AFL Junior football - a reflection from a parent.....

Footy season has started..

It's time to reflect on all the reasons why we love our football.

Saturday morning, we wake up and kids are already getting ready.

My daughter says "Daddy, my football socks are way too big and they're gonna keep falling down"

She's sure that they are her brother's socks and not hers...

My son is only interested in one egg for breakfast; he normally has 2 or more! He's nervous for the first round.

Yes - this is the football season, yes we are back..

As I pack the apples and the... hang on now don't forget the chips, we must pack the chips cos we're on "chip duties" for U10s this week.

The chips at the end of the game, that's the most important part of the game for some of these kids!

As we drive closer to the ground, we can see in the distance the big marquees being set up - the colour and glamour of local football has finally arrived.

The Junior Registrar with laptop set up. The President walking around with the hand siren blower, the portable goal posts are in the ground as they sway from side to side cos of the gusty cold winds that filter across the ground.

Yes - this is the football season, yes we are back!

As new coaches and old gather their troops, they hand out the jerseys, record player numbers, and note who is sick.

The siren rings twice, the siren rings once, I can't remember if that means we are about to start or if there is a few minutes to go. Some of the coaches don't know either - however they are there to help and help with a smile.

The kids are limbering up, the parents are opening up their camping chairs, sipping on hot coffee and shaking and shivering to keep warm..

Yes - this is the football season, yes we are back..

The siren sounds as the umpires throw the footy in to the air.

"U8s, U8s - the game has started, the game has started" - it seems some kids prefer talking to their friends on the field than playing football!!

The orange peels are sprayed over the ground after half time.

Every drink bottle has been used by at least every kid in the team - back wash, side wash, front wash and germ wash!

Yes - this is the football season, yes we are back..

As the final siren sounds, the result don't matter, everyone has had a run, that's all that matters.

As the chips and lollies are handed out, coaches share their final words.

Camping chairs are packed up - but hang on - some parents have another child playing in the next match. Is that me - oh yes another game to watch!!

Other parents rush off to drive home, get ready for another event, a dance class, tutoring, go shopping or travel to a family gathering

Yes - this is the football season, yes we are back..

For the rest of the day, we have our U14s, U16s and Seniors. I can't wait to hear the results.

Football is back and football will always be here.

Football is back, football is back.

Crows Corner

The U14 Darling Downs Crows kicked off their 2013 season last Sunday with a hard fought 5 goal defeat by Redlands.

The Sharks used the ball with more efficiency in the first half and while the Crows showed glimpses of what they are capable of they went into the main break down by 30 points. Fill in head coach Scott Matthews must have delivered an inspiring half time speech as the Crows came out firing in the third quarter reducing the deficit to 3 goals by the end of the third term. But Redlands responded well in the last quarter and ran out eventual 32 point victors 13.9.87 to 8.7.55

For the Crows new recruit Bradon Hess was exceptional up forward booting multiple goals and giving the Crows a great target in attack. Brendan Shelton was also at his damaging best with his run and carry through the midfield. This Sunday the Crows hit the road as they take on Wests juniors at 10:30am.

A big thankyou to Chris Sheath and his crew at Highfields AFC who volunteered their ground and support staff for the running of this game at late notice. Well done guys.

In the Schoolyard

Best of luck to the DD School girls

The inaugural Under 16 Darling Downs school girl's side will contest the 2013 State Championships over the weekend at Everton AFC. Games will be played over Saturday and Sunday, with the DD girl's looking for competitive first up championships. Girls from far and wide have come together for the inaugural squad and Development Coordinator Jeff Neumann believes they will be more than competitive. "It might only be our first year in the School Girls State Championships but I believe we will be more than competitive and the other regions should not take us lightly," Neumann explained to Game Day. Club representatives include; Danielle Wall (Dalby Swans), Montana Fidge (Warwick), Savannah Ranford (Coolaroo) with a number of the other squad members looking to play club footy in 2013 either in the AFLDDJ Under 14's or AFLDD Women's League. Stay tuned to see how the girls go!
