Match Report

The weekend's game was a great match all round for Ivanhoe, Both in attack and defence the boys excelled. The ball spent 75% in our forward half and they didn't concede a goal.  
Surely all parents and coaches are amazed at the improvement in the boys in such a short period of time. It will be interesting to see how good they are by the end of the year – look out all opposition.  
It was pleasing to see the aspects that the coaches had been working on with the kids during the week be played out on the field, such as keeping to position, manning up and looking to kick or handball to a team mate in a better position. Well done Tim!  
There were many goal scorers on the day with some scintillating individual efforts by Charlie and Max. The captain for the day Tom kicked what would have been one of the goals of the year, only he took one too many bounces. Better luck next time.  
Christian or "Cookie" as he is now affectionately known took some strong grabs and had his best game for the season so far. Alex sporting his new hair cut kicked a fantastic goal; he had a smile as big as the goals when he kicked it. Will had a couple of great individual defensive efforts. Alastair ran and delivered many balls in to the forward line.

Match Report

Another great, early game of footy from our Team, led by Cap-tian and goal scorer Luca B.

The game got off to a slow start with the first quarter resulting in both teams playing scrappy footy.

After quarter time and being asked by the coach to create space the game started to take shape.

Some great tackling from Darcy & Leo and long kicking from Lachlan saw our team control the second quarter.

There must have been something in the oranges at half time because the kids came out firing. A fantastic goal from Tate from the pocket started a goal feast!

Hunter led the way with his strong marking and raking left foot kicks.

The fourth quarter was a great team effort.

Riely's effective pass to Max saw Max's first goal of the season – great teamwork boys.

Hunter continues to get better and better each week, this week showing his marking strength and abilities.

We welcomed Jack Daley to the team and thank Curtis from Tackers W for playing with us this week to make up our numbers.

### Match Report

Ivanhoe Park at 10.00am vs Beverly Hills & another warm autumn morning – let's enjoy them whilst they last. Prior to the game the teams lined up for an ANZAC day remembrance & respectfully listened to the haunting sounds of the Last Post.

The focus this week was on;

- Using the ball better & linking with players up field who are creating options

- Stronger defence, with the midfield working back to support the back 6

Beverly Hills coming off 2 straight wins started strongly & we all realised quickly that we were in for a tough game. Again our endeavour wasn't in question however our ability to handle the ball cleanly & use it to advantage is the area that requires more work.

It was great to see the confidence in some boys grow as they exerted some impact on the game – Spike, Christian & Andrew had their best game for the year & Harley, Josh & both Spencers' had some excellent involvements. Good goals came from both Isaac & Julian and Jess & Jordan were strong contributors during the 3 quarters that all the boys play with our 24 man side.

A couple of boys also had the job of 'running with' a few of the better opposition players & this can be a great learning experience as these players will take you to the contest & then you get the opportunity to win the ball.

Beverly Hills with 5-6 excellent players proved too strong & came out winners by 45 points. Obviously all the boys are still learning about the game & developing their skills, however it is vital they spend additional time (away from training), practicing attacking the ball, taking it cleanly with 2 hands & keeping their body in line with ball – this skill is critical for their confidence.

## Match Report

It was the one that got away today on an overcast Sunday morning. The boys lined up to pay tribute to the Anzacs in a pre-game line up that was preceded by a 50 game banner to for Noah.

A tremendous first quarter saw the boys boot 3 goals 3 to take the lead into the 1st Quarter. Most likely the best first quarter performance by this side in recent history. The pressure shown by all was fantastic and the tackling was backed up by all team members at the request of the coach. Ethan, Nick, Elio, Lucas & Patrick all put in great efforts.

The second quarter saw an ease in pressure by the boys which allowed Ashburton back into the game despite the best efforts of the 50 game player, Noah. There were no goals scored in the second and third quarters by Ivanhoe however spirits remained high going into the last quarter. The coach called for a special effort just like the first quarter going into the 4th quarter.

In a close final term the Ashburton team managed to hang on for a slim victory. A good effort all round as this side showed signs of what is to come for the season ahead. We look forward to the next instalment with teamwork, tackling pressure and a never give up attitude being the backbone of this promising side. Look out for this team, they are coming.

