# A FEW CHANGES AT OUR WEBSITE

## IVANHOEJFC.COM.AU

**In the last week or two, we have made a few small changes to our club website, with some more to come over the next little while.**

Our weekly editions of “GoHoes” for this season can now also be found on the site – so if you are after an article or a particular commemorative edition – [ivanhoejfc.com.au](http://ivanhoejfc.com.au) is where you will now find the back issues. It is a great way to share special editions with family or friends interstate or overseas.

We have also “gone live” with our Ivanhoe JFC Photo Gallery – also accessible via [ivanhoejfc.com.au](http://ivanhoejfc.com.au). The gallery is a great way for teams to collect special memories during the season and again is a great way to share them with family or friends interstate or overseas.

The great thing about the gallery is that the photos come in from each of the teams and are managed by the team’s gallery coordinator – this is a real IJFC

community effort. Not all teams are online yet – if you are not, are interested and have a keen parent (and budding photographer) in your “support team”, please get in contact with me and we can get you onboard.

The JFC Photo Gallery supports the purchase of prints and other products (mouse mats, mugs) direct from the site – all proceeds go to the Ivanhoe Junior Footy club.

There are a few more ideas and changes being considered in the pipeline.....

**So take some time out each week to make [ivanhoejfc.com.au](http://ivanhoejfc.com.au) one of your regular web destinations.**

Any questions or queries – don’t hesitate to get in contact.

## Tackers W

### Match Report

At the weekend we had the chance to enjoy the Yarra football league tackers days. The weather was great and all the kids enjoyed a terrific, albeit very long day. Thanks to all the parents that helped make the day so enjoyable for the kids. It was a great team effort - BBQ, shelter, seats, drinks and food. A special thanks to Tim the team coach, he was there first at 7.50 setting up and was last to go. (Happy 40th birthday for this weekend Tim!). The boys all got to play plenty of footy and were very well behaved between games playing kick to kick.

The format of the day was to play 3 games with two 7 minute halves on a modified smaller playing ground. The first game against Kew Comets was a bit of a thrashing with the ball spending most time in their forward half. The boys put up a great effort against one of the better teams in the league. The second game was against Hawthorn. There was a big improvement from the team, they all stayed in position and carried out instructions. It was a difficult day to get into a playing rhythm, but it gave the coaches a chance to work on some plans and immediately see how they worked in game.

The third game was against Glen Iris, everything clicked into place and we played our best football of the day. Alastair played his best game of the season in the ruck and kicked a great snap goal on his left foot. Alex kicked a great goal, playing on after a mark. Robbie played a great game, he keeps improving each week and listens to the coaches. Kristian also played well. He always goes hard at the ball. The team has many things to work on during practice on Tuesday nights - it would be fantastic if some parents could come down and assist in training from time to time.

### Match Report

The sun was shining and the team was ready for their 'Tackers Day' at Bulleen Park.

Our new recruits from last week Ethan and Ned played like they had been a part of the team since day one. Each scoring a goal for their team!

All the team played fantastic footy which was highlighted by our last game where some brilliant pieces of play involving Max to Victoria to Asher & Lachlan to Tom H.

Luca N was always running & dodging the opposition like they were witches hats. Riley worked hard on the wing having a great snap for goal, which just fell short.

Max's tackling as always was strong and effective. Our left foot kicking practice came into play with Victoria, Lachlan & Ethan all showing their left foot skills during play - fantastic to see. Tom H led by example with strong marking.

Anthony was great in the midfield clearing the ball to our running forwards Tom P and Tom L creating some great passages of team play. Leo & Darcy applied forward pressure locking the ball in and creating opportunities for our forwards.

Hunter was everywhere - marking, tackling and kicking long into space. Tenacious Tate was in and under every ball as was Asher and Jack.

The kids all played fantastic footy and enjoyed the between game time to play chasey, climb trees, eat popcorn, cupcakes, and drink lemonade! It was a great day of comradeship and good old fashioned fun!

Thank you to all the parents, grandparents and friends for coming along, helping out and most of all supporting the kids.

### Match Report

Another beautiful autumn morning & another 10.00 am home game – what a great way to start a Sunday. The boys had a good warm up & there was an expectation of a strong showing against Ashburton who were yet to win a game.

Again we reinforced to the team our simple, key messages

- How we approach the ball (in front, in 1s, body in line with ball, eyes on it, 2 hands at it, keep your feet, run through the ball)
- Good use of ball (looking to pass to players in better position, to players making space, who are leading & calling)
- Strong defence (with all 6 defenders right with their man, in front & 1st to ball & the midfield 6 getting back to assist).

