ROUND 2 REVIEW

J.L. "Fred" Smith

THE reigning premiers unfurled their grand final flag at the Bay and then accounted for Nangwarry by 35 points.

Hatherleigh celebrated the opening of their \$600,000 facilities upgrade with a big win over Mt Burr as they achieved 59 scoring shots to just 15.

Robe improved slightly on their round one performance but still lost at Glencoe by 156 points.

At home, Kongorong lowered the colours of Kalangadoo to the tune of 21 points.

Tantanoola had a bye, of sorts, but nine days ago played a Thursday night trial against South Gambier at Premiership Park.

It has been an amazing week in football across the Green Triangle with results from three nearby leagues of interest to many of us here in the Original Family League.

The Sandford combination (with a touch of Kalangadoo and Glencoe) had a big loss to reigning premiers Heywood in the South West District Football League.

Portland whipped the Port Fairy Seagulls by heaps in their debut in the Hampden League, but it was less happy times for the two Hamilton teams.

The new Hamilton Kangaroos lost at home to Cobden by almost 12 goals.

ROUND THREE PREVIEW

THE crowds at the four matches in the Original Family League might dip somewhat today as the other league is commencing its minor round.

Nonetheless, there is plenty of interest in the Mid SE over a dozen matches of footy and netty at every ground every Saturday.

We have 53 years of experience of playing the two codes ever Saturday.

The Ian McInnes Memorial Shield has not left "Mick" and Jean Walker Oval in recent years but it might do so today.

In recent seasons, this battle of the Mossies and the Murphies would have had Match of the Day status.

It is looming as a lop-sided contest as the Burr Boys have begun the season without distinction while the Murphies are shaping up nicely under new coach Simon Brook.

On form, you would tip Hatherleigh to win at Kalangadoo but the Magpies will make the Eagles earn the points.

I genuinely believe the match between Nangwarry and Kongorong could go either way.

Both sides had poor starts in their round two matches.

The Saints had a few key players missing on account of grape harvesting duties and could ill-afford to lose the toss at the seaside.

The Bay Boys thus had the benefit of a strong breeze in the opening quarter and made good use of it to post the first six goals of the contest.

Thereafter, Port Mac and Nangwarry posted 12 goals apiece with the Saints seldom looking like bridging the gap.

It was a different story at Kongorong, although the home team also kicked into the wind in the first term.

The Hawks looked scratchy in this period and turned over the ball all too frequently.

They allowed the Magpies to get a five goal break and had to work hard to get themselves back in the game.

HATHERLEIGH Sport & Recreation Centre President Garry Schulz, Wattle Range Council Mayor Peter Gandolfi, local member for MacKillop Hon Mitch Williams, project committee member Trevor Rayson, (back) MSE League Netball President Kylie Serle and Football League President Peter Mitchell pictured last Saturday at the official ceremony for the redevelopment opening.

Robe return home today but won't open their account against Tantanoola.

I expect Josh McRostie will play today for the Roosters after popping a shoulder in the opening match of the Pre-Season Cup at this venue last month.

PENOLA

THERE were a few eyebrows raised around the region last weekend when the results of our neighbours in the KNTFL came to notice.

Extra interest was focussed on the form of Penola as the KNTFL Eagles have looked far and wide for players in their bid to improve on their lowly ranking of ninth last season.

Well, the KNTFL got underway and Penola flogged their (and our) neighbours Lucindale by 149 points.

Ex-Robe skipper and Port Mac player Dylan Coxon headed the list of best players while the lists of goalkickers and best players included such recruits as Naracoorte pair Matt Wilson and Ben McIntyre.

Ex-Nangwarry junior Jon Copping is back at Penola for

2013 and headed the goalkickers with six as well as a mention in the best players.

It all depends on who you talk to but it would appear Penola have been very keen over summer to attract players from our Original Family League, the remaining Western Border clubs and elsewhere in the KNTFL.

According to the rumour mill, the goodies on offer at McCorquindale Park have gone well beyond the traditional incentives of the occasional ute-load of wood, tank of petrol or dressed side of sheep.

Mid SE club insiders have told me that some of their targeted summer time recruits instead opted for the blue-and-gold colours.

Penola's recruitment practices between the 2012 and 2013 seasons attracted the attention of ex-KNTFL president Kym Hebbberman and media commentator Gorden "Milo" Milosevic on the Radio 5SE Sports Show just over a week ago.

Over the years, the Penola Football Club has enjoyed excellent support from the local

government sector and has been allowed to host an AFL pre-season game involving the Adelaide Crows (something which has been denied to Millicent and all nine Mid SE clubs).

Like all the other KNTFL clubs in 2010, the Penola Eagles were able to have a significant corporate sponsorship package provided to them but not to Mid SE clubs.

The Mid SE has been a fruitful recruitment ground for Penola over the years with three coaches in Michael Jones (Glencoe, Kongorong and Kalangadoo), Adam Wiese (Robe, Hatherleigh and Mt Burr) and Jon Copping (ex-Nangwarry junior) coming from our ranks.

Without a doubt, the stand-out ex-Penola player to come to the Mid SE was gutsy rover David Ey.

He spent just three seasons with the Burr Boys in 1995/96/97, took them top in the first two seasons and won the Stan Jones Medal as best-on-ground in both grand finals.

A few other Mid SE champions have made their way to the Original Family League via Penola including Andy Gray (a Walker medallist and multiple Carthew medallist with Tarpeena), Nicky Pratt (Kalangadoo coach and president), Jamie Walker (Robe coach and a leading MSE goalkicker) and Shane Ploenges (Tarpeena coach and Nangwarry president-for-life).

The last Penola premiership coach was a dread-locked Daniel Clark a decade ago.

He came to the KNTFL Eagles via his home club East Gambier and then SANFL zone club Glenelg.

Clark tried his all when he took up the coaching reins at Kongorong but to no avail.

I don't think I have met a nicer guy in the Mid SE in the past 31 years.

Known in the KNTFL as the Southern Eagles, last year's Southern Border Review suggested Penola as one of the teams which might make up a Super-Duper Premier League in the South East.

The question remains: Will Penola ever consider returning to the Western Border after being a flag-less member of this competition from 1964 to 1988?

No longer would the Penola contingent face the long drives to Frances, Bordertown, Kingston, Keith and Kaniva.

Instead, the maximum distance to travel would be the comparatively modest 69km to Casterton.

I will return mid-season to look at the fortunes of Penola and especially our lads in Coxon, Copping and co.

If you want to make your own assessment of the KNTFL Eagles, head along to McCorquindale Park this Thursday (ANZAC Day) when they host Border Districts.

INTERLEAGUE

IT is great to hear that our Mid SE interleague campaign is taking shape with three of the top jobs filled by blokes who love, and know, their footy.

Former Mt Burr coach Jeff Medhurst is an excellent choice of coach and another wise decision is to appoint new Tantanoola assistant coach John Richter as his deputy.

The key role of manager will be filled by multi-media star Bill Chapman who also had the job in 2012.

It has been decided that the Mallee Football League will play the Mid SE on June 8 at Kalangadoo which, as Sav fully knows, is 35 km from Penola.

Within a few weeks, I will put up some names who should be in contention to proudly wear the red and black colours of the Mid SE.

ANOTHER week down in the Family League with some big winning margins being the order of the day. I'm a little bit slow off the mark this week as I'm still celebrating the big Power win over the Crows (just had to get that one in Gladys). A big hello to all of my Crow mates and it's very nice to have a win over them at last.

Back to the real world and last week it was my turn to take Stumpy for a ride so I got out the horse and cart and off we went to Port Mac. I'm really getting worried about the town because the experts keep saying that the ocean will gobble up the place in the near future but amazingly houses are still selling on the beachfront down at the Bay! (What's that Gladys? What is an expert? This is a family magazine so I'm not answering). Heavy showers were in vogue in Mount Gambier on Saturday morning but when we got to the Bay the only problem with the weather was the gale force winds blowing towards the clubroom end and causing havoc for the players.

Stumpy and yours truly got the game between the locals and the Nangwarry Saints underway and the home side took full advantage of the strong winds to be about seven goals up at quarter time. To the credit of the Nangwarry guys they refused to drop their bundle and over the next three quarters they managed to stay with the Demons. It was a pretty good game and the discipline was very good throughout although one guy found himself on

the bench with an unnecessary late tackle behind the play. A bit of disappointment for the Saints supporters as no player numbers appeared in the budget. There was a bit of a stuff up by the two guys in charge when, within a matter of minutes we managed to bugger up a couple of calls with a lack of communication. Sorry about that guys.

Welcome back to "old timer" Donald Gordon who moved to the dark side for a short stint but has seen the light and come back into the Family fold. We also welcome former Robe player Fabian Bigmore who has thrown his hat into the umpire's ring. Fabian, who was a very handy player in his day, umpired Senior Colts last week and according to a well known grand prix driver did an excellent job. Another new face to emerge at training last week was former player Dion Vanderhorst who has had a stint at almost every MSEFL club. Dion will hopefully have a run in the near future but my spies tell me he went very close to a run in with a returning umpire whilst playing in the Reserves at Hatherleigh last week! Good to see these new faces helping out but we can always do with more so don't be shy if you want a run.

Thanks to Cohen Williams and Dustin Knaggs from Tantanoola who helped out with umpiring last week. New recruit John Ralph had a run in the Reserves last week at the Bay and if he can keep his dicky knee out of trouble will be a welcome addition to the panel.