### Match Report

Round 3 arrived and everyone was excited after 2 hard fought victories in the first 2 rounds. Final instructions from Steve and the boys were in position on a ground suited to attacking footy. Ivanhoe went into attack early and Aiden had a shot which hit the post, the first of 3 posters for the day. Oscar showed his intent with a strong attack on the ball before Fraser got possession in traffic and had a shot at goal to score the first of the day. Greythorn were playing some great possession footy but when the ball hit the ground Ivanhoe were winning the contests. Again the boy's tackling was a highlight with strong tackles in the first quarter from Joshua C. Brodie was busy and Aiden started to get right into the game. In the second quarter the attack started. Sam found some space and went on one of his signature runs with a couple of bounces, a baulk and then a goal! Oscar continued his tough work before Rhys collected the ball, turned and snapped for a great goal. Greythorn were marking and passing well but when they got the ball forward the defence was holding up strongly. Darcy went into the ruck and immediately affected some great tap outs. Vo marked and goaled and then Sam scored another making it 4 for the quarter. Josh P and Tim moved up forward for the third quarter with Tim getting an early possession and handball before Josh P got possession, turned and snapped for a fantastic goal. JP did some great chasing out of the forward line and soon after scored a goal for the second week in a row. In the last Aiden capped off a fantastic game with 2 goals and Brodie took a strong mark and scored a goal. Harry's strong contested work assisted with one of the goals while at the other end, Amos and Eddie worked hard in clearing the ball out of defence. In the end, a great team effort and a 60 point win!

### Match Report

Ivanhoe hosted Balwyn at Ford Park in Anzac Day round. The teams showed their respect to soldiers in war, with a minute's silence. Mark highlighted in the pre-match address the need for contested ball; for our backline players to stand toe-to-toe with their opponents, given Balwyn had the assistance of the wind.

1st Quarter: The boys responded brilliantly, locking the ball in our forward fifty metre arc.. Marcus Federico's strong marking at centre half forward being rewarded with a goal-assist to Jack Webber. Ivanhoe, took a 5 point lead into the first term break.

2nd Quarter :This term was high-lighted by contested ball gets and strong tackling from Tom, Marcus O, Noah and Adam. It saw the emergence of Jesse displaying his trade-mark run and carry of the football and tackling to force the ball into dispute. Ben's strong work in the aerial contests around the ground and Jack C's forward efforts resulted in a classy 'over-the-shoulder' snap from Riley and another goal to Marcus Federico. Ivanhoe outscored Balwyn two goals to zip, in doing so, increasing their quarter time lead to 16 points.

3rd Quarter: The ability of the Hoe's to run into space, led through the efforts of Riley, Noah, Adam , Marcus B and Jesse, allowed Ivanhoe to chip the ball around and in doing so, keep possession of the ball, whilst kicking into the wind. The backs held up well, led by Jarrod, Will and Stefan. Goals this term were from the boots of Marcus F, Jack W and Riley.

4th Quarter: The best term of football saw open and fast free-flowing football displayed by both sides. Ben was given a rest from ruck duties by Will. Ben went forward, to kick 3 goals.. Ivanhoe had contributors right across the ground. The third term lead of 34 points extended to 42 at the final siren.

### Match Report

Round 3 for the season and the boys were all pumped up to turn it around from last week's loss. Mick addressed the team in the rooms and explained to the players, first to the ball, attack, run and run and run, look for your team mates, don't be scared and enjoy the game.

Well the boys were on fire and the first quarter kicked 3 goals and kept Kew to one goal. The second quarter Mick made some moves and we kept them scoreless and added another 4 goals. Up Forward Ben, Harry, Oscar and our on ballers were attacking and the ball was in the forward line consistently.

The boys come out after half time and continued their hard effort at the ball, Campbell, Matty, Christian, Isaac just to name a few all dominated and kept Kew scoreless again. A great snap shot from an impossible angle on the boundary line by Matty and through the middle gave the boys an inspiration from there on the team just kept going and all of the players contributed superb for the rest of the game. A great win and team effort by all.

