# Bendigo Bank

***“Support the Bank that supports our Community”***

Reaching the half way mark of the 2013 season and we want to start with a call out to ALL senior football coaches and football department staff.

At the start of the year we sent out a request for clubs to supply nominations for the 2013 Young Gun awards in each league. Excluding Bonbeach, Devon Meadows and Frankston Bombers, the response to date has been ordinary to say the least.

The recognition of potential is the idea of these awards and that is important to those who are nominated, given most young players hold aspirations of taking their football to as high a level as possible.

So the message is clear – your club can assist young up-and-comers to be the best they can be by acknowledging their effort and nominate them for your league's Young Gun award.

On a positive note, congratulations to Edithvale-Aspendale and Chelsea for their acknowledgement of the memory of club legends Ricky Hart and Dave Baker last Sunday. Both former players passed away far too young and the presentation of awards in their names was a fitting tribute.

Similar ceremonies are regularly held across all our leagues as a way of celebrating the lives of people in our clubs who have had a major impact on many and also as a form of gratitude to their extended families. This continues to be encouraged by all involved in our league.

Our three new individual league websites are taking off with many across our sports district taking advantage of the information contained and traffic through all sites consistently rising. This is testament to the investment made, ultimately through your clubs, to developing these platforms for the continued promotion of our leagues, our clubs and our culture of family-orientated competition.

Remember that we are also active on Facebook and Twitter.

## Celebrations

This weekend highlights wonderful examples of what football-netball clubs are all about in the PCN Sports Alliance. There are celebration rounds in all three leagues with tradition and club reunions featured as a major part of the community focus that keeps our sport alive and healthy.

The Casey Cardinia League round will focus on long-standing rivalry rounds. The traditional Battle of the Creek between Berwick and Beaconsfield will take place along with the O'Brien Batten Cup as the spoils for the winner of the clash between Doveton and Hampton Park. Over in the Nepean League Crib Point will lay Hastings for the Ron Moncrieff Shield while Devon Meadows and Pearcedale will battle it out for the Larnach Cup.

Jubilee Park will be the scene of a double celebration with the legends of the 2003 Frankston YCW senior premiership side reuniting to watch the Stonecats take on Mornington for the Aidan Graham Shield, while nearby Langwarrin will host Karingal for the Shane Wells Shield.

## On the Radar

It is finally here – the sixth annual Luncheon to support Women in Sport will be held at the Sandhurst Club, this Friday 28 June. A huge event every year, there are still a few seats available. All proceeds go to the Reach Foundation and contact Sue Jones at the office for last-minute tickets.

## V/Line Umpire Academy Program

Every weekend at country grounds across Victoria, the men and women with whistles and flags in hand play a pivotal role in making local football what it is. Ensuring the development of the next generation of umpires is, at the very heart of keeping country football the great social and community event it is for everyone involved, from players, officials and of course the spectators.

Because of the key role umpires play, each year WorkSafe AFL Victoria Country's Umpiring Department invites a group of talented whistle blowers to participate in the V/Line Umpire Academy Program.

Invitations are sent to young developing field, boundary and goal umpires to participate in Junior Football Programs, as well to more experienced umpires from local associations that are then considered for selection in a wide-range of umpiring appointments.

In 2013 the V/Line Umpire Academies are located at

- Camperdown / Terang
- Ballarat / Geelong
- Morwell / Churchill
- Berwick / Dandenong
- Albury / Wangaratta
- Shepparton / Echuca
- Horsham
- Bendigo
- Mildura

The location for each academy was determined in the latter part of last year and at pre-Christmas sessions, summer training programs are distributed to the new members and the current fitness levels are determined.

Post-Christmas – usually in mid-February – the Academy Program resumes with fitness levels of all participants measured once again.

Coaching sessions at the Academy sessions include on-track coaching with discipline-specific coaching groups and also indoor-coaching sessions that range from umpiring philosophies, personal goal-setting, the completion of self-development plans and an outline of what the year ahead will include.

Active participants of the AFL National Umpire-Coach Professional Development Program play an important role in the delivery of the Academy sessions and conduct skill-based coaching sessions where the participants are exposed to 'a different voice' where the expectations of the performances are extremely high.

This year members of the Academy have thrived in the opportunities the program offers, with all umpiring appointments for the 2013 V/Line Cup (U15 country representative carnival) and AFL Victoria's 2013 U16 Championships being active participants in the V/Line Umpire Academy Program.

The Academy Program also proved 230 of the 248 umpires for last month's WorkSafe Country Championships.

In addition to these achievements, 12 umpires have been invited to umpire at the three WorkSafe AFL Victoria Country versus Victorian Amateur Football Association games on Sunday July 7.

For anyone who is interested in learning more about the V/Line Umpire Academy Program, please visit [www.vcfl.com.au](http://www.vcfl.com.au)

## HUNGRY TIGERS CHASE WIN

By Simon McEvoy – Leader Newspapers

A MONTH ago SEAFORD was sitting pretty in second spot. A four-game winning streak announced the Tigers as a new and exciting contender.

Now, after 10 rounds, the Tigers are 8th.

Three successive losses have taken the wind out of their sails. The dash and dare the Tigers displayed on their way to a 5-2 record has faded in recent weeks. Somehow they need to rediscover it, and quick.

The Tigers' claw-back can start today when they meet bottom side CHELSEA. Win and they'll be back in the hunt, but lose and their season would be totally derailed. Back in round two, Seaford beat Chelsea by 15 points but probably should have won by more had it kicked straighter (the Tigers scored 9 behinds in the last term).

The in-form Mark Di Blasio, Brendan Doyle, Aaron Walton and Brayden Irving will play key roles for Seaford today.

Chelsea had a crack against Edi-Asp last Sunday before falling to a 93-point loss. A lean season has tested the Seagulls' resilience, but to their credit they continue to play with spirit under coach Paul Carbis.

MT ELIZA took a 43-point spanking from EDI-ASP back in round two. The loss hurt but it seemed to sting the Redlegs into action. They've won six of their eight games since to storm into flag contention.

The Mounties have really got motoring in recent weeks, and today chase their fifth successive win.

Likewise, Edi-Asp have built momentum, posting their highest score of the season last week.

This third-versus-second clash could reveal who is the biggest danger to Frankston YCW. Both the Redlegs and the Eagles can lay claim to the title, having beaten the Stonecats in the past month or so.

Spectators will see some great talent on display at Madsen Reserve today. Mt Eliza's Sam Gill, Jimmy Clayton and Rohan Heasley will go head-to-head with in-form Eagles Tim Mannix (40 touches last week), Troy Ogier and Jeremy Heys.

The forwards will also have a big say in the outcome, with Scott Lockwood, Ben Lean and Tim Strickland looking to kick a winning score for the Redlegs, and Edi-Asp youngsters Josh Tripcony and Bailey Dale combining with Brent Bowden and Matt Kremmer.

With the evenness of the competition, the next seven weeks will toss up crunch games each week as sides' finals hopes rise and fall. Such a crunch game occurs today at Eric Bell Reserve where PINES host BONBEACH. It's a 4th-versus-6th match-up, and a potential blockbuster.

Pines are definitely the in-form side, having won four of their past five games – including wins over top five sides Mt Eliza, Edi-Asp and Karingal.

Matt Goodman, Shaun Stewart, Jake Prosser and Joel Brunn have been outstanding in the past few weeks, while Guy Hendry and Dale Tedge have formed a strong combination up forward.

The Pythons look hungry and motivated. If they can maintain this mindset they'll go a long way this season.

Bonbeach, on the other hand, has lost its way in the past month, dropping three of its past four games. This is moment-of-truth time for Steve Capp's Sharks, who can either kick-start their season today, or sink further into the mire.