Speaking of, John Ralph and I noticed a guy by the same name was writing an article for a national newspaper last week. He claimed in his article that the recent Freo v Essendon game was one of the greatest minor round games ever played! If that is indeed a true fact the good Gladys and

myself must have been smoking the wrong turkey whilst watching the game! (Just joking Gladys). And speaking of smoking the wrong stuff what on earth was going on in the minds of the AFL rules committee when they sat down at the end of last season. There have been some very silly rule changes over the years but the sliding in rule must surely take the cake for the silliest. The poor umpires are as confused as the rest of us and the s...t really hit the fan with the O'Brien v Hodge fiasco in the Woods v Hawks game last week. Give us all a big break and send the panel on an all expenses paid ten year trip to Mars. I hear the weather is good all year round up there! If they continue to change the rules at the current rate we will all end up in the land of confusion instead of watching a great game of Aussie football.

Great joy for Burr pair Chris and Lisa Scott when another Scott triplet, Brad became the first Aussie to win the US Masters Golf Championship last week (what's that Gladys...he's no relation. Blast). Things get underway in the Western Border league this week and it will be very interesting to see how that all unfolds.

Just a mention on boundary umpires in A grade matches. I know it is difficult to get volunteers but some clubs are sending out a poor under aged kid to run one side of the field on his own. I've run boundaries in my younger days and in my humble opinion it is very unfair to expect one youngster to keep up with play all day. We have an A grade competition which deserves a little bit more professionalism than some teams are currently showing.

That's it for this week. Enjoy your footy and netball and take care.

MSEJFL JUNIOR INTERLEAGUE

THE appointments of coaches for the Interleague games for the June long weekend have been finalised with training to commence in May.

This year Tony Elletson has accepted the invitation to coach our under 14s team while Tim Biggins and Ashley Hales will be continuing with the under 15s and under 17s respectively. Tony is currently assistant coach at Kongorong and first moved to our region as the SANFL Regional Development Co-ordinator. I am also pleased that our Interleague coaches from last season were willing to continue in the roles and the experience they bring with them will be beneficial to our players. All are experienced coaches and I thank them for their commitment to these roles and trust we can get behind them as we strive to perform well both in the games against the Mallee League and also at the Naracoorte Carnival.

Clubs have been asked to nominate players for the training squads and these need to be sent to Lu McInnes by Tuesday, April 23. Letters of invitation with training dates and coach's contacts will be sent to the players invited to participate.

Hopefully we can have a successful Interleague program and our players benefit from playing together at this level.

MEDHURST APPOINTED COACH OF MSE TEAM

FORMER Mount Burr coach, Jeff Medhurst (pictured) has been appointed as the new senior interleague coach of the Mid South East Football League.

The MSE hierarchy has appointed new Tantanoola assistant coach, John Richter as his deputy while Mount Burr committeeman, Bill Chapman will continue his 2012 role as team manager.

The trio will oversee the so-called Family League's preparations for the return match against the Mallee Football League on June 8 (the Saturday of the Queen's Birthday long weekend).

It will be Medhurst's first time as the coach of an interleague side and he said he was looking forward to the opportunity.

"I will be looking to have the best squad available," he said.

"I have contacted all the club coaches and it is looking pretty positive."

He said he was confident that the best players in the competition will make themselves available.

"I reckon we will have four training runs but the dates are yet to be set," said Medhurst.

Medhurst's home club is West Gambier and he enjoyed great success at Mount Burr as a premiership player and is a life member.

He was senior coach of the Mozzies in 1986-87 and 2012 while his five seasons as assistant coach brought premierships in 1995-96 (under David Ey) and 2010-11 (under Mark Kruger).

Medhurst represented the Western Border Football League in its loss against SANFL club, South Adelaide at Malseed Park in 1982.

A few years later, he pulled on the red and black jumper of the MSEFL in its narrow defeat at the hands of the River Murray Football League at Murray Bridge.

The MSEFL coaching vacancy fell vacant in 2012 when incumbent Kevin Briggs decided to bring his unbeaten senior stint to a close.

Medhurst's two supporters are well versed in the footy world.

In addition to his 258 games with SANFL club, Sturt, Richter has also good footy experience with Kalangadoo, Kingston, Mount Lofty and South Gambier.

Originally from Victoria, Chapman played with Collingwood reserves in the then VFL and also in the VFA.

His South Australian playing experience was at West Gambier, Millicent and Mount Burr and he has the uncommon distinction of heading the goalkicking tables in the both the MSEFL and WBFL.

He was a member of losing grand final sides with West Gambier in 1977 and 1979.

TANTANOOLA RETAINS NEIL VON DUVE TROPHY

TANTANOOLA has retained the Neil Von Duve Trophy with a determined 10 point victory over neighbouring rival Glencoe in round one action.

Tantanoola held the upper hand for most of the first half before Glencoe were able to kick seven unanswered goals to take the lead by 9 points heading into half time.

In an even second half, neither side were able to gain any ascendancy, however with Tantanoola's Mitchell Reilly providing a strong forward option and Jason Rowe continually clearing the packs, Tantanoola were able to keep themselves in front at the final siren.

Jason Rowe was justifiably awarded the Neil Von Duve medal from family members Cameron, Brad, Gareth and Joe Von Duve, with Tantanoola's playing coach Tim Stringer accepting the cup.

FOOTBALL

ALTHOUGH the Saints failed to win a game against Pt. Mac last week, the Seniors put in a very creditable performance against the reigning premiers to give hope to our supporters for the coming season.

The Junior Colts came up against a very big and impressive Pt. Mac side who were simply too strong over four quarters. A good effort by all players and hopefully we can open our account for the year today.

The Senior Colts, with the help of a few players, played a very competitive game and although beaten can be pleased with

their performance. We are still lacking numbers and are relying on the help of opposing teams to field a side which is appreciated by the club. We are continually on the lookout for more players and hopefully our situation will improve as the season progresses.

The Seconds were slightly disappointing when they suffered a big defeat. They had expected to be more competitive but until players regularly attend training we will continue to struggle to play four quarters. No doubt we will improve as we get fitter but we need to win games early.

The Seniors put in a very good effort to make Pt. Mac earn their win but a slow start enabled Pt. Mac to kick the first six goals of

the game which was the difference between the sides at the final siren. Still the Saints look to have improved on last season, now we have to turn those promising signs into wins. Let's see if we can cause an upset today.

The Ladies Committee would appreciate donations of cakes on home games and also if you can help in the canteen for an hour or so please contact Cheryle Dinnison who you can also pay your membership to. Support your club and become a member.

Today it's Kongorong and let's see if we can cause an upset or two.

Nangwarry Football Club is proudly sponsored by Green Triangle Recyclers Mount Gambier and Lion Nathan.

NETBALL

FOR our first game of the season we had a great start coming off with four wins for the day, a great effort by all teams today. I would just like to thank a few businesses for donations of senior awards. Thanks to Muffin Break, Fasta Pasta, Patrick Wines and the footy club for donating these to our club. It's much appreciated. Let's keep up the good work girls this week.

A GRADE: What a nail biter for our first game girls, we definitely made ourselves work hard for it. I think it took us a while to settle. We were a little nervous to start then we settled, got some patience and started to pull away. But an awesome effort for a brand new combination. Once we play a little together and know how each other plays, things will come into place. Natasha and Eb started to combine well and finish off beautifully, with some great feeding by Nic and Kelly. Tanya, Kayla and Teresa worked hard all game turning the ball over numerous times, giving our attack plenty of opportunities. In the third we all took our foot off the pedal a bit and that was fitness, but pulled out the goods in the last. Overall and excellent effort by all with so much room to improve. Keep it up girls. Fasta Pasta award went to Ebony for a great game in GA then swinging into defence in the last well done.

A RESERVE: What a way to start the year! Well done girls. I could not be more proud of each and everyone of you. We worked

hard all last year, continued to train together during summer and finally got to see the results. Welcome to Kerri McNair and Simone MacDonald into the team. We took a quarter to get into the swing of things but we played well with the new combination. Kerri and Carly combined well in defence getting hands to lots of balls. Chloe, Tamara and Simone contested every ball and drove the ball down into the circle beautifully and your passing was brilliant. Angela, your body work, drive and rebounding was spot on today so keep it up mate! We played a hard game with a great level of intensity and that is exactly what I asked for. Best today Simone MacDonald (Fasta Pasta) and Chloe McDiarmid (Muffin Break).

B GRADE: Nang 39 Pt Mac 36. Well what can I say, what a way to start the season, with only 7 girls to work with, with no thanks to me injuring myself before the game even started, certainly unsettled the beginning of the match. A close nail biting game with nerves playing a big part but with patience and some top defensive work by Xtal and Lones we got there. Made worked hard at C for the full game and when it counted Tahlia finished off with some great goals. All girls lifted when it counted and it showed in the second half of the match. Now let's work on court structure and all those little things that we forgot due to nerves setting in. Awards Xtal Muffin Break and Fasta Pasta Lines.

B RESERVE: Great start to the season girls, unfortunately we couldn't come away with the win, but I was happy with the way everyone played. We have got a few things to work

on at training but that's to be expected for a new team. Let's come out strong this week. Fasta Pasta award - Vicki Cranwell

17 & UNDER: Nang 44 Pt. Mac 27. Great win to start the season off girls. Kelly and Eb stepped up playing very controlled, patient and utilised their on court strengths to its full. Caitlin, what she lacks in height, showed plenty of determination against a taller goaler, never giving up. As the game progressed all girls gained more and more confidence which helped to increase the scoreline. Keep working hard both at trainings and on game day. Awards - Video Ezy Caitlin, Hungry Jacks Megan.

15 & UNDER: Wet conditions made it hard for the girls to get a great start for the beginning of their season. With the girls struggling to bring the ball down into their goal third, Pt Mac's defence was just a little too strong. Only being our first game of the season the girls have lots of room for improvement. Video Ezy award Jasmine and McDonalds Amy.

