ROUND FIVE REVIEW

IT was billed as the "Blockbuster at the Bay" and Hatherleigh had all the run and all the answers. When you have so many players running hard and making position, the goals will come. The Demons did not play poorly and finished the game well. Nonetheless, the Eagles built a five goal buffer by quarter time and always looked to have breathing space.

Kalangadoo had been considered a slight chance of defeating Tantanoola at home and opening their 2013 account but it was not to be.

It was the third time that Nangwarry and Glencoe have competed for the Phil Muhovics Memorial Cup and the unbeaten run of the Murphies has continued. Another piece of silverware, the Phil Muhovics Memorial Medal, was awarded to Glencoe's Mark Kieselbach.

The Mozzies put together consecutive wins at the expense of Robe and can now take a fortnight's break from Saturday competition. That being said, there should still be plenty of track work still being undertaken at "Mick" and Jean Walker Oval to make up for the low-key summer training regime.

ROUND SIX PREVIEW

THE crowds will be heading to Glencoe today as reigning premiers Port MacDonnell will be looking to make amends for last week's narrow loss to top-team Hatherleigh. The Glencoe Oval will have additional sporting facilities in the coming year as Wattle Range Council has signalled it will spend \$45,000 on a skate park.

Either Robe or Kalangadoo

will finally break their duck at Guichen Bay this afternoon. Rooster coach Jaymen Fletcher is trying many tactics to bring his young team together and that is commendable.

After a hard work-out at the Bay, Hatherleigh return home and face a refreshed Kongorong. The Eagles might have ex-coach and 2001 Mail Medallist Matt Faulkner back in the mix after a few weeks of injury problems.

Nangwarry might get the points at Tigerland but the loss of Matt Fatchen and Nathan Reeves to injury will make this unlikely. The Saints have to choose more wisely when disposing of the ball and this is a criticism that could also be directed at the Tigers.

GIVE CANCER THE BOOT

THE Mid South East Football League proudly supporting the Give Cancer the Boot awareness round this Saturday (May 11). This commendable fundraiser has been backed by the Mid SE fraternity for a number of years. It is an initiative of the Cancer Council of SA.

It might be Mother's Day tomorrow but today I am writing about grandpas and grandsons.

There might be many that I will miss but here is a selection:

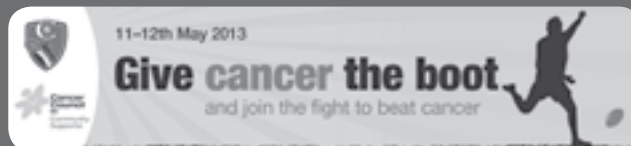

The Mitchells

Peter Mitchell (senior) and his winning grand final team from 1963 will be at Glencoe today as they celebrate 50 years since that 31 point win over Port MacDonnell.

He won the 1958 Mail Medal and was a key member of his club's dominant teams in the 1950s and 1960s.

Strangely, the Murphies went through the 1970s without a flag and then his son Peter Mitchell (junior) kicked three goals in the 1985 season decider to end a 17 year premiership drought.

Peter (junior) has been the Mid SE president since 2009

THIS weekend's round of matches sees the MSEFL support Cancer Council SA's accommodation services across the state.

Each home game will have collection tins at the gate and spectators are encouraged to donate what they can. Every donation, big or small will help change the lives of those South Australians in need with all proceeds donated to the Cancer Council of SA.

All senior matches within the MSEFL will be playing with a unique Community Football League pink football and each home club may also have their own individual events during the day to both raise much needed funds and awareness.

This is a great opportunity for all supporters of MSEFL to assist the Cancer Council in the wonderful work that they do. Cancer Council SA is the state's leading non-government cancer control organisation, which provides cancer research, prevention and support services, including subsidised accommodation for regional cancer patients and their families who need to travel to Adelaide for treatment.

while his wife Naomi has been on the executive committee even longer than that.

Their son Bradley made his A Grade debut last month.

For the record, Glencoe defeated Port Mac in the 1963 grand final 11.15 to 7.8.

The two teams had also met the previous year and the result was also a triumph for the Murphies over the Demons. The score was 12.14 to 10.13.

The Demons contested their third consecutive grand final in 1964 and defeated the Tarpeena Canaries 10.6 to 5.14.

The Scanlons

After serving as an infantryman with the 2nd/27th Battalion (AIF) during World War Two, the late Bill Scanlon played in at least one of Tantanoola's two post-war premierships.

His son Terry was a dual Tiger premiership player in 1973 and 1975.

Terry's son Tim went with a whisker of being a third generation Scanlon to play in a Mid

SE premiership team in 2001.

Tim played his junior footy at Hatherleigh but was playing for Nangwarry 12 years ago as his brother-in-law Leigh "Leroy" Capewell was the coach.

The Saints tied the grand final at Mt Burr and Kalangadoo then won the replay and so Tim Scanlon was denied this rare feat.

The Skeers

Leading Hatherleigh and Mid SE goalkicker Jack Skeer shares the passion for footy with his grandfather Brian Skeer.

One of Brian's many contributions to the Eagles was his ability to be both a player and a club president while aged in his early twenties.

His first stint at the helm came in 1965 and he had further years as president in the early 1980s after he had retired as a player.

We don't have any playing presidents currently in the Mid SE other than Shane Ploenges (Nangwarry) and Jack Perkins (Robe) who pull on the boots

for the Resses from time to time.

The Pratts

Kalangadoo's James (Jags) Pratt is the son of ex-Magpie coach and president Nicky Pratt and the grandson of the late Jim Pratt, a Mail Medal winning rover with Blyth in the North Eastern Football League in the 1960s.

Lazarus/Allen

Gary "The General" Lazarus played 132 times for Fitzroy in the VFL and was a premiership playing coach and league medallist with East Gambier in the Western Border. He also coached Millicent, Tarpeena and Port MacDonnell.

His grandson Nick Allen played his formative years at the Bay and also some A Grade football.

He joined West Gambier in 2012 and is really making a mark in A Grade performances.

Walker/Wight

Brad Wight, 16, made his A Grade debut for Hatherleigh on the recent opening day of the 2013 season

Long-time MSEFL followers would be interested to know that Brad's late maternal grandfather was Barry Walker.

He won Mail Medals at Mt Burr (1964) and Hatherleigh (1970) and was a life member of the Mozzies, the Eagles and the MSEFL.

Barry also coached for a total of eight seasons at Beachport, Hatherleigh and Mt Burr.

The Murdochs

We are basking in the knowledge that the Murdoch brothers, Jordan and Brodie, are now fully fledged AFL footballers with Geelong and St Kilda respectively.

Mid SE buffs also know that their dad Roger kept wearing red and blue colours with the Norwood Redlegs, Port Mac Demons and the West Gambier Roos.

Family patriarch Bill Murdoch has a few claims to fame in country footy including six Mail Medals in the Murray Lands Football League between 1952 and 1961.

Just two seasons ago and at the age of 81, Murdoch accepted the role of A Grade coach with Pinnaroo in the Mallee Football League.

The role was non-playing!

The Von Duves

A sad event each year brings Kevin "Joe" Von Duve (senior) and the members of his clan to the Tantanoola/Glencoe match at Tigerland.

They honour the memory of one of his sons, Neil, who died of a brain tumour several years ago.

Although the Von Duves are most closely associated with Glencoe, Joe's grandsons have played at other Mid SE clubs and in Mount Gambier.

The Seeböhm connection

Last year, Mt Burr UFC life member Noel Seeböhm and his wife Pat were rightly on the front page of The Advertiser as their grand daughter Emily Seeböhm (OAM) had swum so well in the London Olympics Games.

Their grandsons Nathan and Jordan Muhovics are currently in the Mossies senior teams.

Another grandson of Noel and Pat is Simon Hughes but he is not playing at Mt Burr at present.

He has collected three A Grade premiership medallions to date with the Mozzies.

As with many other Mid SE footballers, his body bares a permanent reminder of the winning years.

Max Matthews Memorial

Ever since 2009, the Magpies and the Murphies have honoured the memory of "Spud" at their annual Glencoe meeting with a shield and B.O.G. medal.

"Spud" played with both clubs during a long career.

His grandson Jed Matthews, son Trevor, has presented his grandpa's B.O.G. medal for the past five years.

I will write more about grandpas and grandsons in the Mid SE later in 2013.

See ya at the footy.

PORT MAC'S second draftee, Brodie Murdoch, continues to impress at his new club, St. Kilda. Two years ago Brodie was co-captaining Port Mac Senior Colts to a premiership and now finds himself playing at the highest level. It has certainly been a whirlwind journey.

Brodie moved to Adelaide at the start of 2012 to pursue his football dreams with the Glenelg Football Club. He trained hard and whilst eligible for the U18s was promoted to the Reserves at the start of the season. Brodie was included in the State U18s side and played all five games of the National Carnival. He then returned to the Glenelg Reserves side playing well enough to be promoted to the League side in the last game of the season.

Brodie nominated for the National Draft and was picked at No. 40 by the St. Kilda Football Club. His first pre-season at AFL level involved a trip to Bolder, Colorado for high altitude training which gave him a perfect opportunity to get to know all of his new teammates. His pre-season efforts were rewarded with two games in the seniors, a NAB cup game against Melbourne and a trial game against GWS. These games were magnificent experience and definitely fuelled Brodie's desire to play at the highest level.

Brodie's start to the season proper was in the VFL with St. Kilda's affiliated club the Sandringham Zebras. With new teammates and a new competition, it's fair to say Brodie took a little while to find good form. In his fourth game against Port Melbourne, Brodie was very good and was taken from the field just after half time to do a full recovery ready to travel to New Zealand with the senior squad. The historic first game for points off Australian soil against the might of the Sydney Swans on ANZAC Day became Brodie's debut. This was an incredible experience for Brodie, realising his boyhood dream of playing AFL football.