**Bickz**

**THE ENERGY FOOTWEAR**

# Football Preview

FRANKSTON YCW may have lost its invincible tag with a couple of losses in recent weeks, but at home this season the Stonecats are untouchable.

Unbeaten in five games at Jubilee Park in '13, YC return to their home soil today to host 7th-placed MORNINGTON.

Bonbeach, Langwarrin, Pines, Seaford and Chelsea have all tried but failed to collar the Stonecats at Jubilee this season. Can Mornington be the first to burst YC's home ground bubble? The Bulldogs are much-improved, and this game will show us how much they've come along. After beating Pines a fortnight ago, Mornington pushed Mt Eliza last week, going down narrowly. The emergence of Jackson Calder (7 goals last week) has been exciting this season and if he can continue to sparkle then the Dogs might be able to go a long way.

Frankston YCW should be confident today. The Stonecats posted their highest score of the season against Mornington back in round two when David Bodley provided a handful for the Bulldogs' back line.

LANGWARRIN has turned the corner, notching back-to-back wins to boost spirits at Lloyd Park. From wooden spoon contender to finals smoky, the Kangaroos are showing what happens when you persist and stay positive. Today, Langy tackles old foe KARINGAL. A few weeks ago you wouldn't have given the Kangaroos a hope, but today they are a genuine winning chance.

Karingal's inconsistent season has it battling to hold its place in the five. Make no mistake, this is a huge game for the Bulls.

## KANGAS HOP TO TOP

IN THE RESERVES...

LANGWARRIN is enjoying the view from the top after a red-hot run. Brad Dredge's talented side has rocketed into flag favouritism after dispatching Seaford last week, and today face an out-of-sorts KARINGAL. Look for Luke Churcher and Jack Henderson to make an impact for Langy.

FRANKSTON YCW received a reality check last week and should bounce back today against MORNINGTON.

BONBEACH snapped a six-game losing streak last

week and enter today's challenge against PINES with a spring in their step. Luke Buswell and Richard Ferri sizzled last week.

Few teams are travelling better than MT ELIZA, which has returned to its free-flowing ways in recent weeks. The Redlegs face last-start winners EDI-ASP today but should take the points.

On a three-game tear, PINES will look to maintain their momentum against BONBEACH. Scott Manders and David McLaren have been playing eye-catching footy.

## TIGERS ON PROWL

IN THE UNDER 18s...

High-scoring SEAFORD takes on a CHELSEA side looking to snap a three-game losing streak. The dynamic form of exciting young Tigers Matt Pola and Mitchell White has been a highlight.

KARINGAL showed plenty of steel to get the points last week, with Pat Davenport leading the way, and today the Bulls face an inconsistent but talented LANGWARRIN.

Flag contender MT ELIZA, with plenty of talent, host finals hope EDI-ASP.

FRANKSTON YCW has fired off 40 goals in its past two games and looks to be back in top-notch form. The Stonecats can expect a tougher test from fourth-placed MORNINGTON.

PINES' improvement should be rewarded with a win today when they host BONBEACH.

# Stingrays

## Stingrays Jekyll and Hyde season continues

The Dandenong Southern Stingrays finally hit the goals in the last quarter, which was too late as the Oakleigh Chargers dominated play for the first three quarters at Warrawee Park Oakleigh in the Round 9 TAC Cup last Saturday to snatch a 11 point victory and make it two losses in a row for the Stingrays .

In good old Melbourne wintery conditions, the game started with all one way traffic on the scoreboard as Oakleigh completely dominated the scoring- 4 goals, 2 points from 11 inside 50's to the Stingrays 1 goal, through Jack Soroczynski, and 1 point for roughly the same amount of entries. The Chargers counter attack and first use in the midfield was the difference as they held a 19 point lead at the first change and looking like the game was safely in their hands. The Stingrays seemed to panic and were second to the ball, whilst the Chargers were hunting in numbers looking for the first kill since round 3.

At the first break not even and an old fashioned chat from the Stingrays coach, Graeme Yeats could spark the boys into drive. Yeats challenged the young Rays to change their mindset with too many broken tackles and incipit efforts from many players that had crept into the game that allowed the Charges easy scoring chances as they pressed forward.

The Chargers were gathering steam and growing in confidence as the Stingrays Midfield and back 6 allowed too many opportunities for them to move the ball forward. By the time the siren sounded Oakleigh kicked 2 goals, whilst the Stingrays kicked their one and only goal, through Josh Newman, to be 22 points down at the long break. The Stingrays forwards were far too predictable in their pattern movements and the backs that were playing undersized against the far taller Chargers forwards. They also gave up front position too often, whilst the miss chances in front of goal also added to the scoreboard pressures.

There were patches of quality football from the Dandenong Stingrays but they were regularly sprinkled with basic unpressured errors that Stingrays Talent Manager Mark Wheeler put down to inexperience players and other top age players down on form and more than likely heading back to local football in the coming weeks. Every time the Stingrays managed to go forward it was playing into Oakleigh's hands as delivery was straight to the hot spot or high and the taller Chargers defenders easily picked off the high ball to sling shot, run and spread and convert.

The third quarter was superb football, but unfortunately it was the opposition. Oakleigh kept the Stingrays scoreless and even more impressive with less than 5 inside 50's by the time the siren sounded.

"It will be remembered as one of the worst performances for any Stingrays team in the 22 years of putting the jumper on said Wheeler.

He went on to say "it will be a huge challenge for the playing group in the coming weeks to prove it was a blimp on the radar. I look forward to watching them grow."

The last quarter saw the Hyde team turn up kicking 6 goals and all momentum going the Stingrays way. All goals came through effort and willingness to work as a team, whilst Oakleigh were tiring and the young Rays could smell blood.

Players were prepared to run, spread and work for each other and the forwards worked hard keeping front spot or bringing the ball to ground allowing the fast running smalls to swoop. The procession of goals came in a flurry through Alex Harnett, Jake Lonie, Brady Egan, Rourke Fischer, Ben Giobbi and Dale Gawley- all on the back of hard work from Daylan Kempster who went into the Ruck and gave first use to the midfield and the back six who were plucking the ball and sling shooting it forward through precision kicking, something that had been missing in the past 3 quarters.

"It would have been the steal of the year if the clock had run a few minutes longer" said Yeats.

He went on to say "We were very poor today, but that's football. Nothing taken away from Oakleigh, they were a team who wanted it a lot more than us and had been building towards today over the past month or so. We now regroup and set ourselves for our next challenge, Eastern who are the team to beat this year. If we can play like we did for the last 15 minutes I think we can match it with most teams."

Wheeler said "We had ten 17 year olds play today, 2 for their first game in the TAC Cup in Ben Giobbi and Jack Wheeler, all of them will be better off for the experience moving ahead. I thought both debutants were serviceable and have something there to work with."

He added "This is a great time of the year when the AFL NAB U18 Nationals are on which Graeme and I really look forward to as it challenges our list selection. It gives opportunities to 17 year old players and those who may be outside our best 22. Some step up and challenge to become the 22, others are found out and they have two ways to go over the next 6-18 months."

Next Sunday 23rd June the Stingrays host the TAC Cup ladder leaders in the Eastern Rangers.

The game starts at 12.30pm at Shepley Oval, Dandenong and entry is free.

### Scores:

Stingrays	1-1	2-4	2-4	8-6-54
Chargers	4-2	6-2	10-5	10-5-65

### Stingrays

GOAL KICKERS: Alex Harnett, Brady Egan, Josh Newman, Ben Giobbi, Dale Gawley, Jack Lonie, Jack Soroczynski and Rourke Fischer

BEST PLAYERS: Jake Wilson, Dale Gawley, Ben Giobbi, Tyle Williams, Jack Soroczynski and Jack Lonie

# Club Notes

## Pines Pythons

Oops, this column incorrectly stated that our seniors were in the Five before last week's game v 2nd placed Karingal when actually we were 7th with percentage being the only difference. This didn't stop our team from defeating the Bulls by 29 pts at their bullpen and we should now see a better ladder placing. Best; Matt Goodman, Shaun Stewart, Jake Prosser and Guy Hendry (4 gls).

