ROUND THREE REVIEW

THE four winless teams hosted games last Saturday and, despite their home ground advantage, their status did not change.

The red-and-white battle was easily won by Tantanoola at the seaside but the Roosters are slowly improving from week-to-week.

Mt Burr handed back the Ian McInnes Memorial Shield to Glencoe at "Mick" and Jean Walker Oval.

Hatherleigh kept top spot and the big win at Kalangadoo had many contributors.

Nangwarry and Kongorong fought out a ding-dong battle until three quarter time with honours going to the Hawks after a big last quarter.

ROUND FOUR PREVIEW

IN all the years that is has been contested, the Max Matthews Memorial Cup has only once been won by Glencoe. That was in 2012 and the Murphies won't be keen to let it out of the committee room at Kirrip Road. You can ignore where these teams are placed on the ladder as a tight tussle is guaranteed. I am leaning towards the home side but not by much. There will be plenty of past Murphies present to watch the action.

The other memorial contest today is for the Bruce Lightbody Memorial Shield at Kongorong. As with the other contest, there is an imbalance in the tally of wins with Port MacDonnell holding the upper hand. This will continue today. My early tip for the John Rogers Memorial Medal for best-on-ground would have to be Hawk skipper Bronson Saffin

I can't see Hatherleigh losing to Nangwarry and it won't be a memorable way for visitor Matt Fatchen to mark his 100th game on their big ground.

Tantanoola won't be troubled by Mt Burr but there will still be a bit of niggles in this contest. Former South Adelaide and South Gambier rover Jason "Rooster" Rowe plays his 100th game for the Tigers and he is passion personified. "Rooster" has left his mark on the Tantanoola Football Club and not just by erecting the verandah which provides shelter and shade to the patrons outside of the licensed clubrooms.

Another milestone to be marked today is the 300th A Grade match of umpires' director Neil Webber. He is one of those great characters that you love to see involved in the Mid SE and a good umpire as well. I wonder if Sharon Cox and the Tiger hierarchy will give their gatekeeper Lorraine the afternoon off to see her son achieve this rare feat?

THE SUPER MID SE TEAM OF 1985

INTEREST in the interleague fixture at Kalangadoo against the Mallee Football League on June 8 is building. It is 27 years since the Mid SE has played an interleague fixture at Kalangadoo and people like ex-Kowree Naracoorte and Mid SE secretary Wilf Sprengel are still celebrating our win.

Back in the mid-1980s, the tight-knit Kalangadoo community was recovering from the tragic Ash Wednesday bushfires but the Magpies still managed a hat-trick of flags.

Under the dynamic leadership of president and publican of Jeff "Tank" Arthur, the newest changerooms in the Mid SE were constructed and they had well stood the test of time.

It is well known that the Kowree Naracoorte Football League was trounced by us at The Doo in 1985 and again at Glencoe about six years later. I truly believe these two heavy defeats prompted the merger of the Kowree Naracoorte and the Tatiara football leagues to unite and form the KNTFL. It is only as a combined league that they have been able to lower the colours of the Original Family League in interleague contests in the modern era.

What has become of the 21 heroes of the Mid SE team of 1985? One is a club coach in the Mid SE, a couple of others are occasionally seen at Mid SE games, at least three have died and I don't know what has happened to many others.

Kalangadoo: Roger Doody (coach). The Kalangadoo maestro had just taken the Magpies to a hat-trick of flags. The term was first coined to describe Ken Eustice but, pound-for-pound, there have been few Mid SE footballers more skilled than he.

Gerry Nicholson was a specialist back pocket and the Mr Plod of Kalangadoo. Promotion in the SA Police Force (or SAPOL as some call it) elevated the senior constable to be 'head honcho' of the blue team at Port Pirie.

Neal Doody. "Boof" was the tallest, strongest and youngest of the three Doody brothers. Serious injuries wrecked his career but not before he won a Walker Medal and coached Tantanoola.

David Dowie. The dependable full back played to a ripe old age and ended his career at Tarpeena.

Allan Millard was one of the youngest members of the team but had an imposing physique and was built like the proverbial brick outhouse.

Kongorong: The sole Hawk in the line-up was reliable backman Mark "Fluff" Flavel. He later became a successful member of the Mid SE umpiring fraternity.

Tantanoola: Ron Hateley was back in home territory after a successful 200+ game career with South Adelaide in the SANFL. He was to take the Tigers top in the following year.

Michael Wanganeen was his team mate at Kalangadoo in 1985 and on grand final day

the following year. I think Michael is now deceased.

John Haines is part of the major Tantanoola dynasty and looks like he is still fit enough to still ruck for four quarters. The viewing stand on the southern flank of the Tantanoola Oval honours the memory of his late father and Tigers president, Cyril W. Haines.

Robe: Chris McLay left the shoulder-length hair and a distinguished career with SANFL club Central Districts behind when he came to the seaside to teach 27 years ago. He is still at Robe Primary School as its principal and is serving the community well.

Michael Timms was a football nomad who played at six clubs across three leagues. Apologies to my media pal and reappointed Mid SE team manager Bill Chapman, but "The Whale" was the best full forward I have seen in the Mid SE.

From the best forward to my all-time pick as best Mid SE player and it is the late, great Kym "Chook" Smith. Winner of three consecutive Mail Medals, he probably had the wherewithal to have played 200 SANFL matches. I could devote a whole column to his abilities as a footballer and still not adequately describe his attributes.

Rob Hall was a tough ruckman and one of the first in the Mid SE to be a "drive-in and drive-out" footballer from his home in Adelaide. Not many drive-in and drive-out footballers or FIFO footballers make themselves available for interleague nowadays. We don't have any in the Mid SE in any case in 2013 and we have never had many.

Glencoe: Glencoe have two reasons to think well of the Kalangadoo Oval in 1985. The Murphies had four reps in the Mid SE interleague and ended their record 17 year premiership drought against the Robe Roosters on grand final day.

Glencoe's quartet in the interleague team were ruckman/forward John Bronca, ex-Woodville player Bruce Lacey, former South Gambier player Tim McGrath and Murphies 1991/92 premiership coach Graeme Gosden.

Nangwarry: The Saints had no players in the team but supplied one of the trainers in Dallas Kowalick.

Tarpeena: The sole Canary was perky rover Darren Mansell who later had one season at Penola. From there, he was recruited to SANFL zone club Glenelg and played well over 100 games

Hatherleigh: The Eagles had three representatives in Craig Skeer (now coaching again), multiple club B&F winner Nigel Brooks (deceased) and SA Country rep Greg Cook (who nowadays spends many Saturdays at the Millicent Golf Club course at Mt Burr). This trio helped the Eagles into a grand final berth just 15 months after the interleague match was played.

I look forward to writing about the Mid SE heroes of 2013 in 28 seasons from now when it is 2041.

ANZAC DAY MEDAL MATCH

WITH ANZAC Day falling mid-week this year, the Mid South East Football League and Netball Association will commemorate this event with an ANZAC Day medal match today between Hatherleigh and Nangwarry.

During many wars, Australian Rules Football matches have been played overseas in places like northern Africa, Vietnam and Iraq as a celebration of Australian culture and as a bonding exercise between soldiers.

In 1975 the VFL/AFL first commemorated ANZAC Day and the ANZAC spirit with a match of Australian Rules Football between Essendon and Carlton in a one-off match in front of a large crowd of 77,700 at VFL Park, Waverley.

The modern-day tradition began in 1995 and is played every year between traditional AFL rivals Collingwood and Essendon at the MCG.

Since the successful 2010 pilot program of awarding an ANZAC Medal in selected football and netball games across the state, the SA Community Football League, Netball SA, Veterans SA and the State RSL continue with the concept today to include all 30 SA leagues.

The medals will continue to honour the memory and war service Mr Herb Ashby OAM DCM (football) and Sister Mary Catherine Mules (netball).

Senior football and netball players will assemble prior to the commencement of the A Grade football match to pay their respects as well as embracing the memory of, and gratitude for the supreme sacrifice made by so many Australians in conflict.

The player adjudged by an independent selection panel as the player who best exemplifies the ANZAC spirit – skill, courage, self sacrifice, teamwork and fair play – will be awarded with the 2013 Herb Ashby ANZAC Day Medal (pictured left).

ANZAC MEDAL BIOS

Herbert Hector Ashby OAM DCM

HERBERT Hector (Herb) Ashby was born in Mount Gambier on the 12th of October 1921. He was raised at Kongorong on a farm, along with his seven brothers and two sisters. Although he was awarded a scholarship to attend high school, Herb decided to go out to work instead, to save his parents the expense of having to board him in Mount Gambier during the week.

Herb worked from the age of twelve; including in a cheese factory and on a farm, until war broke out. He enlisted in the Army in 1940 at the age of 18, claiming that he was in fact 23. After completing his training, Herb was sent to the Middle East as a member of the famed 2/48th Battalion and was wounded in action in September 1941. The 2/48th was a much decorated battalion with 4 VCs awarded to its members during the course of the War. Herb himself was awarded the Distinguished Conduct Medal (DCM) in 1942 for bravery following his single handed wipe out of enemy machine gun emplacements. Part of the wording of his citation reads:

For courage, leadership and determination to fight on against great odds for a period of 15 hrs although his Section was isolated from the remainder of the Company.

