LETTER FROM THE PRESIDENT!

Good morning All,

The season is well underway and the winter season change is in the air so that means more cold mornings for our Tackers team.

It was great that so many people came to our first family night, I hope you all enjoyed the opportunity to mingle, meet new parents and reunite with friends.

There are a lot of events coming up, so please get involved especially the "Livin in the 70s" dinner dance which will be a great night. Please support your team and get on your team table, speak to your team manager ASAP and help make a great night.

For Coaches and assistant coaches please don't forget the Coaches Development Evening at Cellini's Heidelberg on the 20th of May from 6.30pm. We have a wonderful guest speaker Robert Wiley, Director of Coaching & Development at Carlton Football Club who has a wealth of knowledge and experience so don't miss it.

Please make sure you have RSVP to Graeme Badrock.

The Annual Mother's Day event is once again sold out so well done to the committee.

The Annual Leadership Evening will be held on Monday 24th June at the Ivanhoe Girls Grammar School with lots of special guest speakers. Make sure you put this night in your diary.

One very important request is if your team doesn't have a team Sponsor please support us through Sponsorship. Team sponsorship includes, having your logo at the top of each of your teams page in the newsletter, player of the week medal in your name and your logo on a sign with all team sponsors at the home ground. We need sponsors for every team. This is the key area of fund raising for your team and club. Please make sure your team has a sponsor. Team sponsorship is \$1,000 per annum.

So, the season roles on and so far only a few incidents to keep us all on our toes.

A very big thanks to all the team managers for keeping the flow of information.

Go Hoes!

Steve Griffith, President IJFC

Match Report

The weekend's game was a lot tougher than last week. The boys came up against some big opposition who were very well organised.

However our boy's skills are improving week to week, kicking marking and handball skills are coming along really well. It was great to see the boys looking to pass to team mates in better positions and lots of handballing out from packs.

Our opposition gave us a good example of how little things in football can make a huge difference; such as tackling hard, shepherding, staying in position and keeping on your man.

We had times where our backs were outnumbered 5 to 1. So parents, please encourage your child to stay in position even if he feels he is not getting into the game. This is something that the coaches are working really hard on at training. Also can all parents encourage the kids to listen to the coaches, it makes the job a lot easier and a lot more fun for everyone.

Nevertheless there were some great individual efforts. Sam played a great first quarter (only problem it was for the opposition) Tom kicked a great goal; he played on after taking a mark, ran around the boy on the mark and slotted it through. Charlie was great in defence on the first quarter; at on stage he took on 5 opposition players and won the contest. Eric took some good grabs up forward. Max played well in the third quarter. Paddy played really well in the second half; he stuck to his man and beat him.

Match Report

A beautiful autumn day at Ivanhoe Park saw our captain Lachlan led the team out to face Heidelberg.

The opening quarter was an even contest with neither team registering a major. Our backline general, Anthony, held the troops together repelling all attacks as the ball was being bombed in by Heidelberg. Tom H & Tom P played the midfield role to perfection-running, chasing, tackling and more importantly providing support to our backline as they were invaded by the opposition forward attacks.

The second quarter belonged to the Hoes as we slotted through 2 goals as a result of great forward pressure being applied by Thomas L and Tate. Our backline was held firm by the ever reliable Victoria and young gun Luca N as they both marked strongly and set up our forward thrusts.

At halftime I think we may have eaten too many oranges or maybe Heidelberg had something in their oranges, as the third quarter belonged to them. To our defences credit we did hold firm thanks largely to the efforts of Asher and Leo as we only conceded one goal despite the ball being on their forward for virtually the whole quarter.

The last quarter saw us off to a flyer with sharp shooter Hunter snapping a goal within seconds. We overpowered the opposition in the last quarter but unfortunately we did not capitalise on our opportunities.

The most pleasing aspect of today's game was that we did the hard things of football - strong tackling, shepherding, numbers to the contest & second/third/ fourth efforts.