Pondered over the reserves score but it was correct in that we were stubborn victors by 48 pts so allowing the Bulls to score only 3 gls. Best; Scott Manders, David McLaren and Sam Baker. Memo Will, 2 = 200 res gls.

Disappointing for our Thirds who, with victory at reach, were pipped by 2 gls in a game that was wide open from start to finish. Best; Jack Peace-Stirling, Lachlan Pizzey and Jean Bezzene (3gls).

Let's rewind back some weeks to that I-L game of Peninsula defeating O & M and not only say well done to the Pines chaps involved but also to scan the situ of two bros in the same team, being Beau and Guy Hendry. Thought that this may have been a bit of a rarity but a search of league archival files reveals that there have been at least 25 different pairs of bros who have teamed together in local I-L teams and 3 pairs of bros who have opposed each other on the same day. One pair of these were two bros who began and finished at Pines but opposed each other in an I-L game on the same day in 1985. Work that one out.

Welcome to Bonbeach who we first met in 1964 and who are one of only two clubs from then who are current opposition clubs. Most career games v BB, Gary Abblitt and Jack Norris both 24 with Jack also having the most career goals, 37. Craig Neal is our highest one game goalkicker with 9 gls in Rd 14, 1987. All 1983 players and officials are asked to contact Paul Williams at pmwilliams7@bigpond.com or 9786 6690. More next week.

Good luck to our teams today.

**The Last Bud.**

## Mt Eliza Red Legs

Welcome to the Edi-Asp FC to Madsen Res for what promises to be an exciting day of footy.

A fantastic day at Mornington last Sunday with all teams scoring strong victories.

The Seniors started well with the first five goals of the game and led well throughout, leading by 10 goals at the last change, before a spirited last quarter saw Mornington peg the final margin back to 3 goals.

Norman was unstoppable for the Redlegs with another BOG performance, closely followed by Gilly, Jimmy C, Heasa and Lockwood with another 5 goals.

Congrats to debutants Sam Siggins and Bryce Hayes who were handy contributors also.

"Trumpy's Two's" once again led throughout, sustaining their 7 goal half time lead, to run out easy 10 goal winners, with Groota and Damo booting 3 apiece and Youngy, Carlos and Wetters getting plenty of the ball

The Under 18s were level with the Doggies at half time but put the foot down in the next half to run away with a fantastic 7 goal victory. Stricko booted another 5 and Clears, Tills, Zal and Cal Armstrong were solid contributors.

The "Devels" took on and defeated the previously undefeated Narre Warren away. Trailing by 20 points at the last change a 4 goal to nil last term got the fellas across the line and consolidated their spot in the top 3.

Social – TONIGHT - Mr Mt.Eliza - \$10 entry includes finger food. \$10,000 Draw – Sun 7th July

Sponsor of the Week – Thanks to Club Great Rob Docherty and his team at Peninsula Plaster (8790 8933) for their continued support of the Club.

Good luck to all teams today! **Redleg**

# Club Notes

## Seaford Tigers

Under 18 dev - Friday night's game against Beaconsfield was full of highs and way too many lows after all was going to plan, surrendering a 3 goal lead at quarter time with too much ball watching and lack of commitment at the ball. No excuses for being second to the ball for the final 3 quarters. A full four quarter effort will be required for us to regroup this week.

Under 18 - A solid result on the scoreboard, but could have impressed more had some boys not lost their focus on playing the good team football that set up our impressive lead at quarter time. Our team goal for this week is to play 4 quarters of quality disciplined football. Reserves - In an even and low scoring game for three quarters with not much between the teams we couldn't afford to concede 4 goals to one in the last. Credit to the opposition for running out the game better than us and making the most of their scoring opportunities.

Seniors- The 'Broo Cup' was played for in great spirit, however the boys couldn't get over the line. Injuries to some important players didn't help our cause, but with that said, we weren't clean with the ball at critical contests and credit to Langy for capitalising on our mistakes and leading us to the footy. No doubt we will be putting in a huge week on the track as we prepare to take on Chelsea in what has become a very even competition.

Netball - A competitive effort by all teams, with the A graders just falling short of a win. Time for a perfect preparation as we take on Chelsea this week.

Women's -Remember to get to Scoreseby on Sunday at 2:30PM to support the tigerettes, who are playing some great footy at present.

Social - A big thank you to the large number of players and supporters from Langwarrin that stayed in the rooms for a social drink or two after last weeks game. Also, a reminder of the 10K draw, at 7:30PM this Saturday June 22nd in the clubrooms. Get your sold ticket stubs and money back to Cam Scott and Dylan Hatfield ASAP. Tigerettes are hosting a pasta night at the club this Friday night June 21st, \$10 a head, starting at 7:00PM. Upcoming events for July are the Trivia Night on the 5th and not to be missed, Seaford Idol on the 20th.

## Edithvale - Aspendale Eagles

What a great day it was at Regents Park last week, naming of Ken Lyons Pavilion, three wins over the old foe, and the netballers remaining undefeated as well.... doesn't get any better.

Great to see the thirds show what they are capable of, played some pretty slick footy. Big Fisher took home the Jake Corcoran medal, being well supported by Obrien, Walters, Byrnes, Aston. Sang that song pretty loud as well!

Reserves got jumped at the start, got back on the bit and with a little urging from Mick just lengthened the gait and powered away to victory. Kye Campbell showing all what a little confidence can do, Marchy with six majors, Alex the Man with two, well supported by Luxy, Miller and Houghton. Andy Luxa was selected as the Rick Hart medalist.

The seniors took a while to get going and in the end got the job done in a convincing manner, Timmy Mannix taking home the Dave Baker medal, with Trippers, Dale ferreting around the forward line, Ogier turning the clock back and the smuggler doing his best work. Tight season so every percent is required boys and a huge month is coming up.....no corners can be cut!

This week Mt Eliza, good luck to all teams!

## Langwarrin Kangaroos

Another great day for the club last week to go down to Seaford and get the points in the Seniors, Reserves and all the netball. The boys at Broo Lager have jumped on board as a great sponsor this year for both clubs and to take the silverware and 10 slabs back to the clubrooms again this season was very pleasing.

I'm sure Wheats is relieved to finally notch up back-to-back wins and see some new belief and effort from the group keen to get our season rolling again. Parker stood up to play one of his physically strongest games for the club and was well supported by Herdman and Muston.

In a top of the table clash in the reserves it was great to see the boys grind out a well contested match to get the chocolates for Moorey's 250th. Lukey Churcher continues to develop into a fine footballer and Jimmi J, Hendo and Pooley all played key roles in the win.

Despite the unders game being marred by an incident in the last quarter resulting in an early finish the effort and desire from our kids to take it up to a very talented Seaford outfit was great.

Fantastic to see our netball girls continue their great form in all grades against Seaford. With this week's game being played Friday night allows time for the footballers to get down and really support the girls.

Thanks to all the boys that attended the Gentlemen's night last week - extremely funny night and one I'm sure young Matty Davie won't forget any time soon. Today is the ladies turn as we host Karingal and watch the girls enjoy Ladies Day upstairs. If the last few Ladies Days are anything to go by a great night will be in store.

We haven't got within 80pts of the Bulls in the last four outings - LET'S STAND UP TODAY!

Social Notes.

TODAY - LADIES DAY.

29/6 during Y.C.W. at home PLAYER SPONSORS COCKTAIL FUNCTION followed by THE MOUSE CUP. 20/7 during Mt.Eliza at home JUNIOR PARENTS COCKTAIL FUNCTION.