At Tel el Eisa on 22 Jul 42, Private Ashby was in command of his Section, in an attack on strong German positions. The attack was commenced at 0615hrs and early in the advance the Company received heavy casualties from artillery and machine gun fire. All the Officers were killed or wounded and Private Ashby's Section became isolated from the remainder of the Company. Although at times his position appeared to be impossible he refused to consider withdrawal and insisted on fighting on. By his alertness and fire control he was able to

release from capture a crew of three from a Valentine tank and two members of his Section, killing or wounding all the enemy who had seized them.

With great personal courage he sniped continuously at enemy nearby and by his leadership and dogged determination inspired his men who inflicted heavy casualties on the enemy during the engagement lasting all day.

There were only 110 DCMs awarded during World War II. The complete story of Herb's war service is the subject of a book 'Last Man Standing' by Peter Dornan which was published in 2006.

Herb came home on leave in 1943 and one of the first things he did was join the RSL; he remained a member until the day he died. After his leave, Herb rejoined the 2/48th which was sent to New Guinea. He contracted malaria and was repatriated back to Australia. While recovering in Mount Gambier, Herb met a local nurse, Heather Hancock and they married in 1945.

After the War, Herb became a soldier settler in Mingbool growing a variety of crops and using sound water management techniques. Herb grew potatoes, peas, beans and flax as well as raising dairy cattle and sheep. The Mingbool community was a close knit one where everyone supported each other and it is therefore perhaps not surprising that Herb became involved in many community committees and activities. The family moved into town in the mid-seventies and Herb had a career change, becoming the inspector of water resources until his retirement. He also invested in local real estate.

His support of his Desert War mates never waned and each year Herb would organise a reunion lunch in Mount Gambier which would be attended by his old comrades and their relatives from across Australia. It continues to this day. He became President of

the Mount Gambier Sub Branch in 1957 and RSL state councillor for the Lower South East in 1959, retiring in 1971. Herb held many office bearing positions in the RSL and was made a life member in 1964.

Herb Ashby was awarded the RSL's highest award of a Meritorious Medal in 1989 for his service to the League and its members over many years. Herb was also Chairman of the Mount Gambier Distressed Soldiers Fund which was established after World War 1 to assist soldiers to get on their feet financially on their return home from war. Although the fund is not so active today, Herb remained the Chair until his death.

Herb received the Medal of the Order of Australia for service to the community of Mount Gambier in 1996. He was also citizen of the year in Mount Gambier in 2007.

Herb is survived by his wife of almost 64 years Heather, their five children and their families. He will always be remembered as a local hero who remained a humble man who fervently hoped that future generations would not have to experience a war like his did.

Sister Mary Catherine Mules

MARY was called up for full time duty for the Australian Army Nursing Service on the 29th July 1942.

Mary transferred to the AIS (Australian Imperial Service) and she was commissioned to Lieutenant. She served 1516 active service days with the General Military Hospitals in Australia. She was discharged from duty in January 1946.

Mary returned to Kalangadoo and was an integral member in the formation of the local Mothers and Babies Society, where she also worked as a clinical nurse. The Kalangadoo Mothers and Babies clinic was later renamed in her honour. Mary passed away in 1973.

LETTER FROM PENOLA FC PRESIDENT

To J.L. "Fred" Smith and the Mid South East League,

In response to the article posted in last week's budget we thought it was necessary to clear a few things up. The Penola Football Club is the oldest football club in country South Australia, established in 1865. We are currently competing in our fifth league and are very happy where we are. I have family, friends and colleagues who all play in the MSE and I have always enjoyed going to watch them. The Penola Football Club has always had a good relationship with our closest neighbours in Nangwarry and Kalangadoo and the majority of the children attend Penola High School together.

The Southern Border Review recommended we join the "Super League" this season which was deliberated at a club and committee level. For the survival of the Penola Football Club at this point in time we could not be happier with the KNTFL and the standard and professionalism it is run. One of our biggest issues with joining the "Super League" was the survival and confidence we had in our junior footballers being able to compete. The past two rounds our junior colts have had the mercy rule implemented with this being against Lucindale and Bordertown, so I ask you what hope would they have against four sides with the population of Mount Gambier behind them. According to the last census Mount Gambier was populated at 24,905 and if you divide that by four, 6,226 people versus Penola's population of 1,317 doesn't quite fill us full of confidence in what we regard as the future of our football club.

In your article you stated Daniel Clark was our last premiership coach and this is incorrect as it was Jon Copping in 2003 in which he coached an undefeated year and was also rewarded with best on ground in that grand final. Jon played one season for the Nangwarry Junior Colts when he was 11 and has played his entire Junior and Senior Colt's football with Penola and is proud to state Penola as his home club. For the record our A grade side is coached by Tony Porter who was ruck rover in that premiership and it is captained by two locals in Phil Lambert and Matthew Merrett. We are led by these men and certainly do not refer to ourselves as "Coxon, Copping and co". The pre-season game you spoke about happened on the 13th September 1999 and was a huge success, as we could provide the facilities available to host such an event. I must stress the point, is there any relevance in writing about something that happened 13 and a half years ago?

Trading of players between leagues has and will always continue throughout this district and is a way of life in modern day football. We ask you is 5 years without a senior finals appearance too long? Or Mr Smith should we continue at our "lowly ranking of ninth" from last season? Every club in country South Australia is entitled to be as successful as they can strive to be.

Your lack of respect for the Penola Football Club is disappointing as I have the upmost admiration for the "original family league" and everybody that plays in it. I would like to thank your league president in Peter Mitchell for the right to reply and look forward to continuing our strong relationship with the Mid South East long into the future.

Regards
David Galpin

INTO round 4 and the season has thrown up some scores more in line with cricket than football. The Family League has been changed to the Original Family League by Fred who seems determined not to let the other league take over our title!

Very weird happenings in the umpiring world last week folks. Firstly training on Wednesday night took on a rather strange atmosphere when the rooms remained locked and the lights turned out. Could have had something to do with Clarrie's daring yours truly to do a streak in response to the wonderful Port victory over his poor Crows the week before. Fortunately for the guys I did the deed in the dark and spared them all a horrible fright amongst other things! What a pity it was so cold hey Gladys? The questions remain. Who had the keys to the rooms and was Cav really at training?

The Bermuda Triangle for umpires continued on Saturday morning when big Robbie got kicked in the calf by a calf! I kid you not, apart from the fact that the calf was a bloody big cow, Robbie's leg came off second best when the battle was over! When I picked up the big fella for the trip to Nangwarry the leg looked so bad that I dare not mention the word "amputate" for the rest of the day. The third episode in the umpiring saga involved none other than our boxing champ and would be Pope, Stumpy. Seems that Stump's lower lip accidentally came into forceful contact with not one but two opposing player's elbows near the end of the Robe v Tantanoola game last week. Word has it that Stump had to be carried into the change rooms screaming,

as blood poured from his wounds, by a poker faced Martin Pink. The word from both clubs is that the two players will be spared a trip to the tribunal to get Stumpy off! Clarrie was last seen with a big smile on his dial... after his Crows at last got up for a win.

Back to the footy and the most amazing weather was turned on by KD and his merry band of Saints last week. Once again a large crowd was in attendance as the local lads lined up to take on Cam's Kongorong team. It was a very good game of footy but not without one very strange moment in the first quarter. One Hawk player took a turn for the worse and literally fainted way behind play (Robbie had memories of some opponents "fainting" in his playing days)! It may be an idea to eat and drink before a game in future hey Wes? In the same quarter we had another Hawk player unfortunately suffer what appeared to be a very serious knee injury, resulting in a trip to hospital. Half way through the third quarter we appeared to be headed for a major upset when the local team went five goals up. However the Hawks players pulled the finger out and were very impressive in taking out a win of some ten goals. The two episodes apart it was a very good game to umpire and I'm sure Ken and the Saints lads will put the wind up many sides before the season is over.

Over in the high flying AFL and it would seem the weird vibes have also inundated the Big League. One report last week had some players allegedly taking a performance enhancing drug which contained Viagra! You'd have to be stiff to get caught with that stuff in your system (sorry Gladys I couldn't resist)! And what about poor old Brendan Goddard. He spends the whole afternoon playing for the high flying Bombers against his old team the Saints. After belting the living daylight out of most of his old mates he ends the game in tears after saying he hates seeing them lose! What the?? And last but

by no means least, the real head of the VFL, sorry AFL, Eddie Everywhere was let loose on the radio waves to call the game between his Wobbles and the fast rising Tigers. From all reports and from what I heard of the call, Eddie managed to have a crack at the Tigers fans, umpires and anyone else not connected with the Magpies in one of the more bizarre calls of a game you will ever hear! It would be interesting to see what would happen if a non Victorian club president went on air bagging all and sundry during a live call of an AFL game!

Having a look through the notes last week and I was amazed to see one Mel Gibson named in the best players list for Hatherleigh B grade netball side. Hell I knew the Eagles had a few dollars up their sleeve but gaining a recruit of Mel's fame must have cost them a penny or two! Whilst on the budget notes, could someone of note please inform Fred that Penola don't play in our league! Last week the lad spent a good page harping on about the fortunes of the Eagles. I don't think many in our league would give a brass hoot about the comings and goings of the lads from the winery region!

Thanks to Stephen Devine and Mal Lewis from Port MacDonnell who helped out with umpiring last week. Good reports have been received about both performances so well done fellas. As all clubs would know by now we have been informed to really crack down on abuse to all umpires (field, boundary and goal). It would appear that so far so good so let's keep up the good work and keep it as Fred's Family League.