13 & UNDER: Pt Mac 50 d Nang 22. Welcome girls, I'm looking forward to coaching you all. You all did extremely well against Port MacDonnell last Saturday. We were against tall opposition and for our first game for the season there were a lot of positives. However our last quarter really let us down. We were outscored by 14 goals which blew the final score out. Today let's try and concentrate and work hard for the whole game. Video Ezy award: Meagan Bonham, McDonalds award: Mollie Watson. Best Players: Meagan Bonham and Mollie Watson.

FOOTBALL

THERE is nothing like that first home game of the year. Apart from getting out on the park and showing your stuff to your supporters on your home deck, the excitement of knowing you aren't on the roster to sell the raffle tickets, man the canteen or run the boundary in the early game is pure bliss. Especially as you drive past your mates in the rain and make sure you accidentally drop all 20 of your 5 cent pieces for the raffle ticket into the newly formed puddle by your tyre. Seriously though, it was fantastic to see footy back at the Hawks nest and have everyone pitch in to make the day run smoothly, well done to all involved. To the players make sure you pitch in when it is your turn or there is no club going forward.

It certainly was a great crowd, and the noise made in the stubby shed as the A grade got themselves back into the match, brought a tingle to the spine and certainly was appreciated by the players. As everyone knows the club, and especially the football sides are making changes and we need our supporters helping us through the tough times.

The Junior Colts were obviously inspired by coach Long's colourful knitted jumper (club shirt is on order), as they came out very pumped up and certainly pushed a talented Kalangadoo side. Considering the wet weather, a record number of running bounces were attempted, and the untouched 7 bounce goal from the centre bounce

by the Kalangadoo young gun will long live in the memory. Liam Bottomley's goal gave reward for some excellent effort, and a win is not far away. Other players apart from Liam who had good days were Ryan Vickery, Cooper Sanderson, Tyson Modra and Jackson Robb.

Thank you to Jenks for getting his report in, and it goes like this... What a change in weather from last week, from red hot to raining. Our work rate this week was not good enough and this let our team mates down. Kalangadoo outnumbered us at the contest for most of the day and were prepared to work harder for each other. As the old saying goes, there is no "I" in team. For small passages of play we did work harder for each other and this was when we looked dangerous. Best player was Sam Baker who always gives 110%. Andrew Last gave his all, Dellon Brown played well in his first game for the club, Michael Waters was brilliant early, Aaron Lightbody took many marks using his long arms to advantage. Brandon Kranz also battled hard. Great to see Dermie and Dom out on the oval and hope to see them from now on.

The B grade again took some time to get going but after a chat at the first break and some great centre work from Col Hedwards the boys got things going and kicked away for a pleasing win. No one likes to see anyone get hurt and it was certainly a low point when Col went down with what looks like it could be a serious knee injury. Everyone will get behind Col and we hope to see him out on the park again when he can. Aaron Heemsker made an excellent return with 6 goals and getting amongst the better players and Wheelie put the yips behind

him to also finish with a classy dozen majors. Nathan Reid, Dan Hann and Sam Douglas were excellent in the midfield. Paul Charlton showed that just because you are young doesn't mean you can't play experienced football, and Snaky Rob climbed off his sick bed to contribute well.

For the A grade it was chocolates to boiled lollies in the space of 20 minutes as Kalangadoo came to play and put up a 5 goal to 2 first quarter that had Kongorong supporters nervous if not completely concerned. It was always going to be about character for the boys after that and bit by bit they worked themselves back into the contest. Kalangadoo would not lie down and the second half was goal for goal until half way through the last quarter when we kicked a couple in a row to give us a semblance of breathing space. Certainly not a pretty win but one the boys will get benefit from as staying focused after giving away a big start is important. Again as last week we had solid contribution from all over the ground, but better players were Bryn Weaver with strong attack on the ball, Matthew (Alfred E. Neuman) Killey providing excellent run and delivery in the back half, John Simkin whose brilliance in the air and on the ground kept us in touch early, Shaun Phillips either up forward or in the midfield was electrifying with pace and goal-kicking ability and Marty Von Stanke who kept cool under pressure and ensured the early margin didn't blow out too much.

So it is on to Nangwarry today for what promises to be a hard fought contest against a well drilled outfit. Good luck to all sides in football and netball.

NETBALL

JUNIOR 2: Well done girls! Great effort. Well done to Zahlia for getting our first 3 goals for the season! Well done to Emily, Kate and Marnee in the mid-court, top job, also well done to Cammie in the circle playing both attack and defence! You all played a fantastic game and are all improving! Awards went to Zahlia, Emily and Kate.

JUNIOR 1: Great effort. We are working well as a team. Good defence by Ebony and Keeley. Zara, Keeley and Amity ran hard at centre. Good work in the circle by Georgia and Brandi. Maddie played well in attack and defence. We are improving each week, keep up the good work. Awards: McDonalds - Ebony, RSL Tea - Amity.

13 & UNDER: All girls played exceptionally well, great team effort to win by 4 goals. The game was close all match. Some really good passing and coming in front. Well done to the best players Emily Lightbody and Brittney Allen, you both did a great job in defence.

15 & UNDER: Good work today girls considering the weather conditions. We have a little bit to work on but we are so pleased with the way things are coming together. Cutting in front and re-offering is something we will need to work on at trainings, but

let's get them next time girls!!! A big congratulations to Tori Evans who played her 50th game. Beck Ellis and Tori Evans for best players.

17 & UNDER: All girls played exceptionally well considering the change in weather conditions. It was a hard game from the start and all girls took to the court giving it their all. With a few falls on the court, the girls still held their heads high and played till the end, unfortunately Kalangadoo were too good for our abilities to keep up. Good efforts to Eleanor for first time in shooter as well as Graeson and Tiia who were determined to put their bodies on the line. Best players went to Dana and Tiia.

B RESERVE: Good game girls. We started out a bit slow and found ourselves playing from behind. Once we got going though we started to play good netball which saw us take back the lead which we were able to maintain until the final whistle. Great team game by all and especially Billie (Vanity Award) who was strong in GK and turned the ball over many times. Carla (Evolve Award) also played a well-controlled game and was the steadier when it was needed. Special mention to Katie who took on the position of C for the first time and did and fantastic job.

B GRADE: Well girls I don't really know what to say. We went down again by 14 goals. We need to work on our fitness. The last 4 minutes of every quarter lets us down. We will work on this. Best

players Hayley Greenfield (RSL) and Sarah Hawkins (Margaret Street Meats).

A RESERVE: A well fought game girls. It was only the 3rd quarter that lost it for us. Thank you for Cathy, Kim, Darcie and Tiia for filling in for us. We need to work on a few things but the passages of play we have look excellent. Great shooting from Sarah again and the defensive pressure coming down court is working really well. Good defence from Kaylah who didn't give up all game. Awards Kaylah Earl - Vanity, Sarah Eustace - Margaret Street Meats.

A GRADE: This was always going to be one of the hardest games of the year, with Holly Smith and Kimmi Saffin changing positions at quarter time strengthening both areas. Our hesitation with passes crowded all areas down the court but with persistency our last quarter showed our ability and belief in ourselves and our team mates, with talking and quick direct passes showing to ourselves and our supporters that we have a great base to work with. Let's train hard and have a great game this week. Awards: Holly Smith (Lorna Jane) and Ash Sturges (Fasta Pasta).

Congratulations to Tori Evans who played her 50th game last weekend

Hoping for better weather this weekend and wins all around the courts

FOOTBALL

ONE hundred and ten in the shade one week followed up the next week at Kongorong with overcast early drizzle ten degrees cooler definitely more suited to footy than the previous week which saw our lawn bowlers more heading off to play in the finals.

While our senior sides are still to sing the song this season it was more than pleasing to see the juniors crank it up, particularly our undermanned minis.

What a difference a week makes with both our junior sides having good wins last game. The Junior Colts took to the field with the help of a couple of Kong players and looking much the smaller side but played some very good team football to notch their first win for the year. A feature of the game was the work rate of our younger and smaller players. They were able to team together to keep pushing the ball forward into our scoring half. A great result and a big confidence booster. Best player were Nathan Reilly Pasta Pasta, Leigh Redford Subway, Jake Lang McDonalds, Sam McManus KFC, Angus Tucker Video Ezy and Tim Davies K'Doo Lions Club Ritchie Rich award.

The Senior Colts also had a good win but had a hard contest with the Kong boys. We are slowly coming together on the field and as last week's game wore on we are working better as a team. Well done to Lachie and Connor for playing for Kong and to all the boys' willingness to have their turn on the side. With extra numbers at the moment the coaching staff will be trying to rotate players as much as possible. Best players T. Jones Kriegers Kool Cash, J. Davies KFC Life Members, C. Howlett Pasta Pasta, B. Ousey KFC Thurs Night Tea, Jordan Brennan Kentucky Fried Chicken and B. Casey KFC Ladies Committee.

A reminder could all players return their medical forms and subs to any junior manager or committee member. Tonight the junior teams and families are hosting club teas. Could all players and families that are available

please stay behind for tea and lend a hand. The proceeds go towards our juniors.

Tin Can's Bees without the services of a few experienced campaigners that they were lucky enough to draw upon the previous week struggled against a Kongorong unit that even at this early stage look to be in the running for some finals action. Chrissy was back in the big time, Wombat flying out to earn a crust, and Gribbsy racking off to unzoned for the school holidays.

Timmy Brennan and Hollywood got roped in for another kick of the Sherrin. They could have been aided and abetted by former legends and windmill winders in Langy who helped out Snork with the juniors, Micky D pusher pusher and Clintorus amber fluid tester. Also noticed Matty Doody wandering aimlessly around with a bad case of itchy feet after rocking up on his tredley.