We got off to a good start, kicking 3 goals in the first quarter & going in at half time with a 4 goal lead. The 2nd half was not as productive as Ashburton battled hard and limited our opportunities. We finished the game with a 39 point win leaving us with 3 wins / 3 losses after 6 rounds.

A good lesson for all the boys in future games - Ivanhoe was penalized a number of times for 'slinging' the opposition player after the tackle had been applied.

Luke P showed great endeavor close to goal & finished the game with 3 goals.

Elliot had a good game showing excellent skills at ground level & some good evasion.

Spencer T continued his good approach to the ball, taking the ball cleanly in 2 hands on a number of occasions. Spencer R battled hard in the forward line & created a number of opportunities for his teammates. Spike, Tyson & Isaac were good contributors in the ruck & contesting marks.

Reminder to all parents – the 1 hour training session we have with the boys is obviously not enough contact time to greatly improve their skills. They all need additional practice at home. If you require help with skill development activities or techniques please do not hesitate to ask.

### Match Report

A strong training session this week paid results in the game. Up against the top team many were thinking the game would be decided by a wide margin. Not the case. In the opening minutes Dechlan scored making the opposition sit up and take notice.

Although answered soon after by the opposition, the boys held up pressure close to goal with a great smother from Sam and solid tackling from Ethan to stop forward motion. Tom Geary took a great mark between the posts to save another goal. We were very competitive on the ball. At half time with the score locked at 26 all, Balwyn were clearly rattled. Over the second half breakaways from the opposition led to the score line creeping up, but with many more opportunities stopped through solid tackling by all players. At the end of game announcements the Balwyn coach praised Ivanhoe for playing in the true spirit of junior football and said for him it was one of the best games of the year.

### Match Report

Ivanhoe U12W travelled to Glen Iris. Our boys love a challenge and this game's was us starting the game with 17 players. Jack W and Stefan were captains for the day. An oddity of this game was there was only one scoring end. 1st Quarter: Glen Iris opened their account kicking 2. 3 15 to the Hoe's Zip. Being one player down in the forward line, meant Tom's mark and tackle on the half-forward flank was noteworthy. Marcus B's strong tackles drifting up onto the wing impressed both coaches. As per usual Will was solid in defence and Jack W as captain playing CHB had his best game so-far. 2nd Quarter: The coaches noted that today would need to be different, as all wins to-date were setup through winning the first quarters of those games. This term Riley had the football on a string booting 3 goals, with Jarrod and Marcus F each contributing a goal. Team play was the order of this term, highlighted via Ben's shepherd for Jack C charging out from CHB, Tom's pass to Riley for a goal, Noah's pass to Jesse at HFF. 3rd Quarter: Glen Iris kicked 2. 2 to the Hoe's zip. Eamon came on as the Hoe's 18th. Highlights were Jack W's attack on the football, Daniel's hard earned free in the back pocket and Stefan's chase down and subsequent free given. Jarrod was back to his best with strong marks and kicks to position. 4th Quarter: The Hoe's kicked 2. 3 to Glen Iris' Zip. Marcus B, Noah, and Jesse were given first use of the ball via Ben's fine rucking. Noah was solid on a wing and Luke P was busy in the forward pocket.

### Match Report

The boys were all fired up looking forward to a big game against Macleod. The coach called it "THE TEST" as we could see how far we have come since being at Green Level. Tactics and game plan was discussed and the boys knew the TEST was going to be a TEST.

The first qtr was a great qtr and we held them to 7 points. Mick was proud of the boys and expected a great 2nd qtr. We were ready and the boys got the first goal it was a tough hard qtr with 2 late goals from Macleod and we were unlucky to have a 2nd goal touched which was 50/50. At half time Mick gave lots of praise to the boys but repeated that first to the footy, tackling pressure and look for your team mates the boys had to apply if we were a chance.

The boys tried hard and pushed Macleod to the limit, a fast last quarter saw us come back but with the ball hitting the post and few unlucky misses we lost the game by 2 goals. A great effort from all the boys and it proved we didn't pass the TEST with flying colours but got a good result against a quality opposition.