Finally well umpired Chris you did a sterling job. Rule 1 –the umpire is always right & Rule 2 – if you think the umpire is wrong refer to Rule 1.

Match Report

Ivanhoe White took the long trip out to “Shark Park” to play a Park Orchards team who were coming off 2 straight wins whilst we had suffered 2 convincing defeats. Our trepidation was unfounded however as we got off to our best start for the year with 3 straight goals to zero in the 1st quarter.

Our focus was again using the ball better, looking & passing to Ivanhoe team mates who are leading & making space in better position. This aspect of our game really improved & on numerous times we were able to string a series of passes together. These good passages of play resulted in goals & at half time we were in strong position leading six goals to Park Orchards one.

Another area of focus was for the 6 midfield / on ballers not to push too deeply into the forward line & be ready to work back hard to support our 6 defenders. Whilst we did this occasionally, we have to work a lot harder on this aspect of our game.

It was also really pleasing to see (for the 1st time) some strong shepherds allowing an Ivanhoe teammate a clear path & more time for an unpressured disposal. There were a number of strong performances, led by James & Bede (both welcome returns this week), with Christian & Jess also having good games. Nate, Aidan, Nicolas, Tom, Kyah, Jordan & Drew were all good contributors & 1st gamers Luca & Koray were welcome inclusions.

After 4 grading games, we now sit middle of the table with 2 wins & 2 losses but with lots of improvement left in us, we look positively to the remainder of the season. Lots of practice is the key boys.

Match Report

This was a tough game against one of the top teams in the grade. Whitehorse showed skill in marking and contests on the ball. Ivanhoe came out early, scoring the first goal from a great run and series of passes from four players.

The team continues to improve with other great runs and moving the ball quickly. Elio received a medal from the opposing team whose coach complimented Ivanhoe as one of the best teams they've met and a side that played in the best spirit of football.

Match Report

Round 4 involved a trip to the country to play Park Orchards. Sam won the toss and elected to kick downhill and with a slight breeze. Before the start of the match, the players lined up on the field to acknowledge the work of the umpires as part of umpires appreciation round. Ivanhoe took advantage of the breeze and did most of the attacking in the first quarter. Sam had an early poster before Josh P snapped a goal from the pocket. Jack was helping to repel Park Orchards' attack and took a strong mark, while John scored Ivanhoe's second goal for the quarter. Vo ran hard to collect a loose ball at half forward before kicking a fantastic goal. Joshua C was doing some strong defensive work while Archie took a solid mark and launched a long kick. Defence was the key to the second quarter with Amos stopping a number of goal attempts by Park Orchards and Fraser helping to run the ball out of defense. Patrick performed a fantastic leap and mark to repel another attack. Back with the wind in the third quarter and goals were needed. Patrick, who was receiving a bit of "treatment" from his opponent in the first half, showed the benefits of sticking to your plan and putting in 100% effort to ultimately get the better of his man. Well done Pat. Josh P snapped an early goal before a series of great tackles stopped the opposition getting the ball forward, with John being heavily involved. Josh P marked about 30 metres out from goal and with a bit of encouragement from Jack, loaded up with a torpedo to score his third goal of the day. Our boys took a 2 goal lead into the last and found themselves having to defend strongly. Lachie was very strong across half back with Aiden laying some strong tackles and Eddie a strong bump on an opponent. Jack was running busily across half back and took a couple of strong grabs. Eventually the boys held off Park Orchards to win by 7 points.

