## MESSAGE FROM THE PRESIDENT AFLDD

Welcome to the AFLDD/J season 2013!

Unity is a big theme for our competition in 2013. This year our junior and senior bodies are working together as one, and we have set ourselves a strategic plan that is not just for the junior and senior leagues - but for the game itself. We all have a role to play in its successful implementation.

Signs are good for a great season ahead. However, this will not simply happen, and it needs to be earned through hard work and dedication. All of us in the football community need to focus on our role - no matter how big or small - and do it as best we can. With everyone doing their bit, and doing it in a positive and constructive manner, we will achieve the goals we have set our sport on the Downs in 2013 and into the years ahead.

This year has also seen an increase in both the number of clubs and the number of grades in the AFLDD/J. We welcome Chinchilla into the competition for the very first time, and it's also great to see the resurgence of the game in Kingaroy again, with the newly formed South Burnett Saints representing that entire region.

We also welcome Women's footy for the first time, with a three team competition playing 6 carnivals throughout the year and culminating in a dedicated grand final day, along with our reserves competition, on 3 August.

Five teams will also compete in the finals this year, with our grand final forming part of the Carnival of Flowers celebrations on 21 September.

Quantity, by way of increased numbers, is great - but it is only one half of the puzzle in terms of measuring our success. The other side of the equation is quality - this is, making our clubs the best places they can possibly be. This year I ask all involved in our great clubs to do their bit to make them places that are forward-thinking, inclusive, making a positive impact on their community and, most of all - fun. Places where standards of good behaviour and sportsmanship are ingrained deep into the club culture - and where persons those that do not uphold these values will not be tolerated.

That especially goes with our umpires - who we need for our game, and who need the game's fullest support for the great job they do.

Best wishes for a fun and action-packed season 2013!

#### ANDREW FOLEY AFLDD & AFLDDJ President

The U14's crows look to have started season 2013 where they left off in 2012 with strong representation at training on Tuesday 19th March (27 players) translating into a solid performance in their recent practice match against Sherwood. 23 players ventured down the mountain to the home off magpies in a game that was goal for goal up until the last 10 minutes when Sherwood kicked away to record a 3 goal win.

The fate of U16's crows program hangs in the balance after a moderate showing (18 players) in their practice game also against Sherwood on the weekend. Sherwood ran out comfortable winners in this game. A final decision on the u16 crows will habe been made after training on Tuesday 26th March with concerns over commitment and playing numbers for this team.

Anyone interested in getting involved in the crows program can come along to training every Tuesday 4:30-6:15pm Rockville Park (tor street) or if you require more information contact team managers as follows.

Well with the start of season upon us our seniors have been working hard from pre season to now which has been great, our numbers are strong at training and we have all been getting itchy feet waiting to play our first game. We set up a match with the Collingwood Park Power under lights Friday night which was something new to a lot of the guys and they were very excited.

To all our guys senior and 16s what a great first game, we might not have won the game but we won many battles on the night and have shown we have the capabilities to match it on the field with any team. After a great effort throughout the match the Power were able to grind out a 13.15.93 to 8.5.54 victory.

The pressure and hunger applied by us was the reason the opposition kicked poorly. It was a huge step for our team and I hope it will continue.

I would like to thank all the helpers on the night and of course the Power for hosting the game and hope to level the game next year with them.

Can't wait now for our first game of the year. Lets Go Demons

#### **Club News**

After a 7 year absence of a team from the South Burnett in the Senior A-Grade competition, the 'South Burnett Saints' are eager to show the Darling Downs League what they're made of.

After a strong pre-season and some challenging practice matches against Pomona, Bribie Island and Zillmere, the boys, who range from highly experienced and hardened players to blokes who have slipped on a Footy Guernsey for the first time, are ready and firing to take on the Lockyer Valley Demons in Round 1. The Saints have come together as a team from the initial pre-season sessions last December and are improving each time they get together, developing a strong bond and passion for the game on and off the field, whilst continuing to build a strong Footy culture within the club and in the South Burnett area. With Coach Steve Humbler and Captain Adam Bowater at the helm, the Saints are in good hands to go marching into Round 1 and beyond.

The Stingers are looking forward to an exciting and positive 2013 season and are achieving very good numbers to training each week. Our Committee has worked tirelessly during the off season to put the club in the best possible position to start their 2013 campaign and we pay tribute to their hard work.

East Stingers held their annual Jumper Presentation, which was well received and well attended. The Stingers kids are excited that the footy season is finally here. As a result, the club has gained the support of a number of new sponsors coming on board this year, as well as retaining some of our existing sponsors.

#### **Umpire News**

A big welcome to the new season and especially to our new recruits! This year poses many challenges, especially with the core group of field umpires being diminished with retirements from last year. That said, if anyone is interested in becoming an umpire in any of the three disciplines, please contact me.

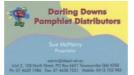

Welcome to the new clubs and we look forward to getting out to Chinchilla and Sth Burnett to get to meet you all. It will be a great season and with all

the clubs behind us and supporting the umpires in their job (and even getting some club members out on the field) it promises to be a season to remember.

I have been getting to the clubs to present the Laws of the Game DVD and to recruit some numbers so that we can ensure that there will be umpires for each game from U12's thru to A Grade for the whole season.

Good luck to all teams and we will see you on the field!!

## Grant to Help Build Redbacks Nest

The Warwick Redbacks have been successful in receiving a \$100,000 'Get Playing' grant from the Queensland Government, to help build their new clubhouse. After many years of planning, the Redbacks moved to their new home ground, Roddies Oval for the 2012 season with just some keen volunteers, some amazing new goalposts and a big patch of grass.

Starting at 6am, a loyal band of helpers would set up "tent city" to ensure visiting teams and spectators were able to get the facilities and footballing experience they would receive at any other oval.

Now, as the project nears completion this arduous task will be nearly all over as the club will boast the best facilities on the Darling Downs.

The new clubhouse, worth an estimated \$500,000 will have large change room facilities for players of both teams and the umpires, as well as state of the art canteen and function room capabilities. Crucially though, the new clubhouse is raised up well above predicted flood levels to ensure the new pride and joy of Roddies Oval stays dry.

Even when the 2013 floods sent the playing surface 1.5 metres underwater, the only water which went into the clubhouse was that from the sky because the clubhouse did not yet have a roof on it.

President of the club, Keith Clarke said it's fantastic to secure the grant money as the project nears completion.

"We can't thank the State Government enough. This money will ensure that our rooms will be completed and all of our members will have a home ground they can be truly proud of" said Clarke.

"It will help attract plenty of new members to the club by providing them with the best facilities possible."

The new clubhouse will also allow the club to hold functions at the club, which will in turn help to raise money which can be directed straight back to providing players with the best possible experience.

"Instead of our members and spectators spending their money elsewhere, they will be able to keep it at the club, which will in turn help us to provide better equipment and better services for them. It's a perfect circle" said Clarke.

The Warwick Redbacks kick off their season on April 6<sup>th</sup>, but will officially open their clubhouse on Saturday April 27<sup>th</sup> when they host the competition newcomers the South Burnett Saints at Roddies Oval. Junior games start at 8:40am,

Junior games start at 8:40am, with the A Grade match beginning at 2:30pm