Thanks to all our sponsors in particular Beretta's, Harcourts, Burdetts, RAMS & Graham Quarries.

Go Langy!

## Chelsea Seagulls

Well it wasn't much fun for any of us at Edi-Asp last week was it? Locals chuckling in their beer after the game. For those who don't know, they are right up there on the list of teams we hate to lose to, in fact there's only one above them and we play them today. Something to look forward to ay?

But in adversity you've got to look for positives, so what about the effort of young Jacko in the ruck-the other codger was about a foot taller than him, but he won heaps more tap-outs, great work laddie! And Trav Graham showed stacks of pace and dash all around the ground and big Juice turned the clock back and kicked three quarters of our score- see there's some good bits, actually Richard J flew the flag all match too and he leads the official best players list along with Nizam, Seppa and of course Jacko and Juice.

Only saw the last half of the twos and to be honest, that was plenty, but out of the wreck there was a bunch of good triers, including Wiz, Burkey, Niter, Somar Sara and Rhys Chadwick.

Didn't see any of the thirds, but I know it must be disappointing for Foz and the rest of the boys, playing without four or five of their better players. Might be time to think outside the square and look after the unders just a bit, because they will play finals. Best boys last week were Kal Hogan, Daniel Menhennitt, Michael Hart, Dan Aarsman, Mat Silva and Ross Aitcheson.

So today we host the top of the list we mentioned earlier, in front of the past players mingling upstairs and plenty of those gents spilled more than sweat in the past. For them, for us, for yourselves, let's have three massive efforts today.

Apprehensive, **METHUSELAH**

**PS** the under 18s Jake Corcoran award was won by Sean Fisher of Edi-Asp and the Dave Baker seniors award was won by Tim Mannix also of Edi-Asp.

## Karingal Bulls

They say a week is a long time in footy and never have these words rung more true than now. With the most even competition in years one slip up will cost you, as we found out last week sliding from 2nd to 5th within 3hrs and now only percentage between us an 8th. What this means is that each and every game is now a "must win" opportunity. Forget wether its at home or away – to play finals we must win and keep winning and with 6 clubs in the same boat it's shaping up to be a ripper 2nd half to the season. With some big inclusions in the next few weeks (hopefully) we're well placed to do exactly what is needed.

The unders started the day last week with a determined win against a dogged Pines team. Not having played particularly good footy but still getting the win is critical and means there should be plenty of improvement for this week. The Reserves have had an ordinary couple of weeks after hitting a purple patch and will certainly be looking to get back on the winners list today.

Make sure you all get your \$5k draw tickets from players or committee members ASAP – Friday 5 July is the date to lock in and as always it promises to be a ripper night. Tonight back at the rooms is Poker Night so sharpen up your card handling skills and see if you can play or buff your way to the prize.

Remember also to get along to the club every Thursday night for a meal, team selections and Jackpot Joker Draw. RAMS Happy Hour is every Thursday between 6 and 7pm for all paid members and sponsors and we look forward to continued good support. Dunney's wheel has been hit so far – who will be the featured club celebrity in coming weeks?

No club can survive without the generous support of sponsors and Karingal is lucky to have some of the best around! Major sponsors NP Distribution, Reddy Roasts Frankston, Bluegum, Frankston RSL, RAMS Home Loans and BMK are ALL long term supporters of the club and we're thrilled that Bank of Queensland and TAFT have continued their support after coming on board for season 2012 – PLEASE – use our sponsors and let them know you're from Karingal.....support those who support the club.

Follow all our updates on Facebook, Twitter or [www.karingalfc.com](http://www.karingalfc.com)

**Go Bulls. Bullseye**

## Bonbeach Sharks

This week we go to the Pines Oval for what's a crucial game for the seniors. A win today can put us back in the mix and start building again to climb back up the ladder. Last week the top side YCW put us back in the pack recording a five goal win, but still left us wondering what if? The talents there guys!! Great to see Geoff McMullan playing his first senior game, another family regenerating. Also great to see Jackson Sole getting another opportunity in the ones. The future looks bright!

The two's got the points by a goal to give themselves a much needed boost and some self belief. Great games to Hicky, Collo & Charlie Hoges. Also good to see Carps get through the game.

The 3rds did it tough again but can look forward to an opportunity today. Good Luck Guys!

# Netball Function tonight : 'Thrifty Shop Dress Up' with Jacob Nolan, \$10 per head, 7.30pm-12.30am # Ladies Day 29th June from Noon : \$25 per head, see Karen Hogan # Annual Ball 6th July, Patterson Lakes Community Centre : \$45 single \$80 double

## Frankston YCW StoneCats

After a few weeks on the road we return home and welcome Mornington FNC to the Stonecave for what should be an actioned packed day on the footy field and netball courts.

Last week the Colts ventured to Casey fields to face Cranbourne in a crucial match up. After a week's R & R the colts shot out of the gates at the first siren and were never headed from there. Plaka, Trav Lee, Josh D and Lucas Lee led the way.

The Unders had a big win against a plucky Bonbeach team to continue their push for a top three spot with a crucial match up against Mornington today. Todd Cracknell, Keiran Albanese, Jake Theobald and Michael Debenham were the standouts last week.

Reidy's Magoos had a day to forget and look forward to redeeming themselves this week against the Doggies.

The ones were back on track last week with a great win against another finals contender. BT, Ryley, Jie and Byza named as Bugsy's best. Mornington really pushed us all the way last time around so another cracking game is in store.

The Stonekittens were magnificent last week with three great wins. They'll be looking to consolidate in today's crucial matches. Please read all the details in their notes.

On the Social Scene:

Tonight – the reunion dinner for the 2003 Premiership team. Bookings are essential with seats still available. Greg Lane (then President) and Doug Koop (then Coach) will be leading the reminiscing. Book with Reddas.

July 20 – The Gala Ball being held at the Frankston RSL. Dress code is formal with 1920's Flappers and Feathers being the theme. Table plans are up in the Rooms. Please note: Ticket prices are \$50 for a three course meal and entertainment. See Carlee or Laffa for tickets. You can email Laffa on sean@kernow.net.au.

## Mornington Bulldogs

It was the traditional Sunday clash against up the road neighbours Mount Eliza who came out on top in all grades except for C Grade Netball who had another win for the doggies, so we done girls.

In the reserves it was all one way traffic in the first half, Mt Eliza working harder and wore willing to put their head over the football. The boys came out after half time and played some good footy before being overrun in the final term. Damo McDowell was solid across half back throughout the game whilst Chris Dean worked hard in his first game back for a number of weeks. Good to see Bartolo keep putting his name up for senior selection along with Justin McLeary and Schultz.

The seniors were slow to start the game and played catch up for the remainder of the afternoon after giving Mt Eliza a five goal quarter time lead. To the boys credit they fought the game out well and managed to reduce the margin to 18 points at the final siren with a good last quarter effort. Jackson Calder was terrific up forward with 7 goals whilst Mick Bray was solid down back again. It was good to see Mossy and Baz start to get their hands on the footy, hopefully the form continues today.

YCW are the benchmark of the competition, a huge challenge awaits us, let's give it a crack as we have nothing to lose!

Another thank you this week to Mary & David Wade from Mornington Dry Cleaners who clean all the footy jumpers for us each week. So if you need any dry cleaning done make sure you support those who support us.

Go Doggies and good luck to all teams

## A year for milestones at Seaford Football Netball Club

Jeremy (Shorty ) Walker. Round 7 saw Jeremy notch up his 300th club game and 2 weeks later play his 250th Senior game Jeremy has now leapt ahead of all before him at Seaford to hold the record for games played. A fantastic achievement especially when you look at his size and stature, Jeremy has given a new meaning to long jeopardy and has shared the high and lows over a long distinguished career, which include 2007, 2008 senior premierships, many awards including Seaford Team of the Decade and recently Life Membership at Seaford, Jeremy would be regarded as one of the clubs favorite sons and we are all very proud of his achievements.

