

NORTHSIDE WIZARDS BASKETBALL

2013/14 JUNIOR REPRESENTATIVE PROGRAM

COACH APPLICATIONS

The Northside Wizards Basketball Junior Representative Program aspires to provide athletes with the best opportunity to reach their potential, not only as basketball players but as members of the Northside Wizards Basketball community.

Our coaches are not just part of their individual team, but also become members of a broader Northside Wizards Basketball community that includes players, coaches, managers, referees, parents, committee, staff and supporters, all dedicated towards helping our athletes and teams achieve their goals.

This task requires the involvement of extremely dedicated volunteers, who will all become contributors to our on-court success. We are seeking persons that can contribute time, expertise and enthusiasm to the roles of Junior Rep Team Head Coach/Assistant Coach. Apprentice Coaches are also welcome to apply.

Ideally, we will offer teams in Premier League and Southern Cup divisions in U12-U18 girls and boys, however this will be dependent on the number and quality of athletes that are available to play. In 2013-14 we will consider nominations for U20 men's and women's teams if there is sufficient interest from coaching staff and players (trial dates to be advised). As members of the Northside Wizards Representative Program we expect coaches to attend club fixtures, training sessions and junior academy/development programs to identify and invite athletes to attend Rep selection trials.

The NWB Junior Rep Program timeline for 2013-14 is as follows:
