

SPORTZWARE ONLINE RESULTS

USER INSTRUCTIONS

Associations can provide Sportzware Online Results to its clubs and/or teams to enable them to submit results over the Internet.

Entering match scores through Sportzware Online Results does not immediately update the website results. It means the scores are now available for the association, which manages the competition databases, to verify before uploading to the web.

1. The association must firstly send their clubs/ teams their login codes.
2. There are 2 different ways to log into Online Results. The first is by going to the draw on the association's website and clicking on the **Enter Results** next to the game they wish to enter results for.

The screenshot shows a web interface with a navigation menu on the left containing: Fixture, Results, Ladder, Statistic Leaders, Round Summary, Competition Statistics, and Reports. Below the menu, it indicates 'Normal Season | Finals Matches' and 'Rounds: 1 2 3 4 All'. The main content area features a 'Grand Final' section with a table of matches. The table has columns for TIME, HOME TEAM, AWAY TEAM, and VENUE. A match is listed for 7:40 PM on Fri 26/Sep, between North Ballarat and Port Melbourne at Telstra Dome. To the right of the match, there are three links: 'Email Match Reminder', 'Detailed Results', and 'Enter Results', with the last link circled in red. An 'Add to myFootyweb' button is also visible. Below the table, a message states 'This round has not been played yet.' and a timestamp reads 'Last Uploaded : Mon 22-Sep-2008 15:45:20'.

This will take you directly to the match menu (see step 6) for that particular game.

Alternately, you can log in through this url:
https://reg.sportingpulse.com/olr_v3/onlineresults.cgi

and search for all matches fixtured for your club/team. The association may add an Online Results login box to their website to provide easy access for their clubs/teams.

3. The above url will bring up the following login screen. Enter your club/team username and password to log in.

The screenshot shows the 'Sportzware Online Results' login interface. At the top left is the 'Sportzware' logo. To the right, the text 'Online Results' is displayed in a large, stylized font. Below the header, a message reads: 'Please enter the Username and Password supplied by your association to submit results for this match.' There are two input fields: 'Username:' and 'Password:'. Below these fields is a 'Login' button. At the bottom left, there is a copyright notice: '© Copyright SportingPulse - Online Results v3.10'.

4. Enter a date range for which you wish to view matches. Alternately, you can specify to view matches played at a certain venue or in a certain competition. Click on **Show Matches**.

The screenshot shows a search interface for matches. It features a dashed horizontal line at the top. Below the line, the text reads: 'Show matches between (dd/mm/yyyy):' followed by an input field containing '9/9/2008', and 'and (dd/mm/yyyy):' followed by an input field containing '7/10/2008'. To the right of these fields is the label 'Venue:'. Below the date fields is an empty input field, followed by the label 'Comp:' and another empty input field. To the right of these fields is a 'Show matches' button. Below the search fields, there is a bold instruction: 'To submit results for multiple matches without returning to this screen, use tabbed browsing (for compatible browsers). Hold down the CTRL key whilst clicking the 'Enter Results' link'. At the bottom, there is a note: 'To view match list, enter the match date range and click the **Show matches** button above'.

5. All matches within your search range will be shown.

Show matches between (dd/mm/yyyy): and (dd/mm/yyyy): Venue: Comp:

To submit results for multiple matches without returning to this screen, use tabbed browsing (for compatible browsers). Hold down the CTRL key whilst clicking the 'Enter Results' link

7. Click on **Final Match Scores** to enter the final match result.

NB: There are a number of other options on this screen including team selection, player stats, and team sheet/ match card reports. You may use these options to enter players into teams, record goals scored as well as red/ yellow cards, shirt numbers, officials, etc. By doing so you are building those players' career stats/ games played and providing additional information to website viewers (optional), as well as assisting in the club's own internal record keeping.

8. Update the full time score for both teams (half time score not compulsory).
9. Select a final result (eg. won, lost, drawn) for each team under the drop down menu.
10. Enter any other details, such as red and yellow cards, goal scorers, or a match report.

11. Click on **Save**.

NB: If both teams are required to enter their team's information, they will both see the same screen. So the second team to log in will view any information that has already been entered by the other team.

You will be returned to the Match Menu. Click on **Match List** in the top menu to view and enter results for other games (see step 4).

The screenshot shows the Sportzware Online Results interface. At the top left is the Sportzware logo. To the right, the text "Online Re" is partially visible, with a red circle around the "Match List" link in the navigation menu. Below the navigation menu, the match details are displayed: "West Sydney Berries vs Sydney Olympic" and "TELECHOICE PREMIER LEAGUE 2008 22/02/08". The "Match Menu" section is highlighted, and a list of options is shown for "West Sydney Berries":

- [Team Selection](#)
- [Add/Edit Match Jumper Numbers & positions](#)
- [Add / Edit Team Officials](#)
- [Enter Detailed Player Results](#)
- [Reports](#)
 - [Team Sheet](#)
 - [Team Sheet Page 2](#)

The association can now synchronise the Online Results information into their Sportzware Central database. Once verified, they can upload to the web.

The association may also lock all games to prevent clubs/teams from making any changes or overriding information that has been submitted. Once locked, match details can only then be changed by the association.