### Match Report

We gathered on an overcast but mild day at Ford Park. Our boys were confident coming off the back of a strong win against Greythorn the previous week but were quickly cautioned against any complacency as they faced their worthy opponents from Park Orchards. It became clear early on that the umpire had a tight hold on the reins. The game remained scoreless for the first 7 min before the opposition kicked a goal after being awarded a free kick. Hugh Marsland was very strong out of the ruck and worked hard all day occasionally been given a very welcome break by the strong and relentless Victor. Hamish tackled with fierce determination and Isaac went in for the ball being awarded a free kick for a high tackle that he converted into our first major score. This seemed to lift the spirit of the boys and the team settled into a confident and composed rhythm. Vivian seemed to be everywhere and the boys realized that staying in front was going to be rewarded every time. The result at the end of the first quarter reflected their efforts as they took an early lead. In the second quarter we came out strongly and Isaac scored early with another major. The boys played generous football and Datjan's tireless efforts resulted in another goal. Cooper tackled hard and second and third efforts were paying off. Park Orchard scored another goal and began to look threatening keeping the ball in their forward line. Victor drove us down the wing and Harrison demonstrated tactical intelligence as he slowed the play giving us an opportunity to regain some composure. Walter marked on the wing and Datjan and Jake were strong in the backline. Vivian found his target and Isaac took another strong mark and kicked another goal. We were 17 points up at half-time. Victor got us out of the centre and Callum and Mitchell worked hard in the pack. Connor and Kane performed superbly under pressure and Jacob marked strongly. The opposition gained a temporary advantage only to have Vivian centre and push the ball back towards our forward line. Mason and Vivian each scored goals but Park Orchards kept on coming. Thomas was superb in the backline and played a major role in keeping our opponents scoreless in the third term. We started the final quarter with a 33 point lead. Jacob gathered well and Callum pushed us forward into the pocket. Cooper had to come off following a hard tackle and Walter was back on the ground. Jacob tackled strongly and Vivian, Datjan and Hamish moved the ball quickly in a wonderful passage of play. Hamish scored our only goal in the final quarter but it was enough to give us a convincing win. A great display of terrific team work; well done to all the boys.

### Match Report

On a day when Coach Duke and siderider Frank succeeded in cobbling together a full team of 18 players the boys felt at last they started on equal terms with their opponents. It was great to see Conor play for us again and he gave us plenty of drive ,guts and creativity. But who is Tom? He would soon demonstrate a great leap and the ability to take an old fashioned specky or two for the day. The biggest challenge would prove to tackle the Colts on ground with a generous slope down one end. One grandparent commented it looked like a great slope for skiing if it snowed! In the first quarter the boys battled at the bottom of the slope to keep the colts out (reminiscent of battling jolly Turk in Gallipoli?). Dean, Lachie and Xavier battled manfully against some very large opponents and with only a single goal scored the boys had done brilliantly. In the second quarter the boys enjoyed the slope, with a pass from Conor hitting the big chest of Oscar.. thump! He nailed our first before Gerard also showed us he could take a grab and we had a second. And just before the break, Tom kicked a beautiful drop punt for a third. The Colts had the advantage in the third quarter. This was a quarter in which Ashish demonstrated he now had a great stretch to take some wonderful grabs to go along with his pace. Dean was terrific in the energy and skill in defending with Nicholas Ramsay backing him up. But with 14 points down at the last break, a big effort would be needed. Getting the ball into our forward line was proving a challenge, and with gun goal kicker Luke being well marked where would our goals come from? Conor had an idea...took a handball from Tom on the boundary line and slot it through before the opposition could man the goal line. And then Luke broke free to snare a vital goal at a crucial time. In the last five minutes the boys strived for a goal to tie it up. Colts smothered our shots and knocked it through. With a minute on the clock, Nat grabbed a mark, but his shot went on the wrong side of the post. The Colt boys reminded him of his miss the next day at school. We look forward to a rematch later in the season!

## Match Report

To win when the opposition took the challenge right up to us for 3 & a half quarters was testament to the mental strength of the group and the will to win was so apparent - well done boys.

We learnt from this game against Hawthorn Citizens that persevering & sticking to our game plan & our long kicking game is key to our success. The player who best displayed this was Jack Sullivan who demonstrated in the last quarter how well he can play when he does kick the ball long - well done Jack.

It was also pleasing to see Alex & Dean be creative in our forward line & get to the fall of the ball and kick some great goals - well done boys. Daniel Knorr showed great courage in the air & was instrumental across half back in getting us over the line.