### Match Report

The sun was out but the air was cold and crisp at Park Orchards. The boys applied good strong pressure at the very outset but Park Orchards demonstrated a ready capacity to push back. The opposition were finding their targets and were marking the ball well. Although our boys managed to keep the ball in their half the opposition looked threatening. Nick Vines scored the first goal for the match. Connor O'Brien and Victor were strong out of the middle and Cooper, Walter, Callum and Thomas were strong in defence. We kicked the final goal of the quarter moving the ball quickly from Jake to Connor and then to Vivian who put it through the middle giving us a one-point lead. Connor Wilson made some brave grabs and Kane applied vice like tackles. Thomas moved swiftly and Cooper marked well. Hugh delivered accurately and worked tirelessly in the ruck. Thomas scored another goal, at a critical time, off a long kick from Isaac. Sebastian was great in defence and the boys worked desperately in hard fought contests. We were rewarded with a clever quick goal to Datjan. We were one point down just as Park Orchards scored a goal right on the half time siren. It was clear to the coaches that the boys had more to give and the call went out to dig deep in the second half. No one was disappointed. Connor O'Brien delivered accurately to Isaac and Victor applied his smooth aggression with finesse. Thomas put his body on the line and Hamish never gave the opposition an inch. Matthew and Mitchell played tough, brave football. Jacob made some desperate dives and took strong marks. Cameron ran hard in the forward line and the boys seemed to realize the importance of being first to the contest. Vivian pulled off a critical goal and the momentum seemed to lift. Harrison was quick out of the centre; Victor kicking long down the far wing; some very good attacking passages of play. Isaac to Vivian and another goal. The boys did everything they were asked for and more. We were up by 7 points going into the final quarter. Park Orchards came out strongly in the final term and evened the scores to deuce – 40 points each. Jake and Vivian marked brilliantly and Connor O'Brien went for a long run to bring us another goal. The scores were even again and excitement filled the "rural atmosphere" (Did you say that Nick?) Park Orchards threatened but our boys tackled hard. Hamish "carved up the midfield" (I know you said that!), Vivian ran and ran and Jake kicked a decisive goal to seal the victory for Ivanhoe. The boys played from their hearts in the final quarter and when it counted answered the challenge, demonstrating an enormous strength of character. Well done to all.

### Match Report

On a day when the sun shone after a week of drizzle, it was great to be at the footy. The return of Lachie Gholam from injury was fantastic. The fact he kicked four goals a real bonus. It was a game in which Flynn would demonstrate great ruck work, and with his solid marks around the ground, we took control for most of the game. Nick Geary would also get into the act with a goal on the siren, after Luke and Tom linked together to get it forward swiftly. In the second quarter, St Damians controlled the early stages but in a rush we had three goals just before the break. Lachie Duke in a classic "david and goliath" act found himself under the giant...that wasn't in the fable...ouch! St Damians fought hard in the third until Tom and Lachie Duke (with a terrific snap) ensured we kept our lead. During the last quarter the boys banged on four goals from Nick Geary, Ramsay and Tom. The last came right on the bell with Flynn getting into the act after playing a great game all day. It was a game in which many boys made great contributions. Our defence led by Dean was resolute. Conor was masterful in getting to where the ball is, and courageously got under the packs. Nat keeps backing himself in to break the lines. Liam's confidence in his marking and long kicking is rising after returning from injury. And Tom's linking work is proving to a major weapon for us, particularly as he is bringing in other players into the game. Luke looks dangerous as ever on the forward line, and was able to find more space this week. Nick Ramsay is marking well, and Xavier is making his opponent earn every kick. Gradually we are beginning to become a real team, and we look forward to the next challenge...North Brunswick!

### Match Report

Playing against the top team in Park Orchards proved to be a big test that we just couldn't get over the line.

The season is long & at present we aren't playing quite at the level, however we have time to get our game plan to the highest level so we can compete with the top 4 teams.

We as a team need to ensure we are preparing well during the week to be in tip top condition come Sunday.

It is great to see big Linc giving us first use in the ruck along with seeing Jack Sullivan use his pace on the wing. Fraser Robertson is starting to also work the wing position to ensure we have an outlet player. Oscar McIntyre looked at home down back and Emerson continues to improve every game. Stefan is starting to attack the ball with aggression and stamping himself as a very good centre half back.

Alex /Jacob & Jack W are beginning to be very good front & square players - and are learning the art of getting to the fall of the ball.

When we used the straight running kicker we were very effective in the 2nd half - we will continue to improve on this.

Our forwards will continue to play in front & give themselves every opportunity to take marks in front or get a free kick.

We did push back into the oppositions forward line - however we need to do this quicker & follow our players closely when the opposition has the ball

So many areas to improve on & yet we are very -very close to beating the top teams. With perseverance we will prevail if we stick to our game plan & be disciplined in doing this.

## Match Report

The clouds cleared for a fantastic, still, late autumn day at Ford Park where we met Camberwell (again).

