

# From the President

June 4 2013

So we are well and truly at the half-way mark of the season, and for some of our younger age groups close to two-thirds of their season is behind them already. It is fortunate that we can say that all of our teams have enjoyed some on-field success (other than our girls who have gotten close lately to their first win but more importantly are enjoying their football.) More significantly, the conversations I'm having with our coaching fraternity and Ando (GM Football– think Chris Connolly) is that the development of players and teams has been significant thus far in 2013.

It is highly likely we will have many of our teams in the finals in August and certainly opportunities in the Lightning Carnivals for a couple of pennants! This position is in many respects influenced by the grading decisions the League makes, nonetheless if I've learnt anything in the seven years I've been involved with Junior Football, it is that every year is different, and no season the same. For example, our Mortgage Choice U13s who enjoyed premiership success in 2012, and so far this year have tested the best in the next division up, but remain at 2 wins and 5 losses. Or perhaps more compellingly the Composites Constructions U9s who went winless in 2012 until the Lightning Carnival, and in their second year of football have blitzed all opposition thus far and have a 7 – 0 record (although a testing game is ahead after the long weekend.)

Such are the vagaries of team and player development, recruitment, grading decisions and the game itself. So it's best just to train, participate, have fun and learn the essential elements of teamwork – that way there is something to be gained every week and every season.

Another DOTM was celebrated on Sunday and what a great night! For a different perspective on the night see the guest piece section ahead (love this phantom's work.) The Committee is thrilled with the support, attendance and exuberance on display on these nights. We thank you for your continued support of these important social functions and especially the Looking 4 Cars U10s and South East Academy of Martial Arts U11s for their very hearty feed on Sunday. I love seeing a packed out Social Room acknowledging our important sponsors, and hearing from our coaches – who it would appear also enjoying "playing" to a full-house!

A reminder of our U13 Interleague hosting role this Sunday June 9th at McKinnon Reserve. Our tireless secretary Caroline Dunlop is coordinating a roster for the day with set-up crews required between 8.45am – 10.00am, Canteen and BBQ staff from 9.30am – 2.30pm, and a pack up squad from 2.30pm – 3.30pm. If you are around over the weekend, and have an hour or so please take this opportunity to demonstrate your community spirit and support for our Club by contacting me [chris@hugeconsulting.com.au](mailto:chris@hugeconsulting.com.au) or Caroline on 0438 177 167 or [caroline@premierfinance.com.au](mailto:caroline@premierfinance.com.au).

Finally, a reminder of our parent's Social Event on Friday June 21st. A relaxed, enjoyable night is guaranteed – so get on board and give yourself a night out! Please see the flyer in this newsletter for how to book tickets.

See you Sunday – Go Tom!

Chris

The Mortgage Choice group is a sponsor of the St. Kilda Football Club and for all home games we host a table which includes entry, buffet dinner and premium seating on the wing at either Etihad or the MCG.

I've got tickets for either the Melbourne game on 22 June or the Hawthorn game on 9 August.

Effectively I'm looking for club members to either refer someone they know or book an appointment themselves with me and they'll go in the draw to win two tickets. You do not have to commit to anything to go in the draw, simply make an appointment.

Any loans that are settled will result in the club receiving \$300 per loan!

Any queries please contact me on 9580 5855 or 0413 539 600

# MILESTONES

CONGRATULATIONS to the following player:

U12 Harry Hartney - 50 games

## Please enjoy another Matt Turley take on life at the footy club...

The inaugural Demon of the Month occurred during the Middle Ages, exact date unknown, after Byzantium Emperor Constantine decided to reward those who do all the right things, day in day out, for Byzantium, and the good Emperor. Things went awry with the Crusades for a time, but essentially what we celebrate each month at the club mirrors the ethos and spirit of that very same celebration, 500 years ago, when the AFL started. And now, in these fun times, the DOTM has become bigger and stronger each month, and thanks to the wonderful families involved on the night, for a paltry fee of four big ones you can eat 'till the cows come home, listen to some waffle, then make your way to the bar for a masala and coke, and, if you fancy the darts, an Alpine Light by the stands as boys be boys under floodlights and clear skies. Even current AFL players, who retired Friday night, have been known to pop in for the DOTM, and, occasionally, they might even pick up the coveted award themselves. Flynn Hamms of the Will's Batch U12's, is one such example. Well done Flynn, and all the winners, and three cheers for Byzantium!