Match Report

Ivanhoe travelled to Domeney Reserve Park Orchards for a Grand Final rematch against the Sharks. A pre-match umpire appreciation ceremony ensued. Mark's pre-match address reminded the boys to focus on the football and not be intimidated by the opposition. 1st Quarter: Ivanhoe were kicking into the wind, yet managed to outscore Park Orchards 1. 3 to 1. 2. The Hoe's first quarter forward press efforts have contributed to their three wins this season. Marcus B, Isaac and Daniel were busy this quarter containing the ball and passing it to Patrick, Marcus O and Tom (who narrowly missed scoring a major). Patrick kicked 1 goal. 2nd Quarter: Ivanhoe had the wind, but could not gain full advantage of it, kicking 1. 6 to Park Orchards 1. 1. A nice team goal involving Jack W, Tom, Marcus F and finished by Patrick was a highlight of this quarter as was Stefan's run-down and claw tackle. 3rd Quarter: Xavier was switched to CHF, resulting in his mark and goal. Jesse provided a run and carry before passing to the dodging and weaving Riley for shot on goal. At ¾ time, the game was in the balance. 4th Quarter Jarrod who had been CHB was moved into the centre where he dominated. James scored his first major, while Riley got a major as did Patrick off a Ben 60m run and carry. Jack C, Will and Eamon, defended the goals, with strong marks and clearing kicks a feature.

Match Report

Round 4 for the season, this was the last game before final grading. Mick and the coaching staff addressed the players before the game and set the game plan. The boys were keen to make it 2 wins in a row. The siren sounded and up for the first bounce, Camberwell broke away and kicked 4 goals in the first 10mins. The pressure was on and we were scoreless till Quarter time.

The second quarter the boys come out firing and put the pressure on, 2 quick goals, hard at the ball, pressure on and we were back in it, a late goal in the qtr by Camberwell, but the boys had a go.

A tough and hard last two quarters and we pegged the margin back to 2 goals, some great tackling, ruck work and quick breaks and its was down to the wire!!! A quick running kick and goal by Vilhelm and the boys got a sniff.

Camberwell started to run out of legs and started manning up in the backline, the boys kept at it but the siren sounded. A good hard effort during the second half by the team in a close game in the end.

Match Report

A mild day (for May) finds the team having a rare home game at Ivanhoe Park. Fresh from a good win the previous week the boys were again keen to do well. Running through the banner to celebrate the 100 gamers Isaac & Vivian. Ivanhoe quickly looked the better team with some quick goals in the first quarter. Early goals to Victor and Hugh set the team up well while Tom Inglese has started well in the back line and combined with good defensive tackles and smothers from Mitch and Vivian keep Parkside at bay. A great team goal followed and there is lots of good inspiring talk on the ground led by Isaac. Nick shows good unselfish team play by shepherding a goal through
At half time the scoreboard reads Ivanhoe 7 goals 5 behinds leading Parkside 1 goal

Although the opposition is trying harder in the second half they get further behind after multiple goals to Hamish and a good mark and goal from Nick. Tom Inglese has been moved onto the ball and giving us plenty of drive around the packs and a great save in the back line prevents Parkside from further adding to its score. The umpire is favouring the man in front and our boys give away some "hands in the back" free kicks which would not have happened if they had got in front. At the ¾ time break Coach Frank urges his charges to keep up the good efforts of the first 3 quarters and the boys run back into battle with the bonded hand linking and chant of "Go Ivanhoe". The pace of the game seems to go down a notch in the last quarter and our scoring dries up a little. Parkside won't give in but can't add anything further to their score. A great kick from Harry which swirls between many out stretched hands gets our first goal of the quarter on the board. We get one more goal for the quarter from and finish the match with 13 goals, Parkside scoring their only goal in the first quarter
It was a good hit out for the boys and it brings to an end the first 4 grading matches

