## **Mallee Sports Assembly Sport & Recreation Volunteer Award**

The Tyntynder Football Netball Club nominated Mr Robbie Jager for Mallee Sports Assembly's Sport & Recreation Volunteer Award.

Robbie Jager is what Tyntynder Football Netball Club (TFNC), call "volunteer gold". Hard working, reliable and uncomplaining, Rob goes about the business of contributing large amounts of his own time to our club without any thought of personal gain or personal reward.  
"Yep, volunteer gold"

Rob likes to "keep busy" and donating his time and skills to the TFNC is his way of giving back to the community. Rob admits to getting a personal sense of "belonging" from volunteering and is a familiar face around the club - like "part of the furniture" in fact.

Whether it be painting the scoreboard, painting the seating around the ground, cleaning the clubrooms or manning the scoreboard at each home game - Rob does it all willingly, never having to be asked and going quietly about the business of maintaining and enhancing the Tyntynder Football Netball Club