Can's boys kept a lid on proceedings in the first and last terms but allowed the Hawks to boot 14 of their 17 during the other two with firk all reply. Music man Jarred Kilsby kept his rhythm to be named best while other mentions went to Groves, Ben Whitehead, Dil and Gully.

Kongorong's win over the Burr indicated that they may be a hard nut to crack and this proved to be the case after a hard fought encounter that saw Muchacho's Maggies leading the way after the first and third quarters unfortunately drop off the pace in the final run home to go down the gurgler by 21 points despite having the same number of scoring shots.

Stand out for the Doo was our angry young Tit puller Jags Pratt who is definitely worth more than \$1 a litre at Coles or Woolies. His second efforts have complemented his usual bustling game. Others to the fore were Brad Auld, Pebbles, Banno, Big Stewie and Father Time Jonsey.

Swanee Opie got an goal umpires coat and flag for his 60th birthday and a centre spread in the Watch taking up his maiden match between the sticks. The old bloke showed more fortitude than his compadre Gilbo who went AWOL as Black Caviar entered the barrier for the big race. Luckily he had Kuhly on a retainer to act as fill in. Chrissy's big day out with Matty in the Mount

saw him back AN THAT with his tenner bringing back eleven smackers for a win an that! Trip home saw the boys chasing skippy and climbing pines near Tarps. He will embark on a semi pro pentaque career for Zema wines this week.

Apologies to B grade Woofa Scruffy who according to Missus Feathers bared his teeth after being called rusty in last week's notes. On a sadder note P.D. wore an arm band for his trusty hound Rex who got on the wrong end of a Joe Blake. Former Pie Killer Kilsby is in love with Eddie Everywhere after the Chief Wobble posed with the champ at Victoria Park, Eddie was chuffed.

Rear Admiral Boyd and family back in the Doo after doing a condensed Burke and Wills trip to suss out their intrepid daughter reports that long suffering Frau Heidi Hi was a tad nervous camping out after the sun set. Mind you the reborn Richmond wingnut could have chosen a better trip promo film than Wolf Creek. The old Pirate Thorny spent the week in the optometrists fine tuning his 20/20 vision for his annual red tailed Black Cockatoo count after failing to get the bag limit last year.

Fig had luckily been fitted with floaties prior to receiving a message in a bottle in the Bermuda Triangle from our NBN communications manager, the Crouchmeister advising of our bad day out at Kongorong. Mind you we weren't going too bad until media man Fred Smith rocked up into the timekeeper's box to put the hex on us. The boy was rapt when advised that the Doo will be hosting the interleague.

Benny Who, still to fill the red gum quota that he promised BC spent the day on his pat in Jaws back paddock. His old mate Gav having taken up B grade flag waving to fill his winter arvos in. Hilton bar chick Sandy dragged out her old Abby 45's and whacked on Money Money Money after fluking a better than average pokies win.

KDOO BOGAN NIGHT tonight with Jarrad Filthy Moe Kilsby. If anyone is energetic enough we have the Kdoo Remembers Anzac Dawn Service tomorrow.

A GRADE: Great result with limited turnover given by the girls. Due to the absence of Narelle, Kylie and Kirsty, it gave opportunities to U/17 players Kara Martin and Jade Lythgo who slotted in well showing that they are capable to step it up. Also well done to Amanda, Tanya and Kelli who played an extra half after having a tight game prior, you slotted in easily and performed well. It is extremely pleasing that I have the luxury of having players from our junior ranks and A Reserve to support and take the step up to A grade and perform well when asked. Congratulations to Ebony (Pasta Pasta Award) and Jenna who combined extremely well, taking the ball strongly and converting. Jayde continued her dominance through the mid court, Leah (Gambier City Pharmacies Award).

A RESERVE: A tough game against some very tall opposition, where we managed to scrape in with a win. Tanya and Jonesy earned best player awards for their outstanding defence. They got their hands to lots of balls and rebounded strongly. Anthea had a great game in goals, directing the attack line and moving the ball well. A few errors crept in due to fatigue, and still plenty of things that we can improve on, but overall a good team effort.

B RESERVE: Kong 41 – Kdoo 34. Once again it was a great competitive game against Kongorong. With one goal difference at the quarter and half time breaks, then 2 goals at 3/4 time a loss by 7 at the final siren was a bit disappointing. That being said there were some brilliant passages of play, just too many forced errors. Jes and Krystal were brilliant in defence this week and were awarded best players. Thanks to Megan for sitting on the bench and to Bri as my primary carer. Best players Jes Cook and Krystal Dunn.

U17: Great game girls, you all went out onto the court focused and ready to play. This resulted in us winning the first quarter 11 to 1. It was great shooting from Brianna and Sarah in the windy conditions and was great to see you both backing each other up with the rebounds. Kara had a great game in C taking many intercepts and provided lots of drive through the middle. It was fantastic defence from Mikaila and Jade in the circle, I can only see you guys getting stronger as the season goes on. Keep up the good work girls. Best players Brianna Cox and Kara Martin.

U15: Thanks girls for having me back for a fill in coach while Lisa and Judy were away; I hope I wasn't too bossy! Was not ideal shooting conditions but we worked hard defensively and created a lot of turnovers to ensure that we had plenty of supply. Whilst there is plenty of room for improvement we showed plenty of promising signs and will only get better each week. Monique (award) worked hard in defence and got a lot of hands

to balls and Jordy (award) and Kristen were solid all over the court under a lot of physical pressure. Let's make the most of trainings to get the basics spot on and the rest will follow!

U13: We had some really good passages of play – unfortunately there were some really awful ones in between!! We must start putting things learnt at training into the game situation – leading in front, passing to space etc. etc. Isobel and Emma started to show good combination in goals. Georgia gave her all in defence and had good support from Chelsea, Keryl and Jess. (What a pity after excellent intercepts we give it back though!!) Keely, Emmason and Shayla all showed some good signs.

JUNIOR 1: A good game by all on a windy wet day! We had some really nice passages of play with some combinations working really well. Lots of things to remember: timing our leads so we are not crowding each other, passing in front and meeting the ball. Keely had an impressive game defensively while giving us flow in attack. Shelby made some good leads and moved well in the circle. So the awards went to these two players, but well done to all of you, you are all working hard in all of your positions.

JUNIOR 2: The girls got their first taste of wet weather today but all played well!! It was awesome to see you all sharing the ball around and some GD attempts at cutting in front of the opposition today! Best players Imy, Brydie and Emily.

FOOTBALL

HATHERLEIGH welcomed a successful second week home ground round.

SAVE THE DATE! Hatherleigh vs Nangwarry, Round 4 – Featuring the Hatherleigh Calcutta and entertainment from Cassey Etheridge.

A GRADE: The A Grade produced another pleasing result with a 4 quarter effort. Watto was in-passable down back, Matt Fabris has fitted in well in the mid-field, showing great endurance. Tylah Saunders tackling was a highlight of his game, Tom Schulz's good form continued and whilst not listed in our best, Dylan Clough and Scotty Graham deserve a mention for the roles they played. Our goals were shared around with Jack Skeer leading the way with 7. Improvement is still needed in front of goal. Another test for our game plan today.

B GRADE: With a big home crowd to cheer us on, we played some really good footy to come away with a big win over the Burr. Super was dominating in the ruck and was giving the onballers first use all day. Hainsey was having a day out across half forward

NETBALL

LAST Saturday we welcomed Mt Burr for our first home game. The new verandah came in very handy with the early showers, many players and spectators keeping dry. The players also enjoying the larger changeroom area. Well done to all involved in the redevelopment of the clubrooms.

JUNIOR: In wet conditions it was great to see all girls giving 100%. Against a taller opposition. Abbey played well in goals and in defence while Rosie opened up play through the mid court. Welcome Riley on your first game. Awards \$5 Abbey and Rosie HNC Canteen.

U15: After yet another slow start our girls finally started to settle. With a better match for height this week our girls displayed some good passing and improved foot work. While we still have lots to improve on, it was great to see what we had worked out at training had been applied throughout the game. Awards this week went to Georgia Chant (Ladies Committee Canteen award) for her excellent defensive pressure, and Lucy Corman (Fasta Pasta) for her great dodging to the ball and pick up of loose balls. If we can continue to improve like we have this week, I am excited to see what the second half of the season brings.

U15: A very pleasing start to the season girls. It is great to see what we do at training put into practice on a Saturday. Our attack line communicated well all game and utilised the different options we worked on at training. Excellent defensive pressure provided plenty of turnovers and was led by Abby Smith. It's great to see our newest team members in Ellie, Annabell, Bailey and Maddie combining well with the existing team and working very hard at trainings. We

and ended the day with 6 goals. Gibbo ended the day with 6, also even with a bout of gastro. Stratty racked up plenty of possessions all over the ground but in the end it was a good team effort as we played the game on our terms. If we keep training, working hard and believing in ourselves we will reap the rewards! Today we take on Kalangadoo in what will be a tough game with a couple of ex-Eagles pulling on the boots for the 'Doo.

SENIOR COLTS: The Senior Colts had a pretty tough day against Mt Burr who had a very strong side, and look like they will have a successful year ahead of them. Our boys took a while to adjust to the wet conditions but once they did, matched it well with the Burr. Angus Altschwager was again very good of the half back line along with the rest of the backline group, who worked brilliantly all game keeping Mt Burr's score to a minimum. And in only his first year in Senior Colts, Mitch Pulmer had a stand out best on ground performance leading the way with his attack on the footy, and looks like a great prospect for the club. Also another great game from young Gilby and Kenty, and we hope Brett Watson has a speedy recovery suffering an ankle injury during the game.