Brodie's journey has been very exciting for the whole Port Mac community and we congratulate him and wish him well for not only the rest of the season but his future career.

BLOW THE WHISTLE

**Paul
Cavanagh**

AFTER the completion of today's round of games in the Family League we are already a third of the way through our minor round. The hot sunny days of summer would appear to be behind us as we head into those cold, windy, rainy Saturdays of winter (how long till summer Gladys?).

Last week yours truly travelled to Port Mac for the blockbuster game against the inform Hatherleigh Eagles. I was joined by my old mate Benny Hill who seems to have put the UFO episodes behind him. During the Reserves game an unfortunate accident saw Eagles player Josh Gordon (son of umpire Donald) unable to get to his feet. It was obvious that something may have been seriously wrong so an ambulance was summoned by the training staff. Fortunately common sense was used by umpires Barry Stark and "Log" Macgregor who sought out both captains and it was decided to call the game off at three quarter time. I am happy to report that Josh is out of hospital and we hope to see him fully recovered in the near future. Well done to all involved in this episode which once again proved that all precautions should be taken with an injured player. It is much preferable to call off a game than have a potential tragedy on our hands.

Another huge crowd was on hand to watch the main game which was played in ideal, if a little cool, conditions. Those supporters who came to see a close contest would have been a little disappointed at quarter time when the Eagles had a very handy lead of 34 points after displaying some stunning skills and electrifying pace. However you can never keep a good side down and the Demon players lifted and gradually got themselves back into the game. In the end they fell nine points short in their quest to remain undefeated. It was a great game to be involved with and the atmosphere was amazing

coming from the new grandstand, especially in those final frantic minutes of the match. Both Ben and myself agreed that the game was played in great spirit by both clubs who left nothing on the oval in their quest for victory. Hatherleigh have certainly recruited well and with the young guns firing they will be around the mark at the pointy end of the season. It would be a very unwise man to bet against the Demons once again being a big player in September.

A great highlight in the game was the absolute pearler of a mark taken by Ryan Fox over poor little Sam Telfer at the club room end of the ground. I've seen some spectacular marks on the field in my time but this one would be in the very top bracket of great marks I have seen. One of the great joys of umpiring is being so close to the action when something special like this comes along. Not to be outdone big Will Macdonald did his own version of a stratosphere jump when he took a specky in the centre of the ground in the last quarter. My friend Fred, of media fame, would have been crying in his soup on Saturday night. He was in the forward pocket with his trusty long lense when Ryan took to the skies for his mark but instead of capturing the "photo of the year" award Fred was adjusting his camera settings! Speaking of Fred, I'm sorry if my recent article regarding Penola hit the wrong key. We all appreciate what you do for this League in the media Fred.

On the umpiring front and injuries and weird happenings continue to haunt the lads. Poor old Denis the menace is still trying to get his calf right but the best excuse for an injury must surely have come from newcomer Fabian Bigmore. It would appear that Fabian was working with the cattle drench when he decided to inject his hand instead of the cattle standing next to him! Ouch that hurt Gladys! The good news is that Fabian will make a quick recovery and he is now safely de-liced and de-wormed for a very long time! Embarrassment award for this week is shared by two of our whistling friends. No names or grades but who is the teacher who went shopping before training last week only to lock his keys in the boot of his car? Did Susan help him out or simply stand there laughing uncontrollably?

The other nominee is a big guy who turned up at Nangwarry last week to umpire the main game with two left shoes! Rumour has it that Ted Peacock is putting out a Ransom note for the right shoe he lent to our mate! Speaking of the Nangwarry v Glencoe game and congratulations to Murphie Mark Keiselbach who took out the coveted Phil Muhovics Medal for a fine game. I haven't umpired Glencoe yet but a quick check of the best player lists would have Mark surely getting some recognition from the men in yellow.

On to a more serious matter for a few seconds. It would appear that a couple of would be supporters in our League have taken to verbally abusing umpires on a grand scale. We are all grown men but we do not go out on a Saturday afternoon to be cannon fodder for someone else's anger. We are an ageing panel and each year it gets more difficult to find new umpires. We have lost a couple of very good umpires in my time due to continual abuse from spectators. We all work and play in the community and we give up our Saturday afternoons to assist our great game to prosper. I'm not talking about good natured ribbing or barracking for your team but I'm talking about language and threats which are a disgrace to clubs and our League. If you are an official of a club or someone who cares about what sort of game we leave for the next generation, please report these culprits to the Executive or in the worst case to the police. It is not a major problem at this stage but if it continues we as a panel will have no choice but to take the matter further.

On a more positive note thanks to Josh Wright and Aaron Harding from Kongorong who helped out with umpiring last week. Well done to Webb's Roos who beat my Port (tissue box thanks Gladys) and a big hello to the umpire who paid the shocker against Crow Scott Thompson last week. At least the AFL had the gumption to say it was the wrong call.

That's it for this week. Do mum a favour tomorrow with breakfast in bed. On second thoughts a hug may be much more appreciated! Don't forget to "GIVE CANCER THE BOOT" today. See you at the footy and netball.

JUNIOR FOOTY UPDATE

Junior Football Margin Rule

At the recent executive meeting the 60 point margin in our junior competition was discussed. The rule was introduced to minimise the number of one sided results and to have more games that are evenly contested each week.

Coaches are responsible for managing their players and I have seen many excellent player exchanges where the players are able to participate in a game where increased numbers of players are able to benefit from the support provided by the stronger team. Players from the winning team also benefit from playing a more competitive game and learning how to play under increased pressure. Coaches that lend some of their better players to the weaker team are able to create games where play is contested and the skills of the participants are developed.

The rule ensures no side is advantaged by games with large margins against weaker opposition and the final positions on the ladder will be determined from the results when the stronger teams play each other. Recently in the press the rule was highlighted without the writer seeking an explanation for the rule and its operation. In short, the margin for any junior game cannot exceed 60 points for the determination of percentage. When a margin over 60 points occurs, the total points for the game are halved, with 30 points added to the winning side and 30 subtracted for the loser. This is the second year the rule has been in operation and my thanks go to the coaches that have applied this rule in the spirit of its intentions and creating more competitive games for our junior footballers each week.

President MSEJFL

Thank You

NOBLE, Steven John (Dex) –

I WOULD like to thank all the members of the Port MacDonnell Football and Netball Club for your love, support and kindness over the past month following the loss of Steve, such a dedicated, loyal and loving member of the Port MacDonnell Football Club.

Words cannot express how grateful I am for all that you have done. Steve would be so proud to see the community become even closer at such a devastating time. The football club really meant the world to him. Steve worked hard to achieve his lifelong dream to win a premiership with the Bay, but to do it as the captain and to win the Stan Jones medal for best on ground at what turned out to be the last game of football he ever played, I am so grateful he got the chance to achieve his dream with such a wonderful club.

The slave auction on Saturday night was so touching. Those that placed bids to raise so much money for the Steven Noble Memorial Trust and the players and club members that will give up their time to fulfill the auctions just shows the kind hearted people that are involved with our club. And I look forward to being able to give back to the club in the future on behalf of Steve and myself.

To the committee, footballers and club members who donated their time, goods, skills and money during the past month to assist myself and Steve's family, I am forever grateful.

I would also like to take this opportunity to sincerely thank all of the Mid South East clubs and club members for your support as well as other sporting clubs, local businesses and individuals who have assisted in so many ways.

To all the Boys, I can't thank you enough just for being you. To watch you play, chat to you all and listen to the wonderful stories makes me feel close to Steve. If the game is ever tough, just ask Steve to play beside you and guide you like he did every game and I have no doubt you will get the results that you all deserve this season. I will be cheering for you all.

Thanks so much to everyone in the club for making me feel so loved and welcome. I couldn't be more proud to live in such a wonderful community.

With love and thanks,

Courtney Noble

ANOTHER PIECE OF SILVERWARE FOR GLENCOE

THE trophy cabinet at Glencoe is starting to fill up after they took home the Phil Muhovics Memorial Trophy for a third consecutive year with a comprehensive win over Nangwarry at the weekend.

Glencoe made a strong start by going into quarter time with a handy 19 point lead. This advantage increased at every break with the Murphies playing consistent football.

Coach Simon Brook urged his team at the half time break to keep the pressure on their opponents as their second halves in recent weeks have only seen them break even with their opponents.

Glencoe ruckman Mark Kieselbach continued his outstanding early season form, taking home the Phil Muhovics Memorial Medal for another best on ground performance. This coming just a week after picking up the Max Matthews Memorial Medal against Kalangadoo.

The trophy honours the memory of Phil, a noted footy identity in this region, who sadly lost his battle with cancer in 2010 at the age of 53. Phil played and coached both Glencoe and Nangwarry, as well as Robe in our League and also had stints at both East and West Gambier.

FOOTBALL

JUNIOR COLTS: Great team effort from the Tiger Cubs. The run, sheparding and disposal at most times was spot on. We messed around with little dinky handballs a bit in the first quarter but sorted it out after that. Eight goals from Roy Osborne, great effort but his unselfish play by passing and handballing to teammates in a better position was brilliant. Another great game from Zane Walker in the middle. Well done lads. Nanga's this week, make sure we are switched on and ready to go. SMK Electrical Award - Jordan Gould, Fasta Pasta - Ethan Glass-Reilly, KFC - Zane Walker, Seebohm Sportspower - Roy Osborne, McDonalds - Ryan Boyd, Donny and Hanny Encouragement award - Kane Scudds and Xander Copeland.