That's all for this week. See you at the footy and netball.

Remember to spare a thought and a few moments today for those who made the ultimate sacrifice so that we can enjoy freedom today and into the future.

DEMONS' JASON SMITH TO PLAY HIS 250TH

CONGRATULATIONS to Jason Smith who today will captain his B Grade side against Kongorong in his 250th game for Port MacDonnell.

Jason has played entirely with the Port MacDonnell Football Club commencing in Junior Colts and progressing through the grades to finally playing his first senior game in 1996. He has won many awards over the years including runner-up best and fairest and most determined.

As a veteran of the team he is still a great in and under player. Jason was also part of the Reserves premiership team in 2012 and has been awarded the co-captaincy this season.

We wish him all the best for the game today.

JASON ROWE PLAYS 100TH A GRADE GAME

JASON Rowe played his first A Grade game for Tantanoola in Round 1, 2007 after a successful career with South Adelaide from 1998-2002, and then South Gambier from 2003-2006, before becoming a red and white Tiger.

In 2007 he polled the 3rd highest votes in the Mid SE League best and fairest, and went on to be runner-up best and fairest for Tant in 2008 and 2009, before taking top honours back to back in 2010 and 2011. He was A Grade coach from 2008 until 2010 and leading goal scorer in 2011.

This year he has been honoured with winning the Neil Von Duve Memorial Medal in round 1 against Glencoe.

We wish "Rooster" all the best in season 2013 as the captain of the Tant A Grade side, and hope to see him continue to play out his career as a Tiger.

FOOTBALL

JUNIOR COLTS: The Junior Colts had another good win. The game was even at half time with some wayward kicking at goal in the first quarter and a goal to the opposition kicked by Blake Bowman in the second. After half time the players steadied to post an easy win. Thanks to the players who played a few quarters for Kalangadoo, and well done to Doug and Blake kicking 2 of the opposition's 3 goals. The awards as selected by the players went to Alex Buhmann (Toy Kingdom), Jake Wight (Garry Nilsson), Luke McGregor (Subway), Jack Gray (Hath ladies committee) and Jez Jones (Sport and Rec Steak).

SENIOR COLTS: The Senior Colts had a tough day, and were always going to be up against it playing against a very good side. Kalangadoo simply outclassed the lads, attacking the ball with vigour. The boys were a little slow to get going allowing their opponents to dictate the play, but to their credit they came out after half time showing greater commitment. Gilbo was one of the few who battled all day, running hard and provided great contests. Brad Slape did everything that was asked of him playing all over the ground. Brad 'Snow' Wight was able to play most of the game showing his class around the ground. Kenty and Chanty both put in solid performances working hard at both ends of the ground. Hopefully the boys can turn things around and focus on beating Nangwarry.

Seeborn Sportspower Award: J. Gilbertson, Subway Award: B. Wight, HFC Ladies Committee Award: S. Kent, Hatherleigh Sport & Rec Steak Award: T. Chant, Incentive Award: L. Walker.

B GRADE: Wow! What difference a week makes. We

went from playing some really good footy to playing like we don't care, BUT we still came away with a win so it can't be been to bad! Sax was giving us plenty of drive off the wing, Lovers was getting plenty of the footy around the ground and Gibbo a target to kick to up forward. Today we are back at home against Nangwarry so let's go back to playing the way we want to and get a good win!

Millicent 4WDrive Systems Award: S. Ellis, Prince of Wales Hotel Award: T. Loveday, Millicent Golf Award: M. Merrett, Thursday Night Tea Award: M. Gibson, Incentive: L. Haines, T. Peglar.

A GRADE: The weather was just about perfect for the A Grade game and we knew we would be up for a challenge early. Kalangadoo always have a good crack against us and last week's game was no different, with K'doo kicking the first goal of the game. After a bit of a see-saw battle in the first, we edged in front by a few goals at the first break. From then on, our skill level lifted and our fitness began to come to the fore as we started to hit our straps to finish off with a convincing result. It was good to be pushed early and to be able to persist with our plans and structures in order to get the result we were looking for. Another pleasing element was that this was our third consistent game in a row, putting together another solid 4 quarter performance with all players contributing to the victory. We were able to manage nearly 60 scoring shots again which happens due to the spread of the players' contributions each week. The side is fit and confident, working hard to support each other and do the team things.

A number of players had their best performance for the year to date, none more so than Jase 'Giggles' Bateman who provided plenty of run and carry on his wing all day. Jase 'Hole' Faulkner was impassable and continued to run and rebound from a half back flank all day. Jack 'Sully' Sullivan was a terrier on the

footy, battling hard at the bottom of packs to set us up with good use of the ball. Marcus 'Bruce' Bennet provided significant rebound across half back, spoiling many forward drives by the Pies. Sam Telfer relished the opportunity for a bit more game time, sneaking himself 4 goals, often set up by some hard running and physical contests, which was great to see. Another youngster who has shown excellent consistency so far this year was Jack Skeer. Another 8 goal haul and a number of opponents after a slow start was a credit to his persistence and positive attitude. Although his run up on set shots sees him look more like Skippy than a full forward, he has been getting plenty of it and finishing off quite well.

Whilst our on-ball department were again dominant, it was good to see so many other players sharing the work load and getting involved, making the picking of best payers so difficult. Our other defenders also contributed solidly, having only 3 goals kicked against them on such a good day, weather wise. Our bigger blokes, led by Josh Wight were everywhere, holding onto marks and getting down to do some of the work of the rovers as well. Our forwards continue to work hard to keep the ball in our attacking half, and whilst this week our goals slightly outnumbered our points, there is still some work to be done there, by all players.

We look forward to another challenge this week in what will hopefully be another sunny day. Nanga's will definitely come out firing early but if we continue to do what we have done so well so far this year, we know that we can continue with the good form that we have showcased to date.

Awards: Somerset Hotel Award: J. Bateman, Prince of Wales Hotel Award: J. Faulkner, Tony Egans Mensland Award: J. Sullivan, Millicent Taxi Award: S. Telfer, Incentive Award: M. Bennett, J. Skeer.

NETBALL

A GRADE: The first half was way below our best netball, too many turnovers snapped up forcing us to play catch up. We need to use patience and work through defensive zones. Good result in the second half to get ourselves back into a competitive position. Faulks had a consistent match with several turnovers and good back up. Somerset award Kerrie Gray.

A RES: A hard fought game against tough opposition. Going down by one at the final whistle was disappointing but we have a lot of little things we can fine tune before next time we meet and change this result around. Outstanding game by our defense line Kerry, Amy and Cate creating many turnovers! Well done. Awards: Prince of Wales Kerry and Cate, Sommersy Amy. Hath 51 - K'doo 48.

B GRADE: This was a very tough fast tussle which saw us being behind for most of the game. To our credit we were able to play out four quarters even though the weather was quite warm. We worked really hard on our defensive pressure down the court which again created some turnovers as there wasn't many opportunity under the goals due to Kalangadoo's accurate shooting. Even though the game was played at a fast pace we controlled our passes down the court

and around the goal circle and used patience getting it into the goalies. Well done girls and thanks again to Emily Nettle for taking the court due to an injury and to Abby for sitting again for us. Awards: Somerset Mardi Wight, Prince Of Wales Amy Hateley.

B RESERVE: Bad luck girls. Definitely a game we could have had if we wanted it. We made lots of silly errors that cost us the game. On a more positive note our passes into the circle were much better this week and our defence worked extremely hard on two very accurate goalies. Outstanding games were had by Pam and Bel with their ability to get in front, balance the court and keep re-offering. Fantastic work by Fi with numerous intercepts and Emily running hard through the mid-court. Let's keep our chins up and keep working hard at trainings.

U17: Hath 38 def K'doo 24. What a great effort to come away with a 14 goal win against a strong side. Welcome back to Demi Smith with her first game in the U17s for 2013, and we can see that there will be good things to come from her, combining well with Lauren in goals. Another excellent game from Sarah Allen who took many intercepts and put lots of pressure on the goalies, resulting in other players' many turnovers. Week-in week-out Erin Watson puts in the hard yards getting many turnovers in the centre and putting some lovely passes into the goalies. Ducky's Surf award Sarah Allen, Ladies Committee Award Erin Watson.

U15: Hath 48 def K'Doo 29. Congratulations girls on what was a good win. You played consistent netball for the first 3 quarters, which, fortunately was enough to win the points last week. However the last quarter saw our defensive pressure lapse and Kalangadoo scored on every one of our mistakes. Obviously our goal is to pull 4 outstanding quarters together and hard work is the key. If we can perfect the basics the rest will follow. Our goalies in Abby W. and Grace have started the season well in regards to their accuracy, and I know both are keen to work on the rotation in the circle, again this will only come with practice, practice and more practice! Special mention to Bailey and Leila who both took what we did at training and applied it to their game, great to see girls! And finally congrats to Jess Allan, Georgia Gray and Demi Smith who have stepped up to join the 17s this season. Awards: Seeborn Sports Leila Buhman, Fasta Pasta Bailey Hateley.

JUNIOR 2: Fantastic game by all 7 girls last week. It was a good chance for us to spread out and open up the play. It was great to see some lovely strong shoulder passes down the court, let's keep that up! Rosie played a super game in attack, while Lacey read the play well in defence. Saige showed great versatility in all positions, receiving the socks award. Great improvement from Demi from the start of the game to the finish, earning her the HLC award.