JUNIOR COLTS: The Junior Colts played well as a team to grind out a good win against quality

welcome back Demi this week who I know will be very excited to be playing her first game of the season, having been on holidays for the past two weeks. Work hard today girls as we take on tough competitors in Kalangadoo. Fasta Pasta award - Abby Smith. Ladies Committee award - Grace Chay.

U17: In wet slippery conditions we came away with a win. Sarah had a great day in defence and goals, shooting accurately. Erin played well in all three positions, enjoying the variety. Jess maintains a consistent effort where ever she plays, feeding the ball well into the circle. Thanks again to Sophie for coming up from 15s, doing an excellent job, and also to Georgia who had her first game in 17s and fitting in very well. Best players: Ladies Committee Award Sarah Allan, Jess Allan.

B GRADE: We started the game a little bit slow with quite a few passing errors which we need to work on. We need to learn to slow our game down and to take the first and front options. We regained our composure in the 2nd quarter and were able to take control of the game. I thought our defensive work all over the court was strong and created many turnovers. Our effort to back up players and to grab the loose ball was another strong point of our game. We lacked a bit of concentration in the 3rd as we became tired and again started to throw a lot of the ball away, but were able to pick ourselves up and finish of the game strongly. Awards: Somerset Hotel - Mel Gibson, Prince of Wales - Casey Merrett.

B RESERVE: Great start to the season girls! Bit all over the shop to start with, with a few loose passes and other teething issues we need to address, but so proud of the way you all came together by the end of the game to finish off really strong. Great to see each player doing their absolute best at the position/s they were put in. Great work by Annabel and Catherine for adjusting as needed and putting the extra pressure

opposition. Although the scoreboard shows any easy win, general game play was even with both teams creating many scoring opportunities. After a tight first quarter in very wet conditions the boys lifted in the second to post a handy half time lead. Jez Jones, Luke McGregor and Jake Wight led the charge and had plenty of the ball. Blake Bowman and Alex Spehr created many turnovers across half back with great attack at the ball. Jess Allan and Jack Gray were reliable on the last line of defence. Matt Palmer was a focal point up forward and we are expecting big things from him this year. The awards went to Zac Jones (Toy Kingdom), Matt Palmer (Garry Nilsson), Jess Allan (Subway), Fraser Bradley (Hath ladies committee), Will Chay (Sport & Rec Steak) and Jack Gray (Fasta Pasta).

UNDER 11: Last Saturday we hosted Mount Burr to get our U/11 season off and running. Both sides had plenty of kids all eager to get a kick and have some fun! We got off to a good start with the team in good voice and plenty of smiles. A feature of our game was our sharing around of the ball and our run. Plenty of goals were kicked by both sides and you could really see the skills starting to come through. A big thanks to Brownly for umpiring and the dads for goal umpiring.

on. Fantastic job by Emily on your first game in goals, also to Ange, your improvement over the last few weeks has been sensational. Keep up the good work both of you. Huge thank you to Catherine, Megan, Claire and Grace for filling in. Could not be happier with you girls. Great work!

A RESERVE: Perfect start to the season, we have come away with our second win. A different line up again from last week saw another junior taking the court in seniors for the first time being Sarah Allan. Playing at GD, C she was able to show us she has some great talent to offer. Maddie playing 4 very strong quarters of netball in defence and showing improved discipline on last week! Great job Maddie, we will miss your strength back there in the next couple of weeks. We still have a lot of areas we can work on to improve and strengthen in weeks to come. Megan and Michelle working together well in the goal circle adjusted well to having a change of positions at half time, this is a combination which will only strengthen as the season goes on. Thanks to Amber, Kym and Nadine for helping with all the jobs! Somerset Hotel award - Maddie Redman.

A GRADE: Thanks to Yvonne Duckworth for timing, Marie Watson for scoring and Michelle Smith for Primary Carer. It's great to have volunteers keen to assist when asked. Also thanks to Jane Fitzgerald who gave us some special coaching tips last Saturday. We all enjoyed your advice and words of wisdom. Good team effort to record our second win. Tara gave us a strong target under the post while Georgie produced some timely turnovers down back. The pressure all over the court certainly does reduce the amount of ball that gets to Georgie and Kaitlyn. Keston finished off well with improved passing to Tara. Somerset Award - Kerrie Gray and Penola Pub - Kaitlyn Smith. Today we will need to lift our work rate further and strive to maintain 4 consistent quarters of netball.

FOOTBALL

WE welcome everyone back to the 'Mick & Jean Walker Oval' for the second time this year as we take on Glencoe in round three of Mid South East footy. Last week we travelled the short distance to neighbouring Hatherleigh and for some it would have seemed like a long trip home.

The day started off with a fantastic effort from the Mini Mozzies when they took on a great opponent in Hatherleigh in the U11s. Coach Justin loved the way all the kids played and they are learning and improving each week. It's great to hear all the positive comments from the U11 spectators on the lad's improvement and goes to show the importance of training. Well done boys and keep enjoying your footy.

The gods opened the flood gates for the Junior Colts and the rain came down. The boys got a bit of a footy lesson on how to play in the wet. Although they tried hard the lads came up against a larger and skilled Hatherleigh unit. Ash and I have the boys if you are gonna run amuck at training you will play like that on game day, and what happened, we got rolled. All the team realised it was a wakeup call and hopefully they can play that quality brand of footy which we all know they can in today's game against Glencoe. Ok let's get switched on at training and let's play footy, no more to be said about this. Better players 1st Darcy H., 2nd Brett R., 3rd Ben S., 4th Well done Connor C., 5th "Little Hirdy" Jack M., and 6th

'Mr G' Cory G. Before I go thanks to Finchy for doing the trainers roll, great stuff. Go U14 Burr Boys.

The Senior Colts knew they were in for a tough encounter against the Eagles on their home ground. To the boys credit their pre-season training came to the fore as they were able to play the large Hatherleigh oval to their advantage, using the space and running out the entire game. It's great to see last year's Junior Colts contributing each week and with the victory it made it hard again to choose the best players. Josh Stoner, Sam Wal, Andrew Ridz and Ash Buts got plenty of touches, Dyl Vanderhorst was a work horse in the middle while Billy Delbridge used his run to be our best player for the day. Once again a great team effort, the backline did a great job while our forwards functioned well, but there's still plenty of room for improvement. Keep up the hard work.

The Ressies took a big hit and once again it appears to be directly related to lack of training. With several regulars not available or injured we saw some veterans and Senior Colts take to the park and do the best they could for coach Scotty Les. Reserves coach is a difficult job at the best of times and Scotty needs some more players to get behind him, show some commitment and get on the track and have a go.

The A grade were comprehensively beaten by a very well drilled team who ran in numbers and always had options to move the ball constructively. When we did get possession we seemed to be under immense pressure to dispose of the ball and a lot of the time that meant they gained possession. The players didn't stop trying and a few times they were

able to produce some good passages of play but at the moment the effort they are producing isn't good enough.

Every now and then one hears a classic comment and there was none better than one made by a certain club stalwart who does the A grade time keeping week in week out, we will call her AB to protect her from paying higher rates. Following a meeting with the new council CEO after Thursday night training we were giving the said CEO a tour of the facilities when AB stopped us and told us some feedback from Kongorong about the terrific job done on our new 'Can Hill' and playing arena. She went on to add that it has all been achieved through hard work from our volunteers with no council assistance and proceeded to give the council a good serve. At this point I thought it was a good time to introduce AB to the CEO. There will be meals and free jukebox back in the clubrooms tonight so let's all get back there and support our club. Keep an eye out for upcoming wood cuts where we will need plenty of assistance in what will be major fundraising for the club. The social calendar has just been finalised and will appear on our website, budget and Facebook very shortly.

NETBALL

A GRADE: We certainly didn't start the game the same way as the week before. Missing Hayley through the middle certainly showed as we struggled around the circle with feeding more this week. Our defence, led by Heidi, continued to work all day against very tall timber, compared to ourselves and Heidi showed true spirit and never gave up and caused some great turnovers through her perseverance. Kate led by example and played some very clever netball to win herself the Somerset Award for the day. After our first quarter which saw Hatherleigh come out firing with great speed we did seem to pick our own game up and this quarter was a very even one as was the third. Unfortunately Eb fell over late in the quarter which led to a serious wrist injury and in the last quarter we were once again over powered by the opposition. A huge blow for us to lose Eb and I urge clubs to please make sure that the courts are clean and ready to go each week. Congratulations to our two juniors in Olivia Fuller and Chloe Vanderhorst who both played their first A grade game for the club and did a great job against a top side. Nice to see Rose again this season and thanks to Justine Brown for coming and umpiring for us. A huge thank you to Wanda Waring and the Hatherleigh trainers that helped with Eb and Emma Goode who also had a serious injury in the B grade, and I wish both of these girls a speedy recovery.

A RESERVE: A better game this week as in our court space and working the ball through the court.

Lisa continues to work hard to help open things up in the attack end and Bonnie never stops running to try and offer help. Stacey and Ann worked well in the defence end and never gave up and made some great intercepts to help our team. We must keep working on the court movement and our timing and getting our passes stronger, but all in all it felt better even though the score didn't seem that way. Keep plugging away and I am sure we will get closer to a win. Somerset award went to Stacey for her hard work in defence.

B GRADE: Tough game today against Hatherleigh, but we proved we can be a force to contend with by only going down by a few goals. Training is paying off so let's make sure we attend. Best of luck to Emma Goode who unfortunately is out for the season due to an on court injury Saturday. We all wish you a speedy recovery.