SENIOR COLTS: Wasn't a great day at Kalangadoo for our Senior Colts as the Kdoo boys ran all over us. Too many players standing around and watching their opponents get an easy kick. The boys need to help each other out and not let the same ones do all the work all game. They need to put this game behind them and come out next week and play as a team and hopefully get a win. SMK Electrical Award - Clay Scudds, Seebohm Sportspower - Toby Pink, Tony Egans Award - Caleb Williams, Ducky's Surf - Luke Thomas, Coach/Manager Award - Marshall Reid.

B GRADE: On what was another purler of a day for senior footy, our coach SK Prawn was having a few tense moments leading into the clash of where he was going to get his numbers

from. With 8 changes to the side the big fella was last seen with writers cramp early on in the clash as he was burnt out from filling out his new names on the magnets to fit to the white board before the start of play. Onto the game the Kdoo boys jumped us to kick the first 4 goals, but to our credit we slowly pegged it back in the last 3 quarters to come away with a 10 goal victory to keep our undefeated status. Great to see all the blokes that came in, although a little under done played a role for us and with a few more runs, put a bit of pressure on a few blokes for their spots. Best was Patto with a run in the resses to test out the old body moved into the game well and will be better for the run, big Benny Mac up from the colts would have to be the most improved player at the club and rucked like a genius up against one of the best ruckman in the competition, Zeke another good effort and 2 more nominations for the SK Prawn variety bucket goal of the year award, Charlie wong used his left foot well all day and the delivery a treat, Timmy "Truck" Wilson used his freedom away from the ruck well, and Scotty Varcoe, after a slow start started to stick the marks well in the second half and his goal kicking was a treat. Other mentions, Hammer when he went down back used his bulk well, Milky tough fit Kent, maybe Ralph needs to extend his set up and include some kicking practice into Milky's sessions, and the number 38 after a few tough weeks and some tense moments with a fellow teammate laid some great tackles to play his best game of the year.

A GRADE: Travelled to sunny Kalangadoo last week, after a solid week on the track the boys were keen to make amends for the effort

we gave against Mt Burr. The first quarter was played the way we hope to play a lot more like, hard running, accurate in front of goals, team play with all the one percenters. After quarter time these things weren't as consistent and to the Magpies' credit made a real contest of the game and pushed us all the way to the final siren. With plenty of shots on goal but accuracy letting us down, I think that will be a major focus at training in the coming weeks. Best players for the day were Lyndon Smith who relished his opportunity on the ball, big Benno in the ruck took plenty of grabs around the ground, Regan Clarke down back starting many attacks forward with his good foot skills, Robbie Versace and Mitch Reilly both with 5 goals made the most of their opportunities up forward. A special mention goes to Pidge and Minky for their stopping roles. Nangwarry today, let's make it two in a row. Go the Tigers!

GENERAL: Don't forget to come along to the club tonight dressed up as your favourite childhood character. Prizes for best dressed male, female, couple or group. This week is "Give Cancer the Boot Round", so please dig deep when asked for a donation. Thanks and also thank you to all our wonderful sponsors that help to make our club a success, Tony Egan's Mensland, Seebohm Sports, Fosters Foodland, K&S Fuels, The Commersh, Tiger Hotel, Ducky's Surf, Mt Gambier RSL, Collars & Cuffs, Shadows, Linksvie Bar & Bistro, Millicent Golf Club, Fasta Pasta, Somerset Hotel, Beaupaires and our Ladies Committee. The new verandah on the changerooms looks fantastic, a great job by Luke Ellis and his team.

JUNIOR 2: Well done girls! We finally scored some more goals and everyone worked together to come in front. All girls applied great defensive pressure all down the court, which resulted in more goals being scored. Awards went to Tayla Rowe, who scored our first goal for the game, Brianna Whitty for playing a good game in centre and Bailey Reid for getting intercepts all down the court and helping the younger ones on the team.

U/13: It is very pleasing to see the girls progress each week. Georgia and Lauren combined well in the goal circle (even though we did have a moment of giggles). Brianna ran through the mid court, Emily was creative and used space well in attack. Lucy worked tirelessly all game. Emma defended hard all game throughout the whole court and took many rebounds. The star of the day award went to Maddison - outstanding

defence all game, anticipating the play and taking many, many interceptions. Emily Jennings received the "Ducky's Surf Award", Brianna Scanlon received the "Hungry Jacks Award" and Maddison T-S received the "Ey Family Award".

U/15: Best players were Kacie Hale, receiving the "Kaos Award" and Zoe Fennell receiving the "Hungry Jacks Award". Bad luck girls. The errors across the court let us down and unfortunately let the gap in scores increase. I think with more confidence amongst you all, we will get up. A big congratulations to Zoe Fennell who has played her first game as our newest team member. A great game in WA! Also recognition to the D's today; Molly, Demi, Chyan and Maddy. You didn't drop your heads and were always trying to get the intercept. Let's come out and show how well we can play next week.

U/17: Bad luck girls! We started off strong by working as a team. We welcomed Ashley Nelson into our team this week, who fitted in and played a great game. Although we went down, all girls put in 100%. Alex Lucas received the "Subway

Award".

B GRADE: Although it was a disappointing end result, there is a lot we can take from it to build on for future games. Bianca worked tirelessly all game and proved another option in attack. Nat took some great intercepts. A hard training and we'll be back on top against Nangwarry. Bianca Taylor received the "Commersh Award".

A RES: A competitive first half, but we let ourselves down with a lack lustre second half. Basic skills dropped off and confidence snowballed, giving K'doo plenty of opportunities. In order to put the win on the board, we need to play for a full 60 minutes and apply pressure constantly and finish off in the goal circle.

A GRADE: We came into this game wanting to focus on our own game and we achieved that. Great patience throughout the game, especially with the new combinations. Let's just keep focusing on what we work on at trainings, and it will start to show on the board. Jami Walker received the "Collars and Cuffs Award" and Talana Knaggs received the "Tant Tiger Award".

A GOOD result for the Saints against Glencoe last Saturday when the Junior Colts and Seconds recorded very good wins.

The Junior Colts were always in control of their game and scored a very good win with a solid team effort. Let's keep that attitude going today and there is no reason we can't record another win.

The struggling Senior Colts suffered another loss but kept at it. With the players available, and it's not many, they stuck to their guns but we were outclassed despite being assisted by Glencoe with numbers.

The Seconds scored the surprise of the day when they upset Glencoe in a very tight and entertaining game. With little separating the sides all game, the Saints managed to gain a small break in the final few minutes and held on to score a well-deserved

win. Another very good team performance by all players. Let's make sure you support each other by attending training regularly and maybe we can start to creep up the ladder.

The Seniors once again could not play four quarters of football and as a result Glencoe were able to score a convincing win and retain the Phil Muhovics Shield. You cannot question the Saints endeavour, but kicking and decision making skills need to improve greatly and quickly if we are to start winning games. Frustrating watching the Saints going indirect in defence and turning the ball over. Some long kicking out of defence would certainly help. Let's see if we can improve all aspects today.

Today it's Tantanoola and hopefully we can return home with a win or two. If all teams give 100% we will have no complaints.

NANGWARRY Netball Club is proudly sponsored by Bendigo Bank, Chemist King, Noel Barr Toyota, G.J. Gardner, Penola IGA and Steeline. Well done to two of our juniors, Tayla McKeon and Jasmine Disselbach for undertaking the Green Shirt programme. Let's give them the support they deserve. Congratulations to Butch Muhovics on winning the wood raffle. Thank you to everyone who supported this fundraising event.

Junior 2: No game.

13U: No game.

Nicole Biszko.
Photo: J.L. "Fred" Smith.

15U: With the girls coming out once again with a player short, they tried to come out firing after last week's loss. With Tayla's and Jordy's goals not going in, we swapped around trying to slow down Glencoe's goalies. With Hannah working hard through the four quarters and Natalie filling in and picked off many passes, they were awarded the best players for the game. Red Rooster Award - Hannah Isaacson.

17U: Another slow start girls with passing once again letting us down all over the court. Our defence line was working hard with Ebony and Chelsea combining well taking many fine interceptions. Emma again gave 100% in the centre and Kelly and Emily combined well in the goals. We had patches of great play girls, we just need to keep working hard at training. Subway Award - Emily Baulch. Video Ezy Award - Caitlyn Harrap.

B RES: Awesome win last week, once we settled in the first quarter we started moving the ball down the court well and feeding the ball into the circle well. We stuck to our players and had great defensive pressure. Our hard work at trainings is paying off. Best Players - Brittany Fullford (Mother of Pearl Wine - Patricks) and Lisa Rainey.

B GRADE: Nangwarry 52 Glencoe 40.

What a great win girls. Everyone played well, never giving up. Our defensive work all over the court was nice and tight, finishing off with pin point passing into goals. It was good to see the work we are doing at training is paying off, with some lack of confidence turning around and being positive on game day, getting out there and showing what we can do. Let's keep working hard and come out with another good display this week. Club Tea Award - Tahlia McGinty.

A RES: Thank you to Kristy and Karli who benched for us last week. Another hard fought game girls. We've got a lot to work on at trainings. We've got to put what we talk about on the sidelines and at trainings into practice if we are going to better ourselves. Let's start playing as a team and play our game. Best players Tamara Ploenges and Chloe McDiarmid.

A GRADE: Bad luck girls. Once again our second and third quarters let us down. We had some excellent passages of play, just need to play four quarters and have more patience. When we settle and think our leads and passes are much better. Let's work on some extra fitness so we can get a consistent game. Club Tea Award - Nicole Biszko.

ROBE'S senior teams overlooked lack of oxygen when they played at Mt Burr. A bit of altitude training on the West Beach sand dunes may have helped in the rarified atmosphere in the 'Alps'.