P.S.: Great to see Margaret Mercer amongst the faithful at Sunday's DOTM.

Thought for the week: Meet a charge with a charge.

There is an old fridge in the away change rooms that we would like taken away. We are not even sure if it works, but if you're interested, please email Sharon Kelly: [sharon.kelly@aptouring.com.au](mailto:sharon.kelly@aptouring.com.au)

#### To all Good Sports Clubs in the Inner South Region

I am writing to invite you and your sports club members to attend a *Responsible Serving of Alcohol Course* at the:

#### Ormond Amateur Football Club on Monday 24th June 2013

The course runs from 6.30-10.30pm and is \$40.00 or \$80.00 (they cost up to \$100 at TAFE). The certificate is industry recognised and allows participants to work in the hospitality area - as well as serve alcohol responsibly at your sports club!

So whether the season's about to start, or has finished up... now is a great time to participate in this training.

To find out about future RSA courses check out <http://goodsports.com.au/around-the-ground/events/>

The attached registration brochure has venue, time and date details. Please pass this invitation on to all of your club members.

For any enquiries or to host a course at your club rooms feel free to contact me on the details below.

# MATCH RESULTS June 2

## TEAM 'KIAMA LANDSCAPES AND POOLS' - U9's COLTS

St.Pauls McKinnon 5-9-39 defeated Hampton 3-7-25

Goal Kickers: Henry P. 2. Luke L. 2. Connor 1

Best Players: Connor, Henry P, Aiden,

The first quarter was won by Hampton - not because they were better but because they wanted the ball more and it showed on the scoreboard, but after a ferocious spray from the coach they came out firing with Luke L kicking a ripper from the boundary and great work down back from Jake, Daniel, Lachie, and Paul. We had most of the ball in the third quarter and Pricey dominated with 2 goals and creating plenty of opportunities for Aiden, Connor, Harry and Boaz who held the ball in and made it very difficult for the opposition. We led by 13 points going into the last quarter and they came at us but we held strong and then Connor kicked the sealer with three minutes to go and the game was ours. Well done boys. A great team effort. **Steve Lloyd**

## TEAM 'COMPOSITES CONSTRUCTIONS' - U9's

St.Pauls McKinnon 8-11-59 defeated Cheltenham 2-0-12

Goal Kickers: : Presley McLeish 2, Jack Behnk , Lior Hadari , Alex Campbell, Declan Moore,  
Lachlan Mokotow, Oliver Halbish

Best Players: L.Ficarra, J.Greenfield, A.Campbell, O.Halbish, A.Jontoff Hutter, H. Deam

Captain Luca Ficarra won the toss and wisely decided to kick with the aid of a strong breeze in slippery conditions at Le Page Park. Jack Greenfield led his opponent to the ball in a promising display at full forward but unfortunately for him his teammates were a little bit eager to shoot for goal resulting in four behinds to start proceedings. However we soon started to play as a team and as a result the goals started to flow. Alex Campbell showed great courage in keeping his eyes on the ball when not knowing what was coming the other way. The old adage if you go in hard you won't get hurt proved correct as Alex streamed towards goal leaving his opponent strewn on the turf. Ollie Halbish ran hard all day and his defensive pressure affected a great turnover in the last quarter. Ariel Jontoff- Hutter positioned himself well enabling him to be a vital link in many of our attacks and Henry Deam continues to improve and competed well in the ruck. **Paddy Moore**

## TEAM 'LOOKING 4 CARS' - U10's SOUTH

St.Pauls McKinnon 9-6-60 defeated St Bedes/Mentone Tigers Red 4-3-27

Goal Kickers: Matthew O'Brien 2, Craig Stewart 2, Harry McPhee 1, Austin Kelly 1, Adam Laskaridis 1,  
Luke Natsikas 1, Perry Robinson 1

Best Players: Matthew O'Brien, Craig Stewart, Thomas Murphy, Perry Robinson, Liam Gordon-Shore,  
Liam Glew