Joshua (Stoker) Stokes a product of Seaford Junior Football Club recently notched up his 150th senior game, Josh over the years has become one of Seaford's most reliable defenders ever reliable, and one of the clubs vice captains. Member of Seaford's 2007, 2008, 2009 premiership sides and recently named in the Seaford Team of the Decade, it would be fair to say Josh was destined to be a leader of this club showing maturity from an early age and one of the most well respected player within the club by players and supporters, and we all congratulate Josh on his milestone.

Aaron (Azza ) Walton like Jeremy and Joshua a product of Seaford Junior Football Club also recently notched up his milestone of 150 senior games, has played the majority of his games as an onballer / wingman silky skills left and right. Member of Seaford's 2007, 2008, 2009 premiership teams, has won many club awards over the years and recently named in Seaford's Team of the Decade, shares the vice captains role with Josh Stokes, quiet in nature and prefers to do his talking out on the ground through his football, well respected player within the club by all, and like Jeremy and Josh we congratulate Aaron on his milestone.

Footnote: Jeremy Walker as a senior player once took Aaron Walton's Under 9 team for training.

Seaford have one more milestone to come in Kieran Shaw towards the end of the year we look forward to honoring Kieran in the same manner as Jeremy,

Joshua and Aaron when he reaches his milestone.

## Haretuku Magic Not Enough For Dolphins

A brilliant return to form from key forward Khan Haretuku wasn't enough for the Dolphins as they fell to a talent-packed Blues VFL team by eight goals at Preston City Oval.

Haretuku, who missed the first six games of the season, was superb for the Dolphins on his way to six goals in a dominant high-marking display, easily eclipsing Carlton defender Matthew Watson in their one-on-one battle.

Doveton big man Russ Gabriel (19 possessions, 25 hit-outs, 9 clearances) was superb as he more than matched the Blues' dynamic ruck duo of Robbie War-nock and Shaun Hampson.

Veteran David Gallagher was superb with his fearless attack, while Tyabb youngster Corey Buchan (20 possessions, 9 marks) had his best game for the year.

Perhaps the performance of the day though was from emerging Berwick defender Riley Heddles, who made a statement with his speed, athleticism and attack on the ball to completely shut down Blues' star Chris Yarran.

The Blues put the foot down early with the wind at their backs, booting the first five goals to set up their ultimately match-winning lead.

The Dolphins steadied thanks mainly to the courage of Gallagher (18 possessions, 12 marks), who was marking back with the flight of the ball, throwing his body into contests and providing run from defence.

A late snap from Sam Lloyd gave the visitors some momentum, and with Gabriel getting on top of his ruck battle the Dolphins started the second quarter on fire.

Haretuku capitalised on the good work, flying for the mark of the day on his way to four majors for the quarter as the margin closed to under two goals.

But a crucial late lapse from Frankston hurt them going into half-time, and when the Blues put their foot down to open the third quarter the margin was beyond 40 points and the task near impossible.

While Leigh Kitchin (27 possessions, 9 clearances) helped the visitors split the honours from that point they could make no genuine inroads.

In the early game, the Dolphins development team made a huge statement by knocking over the third-placed Blues on their own dunghill to take their record to 2-2 against the top four teams.

After a slow start cost them dearly last round against Werribee, the visitors split the first quarter before holding the Blues goalless in the second term to set up a 16-point half-time lead.

When their more-fancied opponents booted the first two goals after the break the Dolphins unleashed a barrage of five straight goals, including four in six minutes, to set up their victory.

Red Hill and Karingal youngster Rob Clements was dangerous again around goals with three majors, while Chelsea's Todd Gardiner, Skye junior Sam Fox and Mornington's Nic Newman were also outstanding.

\* The Dolphins return to Frankston Park this Sunday (23 June) to face traditional rivals Sandringham in a crucial clash for both teams.

## **Frankston & District Junior Football League Inc. - Weekly News Update**

### **Youth Leadership Program**

Session No 5 – June 17 - Social media protocols and discipline “Respect and Responsibility

Susan McLean delivered an outstanding workshop entitled “Respect and Responsibility” at the F&DJFL Inc Bendigo Community Bank Youth Leadership Program. The wide ranging subjects and in simple terms Susan encouraged the YLP participants to treat everyone in the Cyber Space with Respect and Responsibility and very little can go wrong. The general focus was about “Personal On-line Safety” and addressed the popular sites for youth; many misconceptions were put to rest in a hard-hitting “Facts versus Fiction” delivery. The young people were surprised to learn about the illegality of many issues that are considered OK.

Susan also spoke about the possibility of a Cyber topic being added to the national education curriculum.

This session is a must for all Leagues and their Clubs in first understanding and then educating club members; the Cyber Space is changing at an accelerated rate and ongoing education is necessary; the F&DJFL Inc are playing their part through the Youth Leadership, Club and Player programs.

The next session is session 6 and will be held on July 15 and is being presented by the Saints AFL Emerging Leaders Group; their theme is RESILIENCE

## Holding the Ball

Was it a legal tackle? Did they have prior opportunity? Have they had a reasonable opportunity to dispose of the ball? Have they made a genuine attempt to dispose of the ball? Did they dive on the ball? Did they legally dispose of the ball?

There are many questions an umpire must consider when interpreting holding the ball situations. The Spirit of the Laws are distributed at all levels of football to assist umpires in achieving consistency and accuracy in their decision making.

When considering tackling and holding the ball situations the Spirit of the Laws firstly outlines that the tackle must be legal.

"For a holding the ball free kick to be awarded, the tackle must be legal."

Once it has been determined that a tackle is legal the umpire should consider whether the player has elected to dive on the ball.

In relation to diving on the ball the Spirit of the Laws explain that "the ball shall be kept in motion".

Where a player elects to dive on the ball or elects to drag the ball underneath their body and is correctly tackled, the player is to be penalised for holding the ball if they fail to knock the ball clear or correctly dispose of it.

If the player hasn't dived on the ball then the umpire needs to consider whether they have had prior opportunity to dispose of the ball.

The Spirit of the Laws explain that if the player who has possession of the ball has not had prior opportunity to dispose of the ball prior to being tackled correctly they should be "given a reasonable opportunity to make a genuine attempt to kick or handball the ball".

If the tackle pins the ball and a genuine attempt is made to dispose of the ball, a field bounce will result.

If a correct tackle or bump causes the player with the ball to lose possession, play on will result.

However, where a player "has had prior opportunity to dispose and is then correctly tackled by an opponent they must immediately and successfully kick or handball the ball".

And in these situations if a correct tackle pins the ball or causes the player with the ball to lose possession, a free kick will result.

However, if a bump or knock to the arm causes the player with the ball to lose possession, play on will result.

## Schedula

Schedula is up and running quite smoothly. For those who are having trouble still, make sure you contact the following people for assistance: Bernie, Kate or Tammy otherwise send an email to [webmasters.sua@gmail.com](mailto:webmasters.sua@gmail.com). Also please ensure you put your back details on to your Schedula profile so that you can be paid. To those who haven't yet done so, will be paid next pay run in a fortnight. Double check the SUA website for more details.

## Other News

Peter Marshall is away for the next 4 weeks and manning his phone will be Brett Gent. While Ivan is also away, Genty and Mounsey will be assisting to hold the forte. It is very important if you are field umpires that if you are going to be unavailable in the next 4 weeks, make sure you have updated the information in the Schedula system under your profile. All umpires who decline their umpiring appointments via the schedula system must also make direct contact by phone with your coach. Also make sure that you check out our weekly recap on the SUA website to be kept up to date with what's happening at the SUA.