The Reserves had only 12 players on their list, but got the required amount when club stalwarts, President Jack and Secretary Cobba (both in their fifth decade on the planet), and Heath Baker (a comparative 'pup' in only his fourth decade) pulled on the guernseys. Much appreciated was the offer from Mt Burr of their players to make up the numbers if required. The lending of players between coaches in the first three matches ensures that we have a game of football to watch. It is a sad reflection on the state of our game. I really think we should be a bit pro-active, and organise a tribal meeting soon, and see if we can come up with a 'plan'. Anyway, on the same theme, thanks to Mt Burr's Senior Colts, Jacob Wilson, Dylan Lambert and Billy Delbridge, who helped make up the numbers for Robe.

Highlights in the Reserves provided by the senior players. For Robe, substitute 'Brook Brothers' for 'Blues Brothers'. Brendan, swathed in Elastoplast, and forgetting his dislocated thumb, took some great grabs in defence, and charged the lines on numerous occasions. Adam Brooks, showing his ability to work under pressure, stopped the scoreboard 'getting really ugly'.

NETBALL

ROBE netball had a great day out at Mount Burr with all senior and junior teams recording a win. It is shaping up to be an exciting year with many teams playing some excellent competitive netball. It is with great pride and excitement that we welcome aboard some new major sponsors of individual teams - Holiday (A grade), Mat's Plumbing (17 & Under), Brocart Homes (15 & Under), Hilton Rural Trading (13 & Under). Karen Gould and Kim Bywaters have worked tirelessly on sponsorship this year and have done a fantastic job.

We are so appreciative of the support of major sponsors, as well as our other sponsors listed below, and in turn we will continue to, and encourage others to support these local businesses - Robe Plumbing Services, Mobil Robe, Robe Engineering, The Shack, Mencil Business Services, Robe Seafood and Takeaway, Lakeside Tourist Park, Robe Auto and Marine, Tecwood Trading, Robe Hair Affair, Robe Post Office, Loaves and Fishes, Nat Clements, Westley DiGiorgio Solicitors, The Providore, Sea Vu Caravan Park, Smiley Car Wash, K&S Ampol, The Cleaning Bloke.

JUNIOR 1: A terrific effort by everyone and by far the best game you've played so far. It is great to see some of the things we are learning at training coming through into the game. It made a big difference to our game to have to play hard to stay in the game. Let's take this improvement and build on it next week against Kalangadoo. Well done girls. Incentive went to Halle Carter for playing a strong game in all of her positions. (Sea Vu).

13 & UNDER: Score: 18-29. Proudly sponsored by Hilton Rural (Al & Brad Nunan). We started off a bit slow in the first quarter, but once we all warmed up

Adam Weise (for Mt Burr) really was poetry in motion, and gave a great demonstration on how to capitalise on lack of 'tagging'. Giving this player a metre of space is indeed a lack of respect for his ability to wander off and put himself under the football.

Robe's A Grade, still several kangaroos short of a mob, gave the supporters hope for one half, until the 'thin' atmosphere kicked in. (I'm getting low on excuses - almost ready to drag out 'global warming'). I still believe that the A Grade is work in progress. Mr Everywhere, Tom Pearce, developed numb hands - having had his arms extended for most of the match taking marks, drained all the blood. Coach Fletch tried to fill all the holes and ran all day, and with his coaching team on the sidelines, tried to make the proverbial silk purse. They just ran out of ammunition, and it is now a matter of accountability for the senior players.

Last, but not means least, special thanks to the Mt Burr trainer who helped with the concussed junior player. It is reassuring to know that the well being of all the footballers on the pitch is paramount.

JUNIOR COLTS: Robe 0.0 (0) Mt Burr 7.7 (49). Saturday we travelled to Mt Burr expecting a hard game and that's what we got. Even though we didn't score we kept Mt Burr to six goals which is a really good effort as they are third on the ladder. All our hard work and drills at training are now showing in our game on Saturdays which is really pleasing for Burgy and I. Best players were Michael Hansberry, Kieran Smith, Cameron Walsh, Terrance Wilfred, Harry Bigmore, Eddie Dutton. Others that are improving every game are Nick Enright

and got into it, it was great to see that everyone was using names, cutting in front and chasing all loose balls. Sienna, Maddie, Jess and Milly worked hard in defence, taking several intercepts. Kolby, Asha, Chloe, Bel, Lucy combined well in the attack line, moving well and shooting accurately. With it being a close game, it was great to see that everyone was accountable for their own actions and backed all your team members up. Incentive this week went to Asha Pettit, who drove hard all game and fed well into the goalies. (Loaves & Fishes).

15 & UNDER: Score: 31-58. Proudly sponsored by Brocart Homes. A good win girls, saving your best play for the last quarter. It was pleasing to see the attack put into play what we practised Thursday night, but just remember we have to keep changing it up which we will work on through the season. Our defensive pressure was again one of our strengths down the whole court and good to hear some talking amongst you all. Although we had a third quarter slump you all pulled yourself out to come out firing in the last quarter and you all played some beautiful and confident netball. Incentive and best went to Demi who had a great shooting effort and worked tirelessly on her drive all day, well done. Tough game next week against Kalangadoo so let's come our firing from the first quarter. Best: Demi Carter. Incentive: Demi Carter (Providore).

17 & UNDER: Score: Robe 53 Mount Burr 27. After a slow first quarter the girls showed that they are capable of playing good consistent netball. Once the girls worked this out they slowed the game down and thought about their passing and leading towards the ball. Libby had a great game in defence and goals for the last quarter, earning herself best player. Indi also played well and won herself the incentive award. Best: Libby Howe-Morgan. Incentive: Indie Dean (Hair Affair).

B GRADE: Score: 26-37. What a great team effort. There was not one passenger in the team. You all played

and Patrick Matthews. This week we are a really good chance for a win which would be very deserving for the boys. Langers. Incentives Robe Seafood and Takeaway - Michael Hansberry, Robe Auto and Marine - Kieran Smith, Coaches - Terrence Wilfred.

SENIOR COLTS: Robe 1.2 (8) Mt Burr 17.14 (116). Goal: Sam Altschwager. Best: H. Kurray, A. Clements, J. Hann, H. Ludwig, L. Smith, S. Altschwager. A cold and calm day for football in the morning at Mt Burr, the boys ran out firing and ready to play up against a strong and tall Mt Burr outfit. They came out firing from the start before we realised what level our intensity and attack on the ball had to be. Henry Ludwig is ever improving and starting to take some real solid pack marks, playing the hard position of CHF at the Mt Burr ground is not an easy task and he did a real good job of it. Our back-line lead by Hummer Kurray (having another blinder of a game saving many of their goal opportunities) was exceptional again, they held their heads high after the ball being bombed in there continually and rebounded it just as often. Well done to our boys though who didn't give up once, they got knocked down and got straight back up again. Well done to Sam 'Staggers' Altschwager who kicked our only goal of the game, all while trying to knock the goal umpire off his feet too! We all know what we've got to do to improve, see you on the training track. Incentives Steve's Place - Kieran Smith, Mobil Voucher - Henry Ludwig, Dell/Antonio Family - Sam Altschwager.

a tough defensive and strong attacking game. Everyone backed each other up for the full 60 minutes of the game, which was rewarded with a well deserved win. Let's continue to play like that and the wins will keep coming. Both the Calcutta and Incentive (K&S Ampol) went to Rachel Kennett who drove strongly all day and gave 100% all game. Having said that you were all totally committed. Great job!

A RESERVE: Score: 36-53. We started off with a great first quarter to take the lead by six goals. Our second quarter saw us get tired and starting to make errors. Our commitment to the ball was very slow at times. We need step up and make some clear drives to the space. I would just like to mention Ciarne Tomlinson and Demi Carter who were given the opportunity to step up to a higher grade, you both played very well. It was great to see the excitement on both their faces when asked to sit our bench. This is what makes a good club. I'd like to thank all the girls for a great win. Let's keep it up. Calcutta: Felicity Carter. Incentive: Keryn Moore (The Shack).

A GRADE: Score: 53-60. Another good win girls! We had some great passages of play and some average ones, our score line should have been higher. We really need to focus back on working as a positive team and encourage each other all game. Our first quarter was what let us down with silly mistakes. It was a fast paced game with everyone being accountable and chasing all loose balls. Chloe dominated in the circle shooting majority of our 60 goals, followed by Keeley with her strong positioning and accuracy. We welcomed back Hayley into the mix after a few weeks off, which only makes our team stronger. Defence by Kimberley was great to watch and we are looking forward to next week's clash! Hannah and Camo drove strongly out of defence and Ash provided fast accurate passing which earned her the Calcutta. Incentive was give to Chloe. Calcutta: Ash Hunt. Incentive: Chloe Dawson (Robe Mobil).

ANOTHER lovely day at Footy Park, sun shining cranking out 20 degrees as the local wasp population starts to go into hibernation, but not before Lubolas boy Ryder hunts a few of the mothers down after reporting dead dogs and people! Hopefully our illegal immigrant will be rack of with the approach of winter.

The Junior Colts had a tough game against a much stronger Tant side last week. The margin blew out somewhat but as usual our boys never gave in and played the game right out. A couple of injuries when we are already short on numbers doesn't help but the coaches can see plenty of upside in the improvement each week. Encouragement awards were S. Farrugia, L. McIntyre, S. McManus, L. Ousey, K. Stephens and M. Davies.