B RESERVE: B Reserve really stepped up to the mark this week. It shows a strong person when you can take pressure from your coach and push harder to do what you should be. Tracey Watts, you owned your position at GK. The way you put pressure on the GS is something to be very proud of. Seranne Aberle, to step into GD and work hard at what is needed of you is something to be commended of. Karen Gray, you amazed me, stepping into GA and doing a brilliant job! Have confidence in yourself! Best players Tracey Watts and Karen Gray.

17 & UNDER: Hatherleigh is known for the strength in their netball and the 17s was no exception. Although they were strong throughout the court, the girls made an effort and showed some nice passages of play. Playing out of position at C

Chelsey Leigh-Hawke ran out the last half, turning it over and intercepting the ball on numerous occasions. Grace Carnellor GK once again showed fighting attacking spirit despite a slight injury. Thank you to Georgie Hales from the 15s for taking the court for us and giving her all. Much appreciated.

15 & UNDER: Girls, we need to pass the ball to the player and we need to lead for the ball and meet the ball. Also need to play as a team, talk to each other well on the court and don't give up. There were some great plays throughout the game. Super effort from Olivia, she played GK and GD and Sharna has improved since the first game.

13 & UNDER: Well done girls in the worst conditions for the day. Once again lots of changes and once again adjusted very well. We started slow due to the wet weather and as the game went along we played some great netball. Great job by Chloe, Courtney, Mikaela and Emily in defence. We worked the ball well in attack with the two Sophies and Emma, with great support around the circle and some lovely passing by Kasey and Lani. For me as a coach it was good to see what we are doing at training is coming into our game. Congratulations Chloe on your first A grade game. Acky's award went to Sophie Falting.

JUNIOR 1: Congratulations girls on another fantastic game last week. It is noticeable you are starting to get a lot more confident in the way you played on Saturday.

JUNIOR 2: Great game by all girls, played very well as a team and in rain. Vouchers went to Jemma Hamilton Cherry Avenue, Ava Smith-Muhovics Toffee and Treats.

FOOTBALL

BOTH senior sides opened their accounts last week with two big wins. A big thank you to the Robe footy club for leaving our rooms neat and tidy after the final game. Well done, it doesn't take much effort to quickly throw strapping, empty cans and rubbish into a few bins.

While on the subject of cleaning the rooms, we have a wood duck nomination. A well known committee member and one of KCA's finest spent the week with a black eye. Yep, whilst vacuuming the rooms early Sunday morning, he had a scrap with the vacuum cleaner and came off second best. We didn't realise the dangers involved with vacuuming, perhaps he should leave this task to the ladies.

Last week at half time of the A's we held our Sponsors Draws for the year. Congratulations to Sportscene who are our major sponsor for the year. Thank you to all our loyal sponsors involved in the club. Without your support we wouldn't have a footy club.

Onto the footy. The A grade boys had a huge win and at half time the Roosters hadn't troubled the scorers. Our lads were a bit slow to get

going after the break and the Roosters kicked a couple in each of the last quarters. Well done on a good team, four quarter relentless effort lads.

Best player went to Trent "Witter" Hawke who has started the season well and gave us plenty of drive out of the middle. Mark "Snatch" Keiselbach again featured high in the best. Snatch is starting to get back to his interleague form from a few years ago. Tom "Tommy" Edwards played a great game linking up and got on the end of 5 snags. Other better players were Marcus "Gus" Von Duve and Adam "Bags" Creek in what was a fairly even spread. We look to build on last week and bring home the Ian McInness Shield from the Burr today.

The Twos also had a great win. The Roosters were a bit short on man power so we agreed to play with 16 on the field and 4 on the bench. All players but one spent some time on the pine as we looked to share the workload throughout the game. Welcome back Adam "Seals" Sealey from a couple of years off. Seals showed his class and poise through the middle of the ground and hit the forwards up all day. Mitch "Maddog" Laube settled in a lot better last week and his fitness allowed him to break the lines on countless occasions. Ali "Wolfpack" Scott banged through 8 sausages throughout the game. He also got,

or at least attempted to fire up the boys just before we ran out quoting a line from Vanilla Ice. Others who played well were Anthony "Kez" Cary who also played his first game for a couple of years. Tim "Biggo" Biggins and Sam "Giershy" Giersch also played well.

The Senior Colts battled their game out well against a good Robe outfit. The boys need to stick together and a win won't be too far away. Best players were Edward Trupp, who also played his first A grade game later in the day, Nick Herring, Nathan Smith, Lion Bignell-Wing, William Cleggett and Chris Adams.

Great effort displayed by the Junior Colts in the rain. The older players led the way. Billy, Kial and Daniel ran hard all game. Drew and Patrick went in hard to get the ball and defend against determined skilful opposition. Our newer players are making a great effort to get the ball, Jack, Danny and Shain all contributing to a good, competitive game. Best players were Drew Mallon, Patrick Mitchell, Billy Arthurson, Braedon Lipscombe, Jaidyn Shayne and Daniel Cleggett. A special mention to Shain Stonor for a great effort in his first game.

Teas back at the club tonight after a day at the Burr. Hope to see all back there.

GO MURPHIES.

NETBALL

A GOOD hit out last week to come away with three out of five wins. Was great to see a large number of senior netballers back at the club for the Calcutta and feels like we are well and truly back into it after our first home game. This week sees all teams hitting the court for the first time together this season and we wish you all the best of luck. Teas will again be available at the club tonight for anyone who doesn't feel like cooking.

A GRADE: 40-51. Bad luck girls. We played against some quality opposition and did a good job to stick with them for most of the game. However, as I said, we did lose it for ourselves with lots of unforced errors that simply need to be cut out of our game. Those things will take time and we just need to make sure that we keep improving. We can certainly beat that side second time around. Welcome back to Ashlea who played her first game back from injury earning a second best and also being appointed as captain. Special mention also to Bec who played a fantastic game in GK. Today will be a tough test for us against Mt Burr and we will

need to ensure that we are right on top of our game. Let's come away with the win.

A RESERVE: 49-42. Well done girls! What a difference a week makes to playing conditions! Good to have a win under our belt and there were some great passages of play throughout the game. There were some stages where we let ourselves down and we all know there are things to work on. Best players went to our defensive line up in Michelle and Kate with Chloe taking out the encouragement award in WD. Let's work on what we need to at training and come out firing again at the Burr.

B GRADE: 48-33. Fantastic team effort last week girls. We played steady and hard from the start and it paid off. Well done to Shannon Davis on her first game back and to Angela Tweddle for her tough defence and good talk. Our attack is working really well, with confident moving and shooting in the circle. We need to continue to come forward to take our passes all the way down the court and make sure that we want the ball. Our GK will work on her passing so we make the most of our turnovers as well. Best players this week went to Shannon Davis (DeGaris Lawyers) and Teisha Koop (Fasta Pasta). Let's push hard this week, focus and play our steady and stable game.

17&UNDER: 40-38. Another close game. Not good for spectators' nerves. A strong start saw us lead by 11. Defence played strongly all game and pressured Robe's goalies. Changes at half time brought together new combinations. We held off in the second half to come away with the win. Best players today went to Caitlyn and Emilee. Encouragement award went to Maddie for running at centre for a half.

15&UNDER: 13-25. Bad luck girls. Everyone put in a great effort in the wet. We just need to remember to listen to what we are told and then use it in the game. A wonderful last quarter effort was put in by all players. Best players: Sarah Edwards (Paradise Pizza), Bella Leane (McDonalds) and Madeline Watson (Red Rooster).

JUNIOR ONES: A wet start to our first game of the season. All girls tried really hard over five quarters against a good Robe side. Everyone worked well together as a new team showing great attitude. Welcome to our new players: Amber Rogerson, Kate Edmonds and Amber Thompson. Awards this week went to Emily Thompson (Best Player - Subway) and Kate Edmonds (Encouragement Award - McDonalds).

FOOTBALL

WITH lots of spare seats on the "landing barge", it was never going to be pretty when stand in coaches Clemmo and Doggsy hit the beach at Glencoe last Saturday. Confronted with a very formidable defence, urgent conscription practices had to be undertaken, resulting in a "Dad's Army" in the B grade, and a very young contingent (who must have lied about their age to enlist) in the A grade. Both "commanders" quickly realised, as goals rained down upon them, that visions of "victory and world domination" would have to be ignored. This would be an exercise in survival - keep your head down, and look after your mate - lobbing the odd grenade when the opportunity arose.

After the smoke cleared and the carnage removed, the skill of those coaches was evident. Drawing on their experience of many hundreds of campaigns, Clemmo and Doggsy were able to provide a very entertaining afternoon for the supporters watching from the safety of the surrounding "hills".

In what could have been a very "glum" day, rays of "light" shone through, all inspired by the gallant troops who answered the call. In the "warm up" assault, Daniel Watson and Daniel Clark (still badly wounded from the Hatherleigh campaign)

darted in and around the enemy tanks, causing them some annoyance. Collectively, Dylan Peters, Hamish Kurray, Cody Davis and Andy Stillwell helped to lower the average age of the contingent. Only 5 reservists were over 40, and 10 over 30. Reserve medal of honour winners were Hamish Kurray, Dingo (the Scilian fishperson back from the sea), Adam Rayner, and Adam Brooks (who enlisted with his older brother Brendan) to keep an eye on him at the "front".

In the A grade VC's were issued to Tom Pearce, Jordan Petit, the battalion medic Sam Clements, Zac Deane (who bought up the "rear" at full back) and Brad Carter. Perhaps the only criticism that could be levelled at field Marshall Pearce, was his lack of overall involvement in the campaign. Not putting himself about as much as he could. Not enough communication with his troops, helping out in the ruck etc. He could have taken a few more marks - rounded them out at a hundred or so. Mentioned in despatches were Aaron Sayer (most pushups and best tagger), Andrew Gore (umpiring and playing), and Jacob Nicholson, our behind the lines statistician, who threw aside his attaché case to join the troops on the front.