FOOTBALL

ONLY one win for the Saints against Kongorong last week with the Junior Colts getting the Saints on the scoreboard for 2013 with a good win, while the senior side looked likely to cause an upset in their game until Kongorong got their team work flowing to over-run the Saints in the last quarter.

The Junior Colts opened their account for 2013 with a good four quarter performance in their game. The young Saints are looking to improve on last season and have got off to a promising start. A very good team effort by all players.

The Senior Colts struggled in their game and as a result Kongorong scored a big win. Although we are really battling for

numbers, Kongorong helped us out to enable the game to proceed. It is greatly appreciated. Stick with it boys, the tide will turn one day.

The Seconds suffered another loss but will find it hard to win unless they play as a team and train harder to get fitter. The Seconds must learn to put the ball to the player in the best position and involve all players. Remember, it is a team game so let's see if today we can improve on the first two games.

The way the Seniors faded in the last quarter and a half was disappointing after we looked capable of winning during the third quarter. Perhaps it was a mental thing, thinking we were in control and were going to win. Full marks to Kongorong who played four quarters of football to run all over the Saints and grab a well-deserved win and teach the Saints that the game

is not over until the final siren. They will cause most clubs problems on that effort. With Saints players cramping in the final quarter, fitness also looks to be a problem. Today we have the form side of the competition in Hatherleigh, so let's see if we can be competitive over the full four quarters. A big ask.

Well done to Kongorong and their supporters last week for turning up to support your team and giving the Saints their best gate takings in probably 7-10 years. The large crowd was greatly appreciated.

Today it's Hatherleigh with four tough games against a very strong club and hopefully the Saints can provide a contest in each game.

Sponsored by Green Triangle Recyclers as our Major Sponsor and Lion Nathan, who have been a great sponsor over the past two seasons.

NETBALL

NANGWARRY Netball Club is proudly sponsored by Bendigo Bank, Chemist King, Noel Barr Toyota, G.J. Gardner, IGA Penola and Steeline.

Another good day for the netty girls, with a few wins and a draw, plus many close games. I'm sure you will get the win next time girls. We are having a wood raffle next home game against Glencoe, raffle books should of been passed out by now so please get them back to the club asap. We also have a roster for the gate on that day, so please girls let your coach know if can help out. 9am-10am A grade, 10am-11am Bres, 11am-12pm Ares, 12pm-1pm B grade. Good luck this week.

A GRADE: A great hard fought win girls, although we stretched the score to a 14 goal margin in the end, it was a great game by both teams. Great work by Tanya and Kayla in defence, Tanya had a stellar game and Kayla got better as the game went on. Good driving and feeding by Teresa and Kel and great game in goals by all our goalers Eb, Tash and Nic. We all, including myself, need to work on a little extra fitness as we lacked a bit in both the second and third quarters and it showed on the scoreboard.

Overall a much improved game on last week, already only one week and the improvement was excellent. A few more games under our belt and it's all gonna come together. Keep it up. Club tea award Tanya Dowie.

B GRADE: Nangwarry 35 drew Kongorong 35. A game played in warm conditions saw us start slowly and finish the same way. Kristy coming on at centre for the last 3 quarters played both controlled and disciplined netball that helped to lift everyone's confidence. Again our defence in Lines and Xtal worked tirelessly, never giving up. We need to play more controlled netty in attack and not rush our play, this will come down to settling our combinations. It all comes down to our concentration and basic skill errors. We all must utilise our training sessions and focus on all aspects of court positioning. Fasta Pasta award Kristy Neale and Muffin Break Maddie McPherson.

B RES: Passing and positioning let us down in the first quarter today but we re-grouped and came out strong in the 2nd and 3rd quarters, moving the ball down the court a lot better and feeding the circle well. We were 4 goals down going into the last quarter, we came out hard and evened the score during the quarter, but some poor playing caused the ball to be turned over and we went down. Club tea award Julie

Hooper and Patrick Wine Kate Clayfield.

17 & UNDER: In warm conditions we started well but passing really let us down all over the court. Fitness I am sure played a big part in this. I made many positional changes throughout the game so well done girls on your adjustments. Defence of Eb and Chelsea worked overtime with Eb even having a go in centre. Good job girls. Subway Ebony McDiarmid, Red Rooster Chelsea McKinnon.

15 & UNDER: The girls got out to a strong first quarter, with a few girls unable to play, Bridgette McKinnon came to fill in for the defence and seemed to make the whole defence end stronger. The girls fought hard to keep ahead but unfortunately went down by 7. Big thanks to the 13s for having to fill in. Subway award Hannah Isaacson and Civic award Bridgette McKinnon.

13 & UNDER: Nangwarry 15 Kongorong 21. A huge thank you to Monique Holmes, Zaliah Dakin and Caitlin Busbridge for filling in. Welcome to the team Caitlin. It is great to have you. Great game girls! Don't be too disappointed with the final result. Again it was our last quarter that let us down. Great defence all over the court girls. We need to work on our passes and holding our leads. Civic Video award Crystal Little and Hungry Jacks Natalie Stewart.

WHAT a fantastic day to play footy last week over at the Burr. We had a great arvo up on the hill which has basically been a knock over and start again job. Well done to the Burr for their new stubbie booth and BBQ area. They even have a twin exhaust fire situated in the middle of their new home come a Saturday arvo. We enjoyed seeing both the senior grades smacking the Burr boys as they have had our measure over the last few years.

Wood duck this week, well didn't really have anything so it has to go to an A grade footballer from the week before. Being A grade and a quite professional outfit this year, you would think all would be dressed the same. Nah, not one of Boothy's crew who has a big ass for an A grader. Yep, either forgot to change or didn't bring his footy socks. Running around against the Roosters with his black Explorers on. It got pointed out at a change and he ended up with the mighty Maroons on in the end.

Enough crap... to the footy and the A grade didn't have too many issues in bringing home the Ian McInnes shield. Obviously the Burr have lost a fair few of their guns from their side but all credit has to go to our lads who showed great commitment and stayed relentless with no passengers all day. First best went to Alex "Sauce" Hentschke who stepped up to the ones and provided a target up forward all day. He banged through the first two from long range and ended

up with 4 for the arvo. Michael "Mickey Mac" McRae banged through 9 big ones and showed class in finishing off in the front 50. Mark "Snatch" Kieselbach again showed his consistency and looks well over his injuries from previous years, showing he can be another onballer in the ruck. Dylan "Bobbin" Childs played probably his best A grade game for the club, showing of his skills on the big stage which are up there with the best in the club. Others who played well in a consistent effort were Dean "Watto" Watson, Adam "Bags" Creek.

The twos had a great win against a side who did a great job in getting a side together late. The team effort looks to be back within the group as the lads worked together all day and ran the game out well. Anthony "Kez" Cary showed why he was one of our best back in his day with 8 goals up forward. Tim "Biggo" Biggins again led the way kicking goals in which he claims that he was robbed one on social media late Saturday night. Sam "Walks" Walker showed great skills, pace and lowered his eyes to constantly hit targets throughout the day. Josh "we need to get a better nick name than Joshy" Aston ran hard all day on the wing and got us going when the game was there to be won. Adam "Seals" Sealy carved them up in the centre with second efforts not usually seen in the twos.

The Senior Colts again worked hard and have shown great commitment to each other. The success hasn't quite been there yet but we are sure the hard work will pay off with a win just around the corner. Just remember boys, footy is all about having fun and spending time with your mates, the wins will come. Best players were Nick Herring, Edward Trupp, James Telford, William Cleggett and Nathan Smith.

The Junior Colts played really well against a very skillful Mt Burr team. Our fitness is improving every week and we are playing with plenty of energy come the end of games. Kial played at full back did a fantastic job, together with a huge effort from Drew, they defended strongly all day. Daniel and Toby worked really hard to run the ball forward. Our youngest players, Adam and goal kicking Jack are getting the confidence up and playing terrific footy. Mitchell, our first time player, was fast, skilled and a great asset to the team. These three have many years left in the juniors and will be great leaders of the team. Best players were Drew Mallon, Kial Poole, Daniel Cleggett, Adam Kuhl, Jack Edmonds and Mitchell Harris.

IT was a fantastic day down at Mt Burr last week, seeing all senior sides and the 17s come away with wins. Congratulations to Kristy Heaver who played her 200th senior game for the club last week. We thank Kristy for her ongoing commitment both on and off the court.

It's been remiss of me not to send out earlier congratulations to netballers who have given birth in the past couple of weeks - Congratulations to Kylie and Matt on the birth of Zavier and EJ and Crowie on the birth of Hunter. We also send our congratulations to Simon and Kim on the birth of Nash and Leo and Alycia on the birth of Maxim. That's four new little footballers all produced within the last few weeks!

Today will be a tough day at the office against perennially strong Kalangadoo. Let's all play with confidence and come away with a few wins.

A GRADE: 63-50. Much better game girls! The third quarter was a wonderful display of quality netball and definitely our best quarter of netball for the year. Great moving in the circle and front cutting by Sarah Lawler (Laser Electrical) and great cutting onto the circle by Alyce (Shadows). Strong leadership through the centre by Ashlea and good holding by Sarah Kas. We need to work on keeping up our good play for all four quarters. Let's bring our best today against Kalangadoo.