The Senior Colts had another good win. With an extended bench all players are being rotated giving everyone a break and as much game time as possible. Thanks again to the lads who played for the opposition. Better players were C. Howlett, J. Bayley, B. Ousey, T. Saunders, C. Auld and L. Farrugia

Can's Bees got rolled by 10 but anybody who racked off at half time would have been surprised by the final margin. The boys were pretty hyped up coming into the game against the third ranked hoorangers. The premature announcement of the too slow, too old, too sore coaches retirement by head coach Kylie of the 'old blokes immediate future had the Facebook community all abuzz before the bloke in question knocked the rumour on the head.

It was all even Stevens after the first quarter rah rah! Even the half time break gave the Pies hope as our blokes were only 10 points down the gurgler. However in a game of 2 halves the second stanza provided only 2 to the Doo while the Tigers were never endangered in pilling on 10. Not for the first time this season have the Bees found themselves in a handy posy at the long break before going arse up, could be a message here fellas.

Our best was led by Matty 'meat tray' May in an

interrupted season who showed his worth. The big fella was recruited in Bulljaw's spa bath after the cricket granny celebrations wanting to play with his little bro Brayden who rolled in for fifth mention. Other major contributors on the day were Gibbsey, recruit Elliot Pegler, Magpie bees elder Timmy Brennan and still coach Can (go away Kylie!). Hollywood again helped out the cause with 3 goals before spending the rest of the arvo hobbling around.

Muchacho's Magpie's let the Tant heads get 4 goals in the last 10 minutes of the first quarter to be 5 down going into the second. The end result of 7 down was not a complete waste of a day. Gun player Brian Who was injured and on nappy duty in the second quarter. The pre-match warm up proved too much for Stewie who pulled up and pulled out of the side to be replaced by bees recruit Scotty Turner who was keen for a bit more punishment. Ralph's healthy club Hahns went nowhere near covering his contribution with Tuna Tom reeling them in at the Bay it was great to see Stone Henge step up to run 'telegrams'.

Grandpa Pedro was on hand to see young Mitch kick arse in the seniors after a big day out in the colts. He was aided and abetted by Pebbles, Jonsey, Jack, Hatchy and Jason Benno. Dunny and Reece bagged 4 and big Dallas enjoyed his 3.

Figgo and Cathy moored at Beachport in time for the big game. The old bloke circumnavigated Kangaroo Island a few times waiting until the Spud game was dusted before sneaking ashore under dark. Possibly under cover of darkness to try and hide his prized coon hat that he got at the Alamo, a Davy Crockett racoon hat (or imitation rabbit). Feathers took a shine to it at the Hilton and it could be a fashion statement at the Nanga kindly when his grandcock Josh rocks up. The club patriarch also did a JHC when he floated in the Bahamas and saw some fish and shit! He has also tried to tune in canteen Can Tracy to put Mexican Beans, mince and hot chilli's on the training night menu, not!

Great to see old Pie Terry Mulraney on the hill looking after Slogger. The ex everything was pumped on Roger 'Hitler' Doody's 83 reunion at Footy Park on our home game versus Glencoe, also noticed Perc Mathys

with a can watching old Canary teammate Hollywood in action.

Stoney and Wombat rocked up at Crouchy's HQ with a slab of warm Carlton Dry from Darn Murphies. The host had to empty his freezer to crank up the cooling process. Stoney is also push up champ.

The Mehico night ended up with a tequila sunrise for a few of the more keen participants. Regular night fill at church Crackerjack reports that 6 bottles of worm free tequila were drained. Killa was loose, Cammo groaned at the throne before downing 2 litres of water, Chrissy said a few hail Mary's over the porcelain and Matty threw back a couple of drop bears to get rid of the kick arse chillis.

The routine salt shot and lemon in the eye proved too much for most of the coodabeen Mexicans. Aiden no speeketa Mexican confused the issue declaring his bucken ears were not under his sombrero but his sub-ereto! Fill in Bunning face painter Dallas 'Cisco' Jeffries drew a couple of beauties on the dials of Mulga Ryan and his Missus Tara.

Meanwhile back at the Hilton Chrissy 4 planes to catch Mules had a send off as the well wishes tried to warm themselves alongside lightning tree wood, according to amateur arborist Figgo. Chrissy confirmed Jaws shattered gum tree could be used as evidence. Row row your boat Gav reckons Juliar should exempt the Hilton's chimney smoke from the carbon crap. Old mate Gav was a bit knackered after helping to move Benny Who's flock of 15 from 5 paddocks, luckily Philip pancho Mules with a lazy 3,000 odd was on hand to advise.

Sandy corner a tad under the weather after partners Coops diagnosis told the Mt McIntyre warbler Brooksdy to shut the firik up. Mick Oeser standby security advised all present that 'we don't want any trouble here!' Chrissy got a bit of the Jake the Peg from Sandy.

Missus Who manned the bar at Church and using her excellent customer services got patrons on side by asking, WTF do you want? Blue boy Casey reads the Gonski report and is happy to declare Carlton doesn't get a mention.

A GRADE: Well done on our second half after we worked hard on reducing our unforced errors. It was another solid performance from Jayde (Federal award) and Kirsty (SportsScene award). It was pleasing to see everyone adjust well and quickly to changes, something that we will benefit from. The versatility that we have as a side is a great benefit and something we can use when required.

A RESERVE: It was great to have Lisa back last week and her on-court leadership was fantastic! The first half was another tight encounter and with only one goal in it at half time, to win by over 20 goals was very pleasing. Tanya and Lisa (South Aussie award) managed to get their hands to lots of balls despite the height of Tantanoola's goalie! Sarah Croser proved her ability to perform at senior level, taking some strong balls and finishing well. Kirily (Dicken's Delights Toffees award) worked hard to stop her opponent and also backed up well out of defence. Kelli was outstanding, particularly in the second half, shooting 30 goals at 79% accuracy. Anthea and Tara worked hard in attack and helped to control the play and Kara had a great half at centre

against a tough opponent. Thanks to Tara, Lisa and Anthea for helping out with teas and clean up.

B GRADE: Great win girls. It's been a long time coming and the great news is we still have so much room for improvement. Great work to Caitlin who is proving to be a GA. Thanks to the scorers, bench warmers, timers and umpires.

B RESERVE: Tant 51 - Kdoo 32. I think that we would all agree that this was a very disappointing game. This certainly was not how we play the game. Our passing let us down and no one made a forward lead for the ball which allowed the opposition to pick off many passes. Let's work hard over the coming weeks to iron out these errors. Thanks to Judy and Denise for their support each week. Best players: Jes Cook and Jade Brennan.

U17: Great game girls. There were some great passages of play and you all played well as a team. Even with some position changes you took your time and adapted well. We also limited our unforced errors, which are great, but I think we can still improve on passing options and coming forward to the ball. Mikaila had a great game at both ends of the court and was great support for Sarah in the goal circle, who also shot great all game and became a good target for Kara and Emma. Jade once again took many intercepts through

the game and provided lovely drive down court. Also a special mention to Monique for her first go at 17s, you did a fantastic job. Keep up the good work girls. Best players were Mikaila Pitt (Hungry Jacks award) and Jade Lythgo (Video Ezy).

U15: OMG! What a great game every single one of you gals played. It is so pleasing to see you keep growing as a team and gaining confidence in your abilities each week. Excellent driving and feeding into the ring by Alice, who played her little heart out, and an excellent attacking game by Jordy. Also it is great to see Suzanne improve weekly and Lucy and Alannah moving beautifully together.

U13: Great effort from all 9 players. Once again Georgia battled well against a much taller opponent. Chelsea (Bowling award) was excellent, carrying out her instructions to the letter. Another improved game (skill wise) from Lucy and Emma with her footwork. There was some really impressive team work in attack with great passing and positioning.

JUNIOR 2: It was a very cold day for netty. The girls tried their best but we must practice more on creating space and move around but you are all improving each game we play. Good job! Abby Joyce and Michael Brynes received best players, they called and responded quickly!

FOOTBALL

LAST week at Nangwarry we played for yet another shield, this time it was in memory of the late Phil Muhovics. We got the chockies in a typical physical hit out in the As.

One umpire rocked up to the ground with two left footed shoes. Luckily for Robbie the great Ted Peacock was able to lend him his sand shoes for the arvo, while Ted got around in Robbie's slippers for the day. Not sure if someone from outside the club can win the wood duck award come the end of the year though. Speaking of that, Micky Mac kept his bogging on the way to training very quiet. Someone got a hold of the photos though and the story got a run in the local paper.

It was a good solid four quarter effort in the A grade with no passengers. We had winners all over the park all day. A very pleasing sign for the club is the form of our young big forwards. Both Dane "Helmet" Paproth and Alex "Sauce" Hentschke have really stepped up taking plenty of contested clunks and slotting their opportunities. With Lockie and Kasp still out with injuries there will be plenty of pressure for big man spots which would excite coach Brooka. Speaking of big men, Mark "Snatch" Kieselbach again was BOG and collected his second medal in consecutive weeks. He will have a big job today though as he will come up against big Wil but no doubt he will play well again. Marcus "Gus" Von Duve played his best game for the year providing plenty of run setting

up play from the back line. The two ex-Northy hard nuts in Adam "Bags" Creek and Dean "Watto" Watson played well stirring up the Lindner boys at times. Brad "Fluffer" Gosden was again solid in defence and Trent "Witter" Hawke rounded out the best players. Now to an important month of footy for the guys as we have some of the better teams coming up starting today against last year's premiers. No doubt we will know where we are at over next few rounds.

We got rolled in the Bs last week. We played OK but we were found short on big men and were stretched by some handy older talls playing for Nangas. Biggo broke out Ice Ice Baby in the rooms before the game in an attempt to put some fun back into playing footy. We are getting tighter as a team and playing that way now running and linking up better. Best player was Ali Scott who rucked all day and gave his all. Matt "Frank and Beans" Holden played well, especially when he went into the pivot. The two wingers Josh Aston and Sammy Walks both gave us plenty of run all day. Skipper Biggo battled his guts out even after the opposition water boy tried fighting him. Not very smart and the pin head was yellow carded and rightfully told his services were no longer required for the day by Nanga's officials. Good to see Ben "Pie" Hentschke back and he had the tough job on playing on the much taller "Bugsy" Harris. Dillan "Fred" Young again was solid in defence. Big test today boys against the side that rolled us in the granny last year.