In every campaign there are what I call "Schwarznegger moments" (where the hero emerges from the wreckage backlit vividly and standing ten foot tall, to save the day), and on Saturday we had the good fortune to witness

two. Egan Regnier (who no doubt had reminded his sibling of this event many times since) kicked a magnificent long bomb to goal on the "far side", and Tom Kurray, surrounded by a mass of enemy troops, flexed his muscles, and "ploughed" through the minions to take a "one grabber", and steer a magnificent goal through on a "cuten-angle" from just in front of the coaches box. Did wonders for the morale of the supporters.

See you in the trenches at Robe.

JUNIOR COLTS: Robe 6.4 (40) d Glencoe 0.3 (3). Best: Michael Hansberry, L. Prior, C. Walsh, K. Smith, H. Smith, H. Bigmore. Saturday saw us travel to Glencoe in slippery conditions, which meant the boys had to put their bodies behind the ball in which they did very well. Two new boys joined the team which made a huge difference in Lachie Prior and Liam Fennell. It was great to get our first win on the board with goals today going to T. Wilfred 2, H. Bigmore 2, Eddie Dutton 1, H. Smith 1, in which was a very good team effort. Today's awards went to M. Hansberry, Coach's L. Prior, Robe Auto and Marine and J. McMartin Robe Seafood & Takeaway. Keep training hard! Langers

SENIOR COLTS: Robe 13.14 (92) d Glencoe 4.0 (24). Best: A. Clements, C. Davis, H. Kurray, E. Regnier, S. Denton, H. Smith. Goals: C. Davis 5, E. Regnier 4, A. Clements, H. Ludwig, J. Sneath, K. Smith 1 each.

NETBALL

JUNIOR 1: Well done girls for showing some good passages of play in weather conditions that were not the easiest to play in. It was great to see everyone give 100% and also try and put the skills learnt at training into practice on match day. Incentive: Kristen Nunan.

13 & UNDER: No game.

15 & UNDER: 13-25. Great win girls, you all showed determination for 4 solid quarters. Ellie and Keely combined beautifully in goals and then Demi to finish off with some great passing into the ring. Lily, Emilee and Jasmin ran all day through the mid court and created some great passages of play. Lots of intercepts taken by the defence with Rachel, Alli and Ciarne which provided many chances to score on turnovers. Our defensive pressure was awesome for the whole game and now we need to work on some key areas to eliminate basic mistakes. Incentive went to Jasmin for her determination which saw her get lots of hands to the ball and best player went to Keely for her drive all day and her ability to stay focused. Lets step up next week against Tant. Best: Keely Venn. Incentive: Jasmin Dawson.

17 & UNDER: 40-38. The girls started off well

considering the weather, they soon worked out that short passes were the key to getting the ball down. After a slow second quarter Robe came out firing in the third and only went down by 2 at the final whistle. Libby worked hard all game with lots of encouragement towards her team mates and received the incentive and Rhianna had another good game in defence. Best: Rhianna Kerr. Incentive: Libby Howe Morgan.

B GRADE: 48-33. Another great team effort, which was lost mainly through unforced errors. These will become less as the season continues and netball fitness picks up. A great effort from the attack end who came up against some quality defence. The defenders worked tirelessly to try and force the errors. We are not far off the mark from a win, and you can all come off of the court with your heads high. Welcome to all of our new players as well. Above all go out and continue to enjoy. No more injuries this week. As she always does, Kellie provided us with her ever solid game resulting in her receiving the Calcutta. The incentive went to Telita, our new comer, who slotted straight into the team and gave a strong offensive and defensive game. Calcutta: Kellie Grigg. Incentive: Telita Davis.

A RESERVE: 49-42. We didn't have the best start but did have some good passages of play throughout the game. We had a few changes to

try and change things up a bit but didn't come home strong. A great game by Keryn Moore who drove the centre to win her the Calcutta. Also a great game by Alex Grimes who moved well and had some strong passes. We just need to settle in our team as we have had a few changes. Thanks Georgia Perkins and Chloe Dawson for filling in. Calcutta: Keryn Moore. Incentive: Alex Grimes.

A GRADE: 40-51. A grade finished off strong and have a great win under our belt. First quarter we started off in control and in front then second quarter we did our normal freak out, which is what we need to work on. Everyone fought back with short and short careful passes, it was so good to see us all thinking about our game and thinking about each other. Everyone had great passages of play and it would have been very hard to pick a best player. Great job by Camo, you played so well being so sick! Hannah Perkins earned herself the incentive for a hard and well fought out game and doing everything she was asked, it really helped change our game and kept us in control. Calcutta went to Chloe Dawson for great driving, accurate shooting and great teamwork. It's the start of something great girls, let's keep it working! Calcutta: Chloe Dawson. Incentive: Hanna Perkins.

FOOTBALL

UNDER 11: After a few training runs the young Under 11 side kicked off their 2013 season on a top morning for footy (wish they were all like that) against Glencoe, who are fielding a side for the first time. All the boys in their second year now of footy have shown great improvement in both their skills at training and also learning how to play a great team game together. We welcomed 3 new players in the team that didn't play last year in Kai, Cody and Brad and each one of them all played a great first up game for the Tigers. A great team effort resulted in some good passages of play where we managed to find the goals on numerous occasions and the tackling and defensive work was also great to watch. Keep up the good work lads and an enjoyable year is ahead and the Tigers can hopefully look forward to a very strong senior side in 10 years time. Thanks also to the Tant junior committee and all the parents for their help so far this year, and to all the kids keep remembering to practice that song. Cheers Sticks.

JUNIOR COLTS: Good start to the season lads, voice and enthusiasm there right from the start. Excellent pressure around the ball, tackling, sheparding etc. Really good to see players rewarding the runners and looking for options. Probably blazed away a little, but all in a great team effort. Well done lads. Best: M. Sorella, H. Ferguson, Z. Walker, C. White, E. Glass, A. Roberts. Goals: E. Glass-Reilly 3, J. Bell 3, J. Radley 2. Awards: SMK Electrical Zane Walker, Fasta Pasta Hamish Ferguson, KFC Xander Copeland, Ladies Committee Matt Sorella, McDonalds Corby White, Donna & Hanny Tyler Bevan.

SENIOR COLTS: First Saturday of footy, and you would think it's the middle of summer. Glorious fishing day, but we're here for the footy. A great team effort, and the senior boys, including the younger boys in the play, was outstanding. Multiple goal kickers and every player did their bit. A very happy coach for his first game and all the boys were wrapped to have a win against Glencoe. Best: Caleb Williams, Dylan Tincknell, Darcy Pink, Tyson Dolby, Bryce Radley and Tyson Beelitz. Goals: Dylan Tincknell 5, Tyson Dolby 4, Caleb Williams 4, Marc Robert 2, Stephen Moreland 2, Bryce

Radley 1. Awards: SMK Electrical Tyson Dolby, Fasta Pasta Caleb Williams, Graham Reilly Tyson Beelitz, Ladies Committee Stephen Moreland, Coaches and Team Managers Award Dylan Tincknell.

B GRADE: On a warm day for footy the B Grade kicked off their 2013 campaign against one of last year's finalists, in which we knew were going to be hard to beat. With good numbers to pick from this year, and a few new and old faces back on the track, we can really look forward to hopefully a strong year, but having said that to be successful we need to start getting good numbers on the training track and start pushing a few of the lads in the senior side for their spots, which will make both sides a lot stronger. We got away to a good start and managed to hold a 2-3 goal lead for much of the day, which in the hot conditions was going to be hard for them to come back.

Best players were Meeky in his first game for the club on the bottom of the packs all day, Silly and Donk in the middle used their footy smarts well, Sticks down forward kicked 6, Wazza led a backline that were good all day, Zeke also in his first game showed with a few runs under his belt he is going to be real handy for us, Timmy Wilson rucked all day and crashed the packs and Ben Chant took over his old man's number 2 guernsey well, and competed all day at CHF also in his first game for the Tigers. With big Pox getting his knee done early on in the week we wish the big fella a speedy recovery and I reckon the old TAB phone account will be getting a real hiding in the Peters' residence in the next few weeks. Thanks also to Sharon and Wayne Walks for their help with the team manager role and getting jumpers organised. Also Davros Langley didn't look the same running around in the number 38 and had been overheard he wanted his number 21 back off Donk or he is looking to put himself up as a free agent, and he was saying there has been a lot of interest and his manager Shane Ronald Langley is in talks with various clubs, so hand it back Donk. Cheers Sticks.

A GRADE: On a very hot day for football the A grade came up against a fit, hard running Glencoe. With 5 new players in the side and no proper trials under our belt, we went into the game not knowing what to expect. The boys came out with a buzz, inspired by getting changed for the first time in the new rooms, and had plenty of the play and weren't able to capitalise through the big sticks, with only 3 majors for the quarter. The 2nd quarter started off like the first but

to Glencoe's credit the last 10 minutes was one way traffic, and we went into the break with a slight deficit. After a much needed long break and some nice cold water (from the new changerooms), the boys regrouped and pegged the deficit back. The last quarter was an arm wrestle, but all of our players stood up and retained the Neil Von Duve Memorial Cup. Better players for the day were Jordy Williams, off of half back flank, whose big pre-season showed hard running all day, big Benno in the ruck (first game for the club) worked tirelessly all over the ground, Mitch Reilly with 7 majors (first game for the club), Reagan Clarke (first game for the club) with his attack out of the back line, Jason Rowe the oldest bloke in the side played like the youngest and strongly deserved the Neil Von Duve Medal. There were many other contributors all over the ground and it really was a great team effort to start the season off in 2013. Let's hope with a few more games under our belt we can gel together as a group and get our free flowing style going. I would also like to welcome John Richter as assistant coach to the club, whose knowledge in football and teaching skills are invaluable for the young guys.

