AFL - Switched at Birth

James Gwilt. Heard or seen of him lately? No, neither have we - and the same goes for our very own **Marinet Morgan** who also hasn't been seen around our club either of late. His was due to lack of form, hers was due to the enormous responsibility of "saving the Country".

Guess this Kid?

These are the only known photos of this young child. Her parents were too busy marching around parade grounds, and cooking meat and 3 veg each night, to take any more. As a result this pin head is now on a mission to take as many "selfies" as possible!

R.8: DRAGONS DOMINATE LOCAL DERBY

Greenacres 24.10.154
Ingle Farm 1.0.6

Dragons came out firing with an impressive first quarter against the highly improved Ingle Farm Bulldogs. With lots of voice early and vision to match, the ball moved a lot fluently into the forward line. Teena **Leicester** helping herself to 7 goals.

With 6 Dragons off for the next 2 games, this now opens up a big opportunity for players to step up and to seriously take some games on. We look forward to watching them over the next fortnight or two! Greenacres have a bye this weekend, and will be a great chance to rest those injuries Draggies!
