

Hi everyone,

This Thursday night the WAIKATO PISTONS will play the New Zealand National Basketball League (NZNBL) table topping OTAGO NUGGETS.

The game will be at 7pm at Hamilton Boy's High School.

General admission prices are reasonable for an indoor event.

Students (up to University age) are \$5 (with student ID). Adults are \$10 per person.

Family passes are \$30 (for two adults and four children).

Come along and support a young Pistons team back in action in the NZNBL.

Zack Atkinson and Garrius Holloman are doing a great job leading this young Pistons squad while current Tall Black Tai Webster has had a breakout season.

Leading the Otago team will be former Tall Black legend Mark Dickel—still one of the quickest guards—in the NZ NBL.

Former Piston players Hayden Allen and BJ Anthony are also having a great season with the Nuggets.

See you at 7pm for tip off.
