Order Form

Great connection is essential. The Moose helps develop and refine the skills needed to execute a brilliant drop punt. Isolating the kicking action and ball connection allows players and coaches to advance the education process much more effectively.

*

*

The Moose is the first kicking aid that properly presents the ball to enable complete focus on the kick. It is designed for use across all player levels.

Juniors - the look, feel and sound of a perfectly struck kick can be achieved much faster.

Professionals - segmenting and refining each skill is essential to advance at the elite level.

Price \$29.99

Bulk purchase discount packs

5 - \$139.95(\$27.99ea)

20 - \$499.80(\$24.99ea)

50 - \$1149.50(\$22.99ea)