After encouraging signs from our game against Hawthorn a week earlier, it was on the boys to show how much they had really improved.

The first quarter was a great display of team football – plenty of support, quick ball movement and some good decision making – in particular with some slick hand passing from all areas of the ground.

We jumped away to a seven goal start which we continued to build on throughout the match.

Camberwell came back a little during the 2nd quarter holding us to 3 goals and providing more pressure on the ball carrier. Thomas Cesaro finished the first half with a very impressive 5 goal individual haul.

The second half was a return to more decisive football, however we showed signs of blazing away in front of goals instead of taking more measured decisions. However – the highlight of the quarter was perhaps Seb's goal – slotting it through from tight against the boundary.

We finished the game well with plenty of run and showed a significantly higher work rate compared to the previous game against Camberwell (43 scoring shots vs 28) for nearly double the score.

It sets us up well for the remainder of the season where we will now play the remaining teams in the group once each – we have to bring our best footy to every quarter of every match. Going into Round 7 we are now 5th on the Ladder out of 12 teams.

### Match Report

This week we are at home against a team that came down from Gold Macleod, which with a couple out will be a good test for the boys.

Q1 – The game is tight early, Finbar and Mitch apply good smother, with Kane providing a lot of run out of defence. Good mark and lead by Max but the Hoes are turning over the ball too often. We score first but only a point. Macleod kick the first goal but with Mitch, Will Larkin, Brodie and Max Jones working hard we are not that far behind them at ¼ time.

Q2 – Adam is playing a great game in defence on the dangerous Macleod forwards and is being well supported by Finbar. A turnover gifts a goal to Macleod and we need to work hard to not let this one get away. Brodie is playing like ten men today and is everywhere, and is being well supported by Max Jones in the middle. The Hoes are putting the pressure on and start to score through, Brodie and Sean and with Paddy also playing well in defence the ball is going our way.

Q3 – Strong work by Conor and Kane early lets Macleod know we are up and about but a turnover and poor disposal is letting us down. Great running by Jack who is controlling the ball through the middle results in a Sean free kick and goal. Will Larkin finds Will Doman who finds Max Minney who goals on the siren and we have a sniff being only a couple of straight kicks behind.

Q4 – Brodie must have his own ball on the ground and is working well in sharing the ball around. Max Jones goals early and Jono likewise soon after. Strong mark by Mitch finds Sean who goals and with Ivanhoe and Macleod going goal for goal we are only 1 point down. But Macleod are able to kick a couple of late goals and run out winners by 13 points in what is a great game. We need to believe we can beat these teams above us as we have the team to do it.

### Match Report

Overall, it was a little bit of a disappointing effort by our boys. Given how close it was in our first encounter with Ashburton and only a goal separating us at the end we know that we are capable of competing with them. The problem was that we were not matching their intensity from the start. This should be a great learning exercise for our boys and the level of football required to win games at this level. Points to note, tackling and shepherding numbers were down. Also, our numbers around the ball were down. It was also notable that some players were not giving off to the first option. Once all these basic principles are adhered to all things will fall into place. It is a team game and on talent alone we are capable of beating this team. However, the boys need to focus on the team aspect of the game and running both ways. The boys need to get back and train harder and come out this week with a renewed focus and intensity, i know they will because we are better than our record suggests. If the boys listen to what Roger and Greg are teaching and work on it we can go along way. i have faith that this week will be big turn around. Go Ivanhoe !!!!!

### Match Report

While their name might sound like the title of a sixties television sitcom, Beverley Hills is a seriously strong football club. The team that met Ivanhoe won the premiership in the under 15's Gold Division in 2012 and hasn't lost a game in two years. Four of their players are Vic Metro representatives.

It was always going to be an uphill battle for the Hoes. The afternoon became a procession of maroon and blue goals as the Lions completely outclassed us.

The coaching staff accentuated the positives. Every accurate kick to a teammate, winning contest and timely spoil were loudly applauded. Against overwhelming odds the Ivanhoe players kept their heads up and gamely battled to get something on the scoreboard. Late in the game Matthew Martin was awarded a free kick for a high tackle. The umpire imposed a 25-metre penalty when an opponent disputed the decision and Matt popped it through from the square. Never has a goal been more welcome.

Jeremy praised his boys for their passion, pride and endeavour. Despite suffering such a heavy loss the Hoes had "finished up better". Even the umpires sent a message to the rooms commending Ivanhoe for refusing to give up.

Jeremy singled out the efforts of goal kicker Matthew Martin and defender Liam Steve, who worked hard to overcome the frustration of defeat with his courageous attack on the ball.