A RESERVE: 57-27. Great job girls! An excellent way

to celebrate 200 senior games for Kristy and it was pleasing to see every player put in and work hard to ensure she got the result she deserved for reaching such a milestone. Our defensive end gave us plenty of opportunities to score and it was in the second half (32-8) that we took control of the game and made it ours. Great work by everyone, especially after finally having our team out there! Best players went to Michelle and Mel for their hard work throughout the game. Encouragement award went to Leanne who after returning from injury did a fantastic job on the wing, driving and feeding really strongly. Top effort girls. Let's step it up again today.

B GRADE: 54-25. A great solid effort from everyone in hot conditions. Kylie Collins was awarded for great accurate shooting and good leadership in our attack line. Well done to Sarah Walker and Sally McDonnell in defence and for applying plenty of pressure down the court. Teisha and Justine Koop worked hard through the centre court and were awarded best players for their efforts (DeGaris Lawyers and Fasta Pasta). Let's push hard this week, stay on the winner's list and be patient.

B RESERVE: 33-20. What a fantastic game by all the girls! What you learnt at training really paid off. It was great to see everyone coming forward to meet the ball. Great movement and shooting by both goalies and the defence pressured hard all game as well. Drive through the mid court was great to watch. Well done to Maddie on playing her first game. Best players went to Lauren and Shani.

17 & UNDER: 71-9. A strong win girls. Everyone played a part in this win. Emilee Mitchell was a ball magnet at GK. Our leading and passing is certainly improving and everyone is working together as a team. Impressive game at GA for Laura with strong holding in the goal circle and was assisted by Ash who shot well all day. Encouragement award today went to Emily Agars (Civic Video) for a consistent game at WD. Let's keep improving each week and continue with our good form.

15 & UNDER: 30-48. Such an improvement from last week with everyone working together and talking much more. The last two quarters were the best and everyone picked up with lots of touches by Alice in the midcourt. Great moving and shooting by Sarah and Claire who worked really well together. Great feeding into the circle by Kayla and Bella. Ebony provided great drive out of defence with Tayla using her height for rebounds. Still need to work hard next week on our strong passes and leading in front and making sure we are balanced. Great work girls with great passages of play, you all should be very proud, you all worked really well. Best players: Sarah Edwards, Claire Waye. Encouragement Award: Alice Edmonds.

JUNIOR ONE: Great game girls against an in-form Mt Burr side. Everyone put in a fantastic effort with some excellent passages of play shown over five quarters. Keep up the good work. Awards this week went to Sharna Medhurst (Subway), Alana Menzel (Red Rooster) and Amber Rogerson (Encouragement Award - McDonalds).

FOOTBALL

A BEAUTIFUL day at the Doo last week with a sunny 20 degrees, keeping the waterboys busy and Missus Who's grade seven arithmetic coming in handy during the Eagles' demolition of Muchacho's Magpies. Jonsey's colts look to be our shining light this year so it's not all doom and gloom. Prior to the big game I had the Joffa of Hatherleigh Fredrick Luckhurst Smith masquerading as a South Eastern Times reporter telling me the Doo were going to get creamed by thirty goals. Naturally I put this down to too many home brand Mount Burr mummies, but bugger me dead if the old know it all champ wasn't on the money. Luckily he racked off to annoy K.D. and Saint Shane otherwise it would have been more painful.

Last week's Junior Colts game against Hatherleigh was a well fought out contest with our boys going down by 5 goals. With the help of a few Hath players boosting our numbers the game was played in very good spirits by both teams. Each week sees improvement from the Junior Colts which is very pleasing for all involved. Encouragement awards went to Jake Lang, S. McManus, Kobie McMurtrie, S. Farrugia, T. McManus and M. Davies.

The Senior Colts game was close for the first quarter but then our boys broke away to have a winning margin by half time. Having 6 players on the bench made for a lot of rotations and it was great to see everyone take their turn having a rest and then make the most of their time on the field. Every player contributed to the win which is what it takes to be a good team. Better players named were M. Lowe, T. Jones, J. Davies, R. Carlson, P. Davies and C. Auld.

A reminder that subs are now overdue and need to be paid to Sue Auld or your team manager along with the return of your medical/registration form.

Can's Bees fronted up to the top of the table Eagles and knew they were in for a tough day at the office.

Which proved to be the case. The boys kept up their work rate throughout the game. The fastest posty in the South East Timbo Krieger was rewarded with a game for his honesty during the week after correctly answering forty five when Dunny asked how old he was. To compensate for all these candles Can whacked in a couple of colts. Talking to the Interleague coach Jeff Medhurst during the game he reckoned that he has his eye on the House. Fair comment too with the big fella in the best.

Gully was best and got bulk support from Mitch Lowe who hardly raised a sweat after two games in succession, coach Can, mighty Matty May, the House and colt Camo Auld.

Muchacho's Magpies had a fair crack in the first to make Fred's prediction look crap. However the Eagles cranked their scoring rate up, whacking on eight in the next two before piling on twelve in the last to bugger all from the Doo. Most civilised sides help a bloke out by declaring an unofficial mercy rule in the last but not this mob!

Old fella Dunny led from the front to lead the Pies best together with Banno, Chrissy 'Fingers' Mules, B.C., Pebbles and Jags Pratt. Meanwhile back at Spud Park we can only hope.

Chrissy reports that Figgo has now arrived in F Troop country "wherethefwuckarewe" prior to this the champ visited the Grand Canyon, the Alamo and the OK Corral. You wouldn't know he had been there though as the bloke is a tad shy in front of cameras.

Back home on the ranch young Christopher and Jonathon were elected guardians of the new kid on the 18 year old block Brad Auld, nice move? We can only hope after Chrissy's effort giving new meaning to mobile phone and Johnny shadow boxing his way out of reputable Blue Lake City establishments.

Great day, apart from most results at the footy with the wasps failing to take out the patrons. Benny Bayonet Opie enjoying the Hill after giving Singapore customs the 'flick'. Final score was Customs six green death Opie two. Mac the knife would have been proud. Former

tripper Cracker Jack Lepley was all dressed up in his Peruvian T shirt.

The night crawlers were out last Saturday festooning the town in hand towels and schizenhauzen paper. The jury is out as to Bogans, wing nuts or complete dickheads.

KDoo Hilton regular Benny Fish and Chips Casey ordered a sardine but had the munchies for a mulloway.

David Dexter Dowdell is raring to go on his expedition akin to the search for the holy grail apart from taking it with him, the B grade cricket shield is expected to climb Ayers Rock witness a 'job' on the four state corners and return safely to the Doo.

Congrats to our World Series bowlers skipper Pud Auld, Paul Martin, PD Davies and Andre wobble Carlson on their fours champions efforts that have seen them go from local and regional to now have a crack at the big time the other side of the tollgate.

The Couchmeister is going boonta again with his photos but fortunately found time to let the lovely Chandelin view the inner sanctum of our footy change rooms. She was only impressed and easily entertained!

Matt Mad Dog Mays pooch Oscar has been busy carting his trampoline up and down the Doo rail line. Matty and compadre Chrissy have been kept busy flagellating each other with sticks and wasps. He who dares!

Lubolas boy Ryder looks a monty to be a Sydney Harbour Bridge painter after another change room roof inspection. Beckit would like to collar and cuff both of them.

Brian Who's boy first visit to the Doo rooms with nanna who ended in tears after the young bloke sighted all the carnage on the floor.

The Kalangadoo Remembers Group had a fantastic contribution from the footy gate raffle in excess of \$650. Thanks to all who made this possible.

A GRADE: Very pleasing first three quarters, with our concentration dropping off a bit in the last quarter. This is something that we will need to focus on in the coming weeks. It is great to see the strong positioning and rebounding from Kylie (Federal Hotel award) and Ebony (Collars & Cuffs award). Jenna, Narelle, Kirsty and Jayde's defensive work in their attacking third was great enabling us to create some turnovers with the pressure.

A RESERVE: Wow, what a game! It was a tight contest and pleasingly we were able to win by the closest of margins. The lead see-sawed throughout each quarter and it was great that we were able to fight back on a couple of occasions when we were 3-4 goals down. Whilst there were lots of things we did well, I'd still like us to improve on some aspects of our game, including our talk and decision making when we are tired. Our defensive efforts were good as was our finishing at goals (average of 75% accuracy). Best player awards went to Tara Jeffree for her great drives down court and excellent feeds into the goalies and Anthea Paterson for stepping up and doing the hard things when we needed her, as well as giving lots of direction in attack. Thanks to Nat and Lisa for their support, also to Mikaila and Sarah for sitting bench.

B RESERVE: Kdoo 34 - Hath 29. What a great game, both teams played with great sportsmanship and it was

a pleasure to watch. Summer passed brilliantly into the circle and was awarded best player, she was well supported by Emma at WA who passed and drove all day to give the goalies many opportunities. Well done. Thanks to Katilan for being reserve. Best players Summer Josephs and Emma Mulraney.

U17: It was a tough day girls against a strong Hatherleigh side. You all gave 110% out on the court, but with Maddi unfortunately going down with a knee injury in the first 5 minutes of the first quarter and myself making the worst mistake a coach could make, we were all a bit rattled for the first half. My biggest and sincere apology goes to Brianna and the whole team for my mistake, being able to put Brianna on court may have changed the whole aspect of the game for us! Let's just say we have just kept you as our surprise package for the next time we come up against them! Mikaila and Jade had a tough battle in defence, coming up with plenty of turnovers, but unfortunately we were just unable to convert and score from them. A big thanks to Jordy for playing a whole game, you did a great job! And on behalf of the whole team we wish Maddi a speedy recovery and hope to hear you cheering on the sideline! Let's work hard at training this week and come out against Glencoe with all guns blazing!