## TRIBUNAL REPORT

# Footy Short Stories

Footy short stories is an weekly update of the little but important things going on in local football and netball communities, if you have a short story you would like to have featured please email all the details to [ianb@mpnfl.com.au](mailto:ianb@mpnfl.com.au)

Your stories can be about people around the club, club legends or funny moments shared at the football and/or netball

## Respectful Relationships

Everyone has the right to feel safe, to be treated with respect, to be valued and feel accepted for whom they are and what role they play in community sporting clubs.

While it has been part of the game back in the good old days, times have changed and the traditional supporter needs to change and move with the times and come up to a level that is expected in this day and age as todays local community sporting clubs are far from the male dominated environment they once were.

With increased participation in Netball there are more and more young girls, females and families attending local sporting matches and its putting pressure on all of us to re-think how we behave at the local football and how we can assist our clubs who are committed to providing a safe, family friendly environment.

## You're Challenge

Stop and think before you make a comment towards a player, runner, trainer, umpire as these people are just doing their job and just want to play or be a part of the game.

While these players and officials are doing their job I challenge you to go to your work place on Monday and get your work colleagues to criticise your every move in the work place and see how your day pans out....

## Berry Street – supporting families and sport

Berry Street is the largest child and family welfare organisation in Melbourne and Victoria, helping over 20,000 Victorians during the past year. We work with children, young people and families with the most challenging and complex needs. These children and young people have suffered great distress and significant harm, growing up in families where family violence, chronic neglect, substance abuse, mental illness and poverty have prevented them from having a good childhood.

Berry Street never gives up on children and young people because we believe that all children should have a good childhood, growing up feeling safe, nurtured and with hope for the future.

In Victoria, the number of children who cannot live safely at home has risen every year over the last ten years. Berry Street offers a range of services including foster & kinship care for children who can't live safely at home. We are urgently looking for a variety of people who can make a difference in a child's life by offering a stable and secure environment, enabling him or her to grow and mature into a unique and aspiring young adult.

Foster carers come from a range of different backgrounds, cultures and experiences. Each child who enters foster care is different and unique and, therefore, it takes a variety of people with special qualities to meet the needs of children in care.

If you are interested in becoming a foster carer who can provide emergency, respite, short or long term care for vulnerable children and young people contact us today on 1800 367 837. Berry Street, and our kids, need someone like you.

## Help give someone like Sara a good childhood.

Berry Street is looking for families like yours who can provide emergency, respite, short and long term care for vulnerable children and young people.

If you have room in your heart and home, call us today to discuss how you can become a Foster Carer.

1800 U FOSTER (1800 836 7831)

## IT'S A GREAT FEAT TO KNOW YOUR FEET WHEN PLAYING COMPETITIVE SPORT!

Anybody who has ever had a plaster cast, can well relate to the feeling of having to use a knitting needle to scratch that awful itchiness that usually appears around a day after getting the cast on!

For the past five weeks my own son has had the pleasure of wearing a moon boot, as result of a fractured foot. Fortunately for him he didn't require a full plaster cast and is able to remove the boot to scratch an itch without using a knitting needle and able to take a shower without having to 'bag' his entire limb. My son's foot injury was sustained during a football match, so I thought it was a good opportunity to look at some of the foot injuries and conditions, which can affect football and netball players. There are many sports related foot conditions, unfortunately I cannot summarise all of them in this article. The conditions I have summarised, you may already know about, some you may have even experienced them first hand in your sporting career. Whatever the case, I hope this article will shed some light on some of the sports related injuries that can happen to your feet.

**Achilles tendinopathy or tendinitis:** The Achilles tendon is the large tendon that runs down the back of the ankle attaching the lower leg muscles to the heel bone (calcaneus). With this condition pain is usually present when pressure is applied on the heel, in the area where the tendon attaches to the bone. As well as pain, inflammation can also be present in the heel area and surrounding tissues. Football and netball players are prone to this condition from the nature of these sports with lots of running and jumping. Unfortunately this condition usually also increases with age, affecting older players or players who do not play sport often.

**Ankle sprains/strains:** These are very common and can occur when the foot rolls or twists in an abnormal range of motion movement. The feet as with other parts of the body have ligaments that support the bones and joints. Ligaments are like stretchy elastic bands and have a limit on how far they can stretch in the normal range of movement. Being diagnosed with a sprain basically means the ligaments have overstretched, which causes them to become weak and unstable. In severe cases the ligaments can detach from the bone, which may require surgical repair.

**Fractures:** Bones form part of the skeletal system; the bones in the feet include the phalanges, metatarsals, cuneiforms, cuboid, navicular and calcaneus bone. The ankle joint is a 'hinge joint' which consists of the tibia and fibula (which are the two bones in your lower leg) and the talus bone. When a bone is subjected to force (trauma) stronger than it can tolerate, it can fracture (break). Bone fractures are diagnosed with an x-ray and treatment varies depending on the site of the fracture and type of fracture. Treatment for fractures can include splinting with a plaster cast or moon boot, surgical repair with pins, plates or rods and traction in some cases.

**Plantar fasciitis:** Foot Pain from plantar fasciitis occurs underneath the foot (along the sole) in the area around the arch of the foot and can also cause heel pain. It is caused by micro tears or compression

in

the plantar fascia. The plantar fascia is a thick fibrous band of connective tissue; which runs underneath the foot from the heel to the arch area of the foot.

Netballers and footballers are more prone to this condition, due to the high impact of these sports. In some cases medication will be prescribed to assist with inflammation and pain management, as it can be difficult for some people to weight bear on the feet with this condition.

**Severs Disease:** Physically active young footballers and netballers, are more prone to this condition than adults. I thought it was pertinent that I mention Severs Disease in this article for anyone who may be coaching or a team trainer in junior football or netball team. Severs disease medically referred to as calcaneal apophysitis, is a condition which usually occurs around the onset of puberty. In puberty the growth plates in the bones grow rapidly. This growth spurt can result in surrounding tendons, muscles and ligaments becoming tight and inflamed, as they do not grow as quickly as the bones. In children diagnosed with Severs disease tightness occurs in the Achilles tendon, which runs down the back of the heel. This tightness causes inflammation and pain, which can cause the child to limp and have heel soreness for no apparent reason. Severs disease can cause a great deal of pain, distress and discomfort to any child, so always be mindful of this if you are involved junior sport. Some of the treatment for Severs Disease includes rest, pain relieving medications, heel pads, orthotics and specific types of stretches.

Any injury takes time to heal and repair, but good advice; good injury management from a sports physiotherapist or podiatrist; and a positive mindset can assist greatly assist in rehabilitation for these types of injuries. (A good orthopaedic surgeon also helps, if it comes to surgery!) I myself have had pleasure of a cortisone injection into my ankle for a netball related injury in the past. I have also cared for a husband who has had two major ankle reconstructions from his football playing days. I love netball and football, but they have the potential to cause problems with your feet over many years of playing. If I could give some advice about foot injuries from personal experience, it would be to eat well, stretch well, warm up and cool down properly, use appropriate interventions, such as strapping, icing, orthotics and any other strategies recommended by a health professional. To all the netballers and footballers out there today, braving icy cold conditions have a great game and I hope you come of the court or field injury free.

The second half of the season is well underway and with only eight games left of our home and away season have we seen the final set of the ladder for the end of the year. The Eagles still sit undefeated have the other teams got the fitness and skill level to take them down at the right time of the season. The question of the unknown for us all can we get them.....

## **Last weeks Wrap Up**

### **Pines v Karingal**

With a late change of venue the girls headed over to Monash Uni for a dry round of indoor netball. C Grade started off as a close game with both teams trying to hold there spot in the top 4 position but Karingal proved to strong this time around and took Pines down by 11 goals and pushed them out of the top 4 position. B Grade the tables turned and Pines came out on fire from the first whistle ending the game with a 21 goal win sitting them just out side the 4. A Grade also going the way of the visitors ending the day with a 11 goal win to Pines putting them clearly in 3rd spot with only a game behind mountry for 2nd spot.