Against all relevant forecasts the day dawned sunny if not a little windy - which would provide one of the challenges of the game. St Paul's burst out of the blocks with a goal from Aussie, however did not maintain that momentum for the rest of the quarter. A few changes were made at quarter time and the boys came out firing. With the wind on our side, the boys applied the pressure, moved the ball down the ground and turned Craig Stewart in to a scoring machine with 2 goals 2 points. Thomas Murphy kept putting his body on the line and Luke Natsikas was consistently good at getting to the ball. With St. Bede's kept scoreless in the second quarter and another two goals from Matthew O'Brien we were well ahead at the break. After half time we were kicking into a strong wind and Adam Laskaridis did exceptionally well to score his first goal for the season. St. Bede's fought back with 2 goals 1 in the third. The St. Paul's boys were asked by the coach for an attacking fourth quarter to round out the game and they didn't disappoint. Perry Robinson topped off a excellent game with his first goal for the season. **Katherine Smith**

## TEAM 'CTJ CONSTRUCTIONS' - U10's EAST

St.Pauls McKinnon 4-4-28 lost to East Sandringham 10-17-77

Goal Kickers: Jack Forer 2, Jordan Kamaretsos 1, Jonathan Palios 1

Best Players: Jack Forer, Lily Hannah, Dominic Hart, Jordan Kamaretsos, Thomas Hughes, Jalen Hewitt

We got out of the blocks early and scored the opening goal of the match through some slick play from Jacob to Daniel and then on to Jordan. Jordan had a set shot from 30 metres out and scored the first goal of his career! East Sandringham then peppered away at their goals scoring 2 goals and 9 points. They then continued to dominate the second quarter piling on another 6 goals. However, after half time we took the game right up to them with Lily winning the ruck and Jack roving the ball all over the ground scoring 2 goals of his own. Dominic was solid playing the loose man in defence and Thomas and Jalen were dangerous up forward. Their first goals for the season are around the corner. We outscored the opposition in the second half playing a great brand of football showing everyone what we are capable of. We are hard at the ball and our skills are constantly improving, so watch out for us in the coming weeks! **Sammy G.**

## TEAM 'SOUTH EAST ACADEMY OF MARTIAL ARTS' - U11's

St.Pauls McKinnon 10-13-73 defeated Ormond 2-3-15

Goal Kickers: J Nowell 4, N Paizis 2, J Canning, L Gray, C Peterson, O Anderson

Best Players: E Jurgensen, P Amato, E Sinnott, N Feather, N Jackson, O Anderson

Another even performance from the under 11's with all players making a contribution over the four quarters. Well done to Ollie Anderson on kicking his first goal, Erik Jurgensen on his first game for the club and Jacob Lewis on winning the Demon of the Month. **Stephen Canning**

## TEAM 'WILL'S BATCH' - U12's

St.Pauls McKinnon 4-11-35 defeated East Sandringham 4-3-27

Goal Kickers: Hannah 2, Kotev, Gray

Best Players: Smith, Byrnes, Lloyd, Turley, Dunlop

Harry 'Houdini' Hartney - 50 awesome games. 'Do it for Hazza!' 13,120 people cried, and they did. Paddy Walsh's jaw-dropping speccy, and Luke Young's rot-stopping mark late in the first settled the butter fingers which had seen a few chest-marks go begging, but we finally bagged a major via No.4, and off we went. The boys kicked to the Punt. Rd end in the second, and the centre bounce clearances, led by Ryan ('is he on rollerskates?' enquired a mudlark), made sure the forwards had plenty of incoming pill. Jacob, who thinks about his game intelligently and where he can find clear space to mark and deliver, played a great game, and Nat's run and field kicking was outstanding. Joe worked hard and clean in close, Hamish hammer-time had his best game of the season, and Ron created ear-splitting migraines for the opposition in the forward pocket, whilst Jack Hannah pushed and pushed for position and presented constantly. It was the Ugly Win (think of Susan Boyle's foot) the boys had to have, and against the hard and worthy men of Sandy East, they may not have played the prettiest footy on a swirly day and small ground, but the effort, equipped with some excellent hand-balling, and hard, tough work by Tom Kennedy at FB, was AFL level at times, and Darcy Waldren, who had a cracker, twisting and turning by the pool, is warming up that left boot nicely - expect a bag of 29 from him soon. **Matt Turley**

## TEAM 'MORTGAGE CHOICE' - U13's

St.Pauls McKinnon 0-4-4 lost to Murrumbeena 2-4-16

Goal kickers: Nil

Best Players: Tom Fogarty, Callum Jones, Connor Chow, Max Kennedy, Benji Gore, Luke Egan

