registered for Under 17. The available talent meant that there were sufficient players to form two Centre teams within each age group. All four representative teams attended tournaments throughout the lower North Island culminating in the national/regional tournaments held in July.

The success of the NWC Representative programme was made possible by the generous funding towards travel and accommodation provided by Southern Community Trust, The Lion Foundation and Pub Charity for which we are very grateful.

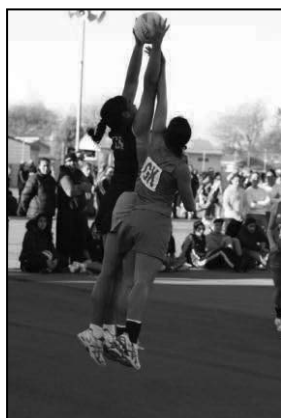

The Under 17 Black team had another successful season – with only four players returning from the 2011 season, the U17 Black team still managed first place at Betty Steffensen and Molly Dorne Tournaments and finished seventh place at NZ Under 17 Age Group Championships.

The focus for the Under 17 Gold Team was very much around development with only four players returning to the team in 2012 along with an entirely new coaching staff. The team performed strongly at all of their tournaments and made huge improvements with each outing.

The Under 15 Black Team had the great fortune of again being lead by Head Coach Sandra Edge. The Under 15 Black Team took out three titles this year with the pinnacle being the Regional Under 15 Tournament in New Plymouth. The Team placed first at Marjorie Jenden, Molly Dorne and Regional Under 15 Tournament. This is a fantastic effort from both the players, coaches and management staff.

The Under 15 Gold Team put in some strong efforts out on the court this season. They managed to finish sixth out of ten teams at Marjorie Jenden Tournament and second in Division 2 at Betty Steffensen. The Team also had a strong finish to the season at the Regional Under 15 Tournament finishing eighth out of 24 teams in Division 2.

Huge thank yous must be extended to the Coaches and Managers of all of the Representative Teams. Their dedication, expertise and time throughout the Representative season is invaluable. Also, a sincere thank you to the umpires who commit to travelling to representative tournaments throughout the season. Netball Wellington Centre appreciates the commitment to strive to play your best and the passion displayed by this season's skilled representative team members. A special mention also goes to the force behind the players - the wonderfully supportive parents.

COACH DEVELOPMENT

A wide variety of Netball New Zealand coaching modules continued to be delivered by the Centre across the region. In 2012 coaches had the opportunity to gain their Community Coach Award and for those who had previously gained this award, the new Performance Coach Award was instigated. These coaches are now on the “Transition” stage and will be working closely with Coach Development Officer Sandra Edge and Lindsay Filiata - Netball NZ CoachForce Lower North Island.

The Centre provided a total of 25 offerings to attend coaching courses throughout the 2011/2012 period. Following cross-promotion between all Wellington Netball Centres as part of the Netball Wellington Region initiative, our courses were well attended by a great group of keen coaches with over 239 attendees taking up the opportunity to develop their skills. Further coach development opportunities included the opportunity to attend workshops facilitated by Yvonne Willering (defence), Robyn Broughton (mid-court) and Irene van Dyk (shooting). Netball Wellington Region’s CoachForce Manager Sandra Edge assisted with the successful delivery of the My Little Team & Me and My Team & Me workshops into primary, intermediate and secondary schools throughout the Wellington region.

To the Members of Netball Wellington Centre Incorporated**Report on the financial statements**

We have audited the financial statements of Netball Wellington Centre Incorporated on pages 3 to 9, which comprise the statement of financial position as at 30 September 2012, and the statement of financial performance, statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Board responsibilities

The Board members are responsible for the preparation of financial statements in accordance with generally accepted accounting practice in New Zealand and for such internal control as the committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that present fairly the matters to which they relate in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in Netball Wellington Centre Inc.

Opinion

In our opinion, the financial statements on pages 3 to 9 present fairly, in all material respects, the financial position of Netball Wellington Centre as at 30 September 2012, and its financial performance, for the year then ended in accordance with generally accepted accounting practice in New Zealand.

Notes to the Financial Statements

For the Year Ended 30th September 2012

Reporting Entity

Netball Wellington Centre (Incorporated) (the Centre) is an Incorporated Society reporting under the Incorporated Societies Act 1908 and its Constitution.

Measurement Base

The accounting policies are inline with GAAP recommended by the New Zealand Institute of Chartered Accountants. Historical cost basis is used by the Centre for the measurement and reporting of income and expenses and financial position.

Differential Reporting

The Centre qualifies under the New Zealand Institute of Chartered Accountants' Framework for Differential Reporting as it is not publicly accountable, and is not large. The Centre has applied all Differential Reporting exemptions available to it.

Specific Accounting Policies

- (a) These financial statements include income and expenditure for the Centre only.
- (b) Fixed assets are valued at cost less accumulated depreciation. Depreciation has been calculated on either a straight line or a diminishing value basis. This is to write off fixed assets over their estimated economic life or lease life as follows:
- | | | | |
|------------------|----------|-----|------------|
| Building | 1-29% SL | and | 10-20% DV |
| Equipment | 9-36% DV | and | 9.6-36% SL |
| Office Equipment | 36% DV | and | 10-36% SL |
| Uniforms | 48% SL | | |
- (c) Accounts Receivable are stated at their expected realisable value after allowance for bad debts.
- (d) The financial statements have been prepared on a GST exclusive basis.
- (e) No taxation is provided for in the financial statements as the Centre is exempt from income tax under section CW46 of the Income Tax Act 2007.
- (f) Grant income is matched against expenditure incurred for that grant during the financial year. Where not all of a grant is spent by the end of the financial year, these unexpended funds are carried forward on the balance sheet into the subsequent financial year and matched to expenditure incurred during that year.
- (g) Operating lease payments, where the lessors effectively retain substantially all the risks and benefits of ownership of the lease items, are included in the determination of the operating surplus in equal instalments over the lease term.

Changes to Accounting Policies

There have been no changes in accounting policies. All policies have been applied on a basis consistent with those used in previous years.

10. RELATED PARTY TRANSACTIONS

Netball Wellington Centre (Incorporated) has a service level agreement with Netball Wellington Region in regard to rent of the premises at the ASB Stadium, computer and other office expenses that are shared and, in the last 8 months of the year, staff and associated costs. In the year to 30 September 2012 this amounted to \$225,665 including GST where applicable (2011: nil). In addition, Netball Wellington Centre (Incorporated) paid affiliation fees to the Netball Wellington Region of \$91,432 including GST (2011: 93,761 including GST).

Netball Wellington Region applied for, and was successful, in obtaining grant funding to offset some of the above expenditure and for the 2012 year \$43,500 (2011: nil) was credited to Netball Wellington Centre (Incorporated). Consequently, Netball Wellington Centre (Incorporated) paid a total of \$273,594 to Netball Wellington Region for 2012 (2011: \$93,761).