### **Bonbeach v YCW**

The Bonbeach ladies welcomed the Stone Kittens for a long afternoon for the home team. C Grade being the closest match up of the afternoon with the YCW ladies taking victory by 6 goals giving them 3rd spot tittle on the ladder. B Grade with the Bonbeach ladies still looking for there first win for the season where unable to achieve with the inform YCW ladies going down by 57 goals. A Grade went on the same journey with the YCW ladies taking victory at the final sire by 30 goals.

### **Seaford v Langwarrin**

The Langy ladies headed over to Seaford for a long afternoon of netball for the host. C Grade game victory went to the away team by 5 goals getting them closer to 4th spot but not quite there. B Grade again went the way on the Langy girls with a 17 goal win securing the Langwarrin ladies 3rd spot on the ladder. A Grade in a very close encounter gave Langwarrin the clean sweep for the afternoon getting up over Seaford by 2 goals. In form Langwarrin Netball club continue to shine great work ladies.

### **Edi Asp v Chelsea**

With no real home game advantage for the Edi Asp ladies the Chelsea girls were looking at giving the Eagles a run for there money - with the late start to the day and the B Grade ladies took to the court with a game that was lead all day by the Eagles and the final whistle giving them a 18 goal victory. A Grade going the Eagles way also with a 25 goal win and no movement from top spot for all three grades.

### **Mornington v Mt Eliza**

The battle of the Peninsula Post Codes saw the local derby played on a Sunday with the ladies from Mornington welcoming their neighbours for what was said to be a tough afternoon of netball. C Grade looking for two in a row for the Doggies they continued their form with a 1 goal victory over the mounties. B grade went back in the way of the visitors with a 14 goal win to Mt Eliza. A Grade would be seen to be a tough battle but the Mt Eliza ladies took it in their stride with a 33 goal win securing 2nd spot on the ladder.

With some interesting games ahead and only 8 games to go for the season we are looking for some upsets ladies - can anyone have the passion to overcome the ladies from Edi Asp with Mt Eliza & Pines coming within 5 goals of the A team can they take them down second time round.....

Good Luck today ladies

## **Seaford Tigers**

Back to the start of the draw we go & last week we faced off with Langwarrin down at the nook. Unfortunately for us it wasn't our day & we went down in all three games.

C grade kicked things off & started the proceedings with a bang. Genna was on fire in the defence end taking some ripper intercepts & Tiana held strong in the centre court. Big ups to Mel who played out 3 quarters despite being sick as a dog. There were some great passages of play throughout the court and the tiges stuck with the roos. Unfortunately our last 5 minutes let us down & Langy managed to pull away to take the match out by 5.

Although we had a loss in the B grade you girls should keep your heads held high. I know a lot of you walked off the court disappointed but you truly put in a great 3 quarter performance. Great to see Sally in the defensive end always shouting out encouragement to her team mates. Positive vibes are what will lift your team mates & I have no doubt this team will be posting some great wins in the near future.

A grade match was a ripper. Langwarrin came out firing from the first whistle & proved that they are a force to be reckoned with. Down by 9 at half time & with changes to the line up across the court the girls lifted to produce a great second half of netball. Stand out this week went to Rach C who was killing it in the centre court. Our slow start let us down again & although we out scored in the second half it is always hard to play catch up against a quality opposition. Congratulations to Langwarrin for taking out the 3 wins & providing 3 ripper games of netball.

**GO TIGES!!!!**

# Club Notes

## Karingal Bulls

Last Saturday we had the hard task of taking on Pines. With the weather dismal all week, Ebony thought it best to secure an indoor court.

The C team came out firing. Kate Sims & Cakers proved strong in defence & held the Pines goalers to a minimum. Our tall shooting combination of Renae & Laura were on target & led the team to an impressive win. Jade Cappola was a welcome return from injury & was sensational.

B grade took to the court & were in the game until half time. Unfortunately changing of combinations led us away from our game plan. Karen & Kel were good in defence as always. Emma adjusted to many changes & played in three different positions. Jess A provided drive through the centre court & Amy was a welcome inclusion from A grade. We need to adjust our game to the umpiring & unfortunately we didn't.

A grade knew their task was going to be tough. Only going down by 6 the last time we met, we were hoping we could turn that margin around. Emily & Rach were tight in defence. Steph was playing on a defender twice her height, but still her accuracy was excellent. Beck played out at GA, giving us a tall option to go to. Ebony held the Pines WA well & forced errors in the second half. Petrina was an excellent match up through the centre & Jaime was strong in WD then used her speed through the centre. A sensational game girls!

This week we take on Langwarrin on Friday at the Peninsula School. Don't forget the \$5000 draw, tickets can be purchased at the club.

**GO BULLS!**

## Chelsea Seagulls

Last week we played Edithvale/Aspendale on a wet slippery court. Thankfully despite a few tumbles from both sides, no one was hurt. Our B's tried their best but were unable to match Edi's speed and accuracy in the goals. Our B's lost by 18 goals, although looking back to Rd 1 we definitely showed improvement since we last met. Our A's also put in a good effort, but eventually went down by 25 goals. This week we host Seaford on our home courts, lets hope for a dry surface to play on, and a good competitive game. Thankyou as always to Hocking Stuart for their ongoing support,

**Go Seagals!**

## Round 10 Results

## Frankston YCW StoneKittens

A great start to the second half of the season with three convincing wins for the Stonekittens!

Bibsy's girls took control of the first half of the game from the initial whistle with some good strong netball and putting into practice set plays at both ends of the court. The sharks increased the tempo in the final quarter with some goal for goal action but the Stonekittens stayed strong worked hard towards team goals and held onto the lead to come away with the four points. Lozza Barry with some great defensive pressure with Ness and Lauren staying focused and cool at the opposite end of the court.

The B grade girls had a spectacular day coming away with a much need percentage boosting win, 74-17. The centre court dictated the play this week, controlling each and every ball that passed through. A great effort by the B grade girls who are really settling as a team with an exciting second half of the year to come. Steph Beckett and Goldie dominating the court once again and some brilliant work by the goalers, Evie, Brooke and Indie.

The A grade girls came out all guns blazing scoring the first 7 goals of the match, without the sharks even getting a look in. Tackling the game quarter by quarter the girls moved from strength to strength. A short lapse in the final quarter allowed the Sharks a few easy goals but the Stonekittens put a stop to that as soon as it started. Katie, Lea and Cat with some fantastic defensive pressure through the mid court, Boult's a great effort out of position and Lyshae some tough body on body defence in the goal circle.

Let's keep this winning feeling alive girls and continue with the Dogs this week at home!

**Go Stone kittens!**

## Pines Pythonettes

Well last weeks games was our chance to cement our positions on the ladder but unfortunately C Grade wasn't able to. The girls came out with all guns blazing a few silly mistakes in the first half had them sitting one goal down at half time. Third qtr the cookie sure did crumble and the girls went to 11 goals down all due to silly mistakes - special mentions Amanda Riley & Danielle Saunders. B Grade girls moved closer to that 4th spot position leading all day and playing high quality netball - ending the final siren with a 21 goal victory - special mentions to Ash Perry. A Grade were in for a tough game with Karingal being on a winning streak of late but that didn't stop the girls one bit finishing the day with a 11 goal win sitting us in 3rd position by 3 games - special mentions to Maggie Tamoau and Stacey Webber.

Thank you to all the ladies that attended the Gala Ball it was a great night and everyone looked absolutely Fab.  
Social Functions -

Mystery Night - Saturday 29th June come along and enjoy the fun of the unknown \$10.00 Entry

Day @ The Sandown Greyhounds - Sunday 14th July - \$30 Entry - Includes Bus to & from, \$10 Betting Voucher, Entry, Finger Food, Form guide...

