Results and Season Detail

Summary of the Game Results as submitted by Clubs, and the statistics for 2012

To end of Grand Finals 2012

Mid West FL Records

This "Yearbook" is produce from the MWFL Records and distributed for information.

Spreadsheets on individual player records have been printed and distributed to clubs

Match day results are as submitted by clubs on their results sheets. Where there is a variation on the match day results sheet and the Goal Umpires cards, the goal umpires cards are taken as the official result.

I hope that this provides an interesting reflection on the season that was 2012!

The Clubs of the MID WEST FOOTBALL LEAGUE

The data shown in these charts has been collated from information contained in the book "Encyclopedia of South Australian Country Football Clubs" compiled by Peter Lines.

Not all links indicate a merger of clubs. Some clubs in a region simply folded. They have been shown though to indicate the clubs that existed in our current clubs region and thus form part of the history and heritage of the clubs of today.

It is interesting to note that some 39 individual clubs have existed in the "Mid West" area since the early 1900's, now there is six.