The Senior Colts game was the match of the round with 8th playing 9th. Congratulations to

our boys gaining their first win for the season and the Nanga boys for playing a good brand of footy. It was great to see both sides enjoying their footy and putting on a great spectacle. Thanks to all our boys who donned the red, black and white. The spirit in which both clubs played the game showed that there is more to sport than just winning by the biggest margin that you can. Good luck to the Nangwarry boys for the rest on the season, keep improving each week and the rewards will eventually come. Well done.

A really tough game for our Juniors last week with many of them coming off with bruises to remember the game. Full credit to them for putting in 100% effort right through to the end of the game. They are supporting each other well with a lot of talk and encouragement heard from the sidelines. Tom, Adam, Billy and Jaidyn played really well in the backline with Patrick. Toby ran hard tackling players twice his size and kicked accurately. Jack was bounced off the ground a couple of times but again showed his strength and character and never gave up. Ben and Jed have joined the team and are playing well. Welcome boys and good luck for a long successful career with the Murphies. Best players went to Drew Mallon, Patrick Mitchell, Toby Wing, Braedon Lipscombe, Jaidyn Shayne and Daniel Cleggett with a special mention to Ryan Lee and Charlie Mallon.

Tonight is "Minute To Win It" night at the club so all stick around and have some fun playing all the games from the TV show. GO MURPHIES.

NETBALL

A BIT of a mixed bag down at Nangwarry last week, which saw the 15s get their second win on the board and even wins and losses overall. Congratulations to Sarah Kasparian who played her 50th game last week. Tonight is our first big social function at the Club, "Minute to Win It" and would be great to see as many netballers there as possible. Promises to be a good night and will definitely produce a lot of laughs. Let's get six wins on the board today and stay on tonight to celebrate it.

A GRADE: 47-42. A very disappointing game but good to come away with a win on the board. To match it against the good sides we will all need to be more consistent, go hard at the ball and ensure we are always thinking about what we need to do in each situation. Well done to Sarah Lawler who made lots of front options to receive best player (Laser Electrical). Good game by Laura, who managed to recoup after some

rough play and well done to Bec for just keeping on working and getting on top of the goalies in the last quarter. Also congratulations to Sarah Kas on playing her 50th game. This week MUST be better – you can do it, let's believe in ourselves.

A RESERVE: 65-31. Well done girls. Good to get another strong win under our belts. It was a great first half of netball scoring 40 goals to 16 that set up the game. The defending, driving and attacking put in by every player on the court was excellent. A couple of changes for both sides at half time made the second half a closer affair, but we kept our heads and kept working. Best players went to Kate for a fantastic game at GD and to Leanne for her attacking and feeding at WA all game. Encouragement award went to Nic for running hard at C all game.

B GRADE: 40-52. A great four quarter effort by all players, but we need to work on our skills. Instead of getting frantic we all need to relax and play our game. Well done to Shannon for playing in centre for the first time this year. Sarah Walker was outstanding in defence on the wing and applied lots of pressure for four quarters. Let's

relax and enjoy ourselves today and see if we can get back on the board with a full four quarter effort.

B RESERVE: 22-32. Bad luck girls, everyone tried hard all game. Just remember to keep chasing balls and never give up. Ange was awarded best as she never gave up all game. Julia, the birthday girl, tried hard all day and was second best.

17 & UNDER: 20-56. Not a pretty game. Amid the chaos on the court we couldn't capitalise on turnovers and convert our goals. Our lack of height is something we have no say in. There was some good passages of play into attack that can give us something to build on. Best was Chloe (Subway).

15 & UNDER: 37-10. Great job girls to get our second win on the board! Excellent working together with lots of voice. This was a great game to work on our game more as a team. We still need to work on our strong catches and passes. Good job girls, keep up the good work! Awards: Tayla, Ebony and Bella.

FOOTBALL

JUNIOR COLTS: A typical sunny day at the Bay and the boys were playing for top spot. They started the game with great attack at the footy winning centre clearances and giving the forwards plenty of opportunities. The backline was tested at times but throughout the quarter they attacked the football and ran it out of there which resulted in goals at the other end. The first half we really seemed to dominate in all areas with some fierce tackling and some great run and carry using the ball well. The last half we backed off a bit and to Hatherleigh's credit really challenged us. Our ball use wasn't quite as good which was creating a few turnovers. But the boys battled on to win the game. Hard to pick best players once again with everyone getting in and having a crack. Best players: Wade Chant, Ned Wilke, Blair Cutting,

Morgan Feast, Kane Livingston and Kyle Cawthorne.

SENIOR COLTS: The team had a positive start in the first quarter, gaining control in a number of positions. This slipped however and Hatherleigh controlled the second quarter making it anyone's game. Fortunately the team lifted in the second half to score a comfortable win, but again we have plenty to work on. Tom Sullivan was a standout winning so much contested footy, a true competitor. Jordan Stark was the other standout with smart ball use and composure. Rory and Reedy and Spong all played consistent footy. Young Curly played well on the wing and down back and made smart decisions. It is pleasing to see him step up and continually develop

B GRADE: Perfect conditions down the Bay for one of our biggest games of the year. We were keen to redeem ourselves after we just went down to Kongorong. The game was tough but big Trav Smith held us up from the backline. Disappointing finish

to the game with only 3 quarters being played. Good luck next week lads.

A GRADE: With the big clash of the two undefeated teams last weekend, unfortunately we didn't end up with the four points. We played some great patches but a very slow start was costly and something we need to improve in the future. Our best players were big Will, who's playing some amazing football and flourishing as newly appointed captain. Rohan Povey has been building towards a big game and was terrific for four quarters. Zack and Ducky O'Dine rebounded well all day as did Ryan Fox and Riley Chant. Tough game this week and important we play four quarters of footy and reduce lapses. Go Demons!

Last week we had a player slave auction at the club and raised about \$4,000 towards the Steven Noble Memorial Trust. A big thank you to our very entertaining auctioneer Jacky Taylor and to all those who participated. The clubrooms are closed tonight due to the Tuna Competition Function.

NETBALL

JUNIOR 2: Not a great game played last week. We've been in luck up until now with everyone playing well. Everyone has a bad game now and then but it's important to remember that if we train hard we play hard. So look out for this Wednesday girls. Monique and Arriella really showed their skills which livened the whole game. Well done girls. Best: Monique Rossregor and Arriella Smith.

JUNIOR 1: Great game girls, you did an awesome job. Everyone led in front and passes were good. Excellent game by Keyarnah earning her best along with Riley and Salem. Best: Keyarnah, Salem and Riley.

13 & UNDER: Girls, we had a great first and last quarter but need to make sure we concentrate for the whole game this week. We need to keep coming in front for passes and not be lazy opting for lobs all the time. Holly Brown put in a great effort this week getting her best player. Best: Holly Brown.

15 & UNDER: Great effort last week girls. Even though we didn't come out with a win, everyone stuck in there and tried their best! Best: Maddy Telford and Paige Tilley.

17 & UNDER: Very disappointing first quarter, which let us down, we need to come out and hit the court strong from the first whistle. We improved in the 2nd, 3rd and 4th quarters by holding them tight and not letting the margin get any bigger. Great defence from Josie and Taylor, and excellent moving from Georgia in the goal ring. Thanks once again to Amy for stepping up and playing for us, it is greatly appreciated and you are fitting in really well.

B RESERVE: Good effort by all players, we need to watch our passes and feet going down the court. Encouragement award went to Brittney Stark, well done. Best player was Taylor Wilshire with a solid effort. Thanks to Brianna Higgs, Sally McBain and Amy Feast for sitting on the bench.

B GRADE: Need lots of work and need to want the ball and talk all through the court, pick up all the loose balls and actually want the win. Best: Tamara Perryman.

A RESERVE: Bad luck girls, we started off

strong in the first quarter, but let ourselves down with poor passing for the rest of the game. Great shooting from Brooke and a strong four quarter game from Tina. Best: Brooke Williams and Tina Collins.

A GRADE: What a great first quarter we had. Ash did a great job all day getting plenty of touches, Emily had a great game in C and ran all day. Sal moved well and had a great game in goals. Well done to Maddy on her first A Grade game as she fitted in well. A lot of things to work on, let's regroup and focus and put them things into today's game. Best: Em and Ash.

Thanks to everyone who purchased a ticket in the Port Mac Netball Club raffle on Saturday 4th May. 1st prize - wheelbarrow full of groceries, won by Haydn Gower; 2nd prize - bottle of Mother of Pearl Wine, won by Jenny Morris.

UMPIRING CLINIC: Reminder that the umpiring clinic will be held on Monday the 13th May at 6.15pm at the Port Mac Netball Club courts. It is very important that everyone attends as we are always looking for umpires. Hope to see you all there.

FOOTBALL

UNDER 11: Last week we wandered down to the Bay. This was the first time we have had an U11s game with the Demons and it was great to see the Demons come onboard and be part of this great fun initiative for our young ones. We had an excellent roll up of Eagles and credit must go to the mums and dads who got up pretty early to be at Pt Mac for the game. We had a great game with both teams having a real dip (and plenty of smiles), some of the skills on show are first rate, you can't help but think that the future of our club is looking good when we have 20 youngsters all donning the Hatherleigh guernsey each week. Awards this week went to a new recruit, Ethan (Hatherleigh Ladies Committee), who looked like he had done plenty of practise during the week, and to our youngest Eagle Kobe (Subway), who plays with a big smile and has a fair turn of speed.