GENERAL: Congratulations to Jason Rowe for winning the Neil Von Duve Memorial Medal for best on ground. It was great to be able to win the Memorial Cup for back to back years. Thank you to the Von Duve family for the support they give both us and Glencoe. It was great to see the sponsors of our changerooms at half time, and to welcome the Honourable Bob Sneath, an ex-Tiger, representing the State Government. We have been very fortunate to be the benefactors of grants provided by our government and we thank Bob for his support. Our sympathies to the Rainsford and Williams families for the loss of Jim, who was a regular supporter at our games as he proudly watched his grandchildren play. Also to the Pt Mac football community with the tragic loss of their premiership captain Steven Noble. Thank you to all our wonderful award sponsors that help to make our club a success, Tony Egan's Mensland, Seeborn Sports, Fosters Foodland, K&S Fuels, The Commersh, Tiger Hotel, Ducky's Surf, Mt Gambier RSL, Collars & Cuffs, Shadows, Linksvet Bar & Bistro, Millicent Golf Club, Fasta Pasta, Somerset Hotel, Beaurepaires and our Ladies Committee. NETBALL

U/15: A well fought game girls! I was very proud of the game you all played. First game of the season and to only go down by 3 is a great achievement. The defensive pressure was outstanding all down the court all game. Kacie and Julie ran their guts out in centre and provided the space to clear and push forward. I look forward to a great season with you girls. If we train hard and play hard we will come up with the wins. The Tantanoola Ladies committee award went to Vic Lucas for a great run in goals.

U/17: Good first game girls. The score see-sawed all game with us losing by 3 goals in the final term. The girls played lots of positions which made it hard

for us to settle, but we had some really good patches of play. We have lots to work on at training over the next two weeks. Karissa got the Duck's Surf award for some really good movement in the circle. Let's get a win over Robe!

B Res: What a game! There was not one player who didn't perform at 100%. Both shooters combined well, along with the defence. Defensive pressure all the way down the court was perfect with numerous intercepts. Contrat's to all girls - I'm so proud you, and if we can play like this every week we will go far. The Fasta Pasta award went to Krystal Trembath.

B Grade: In a warm first game, it took the first quarter to settle down. The next two quarters were even and we finished off strong. Good game by everyone. The Collars and Cuffs Award went to Tarrah Taylor.

A Res: Well done girls - good start to the season. It

took a little while to blow the cobwebs out, but when we did it worked quite well. We adjusted well to the many changes that were made due to the heat. Thanks to the girls who filled in and helped out. Welcome Ash, Jordan and Estella to the team, we hoped you enjoy your year. Kath Taylor received the Tantanoola Ladies Committee Award.

A Grade: After an eventful week, I was quite pleased with the way the girls banded together. If not for a few sloppy errors, the result could quite easily have gone our way. Jac Matthews at GS deserves a special mention for two full games and was high up in our better players list. We all know the game was there for us and where we need to improve, just a few things to work on. The Shadows Award went to Simone for an excellent defensive game.

A GRADE NETBALL REVIEW: ROUND 2

Nangwarry 45 d Port MacDonnell 37

THE Mid South East Netball Association saw Nangwarry take down the Port MacDonnell Demons after tied scores forced a close game.

Demons had plenty of options up front with Jordie Gower and Sallanne Morgan working well together to try and make some space but Nangwarry's strong defence duo Tanya Lowe and Kayla Gray made a difficult task for the Demons young attack.

Scores varied throughout the game with chance the outcome could go either way, eventually it came down to the experience of Cassie Dinnison and Teresa Stewart that helped the Sanits get up.

Ashley Heald and Kelly Coutts claimed much possession in the Demons defence creating many chances to reclaim the lead.

With Nangwarry shooting on target, the Demons fell out of the running in the last quarter while Nangwarry took the win by eight.

Kalangadoo 66 d Kongorong 20

KALANGADOO entered its round two game with guns blazing, claiming a 46 goal win over Kongorong.

Kalangadoo opened with a polished first quarter, with quick movement of the ball up the court and accurate goals in the circle.

Kongorong unfortunately got off to a slow start, needing to settle and lift their defence, with only 3 goals in answer to Kalangadoo's 20.

Quarter time saw Kongorong move Holly Smith to Goal Keeper to try and minimise the impact that Kalangadoos goalies were having, with Kimmi Saffin moving to goal shooter.

Kongorong had an improved 2nd quarter, but couldn't seem to shake the Kalangadoo defence.

Kalangadoo made a few changes at the break, seeing Kelli Williams and Tanya Coxon join the game.

Kongorong's passing and defence improved as the game continued, creating flow and opening up the ball movement in the middle of the court.

Holly Smith performed solidly under the ring, defending tirelessly against the attack from the Kalangadoo shooters.

Kongorong's commitment showed in the

final quarter with great determination and Ady Neshoda defending well against the Kalangadoo offence.

Despite Kongorong's continuous fight, the score board resembled a clear win for Kalangadoo finishing up strong.

Robe 51 d Glencoe 40

A SOLID Robe side proved too strong for a young Glencoe outfit with Robe taking an 11 goal win in Saturday's game.

Glencoe started strongly scoring its first centre pass and causing an early turnover in the Robe goal circle.

While there was some unpolished passing by both teams, the first quarter was evenly played with neither team able to gain early ascendancy.

Sarah Lawler was moving well in the goal circle for Glencoe and feeders, Ashlea Edwards and Alyce Dent delivered pin point passes into the ring.

Glencoe stepped it up a notch early in the second quarter, with strong defensive pressure applied by Bec Wilson and Donna Edwards causing numerous turnovers to score six unanswered goals.

Robe goalies Keeley Mason and Chloe Dawson moved extremely well in the goal circle and were able to use their speed and agility to create quick options close to the post, with Dawson converting at 100% for the quarter.

Robe continued to cause turnovers and went into the half time break with a five goal lead.

Robe defenders Leanne Cameron and Kimberly Austin increased their defensive pressure in the second half and began to gain the ascendancy making it difficult for the Glencoe goalies to find space.

A number of strong rebounds by Cameron pushed Robe into attack and both Ash Hunt and Hannah Perkins were able to create scoring opportunities.

The final quarter was riddled with errors from both sides, with numerous turnovers.

In a hard fought match, Robe were the steadier of the two running out victors by 11 goals.

Hatherleigh 78 d Mount Burr 49

HATHERLEIGH stopped the Mossies in their tracks with a one-sided 78-49 win at

Hatherleigh on Saturday.

The home team produced their best performance in the opening 15 minutes to claim another victory.

Hatherleigh gave Mount Burr no chance of repeating their competitive encounter when they met in the pre-season cup semi final.

The home side offered the large crowd a showing of clinical execution across all facets while they left their opponents reeling and searching for answers as they run to the post for 8 goals while Hatherleigh piled on 21 in an impressive opening.

There was little to fault in the Hatherleigh opening half, efficient and effective flow on attack backed up by an oppressive defensive presence combined to stifle Mount Burr's hopes of a second straight win.

Hatherleigh made an early statement with the link between captain Keston Green, wing attack Kerrie Gray, centre Lori Sandland and shooter Tara Fabris getting off to a flying start.

Fabris and her shooting partner Green enjoyed a dominant performance under the hoop as they leapt out to an early lead.

At the other end, Kaitlyn Smith and Georgie Brooks put the squeeze on Mount Burr's scoring options, quick to snap up loose passes, rebounds and intercept ball.

The turnovers plagued the visitors, who could find no response to the suffocating pressure inflicted on them from all areas of the court.

Hatherleigh made full use of their healthy supply of ball when they completed a high-scoring first half to lead 40-24.

Mt Burr shooters Kate Sporer and Emma Laucirica found gaps in the circle and recorded 14 for the term.

The slight Mount Burr resurgence made little impression on the scoreboard as the hosts flew into the final break with a 58-38 advantage.

Hatherleigh provided a host of outstanding individual performances with the shooting duo of Fabris and Green having a field day under the hoop.

Hatherleigh's combined defensive pressure had a telling effect, continuing to supply plenty of ball into the circle and extend the margin to 29 goals at the final bell.

KRISTY HEAVER PLAYS 200 SENIOR GAMES

Photo: Jacqui Cocks

ON Saturday 20th April, Kristy Heaver (pictured) plays her 200th game for the Glencoe Netball Club. She is a consistent and strong goalie who works hard to gain possession of the ball.

Kristy started playing for Glencoe in 2001. She has always been a strong netballer and an accurate goalie. While often being one of the quieter members on the court, Kristy always does her best to convert for her team, and is not afraid to speak up when she can see something that can be improved.

Kristy has been lucky enough to play in three premiership teams since she came to Glencoe – B Reserve 2004, B Grade 2006 and A Reserve 2010. The games she has

played for the club have been spread reasonably evenly across these three grades, and in 2012 she was fortunate enough to play the season in the A Reserve team with her two sisters, Nicole and Kylie.

Prior to this year, Kristy has also been a valuable member of the Glencoe Netball Club Committee for nearly 10 years. While a member of the committee, her help putting together the Budget notes every week was invaluable, as was her support for social and fundraising activities.

The Glencoe Netball Club would like to congratulate Kristy on achieving this milestone, and thank her for her continued support of the club and her commitment to the sport. Well done Kristy!