We tackled ladder leaders in blustery conditions at home. Scoring was only going to happen at the one end – or so we thought. Although Murrumbeena kicked with the breeze in the first we managed to keep them to just the one goal. However, we could not manage a score in the second when it was our turn and allowed Murrumbeena to score another goal. No more goals were kicked for the game. We had our chances in the last but could not find the big sticks – finishing with just the 4 points for the game. We were competitive, but simply could not find a way to score. Congratulations to Tom Fogarty who won Demon of the Month. **Nick Fogarty**

## TEAM 'BRENDAN NOBLE'S FURNITURE RESTORATION' - U16's

St.Pauls McKinnon 12-10 82 defeated Dingley 7-7-49

Goal kickers: Harry Hunt 2, Sean Herbstreit 2, Jake Halasz 2, Jeremy Lloyd, Harry Rodaughan, Connor Byrne, Mitch Thomas, Nick Supple, Mitch Carracher

Best Players: Ben Lindsey, Josh Bull, Harry Kiely, Sean Herbstreit, Connor Byrne, Saxon Van Oursouw

This week the U16's played away at Dingley and came up against a very competitive side. Right from the first ball up the two teams were going goal for goal and we had a game on our hands. A very entertaining encounter with the St. Paul's boys edging away each quarter to run out winners by 33 points taking our wins for the season to 7 with 1 loss against Ajax who are now in Division 2. Highlight of the match was the crunching tackles applied by Saxon and the run and voice of Mitch T, Connor, Josh and Harry K. We now have 2 weeks off and return to the field Round 10 against Murrumbeena. **Andrew Head**

## U17's

St.Pauls/Bentleigh/Murrumbeena 4.12. 36 lost to Mordi/Brae 9.9.63

Goal Kickers: M Brown 2, H Colgrave, B Scotland

Best Players: T Brasher, T Walsh, G Mercuri, L Mc Cluskey, H Colgrave

Today's score line does not reflect the manner in which the boys represented their club and each other as they went about their work. Clearly the only team with a focus on the ball and fair play, we were severely hampered by the loss of key players prior to the game. The second half saw the us work the ball forward with more purpose and intensity as we began to look for each other and work as a unit. Hayden, Tom and Brodie all stepped up and worked tirelessly around the ground. Tim, Carter, Nick and Jordan were working together in the back half to set up many forward attacks and the midfield of Giani, Matt, Stefan and were running hard. Ryan, Josh, and Brayden tried to sneak a few goals up forward as we outscored the opposition in the second half. We congratulate the boys for their control and poise under pressure, often well off the ball, as we took the points for playing within the spirit of the game. **Mark Brown**

# Harry O'Brien at training!

Harry O'Brien from Collingwood FC visited our home ground on Tuesday night to run a special training session, and what a fantastic experience it was for all those who came down to train. Harry ran drills, signed autographs, spoke to all the boys, shook everyone's hand and answered a bunch of colourful questions like, "Who is your most annoying player?" (Heath Shaw), "Do you think Essendon are on drugs? (No comment - literally. Mouth open, giggles from parents), "Who is the hardest player you've played against?" (Adam Goodes) and "What does it feel like to play AFL footy?" (A dream come true.) Harry encouraged the boys to listen to their coaches and show respect for *everyone*, including their teammates and friends; their teachers and their parents - wise words! Harry was really friendly to the boys and onlookers; was patient; good natured and extremely humble. He definitely impressed this Demon mother and her St.Kilda-mad son! Donna Campbell

# FIRST AID NEWS!

## OUR NIGHT WITH KANE FROM BACK IN MOTION

On Wednesday May 29th Kane Burrows came to our club to show our players how to warm up and down properly to help prevent injuries during matches.

It was an interactive and fun session attended by a great number of players and parents and coaches.

We cleared the carpet area and got down on the floor and went through a range of stretches under the instruction of Kane.

Some parents pulled out early with age related issues; some kept up with most positions and all the players managed to get through the whole stretching routine to a varying degree without falling over.

Following instructions can be difficult enough and then to try and stretch a rigid hamstring as well left a few groaning quietly!!!!

It was a very successful evening - we all felt very supple at the end and no one got hurt!

Thanks to Kane for offering his time and experience to our club and to those players and parents that attended. Your Team Manager should have emailed all players a copy of the Warm Up/Cool Down instructions and it's also on our