U15: Well, what can I say! We all knew it was going to be a hard game and although we managed to string together a few great passages of play, they were few and far between and our basic ball skills and passing again let us down. Our last quarter was by far our best where we slowed the game down and we made sure

we looked after all our passes and seemed to have more fun on the court. Great defence by Jazzy who was well supported in defence, and Lucy who when given the freedom to roam down court ensured there was plenty of drive into our attack line with beautiful feeding into the goalies, who are starting to move well together. Chin up tigers, a positive attitude from the start next time I am sure will be reflected in the score line.

U13: Great to see girls trying to do the things we practice at training. Shayla (terrific front cuts), Kelly (passing to space), Emason and Chelsea (working hard on shooting technique), Jess (good three foot distance), Georgia another 100% effort against taller opponents and quick reaction to the whistle, Lucy tremendous improvement overall (can't recall one stepping!), Isobel a fantastic game, moving well and shooting well (still can't understand why she likes the long bombs though!).

JUNIOR 1: Great work again girls. Welcome back Jaimee! A great game in WA and GS, your arm certainly didn't hinder your game to much at all! With many position changes you all adjusted nicely to each spot, some nice passing from Keely, Shelby and Emmi, whilst Emily, Chelsea and Shayla had some good pickups and intercepts. Jess St worked hard in defence, and Jess C really came out of her shell when in WA. Let's go into our game today really concentrating on our passing and ball placement. Awards: Jaimee Ryan and Jess Carlson.

JUNIOR 2: What great sportsmanship from Hatherleigh! It was a good game of netball all round! Imogen Jeffery played a great game at GD. She received best player as well as Emma and Rachael.

FOOTBALL

JUNIOR COLTS: Great effort by the Tiger cubs. Fantastic to see the boys prepared to run and back each other up, some good use of the handball saw some good passages of play. We did blaze away with the kicks a bit at times, maybe a bit of panic or perhaps not enough talk. Much better use of the ball by foot in the second half. The lads are helping each other out with the talk, shepharding and backing up. Co-captains are Corby White and Zane Walker while the co vice-captains are Hamish Ferguson and Roy Osbourne.

Goals: Sam Linton 2, Matt Sorella 2, Roy Osborne, Ethan Glass Reilly and Billy Hann 1 each. Best: Zane Walker, Matt Sorella, Hamish Ferguson, Jack Radley, Ethan Glass Reilly and Corby White. Awards: SMK Electrical - Jack Radley, Tant Ladies Committee - Zane Walker, KFC - Matt Nelson, McDonalds - Jack Hann, Hanny and Donna \$20 Encouragement - Sam Linton.

SENIOR COLTS: Down at Robe the boys were looking to keep their form going, but after a lazy Thursday training it wasn't looking like an easy task. The boys got off to a slow start but after half time they started to kick into gear and get on top of the reigning premiers. The next half started a great battle between the teams, but our boys played a bit harder and a bit smarter which enabled them to hang on for a close win. Great team effort by the boys. Hopefully a better training gets us back to a better 4 quarter game. Go Tiges.

Best: Darcy Pink, Ben McRostie, Bryce Radley, Caleb Williams, Toby Pink and Tyson Beelitz. Goals: Darcy Pink 3, Adam Gregory 2, Ben McRostie, Reid

Marshall, Caleb Williams, Steven White 1 each.

Awards: SMK Electrical \$10 - Ben McRostie, Seebohm Sportspower - Darcy Pink, Tony Egan Mensland - Caleb Williams, Ducky's Surf - Adam Gregory, Coach/Managers \$10 - Toby Pink.

B GRADE: On another warm day for footy down at the seaside, the Reserves played a bit of a depleted Robe team, but to their credit, they battled it out strongly to the end of the game and gave us a good hit out. If we can get everyone on the track and get the fitness levels up a bit more we should be pushing real hard to have a real crack at playing finals footy again, which hasn't been the case for a few years.

Better players were Timmy Wilson in the ruck for the second week in a row hasn't missed a beat in there. Meeky hard at it again on the bottom of the packs, would be close to a call up in the main game.

Skin back in the 21 guernsey patrolled the mid-field well again. Scotty Aggs at CHB gave us plenty of drive from back there. Zeke keeps getting better each week and has put his name up for the Josh Peters variety bucket goal of the year nomination, and the Fossil snuck a cheeky 11 through the big sticks. Red also rallied the troops well on the last line.

The ongoing saga of the 21 guernsey between Lang and Donk is still lingering in the change rooms with the two still not on talking terms on this matter, and from a club view this needs to be sorted very soon, the latest is Lang is looking to swap codes and run the 21 for Millicent United on a Sunday. Also on a more sombre note condolences to Rads, Lonks and their families.

A GRADE: After having the bye in round 2 the boys were keen to get back out on the park. We started the game a bit rusty and with a few skill

errors at vital times goals were hard to come by in the first. The second quarter was very similar with both sides having chances to kick away. After half time, to the boys credit they came out a lot harder running side and played some really good footy, and eventually ran away with the game. Better players were Jords (2 in a row), Rooster (who plays his 100th today) congrats to him, they have been some of the best individual games to grace the Tant footy oval, Rehunny, Jockey, big Benno, Pilly with plenty of others playing well. Our sympathy goes out to the Radley family on the passing away of Deano's father. We play the Burr today and are very keen to make it 3 in a row, let's get the win and make it a special 100th for Rowie! Go the Tigers.

GENERAL: Congratulations to Jason Rowe, as today he will play his 100th game as a Tiger. Jason has been a valuable player for our club over the last 6 years, and we hope to see him finish off his career with us. I don't know how he manages to get himself out on the track each week, as he sure does it tough, good luck in today's game. Our condolences to Dean, Ilonka and family on the passing of Dean's dad, Kevin.

Tonight we will be holding our annual Calcutta, so have your syndicate's ready, to get the player of your choice. Thank you to all our wonderful sponsors that help to make our club a success - Zobels, Banner Millicent, Glendee Auto Repairs, Graham and Julie Reilly, Hamilton, Northwood and Associations, John Holloway, Millicent Farm Supplies, Radley Plastering, SMK Electrical and The Tiger Hotel. Please support those that support us! Please check next week's Budget for more of our valued sponsors.

NETBALL

JUNIOR 2: Great first game girls, we all played well for the first game of the season. The defence was good all over the court and our four feet that we practised at training was fantastic. We scored our first goals in the last quarter, which was exciting! Ella received the Hungry Jacks Award and Chloe received the McDonald's Award with Lacey earning the Ey Family Encouragement Award.

U/13: Well done girls, great effort! Against a much more experienced side, we never gave up. There were some inventive moves in the goal ring and some solid passages of play down the court. The defences worked hard all game, getting some hands to balls and everyone had a good attitude. We need to continue working on getting in front of our opposition players especially if they're taller and passing in front. Georgia received the Ducky's Award and Maddy received the Subway Award.

U/15: A hard fought game girls. We started off

slowly but kicked into gear by the second half. I was very pleased with the defence all game. You girls didn't give up and were there for every rebound. Molly played an outstanding game in GK and caused many turnovers in our favour. The Ey Award went to Molly Taylor and Kacie Hale received the Hungry Jacks Award.

U/17: A hard game played girls. We adjusted to some new positions and did a good job, just coming short of a win. Casey and Alex played well at centre and goal defence, fighting hard and turning over the ball. The attack line worked the ball into the ring to score the goals. Thanks to Chyan for filling in and playing awesome at GK. Award this week went to Erin with a hard game at WA.

B GRADE: Great game girls. We fought hard and it paid off. Again, Tars ran her heart out the entire time and our defence picked up some great rebounds. Goalies and centre court players moved well and our feeding was excellent. We need to remember to stay strong and keep our heads up when we turn the ball over. Great start to the season girls! Nat received the RSL Award

and Kelsey received the Shadows Award.

A RES: Other than the second quarter, it was a very even, tightly contested game. Robe took it from us with their determined attitude. We had some new combinations throughout the court, which will come together better with time. In the meantime we will need to reduce our unforced errors and be stronger at the ball to improve our outcome. The "best off court" award goes to Kath Taylor for her persistence (a very unfortunate clerical mistake was made, about which all feel bad). Bec Scanlon received the Tiger Hotel Award.

A GRADE: Jo Wilson received the TFC Ladies Committee Award and Kate Bromley received the McCourts Award. Fantastic first quarter girls, we really came out firing with great movement in the circle and great pressure in defence. Dismal second quarter which cost us the game. We just need to keep our heads up and keep positive. Thanks to T-bags and Wu for volunteering to write the team notes for the season. You're the greatest!

FOOTBALL

THE Mozzies travel to Tant today to take on the Tigers in what should be another day of great country footy action. A reminder to all players and supporters that there will be a club dinner on tonight at the Sporty's Hotel following today's games. Last week at the Burr we took on Glencoe on what was a glorious Autumn day.