Match Report

On a day when we got our first chance to play on our expansive training ground we welcomed Zane into our team. A tough looking backpocket, could he be another legendary Stan “the man” Magro? We won the toss and kicked with a slight breeze. Flynn was a up against another long boy. But as he has demonstrated in other games he would compete well in the ruck, and we soon moved in the forward line. After some frustrating points, Ashish found Tom, and with a beautiful kick nailed our first. Our defence came under pressure, but would prove to be well led by Nicholas Ramsay. He took some telling marks, and with some long kicks kept Kew out and sent us forward. In the second quarter, we had to defend harder, but Max, Dean, Zane and Xavier we up to the task. Eventually we got a goal with Oscar taking a solid mark and kicking truly. The third quarter was one when Kew flooded as the game was played almost entirely on our forward line. It was a quarter in which Ashish would make a dash down the wing out running the opposition and taking four bounces...Coach Duke wanted to know why stopped. In addition Nat was breaking the lines and backing his pace to set up forwards. Playing on the ball, he made himself a target towards the centre of the ground to draw the ball away from the boundary line. Good thinking Nat! In the third quarter Tom again popped up and snared our third. And Flynn now relieved from the ruck took three strong marks, and with one of them scored our fourth goal. At the last quarter, Coach Duke reminded the boys of playing the game out and not to let last week's loss be repeated after being up at the last. Their ruckman started to run, and scored Kew's first. But our boys we determined not to let Kew in with goal sneak, Luke making sure of our fifth. The final goal came from a surprised Ashish who found the ball in his hands from a miss kick and then just bombed it through the middle from thirty metres out...Easy! It was a good win, against a team competitive around the ball. We now await the grading keen to make the Blue league our own after three wins from four games.

Match Report

The Grand Final rematch Versus Canterbury had our boys fired up after losing last year by a couple of goals. Playing away was going to difficult, however our boys adapted very well and we ran away with what was a very comfortable win. The boys trained tremendously well last week and this approach to our game certainly paid off. Our Team is starting to put together 4 solid quarters and are playing well for each other & continually improving our ball movement & our pattern of play. Our long kicking game is starting to really be effective with our full forward Gibbsey kicking 8 goals for us - well done Sam. New players Alex & Dean are showing great endeavour & skill in the forward line. Emerson's strength & ability to read the play is also a huge asset for us to have in our team. Winning the clearances & centre breaks is also improving each week. Our structure is working well with our sweeper & our ruck man hitting the ball to our hit zone. Great work Linc, Oscar, Patrick, Antony & Jacob. Our defenders are attacking the ball superbly & beating their opponents to the ball. Stefan has been terrific in our first 4 games & is providing the strength & aerial skill that we all know he possesses - keep it up Stefan. Jack Sullivan's running on the wing is a feature along with our other winger Fraser Robbo. Jack Welham is playing good footy & Tommy Williams is on the verge of a super game. We face greater challenges in the next few weeks, it's important we train hard and continue to improve our overall game to protect each other & play together for one another.

Match Report

The best game of the year so far.

After our football lesson in round 3, the team was ready to demonstrate how good the side can be when they operate as a unit.

We got off to a solid start with 2 goals (to Tim and Duncan) and 2 behinds in the first quarter. While it was an encouraging beginning, we were still showing signs of trying to rush our possessions – either not taking the ball cleanly or moving the ball on without thinking about options.

In the second and third quarters we were more composed – and would have been even further in front if not for some unlucky bounces and some wayward kicking. That said - goals continued to be spread around the team – goals to Thomas Cesaro, Tim, Josh and an awesome ping from about 35 metres out, tight on the right hand pocket from Harrison Carter.

The challenge was laid down to Walter in the last quarter – being moved from the back line to full forward - to finish the game off. Walter repaid the faith Trevor put in him with 3 goals, with another goal to Harrison. Harrison's second came after some silky team skills that saw the ball move from Luke at full back, to Sam to Callum to Tom to Tim to Harrison to score in the space of around 15 seconds. It was vintage South Australian fast ball movement on one of the biggest grounds in the league (Ford Park). A lot of pressure (and some errant kicking in front of goal – not mentioning any names here) – saw us collect 18 behinds for the game.

Overall a great win – and some fantastic application – offensively and defensively from the team throughout the game.