Good Luck Today Ladies

## Langwarrin Kangaroos

3 wins last week to the girls against Seaford, we may not have earned them in true langy style, but we'll take them.

C girls came away with a 5 goal win against Seaford. It was a hard fought game with many intercepts by both teams. Our girls defensive pressure was impressive. Everyone stuck on their players and always had hands over every pass and second efforts by all were commendable. Unfortunately the awesome intercepts were slightly over shadowed by the passing that followed. The support from the sideline was great and at the end of the game all girls should have walked away proud. Looking forward to getting in the top 4 in the coming weeks. Go team!

Tough B game this week, facing off against Seaford. Cassie led the team as she returned to her roots at the Kananoak courts. All the girls tried their hardest, under some challenging game conditions.

Overall, four points to the girls with some lessons learnt on things we need to improve on.

Round 10 saw the A girls facing off against the tough team of Seaford. It was an important game for us and we needed a win. With no Mich, we had Kristy Herdman stand up in defence with Sharna taking over in goals. A great effort by both girls. Our game started off with a strong first half where we had a 10 goal lead at half time. In the second half the determined Seaford girls came fighting back hard. Even though they came out strong we managed to hold a lead all the way to the end, bringing home a 2 goal win.

Good luck in Round 10 against our neighbours, Karingal. Thanks to the girls for playing us on a Friday night. We appreciate it.

Lets come away with 3 wins tonight so that we can Charleston up the Lloyd Park Dance Floor, Gatsby style tomorrow. I think we 'Can Can'!!!!

Please continue to support those who support us, Mirror Mirror and RAMS.

**Mt Eliza Red Legs**

Once again the C grade match was full of excitement as both teams battled it out right down to the final siren! The defence end with Renae, Zoe and Jacki were a very tough combination creating lots of turnovers. The strength through the centre court saw Karen, Sarah and Rachael move the ball cleanly down to the goalers. Hayley and Meagan worked the circle well creating shooting opportunities. A hard fought out match with plenty of lead changes. The game could have gone either way, it simply came down to the timing of siren. Well done girls. Mt. Eliza 34 Mornington 35.

A strong opening quarter saw Emma, Eliza and Lucy fire early in defense creating many opportunities for Sam and Karen in goals. Great outlet passes made for a quick transition through the centre court, with Carly and Michelle working well together and finding the edge of the goal circle with ease. Ella came on in defense in the second quarter, teaming well with Emma, continuously backing each other creating many turnovers. The third quarter saw our intensity drop slightly, and Mornington rallied, each team adding on 11 goals. The girls dug deep in the final quarter, showing determination and encouragement for each other, eventually coming away winners 40-26.

After last week's narrow win, the team was forced to regroup and assess our performance and what we were putting into game days. And assess we did! Having only beaten adversaries Mornington by the smallest of margins earlier this year we knew we had a hard task ahead of us and that there would be no room for complacency and laziness. So we are happy to report all 8 players that took the court on the cold Sunday just passed played the game of the year. Timing, effort levels, accuracy, tenacity were all 100% and I couldn't have asked for more from the girls. With an early lead underway – we were able to make a number of changes testing a number of combinations and all the girls adapted to every change made. Shelley and Jess W were unstoppable in the circle forcing Mornington goalers to shoot from wherever they received the ball. Di A played a stellar WD getting hands to every ball that came her way! Chloe, Anna and Jess A, hit the ring with timing and precision feeding excellent ball to our goalers Brookey and Taz who are already slotting into the formidable partnership they had played in the past. The end result was a 30 goal win – a truly exceptional result from an exceptional bunch of girls. Looking forward to next week ladies! Mt Eliza 66 Mornington 33.

**Bonbeach Sharks**

Last week the C' grade girls put up a great effort against YCW and nearly got the points. Letting it slip by just 5 goals in the end. They should all be congratulated on a great game.

The B's had a tough day on the court going down comfortably, but all girls had a go which is pleasing. The A's and B's were missing a few players giving Amy a chance to play others in new positions. This worked well particularly in the A's with Steph Hensen doing well as shooter helping us to 31 goals for the game.

The A's put up a great effort and perhaps a win's not far away. This week we go to Pines' indoor courts. It's always nice to stay out of the weather.

Netball Function tonight : 'Thrifty Shop Dress Up' with Jacob Nolan. 7.30pm-12.30am. \$10 entry

# Club Notes

## Edithvale - Aspendale Eagles

Last Saturday was wet and miserable with a few spills on court, a fantastic display of the 'splits' from one Chelsea player and two great games of netball.

Before the Chelsea game we received a request from a young family. Eight year old Jameaya is suffering from double kidney failure and as the last few weeks have been particularly hard, her mother asked if she could come down to netball and meet some of the Eagle players. Thank you to Karen, Casey & all the Seagals for your support as Jameaya began the A Grade game by tossing the coin, Caris presented her with an Eagles netball signed by our players and Wendy presented Aleah (mother) with some flowers. Jameaya was so excited. Thanks again to everyone!

Also thank you to the Aspendale Gardens branch of the Bendigo Bank! It was great to have the use of your marquee with the weather being a bit unkind. Everyone appreciated being able to get out of the rain and we have the feeling that the marquee will get a lot of use this season.

We honoured the late Ken Lyons last Sunday with a luncheon to announce the naming of the Ken Lyons Pavilion at Regents Park. Thanks to the Lyons family who all attended and congratulations to Teddo and Phil from the Frankston International for putting together such a fantastic day. Ken would have been proud!

This week we are looking forward to three great games against Mt Eliza in the comfort of their indoor courts.

Good luck to all Eagles teams playing this weekend.

**Fly Eagles!!**

## Mornington Bulldogs

Thank you to Barb, Vicki, AJ and Courtney for helping us out last Sunday to field 3 competitive teams.

The day started with a close encounter in C grade. Only a penalty shot on the siren was the difference. Kaylah played well even though she wasn't well and Cathy was a rock at GK rebounding and giving us opportunities to move into attack. A one goal win to Bulldogs.

B grade took the court with 6 of the 7 players being defenders and took some time adjusting to each other. A strong second half saw the match even but we were always on the chase. Captain Sarah led from the front ably backed by Michelle at GK. Meg finally found her aim and played well at GA.

A grade contested well but the height of the Mounties GS was the difference. Tess made the WAs earn every possession and Grace and Chris combined well to feed Alyshia and Sarah. I was impressed by the endeavours of Caitlin and Jess for the full 4 quarters under extreme pressure. You never gave up!

This week we meet YCW away and need to get back on the winning list to keep the season alive.

**GO DOGGIES.**

## Plan ahead, on and off the field

If you're going to have a few drinks, plan ahead and arrange a ride with a designated driver – someone who's not drinking or who's responsibly sticking to light.

*Good sports don't let their mates drink and drive.*

A DRINK DRIVE PARTNERSHIP

A RoadSafe Victoria initiative supported by VicRoads and VCFL

# WorkSafe country football legend

IAN (FIZZ) JACKSON -  
Wedderburn Umpire

Ian 'Fizz' Jackson played the game hard but tempered his fiery approach when he turned to umpiring. In 1974 he started a 28 year umpiring stint that saw him officiate in 560 games and 20 grand finals. Ian says proudly that he never reported a player in his umpiring career "I'd rather give a 50 metre penalty or talk to them than report them". WorkSafe is proud to sponsor country football. For the players, the families, friends, even the umpires! That's why WorkSafe wants to remind everyone in country Victoria how important it is to have a safe workplace. That way all of us can turn up to the footy on the weekend to see our country football legends.

PROUD SPONSOR OF COUNTRY FOOTBALL FOR OVER 10 YEARS.