JUNIOR COLTS: The Junior Colts faced their first real test for the season and came off second best. After struggling to get the ball forward in the first quarter the players lifted in the second to make it a more even game. Although the scoreboard shows Pt Mac had an easy win, all players had a real dip and never gave in. Alex Spehr was reliable across half back from the first bounce and Max Telfer had another good game in the back pocket. Caleb Gibbs proved again he loves getting in and getting the hard ball and it was good to see Bailey Poulis getting amongst it early. The awards went to Alex Spehr (Toy Kingdom), Jake Wight (Garry Nilsson), Zac Jones (Subway), Jez Jones (Hath Ladies Committee), Luke McGregor (Sport & Rec Steak) and Clayton Skeer (Fasta Pasta).

SENIOR COLTS: The Senior Colts played a terrific game, while the score wasn't in favour of the lads their

effort and commitment couldn't be questioned. The boys got off to a slow start but in the second and third quarters showed the level of football they are capable of, pushing Pt Mac and staying within a solitary goal. Brady Gibbs had his best game of the year, working up and down the ground providing contest after contest. Mitch Pulmer continues to impress playing much of the game at full back against a taller and more experienced player who he defeated time and time again. Fergus 'Fletcher' Slape, Angus Altschwager and James Gilbertson played very consistent games giving their all. The boys showed an improved commitment and determination; this is the standard which they must now continue to play at. Best players: Brady Gibbs (Seeborn Sport Power), Mitch Pulmer (G. Nilsson Award), Fergus Slape (Subway Award), James Gilbertson (HFC Ladies Committee) and Angus Altschwager (Hatherleigh Sport & Rec Steak Award).

B GRADE: Facing our toughest test of the year we were confident of a good showing against Pt Mac. Fish was dominating the ruck and giving the onballers first use of the ball. Fatz showed he is still one of the best running around and it won't be too long before he is playing the late game. Lewis with some more fitness will be good for us at centre half forward but the highlight of the day was the run out of the backline with Pegs and Hainsey beating their players and rebounding the footy all game. The game was stopped early due to a serious injury to Josh Gordon and we wish him a speedy recovery. Thanks to Adam Lewis (Pt Mac B Grade coach) and his players for the concern they showed towards Josh. Today we face another big challenge when we host Kongorong, but we need to beat these better sides to prove to ourselves and our supporters what we are capable of! Good luck! Best players: T. Pegler (Millicent 4WD Systems Award), D. Paul (Prince of Wales Hotel Award), L. Haines (Millicent Golf Club Award), S. Waring (Thursday Night Tea Award), J. Winter (Incentive Award),

L. Bruggemann (Incentive Award).

A GRADE: It's hard to imagine heading to Port MacDonnell with blue skies, light winds and sun shining, but that's what greeted us for the top of the table clash last Saturday. The boys had been looking forward to this challenge against an impressive Bay line up and a tough hard fought contest was expected. We kicked with a 3-4 goal breeze and managed to post 6 goals to 1 with most players contributing. Port Mac's turn with the wind, as expected, provided a lot more work for our defence. Whilst they had a good quarter kicking 6 we were happy to slot through 4 of our own into the breeze to lead by 22 points at half time. After a sluggish start to the third we hit our straps to kick 5 more whilst the Bay played some good football into the wind to score 3 goals, leaving us 33 points up into the final change. We knew they would throw everything at us, with Bromley and Macdonald up forward our defenders faced a big task. We attacked strongly but could only register points while they clawed their way back into the contest with several goals to close within 2 straight kicks. We had a chance to ice the game but hit the post allowing them to attack again, only to run out of time. We witnessed excellent footy, with high marking, tough body clashes and key forwards finishing well. Strong contributors were Josh Wight who rucked for most of the game against taller opposition. His ground work was a feature. Jase Faulkner who is relishing his role across half back, Tylah's second and third efforts were outstanding. Bruce was solid as a rock and Tom Bell's work rate at CHF exceptional. Tom Schulz also found himself in a different position and put the clamps on his opponent, overall a pleasing result to gain the 4 points and great to see the boys meet the challenge. Best players: J. Wight (Somerset Hotel Award), J. Faulkner (Prince of Wales Hotel Award), M. Bennett (Tony Egan's Mensland Awards), B. Sneath (Millicent Taxi Award), T. Bell (Incentive Award), T. Saunders (Incentive Award).

NETBALL

JUNIOR 2: An early start down at Pt Mac last week saw all girls eager to get on court. Playing a nice open game with great defence work all the way down court, gained us many turnovers and scoring opportunities, which we finished off with some great shooting. I was very pleased with the way you listened and achieved what I asked you to do. It's very exciting to see your confidence growing each week. Keep it up girls!

13U: Well what a difference a full side makes! While we took the first quarter to settle, we matched it with them throughout the second and third with great passages of play. It's so rewarding to see what we have practised at training, and feedback given during the game was taken onboard and displayed on various occasions. Awards: Melita - Sportspower and Georgia - Fasta Pasta.

15U: A good training Tuesday night helped develop our game plan, which you all stuck to on Saturday. Well done girls. It is great to see you all take up the challenge and play whatever position is asked of you on the day. Determined defence and accurate shooting saw us come away with the points this week. Keep up the hard work at training. Ladies committee award - Abby Smith. Fasta Pasta award - Maddison Pulmer.

17U: Well done girls on coming away with the win by yet another strong amount. However the team's

performance was not up to their usual standard of Saturday netball. Poor passes let us down greatly for the entire game which caused Port Mac to take the ball down the court and score more than our defenders have let previous teams score. A disappointing effort by our girls but I look forward to seeing what they can bring to the day against Kongorong to turn around from last week's game.

A RES: Not one of our better games! We started awfully slow and very scrappy with the passing, but in the end we were able to do what was necessary to get the win. Due to unavailability of a couple of players, the juniors were able to get some good court time. Lauren and Megan combining well in the goal circle. Sarah applying good pressure on the defence wing. Demi provided us with versatility having a run in GA, WD and C and gave a 100% in all 3 positions. Harris was a great backup all the way down the court, winning herself the Somerset Hotel award, Megan stood tall and used her strength in a more physical game for her, Prince of Wales award. Let's get ourselves off to a better start this week.

B GRADE: A smooth start to the game which saw everyone combining well all over the court to give a good lead at qrt time. The defenders made many turnovers in the 2nd quarter, with Liz using her height to advantage and getting her hands to many balls, this was finished off with some great running and shooting by Zoe. Our attacking players combined well and worked hard but again we become a little impatient and too

quick which caused a few passing errors. Overall a great game by all. Keep up the good work. Awards: Somerset - Tina Smith, Prince of Wales - Zoe Blum.

B RES: Absolutely fantastic work girls, what a great team effort. Everyone played extremely well. The hard work you are all putting in at training is definitely paying off. Our attack line worked beautifully and the defensive pressure all the way down the court stopped them from getting any sort of run on. Pam and Yvonne, be confident girls because you've definitely got it, you two in particular had me beaming. Emma and Emily, stellar performances running through the centre and bringing the ball to the goals. Staci, Bel, Megan and Fi, if they had any plan in their attack line you definitely made it difficult for them to execute it. Megan, your progress in the last few weeks has been amazing, keep working hard. So proud of all of you girls, definitely a win you deserved. Remember: "Train hard, winning is easy. Train easy winning is hard".

A GRADE: Good to see everyone working hard at improvement. After a flat start we made better use of the ball. The defence teamwork resulted in many turnovers. Tara and Keston combining well to produce two options. Erin slotted into the wing and centre and made good use of her speed. We still need to maintain concentration to limit turnovers and make sure to value the extra opportunities generated through gusty defence. Awards sponsored by Somerset Hotel and Prince of Wales - Kaitlyn Smith and Sarah Haines.

FOOTBALL

NOTHING like a week off to clear the body and mind. Apparently cleared it too well as I forgot to write the notes! Personally spending the weekend off in Adelaide watching Amateur League footy showed me what an amazing product we have here in the Mid South East. While the standard was ok, the atmosphere at the ground and the interaction between the opposing clubs leaves a lot to be desired compared to a Saturday afternoon at the footy in our league. Couldn't get a bucket of chips till 1 o'clock and by the time the A Grade game started the canteen was out of food! Not a tinny bar in sight either! All in all, it goes to show, that whilst we have to work hard to keep clubs going, nothing beats the league we have.

Now to remember what happened a fortnight ago...

The Bay came to town and 4 hard fought games were played in the ANZAC spirit on a very windy day. The Junior Colts kicked us off and without coach Long it took the boys a while to get going. Port Mac certainly have some good depth and we thank them for sharing some players to make the game a good contest. Liam

Bottomley kept up his goal kicking form and if I am not wrong (which no doubt I will be) he has kicked all but one of our goals this year. Cooper Sanderson also played another strong game as did Will Vickery, Tyson Modra and Jim Macintosh. Keep at it boys, we are not far from a win.

With less than 3 minutes to go the Senior Colts had worked extremely hard into the wind to keep a hard earned lead. Unfortunately poor kicking had stopped us from building a bigger lead and we were pipped at the post by a strong Port Mac side. For most of the day though we played exceptionally well and the boys certainly have the ability to make an impact against the top sides. Best players were Michael Waters, Jake Blackwell, Dellon Brown, Jack Miller, Taylor Saffin and Andrew Last.