Match Report

We are greeted with perfect footy weather as we tackle a team we beat during last year's finals at our first venture home at Ivanhoe Park

Q1 – The game is tight early with Ivanhoe it seems second to the ball and therefore giving away early frees. One which gives them their second goal and after a stoppage close to goal they goal again. Jono is playing well, takes a strong mark but unlucky to not find a leading Dan. Good strong play by Finbar out of defence drives the ball forward. Another great piece of play by Jono and Conor goals.

Q2 – Ivanhoe wins the first clearance which is a good start to the term. It looks like the boys have come out to play after some guidance from coach Simon at the first break. Good work in defence from Max and Brody who clear the ball forwards which after a free kick results in our second goal to Sean. Kane earns a free kick but just misses and when Jono gets onto a long kick that clears the pack it is 3 goals a piece at half time.

Q3 – Chris takes a strong mark on the wing and we start well moving the ball quickly into the forward line. It is tight for 10 minutes and then Preston score their first for the quarter. A good tackle by Chris stops a certain shot on goal but no free kick is given. The ball rebounds and Preston kick their 5th. An errant kick late in the quarter give Preston their 6th goal and the boys need to work hard now to keep in the game.

Q4 – Preston goal early and lead 7 goals to 3. Mitch marks strongly and follows up with a dashing run. A Sean tackle results in an Ivanhoe goal and with the next centre clearance are we still a chance? Preston goal again but the boys fight it out to the end scoring the last goal of the day.

Colts W

Match Report

A tough assignment always confronts teams playing St. Marys at home.

Made even tougher when that St. Marys team sits atop the competition ladder undefeated. This was the assignment that confronted the Colts W Team on Sunday.

The 1st Quarter was an even affair with two goals apiece and St. Marys 2 points in front at the break. Big Al was getting first hands on the ball in the ruck, Jake Maher was tackling everything in a St. Marys jumper and goals to Riley and Will resulting from great bullocking work.

The 2nd Quarter almost mirrored the first with tight, tough footy on all lines. LJ was pulling in everything kicked in his direction, Reeves was taking on the St. Marys forwards and repelling every wave of attack and Will continued to find ways to kick goals. A couple of missed chances late resulted in St. Marys still holding a two point margin at the main break.

The 3rd Quarter saw Big Al limping and up forward, Gibbo was extracting himself from even the tightest packs and we continued to play with passion. A little undisciplined play saw goals to St. Marys with them holding an eight point buffer at $\frac{3}{4}$ time.

Early in the last quarter St. Marys kicked away and lesser teams would have thrown in the towel, but this Colts W group is made of sterner stuff and we continued to come at them in the last 10 minutes. Players quiet for most of the day started to lift and support our usual leaders and St. Marys started to look panicked. In our enthusiasm we seemed to lose a little poise with our delivery into the forward line and in the end St. Marys had prevailed by 14 points but knew they had been in a scrap to the end.

Colts B

Match Report

Ivanhoe hosted Camberwell in the unfamiliar environment of Bulleen Park. Jesse Frost was making his hundredth appearance for the club.

The Hoes looked to be well in the match at quarter time, trailing by only ten points. Greeny found Marco for the opening goal and Adam Moffa added a second soon after. Jacko was picking up pos-sessions at will in the midfield and providing plenty of trouble for the visitors.

But the Sharks dominated the second term and led by 40 points at half time. Ivanhoe's game fell away and was characterised by dropped marks, poor decision making and loose tackles.

The Hoes recovered slightly in the third quarter. Tiger pinpointed the unmarked Jacko within scoring range and Harry Hopkins fol-lowed up with another. Camberwell assumed control again in the final term and took the final margin out to 56 points.

Jeremy encouraged his charges to keep their heads up. Colts foot-ball presented bigger, tougher opponents and was far more physi-cal than what they had been accustomed to in the lower age group. With four rounds completed all clubs were about to be regraded for the remainder of the season.

Jeremy praised Adam Moffa for being hard at the ball and striving to present a mobile target in attack. He also endorsed the efforts of Paddy McAuliffe for taking a number of saving marks in defence and laying some bone jarring tackles on opposition forwards.
