Welcome

Welcome to tonight's single game between our Energy Women and the Sunbury Jets. Both teams will be looking for a much needed win and it should be a fierce battle tonight.

For our Women, it is the first time on their home court since their opening win against the Altona Gators where the team won by an impressive 40 points.

After a difficult stretch of games on the road, the team will be looking to return to the winners circle tonight.

The team will be again be without Danni Pearce who is away at the U18 Nationals along with Men's player Jack White. We wish Jack and Danni as well as Basketball Victoria Country all the best as they have finals scheduled today.

Once again thank you for your support and we look forward to seeing you over the next few weeks as we have a string of home games scheduled.

We trust your cheer loudly for Energy, but remember good sportsmanship and to support our referees who without them we would not have a game.

Don't forget to wear your orange and memberships are still available and great value for the remaining games this season.

Let's go Energy.