The Reserves game was a hard fought affair that required great determination by both sides and both delivered. Kicking with the breeze in the first quarter the Bay kicked 5 to our 1 and meant our boys were playing catch up for the rest of the day. Wheelie told the boys before the game it was going to take 80 minutes of effort if we were going to win and he was certainly right. For the rest of the day it was an arm wrestle, with our boys' ability to keep them goalless with the wind in the third a decisive factor. We still had

to get our noses in front and when our captain presented them with a gift goal half way through the last quarter the job looked even harder. Full credit to the boys though for keeping their heads down and chipping away. Michael Leese, in his first game for a while and showing no ill effects of the dreaded honeymoon legs syndrome, took a couple of great marks late and with his last one set up Zeke, who, with ice in his veins slotted the major to put us in front and we were able to hang on. Best on the day were Nathan Reid, Cayle Little, Tom Glynn and Daniel Harradine.

The A Grade game got underway after the always spine tingling Last Post, minute of silence and national anthem. Although we had the breeze we couldn't make full use of it and 3 goals always looked a little on the shy side of what was going to be required against the reigning premiers. Whilst we weren't blown away (no pun intended) in the second quarter, making full use of the breeze was going to be vital if we wanted to stay in the match. Unfortunately, due to skill errors and Port Mac's excellent pressure we were unable to convert a major and the damage was done. Full credit to the Bay for the level of footy they played and it is something that our boys are working hard to get to. Another big test this week against the undefeated Hatherleigh side.

NETBALL

JUNIOR 1: What a windy day! All girls kept on running the whole game and put in 100%. Great attack and defence by Georgia, Brandi did well at GK and GS to get the Vicki Quinn award. Zara put in a solid four quarters to earn the Fasta Pasta award. Well done girls, you are all improving every week.

13 & UNDER: Bad luck girls, it was a very windy day. We must always remember never give up. Some girls played out of position and all of you adapted very well. Awards Alyce (Fasta Pasta) and Brittney (McDonalds).

15 & UNDER: Great win girls! Everyone played really well and did everything that I asked. It was great to see everyone coming in front and putting a name on the ball. We had some good movement and backing up all over the court. We still need to work on bringing the ball down but a great effort by everyone. Best players went to Emma Shepherd (Fasta Pasta) for some great moving and shooting at GA, and also Megan Hein (Subway) for some great defence work and backing up.

17 & UNDER: Great win girls! Everyone on the court played great and did everything that was learnt at training. Just need to work on everyone coming to the ball and not calling behind.

Everyone played 100% and never gave up. Best players for the game go to Ady Neshoda who played great defence moving the ball down and out and turning the ball over on our behalf, as well as Erin Hudson for great feet in the defence circle and picking up all the loose balls. A close game but a great win girls!

B RES: Wowzas girls, what a windy day. You all played a solid four quarters. Our passing was so much better than last week. Tamika and Monique shot well against the gale force winds. Katie had an amazing game and was awarded the RSL tea. Belinda put the pressure on all game as usual earning the Margaret Street Meats award, and Issy ran hard winning the Fasta Pasta award. Carla put in a solid performance as always and was backed up by Reanna and Billie. Let's hope Trace hasn't got too sore a head after her fall.

B GRADE: Wasted opportunities girls. We say it every week, back to basics. But too many times we threw the ball away. It was a windy horrible day and we needed to keep it short and simple. Enjoy the bye and we have a bit to work on in the next two weeks.

A RES: Well what can I say about the game, we were all flat from the start and it didn't seem to improve. We need to play our own game and settle when we get the turnovers. Good defensive pressure from Sarah Lucas who earned the Lorna Jane award.

A GRADE: Another great game, unfortunately it

again wasn't our day. A huge improvement from everybody, with more great circle ball movement and goals from both Sam and Kimmi. Our defence gave us some fantastic turnovers and quick hands led to some quick goals, with fast ball movement and tight passing. Still some room for improvement, though overall, everyone is giving 100%. Our fitness still lets us down in parts, but it gives us all some goals to strive toward. A great effort by Pheobe in C. We must remember to take our breaths and centre ourselves which will lead us into playing a consistent four quarters which will surely allow us to win. Something to keep in mind in the coming weeks. Awards went to Pheobe Douglas (Margaret Street Meats) and Ash Sturgess (Arena Sports Store).

OTHER ITEMS (milestones, social functions etc): Congratulations to Ash Heald of Port MacDonnell for winning the ANZAC medal in our annual ANZAC day clash. The medal was presented to Ash by Mel Tilley. Well done to everyone for playing in the spirit of the ANZACs, and wearing black arm bands in remembrance of those who lost their lives for us.

Congratulations also to Graeson Kuhl, a member of the Under 17 team, and B grader Raquel Holmes on reaching their 50 game milestones. Plenty more games ahead of you girls!

Good luck to all teams playing today. I hope you are all well rested after last week's bye. Let's try get some wins on the board. Go Hawks!

NETBALL ASSOCIATION NEWS

IT has been an interesting start to season 2013. There has been warm days for winter sport, wild winds causing havoc both on the netball and football playing arenas and there has been days of icy/chilly weather.

Country Championship selections have been held and I congratulate those that will be representing our Association in Adelaide over the June long-weekend. I am sure that you will enjoy yourself on and off the court and perform to the best of your ability wearing your uniform with pride. Thank you to the people that have assisted through this process as a selector, umpire and coach. I wish you all the best on your preparations for the competition. I also congratulate those members of our Association that will be representing their area at SAPSASA in the coming future.

There have been a few areas

of improvement needed as we progress. A few scores sent through to myself and media have been incorrect. I urge all clubs to make sure that the correct scores are being forwarded and within the correct timeframe. This also leads on to Sporting Pulse. I remind all clubs that for correct results in the future - all clubs need to submit the pre-game teams into sporting pulse BEFORE Saturday, enter the correct scores each Saturday and also double check and add or remove players that did not take the court each week.

It is also important that the Green Shirt Mentoring Programme is conducted pro-

fessionally. All mentors need to be assisting their Green Shirt Umpires at the highest level. Encouragement and advice is needed throughout the game they are umpiring and the teaching of the rules is important. Please ensure we are looking after our future umpires.

There has been an email circulated regarding a foundation coaching course in the near future. Please make sure coaches within your club are aware of this and utilise the opportunity.

KERRY SMITH CLOCKS UP 350 GAMES

TODAY Hatherleigh's Kerry Smith will play her 350th senior game with the Eagles. Ironical that Kerry will play against Kongorong, as she did in 2009 when she played her 300th.

Kerry joined the Hatherleigh club in 1991 playing B Grade, after moving from her home town Ceduna.

From 1992 to 1995 she played in A Reserve and progressed to the A Grade in 1996 to 2011. Currently playing co-coach in the A Reserve. Throughout her career she has missed very few matches and this is a credit to her dedication to the club and her love of the game. If she isn't playing netball its basketball or heading to the gym to maintain fitness.

Her valuable contribution to the club has also extended to serving

as Club President in 2004-2005 and she has been an active committee member for many seasons. Hatherleigh Life Membership was awarded in 2011 as a mark of her outstanding contribution.

She is a past coach of the A Grade, Under 15s and is current co-coach of the A Reserve.

Kerry's highest individual honour was representing the Mid South East at squad level and League best and fairest equal runner-up with Lisa King (Port Mac) in 1999.

Her trophy cabinet is also very full with numerous individual Hatherleigh awards.

We applaud Kerry for her loyal and hardworking approach both on and off the court for the Hatherleigh community. We wish her good luck as she strives to reach the 400!

300 GAME MILESTONE FOR JILL PAUL

JILL Paul (nee Sutcliffe) plays her 300th game for the Hatherleigh Netball Club this Saturday.

Playing in the centre court, Jill came to the Eagles in 1993 playing in the A Reserve premiership side of that year. In 1994 she was part of the B Grade premiership side.

Jill has alternated between the A Reserve and B Grade over her 300 games. She has won numerous best and fairest and runner up awards both at club and league level. Jill coached the B Grade premiership side in 2011. Always willing to umpire and help out where she can, Jill is a tireless worker around the Hatherleigh community having been football club treasurer, member of both the netball and social committees and is currently sport & rec secretary. She won the CMT Fitzgerald Award in 2011 and works in the kitchen most weeks prior to playing. Married to Darren and mother of Lillie and Piper, we know we will see her around the courts for many years to come.

AMY FAULKNER TO PLAY GAME 200

THIS week versus Kongorong Amy Faulkner (nee Schillabeer) will play her 200th game for the Hatherleigh Netball Club.

Amy joined the Eagles in 2005 playing in the B Grade. In 2008 she stepped up to A Reserve where she has played ever since, playing in the 2009 premiership side.

In 2010 Amy headed to Queensland with her future husband Jase. Upon her return she slotted back in to the A Reserve.

Playing in defence Amy is a tireless member of the Hatherleigh community. Being part of the netball, social and ladies committees, budget scribe and has organised many netball trips.

The Hatherleigh Netball Club wishes Amy all the best for her 200th game today and hopes to see her around the courts for many years to come.

TON UP FOR NAT SCOTT

THIS Saturday against Nangwary Nat Scott will play her 100th game for Tantanoola.

Nat started playing in Darwin at primary school before moving to Bordertown and playing in the Tatiara league in Under 15s and U17s. She then moved to Mount Gambier where she played indoor and social netball with her friends, work mates and mothers' group.

Nat started her netball at Tantanoola in the A Reserve grade and has been an outstanding player in the B Grade team in recent years, earning the Mid South East B Grade Best and Fairest in 2012 along with the club B Grade Best and Fairest.

Her defensive skills have been passed on to her daughter Maddison who is playing her first year in the 13 & Under team.

She volunteers at the club by making soup, regularly selling raffle tickets, helping with the oranges and collecting and washing the umpires uniforms.

Congratulations Nat on 100 senior games for Tantanoola.
