Club News

Last Saturday our club travelled to Warwick to play Under 8's, 10's and 12's. Although it was a cold day, the amount of running and enjoyment that all the players and supporters from both sides had warmed everyone up.

Our Under 12's took the honour of being the first team to use Warwick's new opposition change rooms and found them more than suitable.

Congratulations to all our players for going out each week with a smile on your face and having fun.

Thanks to Warwick for hosting us, and we look forward to coming back next year.

The rest of the season sees us playing 6 home games against Dalby, Chinchilla, Easts, Souths, Warwick and Goondiwindi and a 3 away games against Coolaroo, and newcomers South Burnett and Chinchilla. The players are eager to play and looking forward to the remainder of the season.

Crows Corner

Comeback Crows

The Under 14 Darling Downs Crows have overcome a 27 point deficit to notch up an inspiring 5 point victory over the Sandgate Seahawks.

Sandgate came out all guns blazing in the opening term as they piled on 4-unanswered goals, the young Crows lacked intensity and were consistently second to the footy. Coach Charlie Aston let the players know that the lack lustre start was the Crows worst first quarter in their short season and half history during the first break.

The old fashion coaches' spray seemed to work as the Crows piled on six scoring shots to two in the second quarter, it was the two Toms (Clark and Matthews) who booted home two majors for Darling Downs. It was the class of Kale Ross who got the Crows back into game, as Brock Aston and Brendan Shelton assisted the silky midfielder.

Key defender Jacob Sheath was moved back to his regular post in defence after un-usually starting in the midfield, a change by the coaching staff that seemed a game changer.

Sandgate held a slender 11-point lead at the main break, as Darling Downs took all the momentum into half-time. After the long break another important move which saw rookie Mitch Wren moved into the ruck and had an immediate impact giving his midfielders first usage. Kale Ross booted his first of the afternoon in the opening minutes of the third term, while Tom Matthews did shortly after booting his second but Sandgate followed suit almost immediately to kick their first goal since the opening stanza.

Inaccurate kicking at goal saw both teams squander a number of opportunities as Sandgate took a narrow three point lead going into the final quarter. Again Kale Ross and Brock Aston stood tall when needed most and were the Crows best in the third term.

With their backs to the wall for much of the game and only 15-minutes to play the Crows knew they had to continue their attacking brand of footy.

The final quarter was a real struggle for both sides, as either struggled to penetrate the defensive lines of each team but it was Tom Matthews who broke the shackles and booted his third for the game. Key-forward Brendan Shelton was switched to defence and was instrumental in breaking down the Seahawks attacking raids.

With only five minutes left on the clock Sandgate finally found a way through the Crows defensive wall and took back the lead, up by one point.

The heat was on, both teams knew that not long was left but it was the experience of season campaigners Shelton, Aston, Ross, Sheath and rookie Wren who were prolific in setting up the final play. Darling Downs skilfully weaved and wound their way through the Seahawks defensive flood.

A long bomb by Shelton seemed to soak up a few extra seconds as a big pack flew and the football hit the ground, midfielder Sam Tasker swooped on the crumbs and slotted the match sealer. It was a nail-biting centre bounce to follow as Brendan Shelton got his on the footy, the final siren sounded and the Crows celebrated an inspiring come from behind 5-point victory at Rockville Oval.

Kale Ross was dynamic all afternoon for the Crows and was superbly supported by Brock Aston and Brendan Shelton. The Round 8 victory over Sandgate saw Darling Downs propelled to outright third on the ladder with their next match against the 5th placed Morningside Panthers at

Drought Broken After 8 Years

Charlie Rose Cup returned on Monday night as the best 22 male student players from the regions Private schools clashed with 22 of the best male student's players from the regions Secondary State High Schools at Rockville Oval on a crisp afternoon at Rockville Oval.

Erratic kicking cost State High the victory, as both sides finished with the same scoring shots and it was Independent Schools who took out the Charlie Rose Cup 8.5 (53) to 3.10 (28), their first victory since 2005. It was State High who started the better of the two teams dominating possession in the opening stanza, as Independent were only able to kick 1 goal out of their 4 scoring shots. State High squandered plenty of inside 50 opportunities but was able to make it 100% with their scoring shots booting two goals in the opening quarter. State High held a narrow lead at quarter time, up by 3 points 2.0 (12) to 1.3 (9).

Fortunes turned in the second quarter as State High could only convert behinds, as the students from the public sector could only manage 5 behinds. Independent did make the most of their scoring opportunities booting 1 goal from their 2 shots as State High again dominated the second quarter.

Independent were able to cut back the lead at the main break but State High was still hanging on 2.5 (17) to 2.4 (16).

In a massive swing in momentum it was Independent who did all the attacking in the third quarter, dominating possession and swinging the scoreboard in their favour. The Private school boys were able to slot home 4 unanswered goals as the State High boys had the goal kicking yips. Only two behinds were recorded by the State High team.

Going into the final quarter Independent were looking goods in a dominated third term, leading 6.4 (40) to 2.7 (19).

Up by 21points with a quarter to play the Independent side slotted home two goals in quick succession to have the State High boys looking for answers. This wasn't the end as the State High side quickly replied with a major of their own but unfortunately again missing some very "gettable" goals.

Independent ran out 8.5 (53) to 3.10 (28) victors in the 10th Charlie Rose Cup, evening the ledger at 5 Cup wins a-piece. Charlie Rose Cup by Winners by Year