The **MINI MOZZIES** got the day underway against Glencoe. The kids are gaining more and more confidence with each game and continue to improve. With plenty of run and talk from both sides it was an even contest. We have great numbers in the U11 competition and we would like to welcome our newest player Trey Little to the club. Congrats to Jett Bowering on kicking his first goal. Thanks go to Hendo for umpiring, assistant coach Haggis and to those players who chose to play for the Murphies, well done. Hopefully our head coach Justin will be back fit and firing again soon.

The **JUNIOR COLTS** boys came up against a very determined Glencoe team and the game was played in good spirits. The boys trained well during the week and that's what we keep saying... "train well and you will play well on game day". Good work boys. Big thanks to the boys who played for Glencoe, great stuff. We wish Poopy a speedy recovery and to young Jack Hatley a very speedy recovery as well. Ok better players 1st MR G Cory G, 2nd GREAT WORK Tom V, 3rd Well played Darcy

H, 4th Kicked a couple of goals Brodie G, 5th The Fonze Liam W, and 6th Played hard all day James W. Well that's it from me, keep working hard boys and let's see if we can roll the Tigers in today's game. GO U14S BURR BOYS.

The **SENIOR COLTS** came up against an undermanned Glencoe side. It was still pleasing to see the boys use and share the ball well, sticking to their game plans and not crowding up the forward line as the ball spent the majority of time in there. Their pressure around the ground has been a big improvement this season. Once again it was a solid team performance and it's great to see some juniors amongst the best. Sam Wal, Dyl V did their thing, Brodie H, Jessie R and Bailey C contributed, while Jacob Greys played his best game so far to be best on. Thanks to the guys who played for the Murphies and also to the ones who stepped up and helped out the B grade. Also thanks to Glencoe, although going through a tough period at the moment their emphasis on player development and not so much winning or losing made them good to deal with.

The **RESSIES** are really struggling for numbers and Scotty is doing the best he can with what he has. Thanks to all the Senior Colts that helped him out and Aaron Gregory who tells me that was his first game in 25 years, well done. The story is simple for the B grade this year, Scotty needs some players to get behind him, go to training and make a commitment. Neither Scotty nor the club see that forfeiting is an option, it reflects badly on the club and some serious fines go with it. Neither is it

fair on the kids stepping up each week to help out. So once again get on the track and help your coach and club. There were some shining lights for the Reserves on the weekend with players such as Robskie and Clint who battled hard and never gave up and we welcome new players Jake Malthouse and James Curson. Keep up the good work Scotty Les.

The **A GRADE**, although well beaten, showed improvement in a few areas of the game, their opponents were too clean with their decision making and skill execution. The team certainly tried to apply pressure by tackling and chasing and some of their ball movement showed signs of applying what they've been practicing. We have seen a few individuals playing in different position to what they've been used to and applying themselves to the task. Congratulations to Dylan Vanderhorst on his A grade debut.

We take this opportunity to wish club Vice President Justin Muhovics a speedy recovery. Several text messages were received from his hospital bed last Sat morning making sure things were running ok and when I texted him to not worry just concentrate on getting better he replied old habits die hard. Get well soon mate. Don't forget the club dinner tonight at Sporty's Hotel, see you there for what is always a good night.

JUNIOR 2: No game played.

JUNIOR 1: Great job girls, you all played a fantastic game with strong defense and offence. Everything that we have worked on throughout trainings is starting to pay off. Congratulations to Anna Fox who received the Toffee and Treats award and Kate Noble who won the Cherry Avenue voucher.

13 & UNDER: No game played.

15 & UNDER: What a fantastic game girls, I am over the moon. Training has started to pay off. Everyone put in and worked hard. Let's keep working hard and playing our game. Thank you to Lani Bowering for filling in, she fitted right in with the game. Award goes to Katelyn Wilson from Sports Power and great defences by Alanah Crescentino.

17 & UNDER: After a hard week at training the girls come out with a completely different attitude. The ball movement down the court

improved, along with one on one defensive structure. With a couple of our players out on holidays and injury, a position reshuffle had to be done. Chelsey Leigh-Hawke ran out an excellent game putting in that 100% to meet the ball every time, and Tarin Thatcher, after being placed back in defense, played a great game too. I would again like to thank Olivia Fuller and Kayla Lesslie from the 15s for stepping up in the absence of the missing 17s.

A RESERVE: Great improvement last week girls, especially our second quarter effort. Really pleased with the efforts at both ends of the court, especially the movement of the ball from defence. Bonnie is improving every week after not playing for 14 years and runs all game. Welcome back Kate Nowak, your experience and talk on the court is invaluable. Our defence line is starting to gel and made some great interceptions. Ashleigh demonstrated how to play with heart as she was in extreme pain from shin splints and still managed to run out the whole game. Lisa played well whilst at GS but struggled with the change of position.

Great work Stacey, Megan and Ann in defence, the extra height in the goal circle certainly worked well. La De Dah award to Stacey for her tireless effort at GK.

A GRADE: We struggled last week against a very determined Glencoe side. With scores even at quarter time and 2 down at half time, I did think we would switch on as we hadn't gelled for the first half and certainly missed our GS in Ebony. When two goalies have played together for over 2 years it is hard to just slot someone in there to do the same job. So let's hope Ebs makes a quick recovery. It was fantastic to have Laura home to play and she worked hard, also welcome back Emma Lesslie, great to have you back in the team. We continued to work in the game but nothing seemed to be happening and we just didn't get it together for the second half, even though the last quarter was even. Heidi took the Lah De Dah award this week. Sarah and Hayley continued to try and get some rhythm going but it just wasn't our day. Let's get that mojo back this week and play 4 solid quarters.

FOOTBALL

WE all sometimes think we are hard done by and are doing it tough, but as it does every year, ANZAC Day gives us a very sober reminder of just how lucky we are. As well as how much we owe the amazing people who have and still are defending our country all around the world.

This afternoon against Port MacDonnell, we as a club get the chance to pay our respects to the ANZAC legacy. Whilst only a game of football, the opportunity to represent the club on this day each year is very special to everyone involved at Kongorong. We thank the Port MacDonnell Football Club, the Mid South East Football League and the RSL, for their ongoing support in making this an important day for all concerned. Most importantly we thank all the men and women who have made the ultimate sacrifice to ensure we get to enjoy a day at the footy. "Lest We Forget."

Nangwarry were our hosts last week and all games were hard fought and played in great spirit.

The Junior Colts, after a slow start, played some good patches of footy that would have made Coach Long proud. The boys have been training hard and are starting to play a good team game. Well done to Lachlan Smith, Liam Bottomley, Cooper Sanderson, Jack Thompson and Ryan Vickery for their efforts over the four quarters.

Over to Jenks for his review of the Senior Colts... A much better first quarter this week for the colts. Lots more run and unselfish play set the tone for the day. With some players swapping sides as the game went on, it was pleasing to see the effort of those guys playing for the opposition. Best

player was Sam Baker who played 3 quarters for Nangwarry and probably had 30 bounces for the day. His work rate is something all of us should aspire to. Dell Brown played another great game in the ruck. Andrew Last presented well. Brad Ellis looked the part up forward with his flowing mulllet. Jake Blackwell showed plenty of dash. Brandon Kranz battled hard again. Special mention to Dermie who won the shepherd competition and Liam and Moddy for their first colts game.

The Reserves played a scrappy, tight affair that never seemed to be safe until late in the game. Nangwarry had a lot of experienced footballers and they always kept within striking distance. Again our goalkicking didn't help, but having said that the forwards probably weren't getting great delivery for most of the day either. The backline again held up well and are certain to be under the pump today and will need to work as a team against the reigning premiers. Best players on the day were Zeke Best, who is knocking on the door of an A grade game, Tyson Proud played another solid game at full back, Nick Bowd was everywhere and lifted his team mates all day, Dan Han continues his good form and is another who is pressing for A grade selection, whilst Daniel Harradine was able to put the disappointment of his captain forgetting to pick him on Thursday night behind him and play his usual hard running and courageous game. No doubt Wheelie will enjoy playing at home today, as he seems to lose his radar for goals when he leaves Kongorong. A big test for the boys today against the reigning premiers.

With about 10 minutes to go in the A grade game, our racing guru and goal umpire (when Black Caviar is not running), Dave Gilbert reckons you could have got 40/1 on us winning. 5 goals down and Nangwarry looking the goods, it

certainly seemed a long way back for the boys. If Dave had actually offered the 40/1, I think every A grade Kongorong player would have taken a piece because they certainly hadn't given up, and Dave would have been in more debt than his balance in his weekly celebrity tipping competition in The Border Watch. 15 goals to 1 in a quarter and a bit certainly had most people at the ground in a state of shock. Team football was asked for by Cameron and the boys delivered.

The players certainly understand that there is plenty of hard work to do yet and we have plenty of areas of our game that needs improvement, but the boys are working hard for each other and this certainly needs to continue today.

On a sadder note we wish Ben (Kiwi) Loef a speedy recovery from his injury. His workrate and effort has been an inspiration to all the boys. Awards went to John Simkin who continues to stand up when the team needs him most, Bronson Saffin, who is developing new strings to his bow each week which is making him more and more dangerous, Jason Phillips back from his work trip away and straight into good form, along with brother Dwayne who again showed great leadership when the chips were down. Although we may need to ask Janet and Dave to add some more salt to the boys' diet as cramping seems to be a family issue, although having never run as fast or as far as the boys do in a game, maybe I should just keep quiet. Ben Drew again played a fine game and continues to improve those around him.

Thank you to sponsors: Tant Tiger Hotel, Collins Court Butcher and the RSL for their support with awards.

All the best to all sides today and make sure we raise a glass afterwards to all those special people who serve our country.

NETBALL

WE welcome everyone to this special once a year occasion. On this day we remember the sacrifices the ANZAC's made, and continue to make, to make our country a safer place. Good luck to all teams playing today, and let's play in the spirit of the ANZACs!

13 & UNDER: Good win girls, to come up in the last quarter to win by 6 goals. All girls played well. Best players were Amber Formasa and Demi Holmes. It was great to coach the girls while Ella was away. Keep playing strong girls.

15 & UNDER: Good win girls, you all played an intense 4 quarters and adapted well with the changes made. Defence was tight and goalies moved well in the circle. Excellent back up and team work through the mid court. Best players went to Kelsey Long and Tegan Modra.

17 & UNDER: Good try on the court last week by all girls. Best players go to Elenor M. and Maddy G. After a few changes to the game plan the ball finally

started to move down the court. Keep up the good work girls and we will get there.

B RES: Not our best game girls. Our passing really let us down. We need to have a look for the easy options and not throw the ball away. Let's refocus and play a full four against the Bay today. Fasta Pasta Belinda Allen, Arena Jess Hawkins.

B GRADE: That was a fantastic four whole quarters of netball we played girls! and didn't it feel great. It was a very close game and we didn't drop our heads. Cathy and Ambah played hard all day turning over the ball. Hannah and Sarah shot well today and moved around well with tough competition. Well done to everyone playing in new positions. It was great to see that even when we change things we can still play to the plan. If we can keep playing this style of netball we will get that win on the board. Best players were Cathy Ashby and Ambah Hunter.

A RES: It took a bit for us to settle down in the first quarter with our new side but after that we played a strong game. Our defensive pressure all the way down the court is excellent, we just need to slow it down once we get a turnover. Excellent shooting

from Chloe Ashby who got the Arena Sports Store award and Ellie Waters got the Fasta Pasta who slotted straight back in for her first game

A GRADE: A hard game well fought out with some great patches of play, but our first quarter really let us down. In saying that this was our first game together and considering this we were able to work as a team and back each other up. With our fitness an issue on this hot day that is something quite simple we can work on. A big welcome back to the new Mrs Leese who played a fantastic job at GD. Phoebe Douglas returned in C and Courtney Pink returned from being away at Uni. Holly's consistence defence helped with turnovers with the back up of Ash. Sam and Kimmi played extremely well working with movement and fast passing. Awards Sam Loughhead (Lorna Jane) and Courtney Pink (Fasta Pasta).

OTHER ITEMS (milestones, social functions etc): Last week we wore black arm bands in remembrance to Yana, Amanda and Nick's little girl. Our thoughts are with them during this difficult time. The Kongorong Netball and Football Club.

FOOTBALL

CONGRATULATIONS to Jason Smith who plays his 250th game today against Kongorong and to Ben O'Dine for his 50th game against Nangwarry last week.

The captains of all the teams for this season are Mini Colts - Captains: Lochie Tilley and Tom Zeitz, Vice Captains: Wade Chant and Ned Wilke; Senior Colts - Captain: Tom Sullivan, Vice Captains: Jordan Stark and Ben Wilke; B Grade - Co-Captains: Jason Smith and Brendan Goodwin; A Grade - Captain: Will Macdonald, Vice Captains: Ben McGregor, Zack Williams and Brad Stephens. Congratulations.

JUNIOR COLTS: Tough conditions for footy and I asked the boys to keep their head over it and to be first at the contest. They did this well in the first quarter with the wind to give them a good lead. The intensity dropped off in the second quarter and we were also not accountable enough for our opponent. Assistant coach Pete gave them a rev at half time, which sparked them into action for the third quarter. After switching the team around numerous times for the game to get everyone involved, the players did well to adjust.

Going back to a more settled side in the last, the boys nearly doubled their score to win the game. Thanks to all boys that went across and played for Nangas which made it a good competitive hit out. Thanks to all the volunteers helping out on the weekends. Great to see everyone keen to get involved.

SENIOR COLTS: Full credit to Nangwarry with their work over the off-season to get solid members for the game. The wet conditions made for some hard fought contested footy and an even game. The team responded well in the second quarter after being down early to go into half time with a small lead. The second half was a repeat of the first half but we were a little bit more efficient with our ball use which enabled us to score more in this half. Really pleasing, first year players in Liam, Tristan, Jack, Rhys, Brodie and Sam D adjust to the quicker tempo and put their body over the ball. Rory led the way, followed by Sam "Dibbsy" Zeitz, Sparkos, Spongo, Reedy, Sippos and Kyall "Bulldog" McClean. Enjoy the week off boys, plenty of hard work to come. Pierre.

B GRADE: In blustery conditions at Port MacDonnell, we were made to work hard against Nangwarry. We started off with the wind and made good use of it. After quarter

time into a stiff breeze we were made to earn any goal we scored. Third quarter the intensity dropped off and Nangwarry lifted and started to move the ball well but were unrewarded. In the last quarter both teams battled hard to the end. Best were Jason Smith, Brad Chant, Darcy Kemp, Adain Higgs and Mathew Stark with 6 goals, last but not least Matthew Fox who had kick of the day only not to be rewarded.

A GRADE: Last round coming up against a much improved Nangwarry, showed the seniors side that anything less than 100% effort and it will become a hard day at the office. Nangwarry really showed us some areas we need to work on to be able to beat Kongorong this week. Best players were the newly appointed captain Will Macdonald, Dylan with another bag of goals, Riley Chant for a fantastic nullifying job on a very good Nangwarry opponent, the two O'Dine brothers again very solid across the ground, Benny Mac and Joel Feast also had very creative and workman-like games. Arch rivals this week, it has been a long time since we have been defeated by Kongorong and I'm sure will continue if the boys play 100% for four quarters.

Go Demons!

NETBALL

13 & UNDER: Fantastic game girls, you followed up from last week, all putting in 100% again. Its great to see things we are working on at training being put into practice in your games. Lily Higgs especially used what she had learnt at training and it paid off, earning her best player for the game. A great 4 quarters by Tia Taylor also got her a best player award.

15 & UNDER: Awesome game girls! Well played considering the weather. Everyone played as a team. We reached our goal that we set which was great. The score was 58 to 19. Best players were Paige Tilley and Emily Devine.

17 & UNDER: Well done girls, we had

some great passages of play but we let ourselves and team mates down with silly passing options. We need to slow down and play our own game and treasure our turnovers. Everyone needs to come out to training and work hard so we can start getting a few wins. Best: Gemma Kemp.

B RESERVE: Well done girls, our passing let us down a bit but we need to adjust to the wind. Awesome shooting by both goalies and some defence fought hard all game. Best players Emma Marshall, Brittney Stark, Sharon Buchannon.

B GRADE: Good game girls. Worked hard through the entire court. Worked with some different combo's today and you all did well with the changes. Best players: Jo Gerloff and Steph Morris.

A RESERVE: Big improvement, everyone worked hard and put the effort in.

Great movement and accurate shooting by Lacey. Defence worked hard, plenty of intercepts and hands to the ball. Mel worked hard for a full four quarters. Good driving and leadership by Courtney. Thanks Libby for a hard 3 quarter effort and Cristan for benching. Best: Lacey Neal and Mel Neave.

A GRADE: A disappointing game, silly little errors let us down which cost us the game. We have a lot of things to work on. Jordie had a great game in goals working hard with Sal. Emily worked in well with the attack feeding in well. Ash and Kelly got hands to many balls, with Candice getting touches on the outside. We just need to take the positives from the game and put that into our next game against Kongorong. Jordie and Ash best players.

A traditional, full-strength lager, Carlton Draught is crisp on the mid-palate with a good malt character and smooth full-bodied flavour.

Clean hop bitterness gives the brew a slightly dry finish.

FREE SEMINAR

The Mount Gambier Road Awareness Program

presents a
FREE Seminar by
Station Officer Rod Campbell
(former SANFL Footballer for Glenelg & South)

Where: Sir Robert Helpmann Theatre

When: Wednesday 8th May at 7pm

BONNIE ROTHALL PLAYS 100 SENIOR GAMES

Photo: Jacqui Cocks

ON Saturday 27th April, Bonnie Rothall plays her 100th senior game for the Glencoe Netball Club.

Bonnie started playing for the Glencoe Netball Club when she was 12 years old in 1993. She played all of her junior netball for Glencoe before progressing to the senior ranks in 1999. From 2004, Bonnie had some time off the court while pregnant with her two boys. During this time Bonnie was also diagnosed with breast cancer which she has since fought hard to recover from. The Glencoe Netball Club welcomed Bonnie back to the court for season 2012.

Bonnie has played almost every position on the court, and does so with strength and without complaint. She is a strong attacking player who moves well in the goal circle and provides solid leadership on the

court. In her early senior days she played in the A grade at a time when the club was struggling to gain a win in any grade. These were tough times for the club, and the individuals who stepped up, but as is reflected in Bonnie's spirit, she assisted the club through these tough times without complaint.

Off the court Bonnie is always willing to put up her hand to help whether through fundraising, umpiring or coaching. This is evidenced by the fact that she volunteered to coach the B Reserve team for season 2012, the first year she returned to the club after eight seasons off.

The Glencoe Netball Club would like to congratulate Bonnie on achieving this milestone, and thank her for her continued support of the club. Well done Bonnie!