The midfielders toiled hard all day and learnt from this game about getting back to help our defenders out when under pressure. Ant, Lucas, Patrick, Frenchy, Charlie, Froggy & Linc battled hard all day and are beginning to have great communication in the middle with our clearances.

This week we take on last years Premiers - Canterbury - I am sure with a disciplined approach and ensure we assist our defenders we will continue our momentum for the season.

### Match Report

We were given a football lesson by Hawthorn Citizens L in round 3.

A very much rejuvenated Hawthorn side exploded out of the blocks with plenty of run and precision passing to move the ball quickly into attack.

In what seemed like no time at all, Hawthorn Citizens were out to an 8 goal lead. Too often the ball arrived into the Hawthorn forward line to find 3 or 4 on one contests. The second quarter continued much like the first, however in the later part of the quarter our boys clicked with some equally slick ball movement featuring Duncan McIntyre, Travis, Tim, Alexander Dickson, Nick Spokes and Josh Atwell to name a few.

The boys were subject to a continuing onslaught through the third quarter, with Hawthorn again creating and using plenty of space across the ground.

The fourth quarter was much more competitive with a return of the form of the latter part of the second quarter with more time with the ball in our forward line – some good forward pressure brought some additional much needed goals with almost a mark of the season (so far) for Kosta Siolis leaping aggressively from the side into a contest for an attempted overhead mark.

Special mention to Duncan McIntyre and Alexander Dickson for dogged attack on the ball all game.

Overall plenty of learnings to take into training this week.

### Match Report

With Anzac day only just passed the teams line up for a minutes silence. Q1 – We are kicking with the wind and start well with Brody taking a strong mark. It is tight early with the first goal coming after 5 mins to Bulleen Temp. They goal again shortly after and the Hoes are 2 goals down. Strong defending by Chris, running by Brody and hard play by Mitch are good signs but we are unable to score while Bulleen kick another 2 goals.

Q2 – Daniel is winning in the ruck but the Bulleen Temp mids are running harder and winning the clearances. They open with the first goal. Dylan lands a great tackle to put pressure on the ball carrier while Will Larkin is starting to get into the game with some good ball movement. Bulleen are running just that bit harder and kick another 2 goals. Good attacking play results in the ball in our forward line but strong defence from Bulleen sees the ball taken away.

Q3 – We win the centre clearance and Will has a shot on goal but just misses. Bulleen open up second half scoring with 2 goals before we begin to show our stuff with Max, Brody and Will Gedi all goaling. All goals setup with great team play by Mitch, Chris and Connor up the field. Bulleen pull one back at the end of the quarter but at last we made them earn it. That quarter we showed what we could do with better application.

Q4 – Paddy shows some strength early in the quarter and after a tight struggle Jordan goals. The boys are working hard but the Bulleen boys are running just that bit harder in attack and defence. A good hit out for the boys for the games ahead with Bulleen just too strong on the day.

Match Report

This game was a clash between two premiership sides of 2012. Ivanhoe won the flag in the blue division while Parkside were premiers in the green division, one section higher.

Ivanhoe struggled in the first term and found themselves trailing 5-3 to nil before Sean Hibberd snapped the opening goal for the Hoes late in the quarter. Early goals to Marco and Jacko reduced the margin to 14 points in the second before the Devils steadied and took the lead out to 30 points at half time.

Then the move of Tiger back into the forward line began to pay dividends. The Hoes took the game right up to the home team but squandered opportunities in front of goal. They were still 34 points in arrears at the final break and the game looked as good as over. But Ivanhoe completely outplayed their opponents in the final term and sowed seeds of panic in the Parkside ranks. Two goals to Tiger and a couple more to Marco and Jacko reduced the deficit to only eight points late in the game. A dramatic come from behind win was on the cards until Parkside booted another major and scrambled home by 15 points. Their initial five-goal break in the first quarter had proved decisive.

Jeremy praised the efforts of his players in coming back from a seemingly impossible position and almost pinching the game. He acknowledged the athleticism and relentless running of defender Liam Steve. He also recognised Declan O'Sullivan for selflessly using his body as a shield to allow teammates to run onto the ball and score.
