Will turn your dreams into reality

President's Report.....

No rest for the wicked they say, well there has been plenty of activity in the "off season" in preparation for what will be another great year of Power Football.

By now many of you will be aware of the changes to our committee, and although many familiar faces still remain, very pleasingly we've had some new faces join the committee and bring with them a fresh perspective that has already borne out some new and innovative ideas which we look forward to implementing this year.

Infrastructure development remained very high on the club's agenda since the end of last season. While a frustratingly drawn out process dealing with council, we're now gaining greater traction and should start to see the benefit of some council spend this year (car park and benches being our short term priority). Longer Term and still the over-arching priority are the clubrooms, which we continue to work closely with the council on. Lets not forget that we will be training under lights this year, which in itself is a big step forward and have the council to thank for that.

To our sponsors, again we thank them for their continued support and throughout this season we really want to re-pay their commitment to the club. Therefore, please make sure you familiarise yourself with our sponsors and the services they provide, as you never know when you'll need them and you'll be supporting local business in the process.

To you, our Power families, once again we are blown away with the support we've received to date for Auskick and Junior footy. Even the old fella's (our over 35's) have seen a lot of new faces come down for a kick. Auskick will remain strong and again we'll be the envy of a lot of clubs locally with the numbers we produce. We'll be fielding 3 x U9's, 2 x U10's, 1 x U12 and 1 x U13 side this season and as of this week, there is a very real chance we'll have an U11's also. This is a really exciting time for the club right now, however we still need you to ensure you re-register if not already done (an email will come out shortly with details on how to do this). And particularly where the U11's and 12's are concerned (but in general for all teams), please encourage anyone you know to come down and get involved. They'll love it.

Communications, the likes of which you've seen from our new coaching panel recently will be a more regular occurrence throughout the year, so please keep an eye out for future notices as It's the best way to keep track of what's happening (the website will be pretty handy to)

On behalf of the committee I'd like to officially welcome you all to season 2013 and look forward to meeting as many of you as we can. Please come and say hello.

President

Canteen Manager Required.....

As you all know most not-for-profit clubs are run by a team of wonderful volunteers to run the club and help raise much needed funds.

For the last two years Laurimar Football Club canteen has been the one of the biggest fundraisers for the club, as well as keeping the parents warm with hot food and drinks while we're watching the kids play footy! The funds raised are put back into programs like Auskick and new equipment for the kids.

With the season commencing very soon, Laurimar Football Club is seeking a volunteer to manage the canteen this season. If anybody is eager and willing to take on the most important role at the club (supplying the kids with lollies!!) please contact us.

For more information please come and speak to one of the committee members or contact our Commercial Operations Manager - Brett via email: commercial.ops@laurimarfc.com.au

All mouthguards are custom made to yours or your child's mouth, and are available in a range of colours (including Teal & Black. GO POWER!!!)

Cost is \$50 for a single colour mouthguard and \$60 for a dual colour one. If you have Private Health Insurance you may be able to claim most of the cost back.
